REPORT OF THE TRUSTEES
for the Year Ended 31 December 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Dispensaire Français - Société Française de Bienfaisance cares for French and French speaking people in need, whether medical, social and/or financial need. This support is provided benevolently by French and French speaking health professionals, counsellors and visitors for the public benefit.

Public benefit

The objects and activities of the Dispensaire Français are for the benefit of the public. The patients at the Dispensaire Français have difficulties to access the UK health system, either because they are not registered in the NHS or simply do not understand the system and do not speak English. The 36 health professionals all give their time on a regular basis and are drawn from a wide range of specialities, reflecting the needs of the beneficiaries. The Dispensaire Français provides key services in preventing French-speaking people from falling through the gaps:

- o Relief from suffering for those that may have endured severe physical and emotional trauma.
- o Preventing further health declines through practical and well-informed intervention.
- o Preventing individual cases becoming highly costly emergency admissions, thereby saving the NHS significant sums.

The Dispensaire Français with 15 volunteers involved in social activities provides support, companionship and financial help to a range of beneficiaries from young people to senior citizens:

- " Help and support for young people going through a difficult time, including financial help (to cover the cost of a hostel)
- " Companionship and financial support for senior citizens with a regular club and home visits as well as visits to museums and concerts

In making decisions about the charity's activities to deliver its objects, the trustees have had due regard to the Charity Commission's public benefit guidance and also when exercising any powers or duties, to which the guidance is relevant.

ACHIEVEMENT AND PERFORMANCE

Review of the Year

During 2020, the Dispensaire has continued to provide expert medical services to those French and French speaking patients who for various reasons such as an inability to speak English or a lack of understanding of the NHS have difficulty accessing NHS services.

The Dispensaire's 2020 activity was negatively affected by the Covid-19 pandemic as the clinic had to close offices during the first lockdown. But the Charity remained in operation throughout the year moving to online consultations at the end March and reopening to in person consultations progressively from June.

The Charity provided 1,099 consultations in 2020 (down from 1,672 in 2019), of which 272 were online consultations, with the help of more than 30 doctors and health professionals who have given their time and expertise during the year for no charge. The demand in the field of psychology and psychiatry was particularly high due to the impact of the Covid-19 crisis. The first quarter of 2021 has seen a strong level of activity with close to 538 consultations (compared with 451 in the first quarter of 2020) of which 143 were online, supported by the arrival of 9 new doctors and health professionals.

The Dispensaire 15 volunteers maintained close contact with the isolated and elderly people in need of social or financial help, in particular those affected by the pandemic, and the activity remained stable in this area.

The youth walk-in clinic's activity was halted in March but resumed in September, mostly offering online consultations but progressively moving back to in person meetings.

Fundraising events had to be cancelled due to Covid-19 and fundraising activity was limited for most of the year. However, the Dispensaire launched a fundraising campaign among its regular donors in the last quarter of 2020, which gained traction towards year end and into 2021.

We wish to extend our warmest thanks to the health professionals, volunteers, trustees and staff for their dedicated and hard work through the difficult Covid-19 experience. The Dispensaire could not exist without them.

FINANCIAL REVIEW

Financial position

The statement of financial activities shows the total incoming resources for the year of £178,200 (2019: £292,001). In addition to lower revenues from medical receipts and fundraising events, the investment assets generated lower revenues as invested companies cut their dividend payments in the face of the Covid-19 crisis, while the Dispensaire halted receipts from rents on its property during the first lockdown. Expenditures on the other hand were broadly stable as the Charity decided to keep its employees on the payroll. Hence, despite exceptional donations from the French government and the success of our year end fundraising initiative, the Charity generated losses on its activities of £35,564 (2019 gains of £72,983). We expect to generate further losses in 2021 as investment and fundraising revenues in particular continue to be impaired by the Covid-19 pandemic.

The statement of financial position shows a satisfactory position with unrestricted funds amounting to £2,956,608 (2019: £3,070,539).

