REPORT OF THE TRUSTEES
for the Year Ended 31 December 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Dispensaire Français - Société Française de Bienfaisance cares for French and French speaking people in need, whether medical, social and/or financial need. This support is provided benevolently by French and French speaking health professionals, counsellors and visitors for the public benefit.

Public benefit

The objects and activities of the Dispensaire Français are for the benefit of the public. The patients at the Dispensaire Français have difficulties to access the UK health system, either because they are not registered in the NHS or simply do not understand the system and do not speak English. The 47 health professionals all give their time on a regular basis and are drawn from a wide range of specialities, reflecting the needs of the beneficiaries. The Dispensaire Français provides key services in preventing French-speaking people from falling through the gaps:

- o Relief from suffering for those that may have endured severe physical and emotional trauma.
- o Preventing further health declines through practical and well-informed intervention.
- o Preventing individual cases becoming highly costly emergency admissions, thereby saving the NHS significant sums.

The Dispensaire Français with 14 volunteers involved in social activities provides support, companionship and financial help to a range of beneficiaries from young people to senior citizens:

- " Help and support for people going through a difficult time, including financial help (to cover the cost of a hostel)
- " Companionship and financial support for senior citizens with a regular club and home visits as well as visits to museums and concerts

In making decisions about the charity's activities to deliver its objects, the trustees have had due regard to the Charity Commission's public benefit guidance and also when exercising any powers or duties, to which the guidance is relevant.

ACHIEVEMENT AND PERFORMANCE

Review of the Year

During 2024, the Dispensaire has continued to provide expert medical services to those French and French speaking patients who for various reasons such as an inability to speak English or a lack of understanding of the NHS have difficulty accessing NHS services.

The number of consultations decreased to 1,645 in 2024 from 1,809 in 2023 as the number of GP consultations came down following the departure in the summer of a long-standing GP of the Dispensaire. The number of psychology-related appointments remained elevated at 532, compared to 545 the year before, representing 32% of our services in 2024. We also answered over 1,000 telephone call requests. The youth walk-in clinic remained active with 31 people visiting the five-year-old dedicated centre in 2024, slightly down from 35 in 2023.

The number of free consultations increased to 185 in 2024 from 127 in 2023 demonstrating our commitment to providing broader access to care, to the most vulnerable such as asylum seekers, notably through our partnership with the Refugee Centre at Notre Dame de France.

The Dispensaire's 14 volunteers maintained close contact with the isolated and elderly people in need of social or financial help. We continued to support 13 people in precarious situation with a regular financial allowance. Emergency assistance was provided to 20 people, a stable level compared with 2023.

The first quarter of 2025 has seen a reduced level of activity with 322 consultations, compared with 529 in the first quarter of 2024. We also received less calls, suggesting lower demand for health services or more likely a change in the profile of the French speaking population in the UK following Brexit.

Our fundraising activity maintained its momentum in 2024, including a successful gala dinner in January at the French Embassy, with the presence of our Royal Patron the Duchess of Edinburgh. We also benefited from the continued support of our regular donors, including the members of our committed "Cercle des Amis" as well as a contribution in 2024 from the private healthcare clinic Medicare Français.

We wish to extend our warmest thanks to the health professionals, volunteers, trustees and staff for their dedicated and hard work. The Dispensaire could not exist without them

FINANCIAL REVIEW

Financial position

The statement of financial activities shows the total incoming resources for the year of £260,182 (2023: £336,013). The decrease is mainly due to lower donations for 2024 as the prior year benefited from a large individual donation of £100,000 from a private donor.

Expenditures were stable in 2024 vs. 2023.

Elsewhere, the Charity invested in new equipment (including a boiler and an air conditioning unit) for a total of £8,656 and carried out renovation work in the building including the staircase and two consultation rooms for a total of £22,760.

The statement of financial position shows a satisfactory level with unrestricted funds amounting to £3,222,121 (2023: £3,138,659).

Investment policy

The investment assets are marketable financial instruments, which are considered to be low risk. The structure of the portfolio aims at generating income and at preserving its long-term value. The selection of investments looks to integrate responsible investment criteria in particular excluding investments in companies in the tobacco sector.

FINANCIAL REVIEW

Reserves policy

The origins of the Dispensaire Français go back to 1867 when the French Hospital opened in London under the patronage of Queen Victoria. Funded by private and public funds, its vocation was to provide free medical services to all French and French speakers in need. This is still its mission today.

The Dispensaire received a generous donation in 2000 when the former convalescence home of the Hospital Français based in Brighton was sold and its trustees decided to give the proceeds of the sale £1,400,000 to the Dispensaire Français.

Though they did not restrict the use of the funds, it was clear that the gift was made to endow the Dispensaire with enough funds to pursue its historical mission in the future as it had done in the past 150 years.

The reserves/capital of the Dispensaire are part of its legacy and meant to ensure its continuity. Though unrestricted they have traditionally been treated as if they were an endowment by the trustees. The reserves which have been invested in property and investments are not available for spending on day to day activities.

Accordingly, these reserves have been designated in the 2013 annual accounts to give a clear picture of the free reserves, which are available for spending on day to day activities. Until recently the Dispensaire's income from capital was sufficient to cover the cost of operations.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Legal and Administrative

The charity is governed by its articles of association and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The "Dispensaire Français" changed its name to Dispensaire Francais-Société Française de Bienfaisance after the merger in June 2014 of "Dispensaire Francais" with the "Société Française de Bienfaisance".