Investment policy

The investment assets are marketable financial instruments, which are considered to be low risk. The structure of the portfolio aims at generating income and at preserving their long-term value. The selection of investments aims to integrate responsible investment criteria in particular excluding investments in companies in the tobacco sector.

FINANCIAL REVIEW

Reserves policy

The origins of the Dispensaire Français go back to 1867 when the French Hospital opened in London under the patronage of Queen Victoria. Funded by private and public funds, its vocation was to provide free medical services to all French and French speakers in need. This is still its mission today.

The Dispensaire received a generous donation in 2000 when the former convalescence home of the Hospital Français based in Brighton was sold and its trustees decided to give the proceeds of the sale £1,400,000 to the Dispensaire Français.

Though they did not restrict the use of the funds, it was clear that the gift was made to endow the Dispensaire with enough funds to pursue its historical mission in the future as it had done in the past 150 years.

The reserves/capital of the Dispensaire are part of its legacy and meant to ensure its continuity. Though unrestricted they have traditionally been treated as if they were an endowment by the trustees. The reserves which have been invested in property and investments are not available for spending on day to day activities.

Accordingly, these reserves have been designated in the 2013 annual accounts to give a clear picture of the free reserves, which are available for spending on day to day activities. Until recently the Dispensaire's income from capital was sufficient to cover the cost of operations.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Legal and Administrative

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

DISPENSARE FRANCAIS-SOCIETE FRANCAISE
DE BIENFAISANCE FRENCH CLINIC AND FRENCH
BENEVOLENT SOCIETY

REPORT OF THE TRUSTEES
for the Year Ended 31 December 2020

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The "Dispensaire Français" changed its name to Dispensaire Francais-Société Française de Bienfaisance after the merger in June 2014 of "Dispensaire Francais" with the "Société Française de Bienfaisance".

The "French Clinic" otherwise "Dispensaire Français" was the successor to the "French Hospital and Dispensary". It was a Charity registered under the number 1125579. 'Le Dispensaire Français-the French Clinic' was incorporated by the trustees on 11 January 2008. The new charity was registered on 1 June 2009. The Trust fund was transferred to the company in 2009. The Company is a company limited by guarantee no 06470940.

The Société Française de Bienfaisance (French Benevolent Society, Ben no 21) was created in 1842 to help French people in hardship with financial help and support.

With similar missions, the two organisations worked closely together for many years. To develop services, the Trustees decided to join the 2 organisations and this merger was voted on 3 June 2014.

The Trustees of the French Benevolent Society joined the board of Trustees of the Dispensaire Francais and the charity's name was changed to Dispensaire Francais-Société Française de Bienfaisance (DF-SFB).

The President and the Honorary Treasurer of the Dispensaire Français-Société Française de Bienfaisance are elected at the Annual General Meeting.

The Medical Committee is composed of the health professionals who practice at Le Dispensaire Français. It recruits fellow health professionals and advises the Trustees on medical matters. The Medical Committee elects its Chairman.

The Social Committee is composed of the volunteers who organise home visits and a club for elderly, isolated people and give advice and financial support to young people.

The day to day management of the Dispensaire Français-Société Française de Bienfaisance is in the care of the Administrator who acts in accordance with the directives of the President.

The Dispensaire Français-Société Française de Bienfaisance is committed to making its premises available to other French Charitable Organisations with similar objectives.

The names of the Trustees who served during the year and up to the date of signing the accounts, together with those of the Administrator and relevant organisations, appear on page 4 of this report.

Information about the charity can be found on its website at www.df-sfb.org.uk.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
DISPENSARE FRANCAIS-SOCIETE FRANCAISE
DE BIENFAISANCE FRENCH CLINIC AND FRENCH
BENEVOLENT SOCIETY

Independent examiner's report to the trustees of Dispensaire Francais-Societe Francaise De Bienfaisance French Clinic And French Benevolent Society ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2020 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 31 December 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The accounts have been prepared on the going concern basis. The trustees consider that there are no material uncertainties regarding the charity's ability to continue in operational existence for the foreseeable future, which is deemed to be 12 months from the date of approval of the financial statements.