The "French Clinic" otherwise "Dispensaire Français" was the successor to the "French Hospital and Dispensary". It was a Charity registered under the number 1125579. 'Le Dispensaire Français-the French Clinic' was incorporated by the trustees on 11 January 2008. The new charity was registered on 1 June 2009. The Trust fund was transferred to the company in 2009. The Company is a company limited by guarantee no 06470940.

The Société Française de Bienfaisance (French Benevolent Society, Ben no 21) was created in 1842 to help French people in hardship with financial help and support.

With similar missions, the two organisations worked closely together for many years. To develop services, the Trustees decided to join the 2 organisations and this merger was voted on 3 June 2014. The Trustees of the French Benevolent Society joined the board of Trustees of the Dispensaire Francais and the charity's name was changed to Dispensaire Francais-Société Française de Bienfaisance (DF-SFB).

On 2 February 2023, the Trustees voted 1) to amend the object of the charity in particular to include its actions in the social area and 2) to adopt new articles of association, with a view to combining previous articles with the memorandum of association and, among other things, to clarify the tenure of the Trustees.

The Chair of Directors of the Dispensaire Français-Société Française de Bienfaisance is elected by the Trustees.

The Medical Committee is composed of the health professionals who practice at Le Dispensaire Français. It recruits fellow health professionals and advises the Trustees on medical matters.

The Social Committee is composed of the volunteers who organise home visits and a club for elderly, isolated people and give advice and financial support to young people.

The day to day management of the Dispensaire Français-Société Française de Bienfaisance is in the care of the Manager who acts in accordance with the directives of the Chair of Directors.

The Dispensaire Français-Société Française de Bienfaisance is committed to making its premises available to other French Charitable Organisations with similar objectives.

The names of the Trustees who served during the year and up to the date of signing the accounts, together with those of the Secretary and relevant organisations, appear on page 4 of this report.

Information about the charity can be found on its website at www.df-sfb.org.uk.

DE BIENFAISANCE FRENCH CLINIC AND FRENCH
BENEVOLENT SOCIETY

Independent examiner's report to the trustees of Dispensaire Francais-Societe Francaise De Bienfaisance French Clinic And French Benevolent Society ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 31 December 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The accounts have been prepared on the going concern basis. The trustees consider that there are no material uncertainties regarding the charity's ability to continue in operational existence for the foreseeable future, which is deemed to be 12 months from the date of approval of the financial statements.

Legal status of the charity

The Charity is a company limited by guarantee and has no share capital. Liability of each trustee in the event of winding-up is limited to £1.

Income

Income from rents is accounted for in the periods in which it is receivable and the charity becomes entitled to the income.

Dividends and interest, and the tax recoverable thereon, are brought into the financial statements when receivable. Grants are accounted for when entitlement to the grant and the grant is receivable.

Expenditure

Expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay for the expenditure. All costs have been directly attributed to one of the functional categories of resources expended in the Statement of Financial Activities. The Charity is not registered for VAT and accordingly expenditure is shown gross of irrecoverable VAT.

Tangible fixed assets

Tangible fixed assets are shown at cost plus any incidental expenses of acquisition less accumulated depreciation. Depreciation is applied to the Buildings to write off the cost over a period of 50 years of the estimated rebuilding cost of £550,000 at the Balance Sheet date. The element relating to the land in the cost of the Freehold has not been depreciated. Depreciation is calculated to write off the cost of fixed assets on a straight-line basis over their expected useful lives. The rate of depreciation on medical equipment is 10% per annum, and on office equipment at 25-33.33% per annum.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

General funds are unrestricted funds, which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

The maintenance fund has been designated by the Trustees for the future maintenance of the building - see Note 13.

The Designated Fund-Property and Investments is an unrestricted fund representing the value of property and investments, net of the revaluation Fund. This fund is invested for the long term and is not available for spending on day to day activities.

1. ACCOUNTING POLICIES - continued

Investments

Investments are included at their market value at the year end.

The variation in the market value of investments tracked in the "revaluation fund" as an "unrealised gain/loss". Upon the sale of redemption of investments a "realised gain/loss" arises from the difference between cost and market value (see Notes 10 and 13)

At the same time any historical gain/loss pertaining to this asset in the "revaluation fund" is cancelled and transferred to the General Fund (see Notes 10 and 13).

Financial assets

The charity's principal financial assets consist of cash and cash equivalents and other debtors. Other debtors are measured initially at transaction price and subsequently at amortised cost.

Financial liabilities and equity instruments

The charity's principal financial liabilities include other creditors, and accruals which are measured initially at transaction price and subsequently at amortised cost.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term liquid investments, all of which are available for use by the charity unless otherwise stated.

Revaluation Fund

The revaluation fund tracks the fluctuation in market value of the investments. An adjustment is made to the Revaluation Fund for investments disposed of during the current year by cancelling cumulative unrealised gain and/or loss that has arisen in a previous period. The gain on historic cost is transferred to the General Fund. The balance on the Revaluation Reserve represents the accumulated unrealised gains on current holdings of investments.

Maintenance Fund

The Trustees have made the decision to create a Maintenance Fund to which an amount will be allocated each year as required out of the annual surplus to create a fund for future maintenance of the building.

Designated Fund

This is the Property and Investments Fund held for a long term and is not available for spending on day to day activities.