This statement has been made after consideration of the continuing impact of the global Covid-19 pandemic. Whilst it is recognised that income streams will be affected by these external factors, the cash reserves of the charity compared to the annual running costs, irrespective of income received, mitigates any material uncertainty of the charity's ability to operate for the period stated above. The liquidity of the charity's investment portfolio has also been taken into account in the assertion above.

Legal status of the charity

The Charity is a company limited by guarantee and has no share capital. Liability of each trustee in the event of winding-up is limited to £1.

Income

Income from rents is accounted for in the periods in which it is receivable and the charity becomes entitled to the income.

Dividends and interest, and the tax recoverable thereon, are brought into the financial statements when receivable. Grants are accounted for when entitlement to the grant and the grant is receivable.

Expenditure

Expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay for the expenditure. All costs have been directly attributed to one of the functional categories of resources expended in the Statement of Financial Activities. The Charity is not registered for VAT and accordingly expenditure is shown gross of irrecoverable VAT.

Tangible fixed assets

Tangible fixed assets are shown at cost plus any incidental expenses of acquisition less accumulated depreciation. Depreciation is applied to the Buildings to write off the cost over a period of 50 years of the estimated rebuilding cost of £550,000 at the Balance Sheet date. The element relating to the land in the cost of the Freehold has not been depreciated. Depreciation is calculated to write off the cost of fixed assets on a straight-line basis over their expected useful lives. The rate of depreciation on medical equipment is 10% per annum, and on office equipment at 25-33.33% per annum.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

General funds are unrestricted funds, which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

**DISPENSARE FRANCAIS-SOCIETE FRANCAISE
DE BIENFAISANCE FRENCH CLINIC AND FRENCH
BENEVOLENT SOCIETY**

**NOTES TO THE FINANCIAL STATEMENTS - continued
for the Year Ended 31 December 2020**

1. ACCOUNTING POLICIES - continued

Fund accounting

The maintenance fund has been designated by the Trustees for the future maintenance of the building - see Note 14.

The Designated Fund-Property and Investments is an unrestricted fund representing the value of property and investments, net of the revaluation Fund. This fund is invested for the long term and is not available for spending on day to day activities.

Investments

Investments are included at their market value at the year end.

The variation in the market value of investments tracked in the "revaluation fund" as an "unrealised gain/loss". Upon the sale of redemption of investments a "realised gain/loss" arises from the difference between cost and market value (see Notes 11 and 14)

At the same time any historical gain/loss pertaining to this asset in the "revaluation fund" is cancelled and transferred to the General Fund (see Notes 11 and 14).

Financial assets

The charity's principal financial assets consist of cash and cash equivalents and other debtors. Other debtors are measured initially at transaction price and subsequently at amortised cost.

Financial liabilities and equity instruments

The charity's principal financial liabilities include other creditors, and accruals which are measured initially at transaction price and subsequently at amortised cost.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term liquid investments, all of which are available for use by the charity unless otherwise stated.

TOTAL FUNDS	<u>470,201</u>	<u>(432,782)</u>	<u>109,767</u>	<u>147,186</u>

Revaluation Fund

The revaluation fund tracks the fluctuation in market value of the investments. An adjustment is made to the Revaluation Fund for investments disposed of during the current year by cancelling cumulative unrealised gain and/or loss that has arisen in a previous period. The gain on historic cost is transferred to the General Fund. The balance on the Revaluation Reserve represents the accumulated unrealised gains on current holdings of investments.

Maintenance Fund

The Trustees have made the decision to create a Maintenance Fund to which an amount will be allocated each year as required out of the annual surplus to create a fund for future maintenance of the building.

Designated Fund

This is the Property and Investments Fund held for a long term and is not available for spending on day to day activities.
