The Charity is managed by a committee of 6 people appointed at the AGM which held 7 meetings during the year plus the AGM in March.

The main aims of the Charity are:

- Provision of a building for services/activities for the benefit of residents of Stainton Parish (Kendal), including Education, Leisure Activities and Entertainment without distinction of political, religious or other opinions;
- Preservation of historic building listed grade II;
- Promotion and integration of measures and technologies into historic buildings to reduce the carbon footprint.

The Chairman Geoff Wilson reported that ;

“Stainton Institute made substantial progress during 2021 despite the continuation for a second year of the Covid-19 Pandemic.

Renovation expenditure in 2021 was £32,300 , excluding running costs of just over £1500.

Building progress was completed on target including : a new kitchen, a new engineered oak wooden floor and wooden skirting boards in the main hall, completion of internal/external painting and preservation work completion of all electrical work including fire , health and safety work and all safety certifications were produced.

In June 2021 the disabled ramp access was finished with the installation of additional galvanised steel hand rails which had been held up due to steel shortages during the Pandemic .

In July SLDC Building Control inspected and passed all work undertaken throughout the renovation of the building which was a fantastic achievement as the journey started in 2013. I would like to extend a big thank you to all our local contractors who have consistently delivered to a high standard under very difficult circumstances throughout the past year .

In June 2021 Stainton Institute was **opened up to the public as safe to use** by everyone in Stainton Parish and the surrounding areas of South Lakeland.

In 2021 we were approached by Stainton Parish Council in conjunction with The Endmoor Community First Responders to install a defibrillator on the outside wall of Stainton Institute

and we happily agreed and to cover any future maintenance and insurance costs .Training for locals will commence as soon as it is safe to do so.

**So..... a huge step forward in June 2021 for *Stainton Institute as a Business*
*/Charity : 1125601***

The Canal & Rivers Trust ***hired the building*** in early October to stage a Photographic Exhibition to show the serious storm damage done to Grade Two Listed Stainton Cross Aqueduct bridge in December 2015 and the eventual successful restoration which took 5 years to complete with the support of national lottery funding .Hundreds of photographs taken on site have documented this momentous achievement in Stainton for posterity.

Two fund-raising events had to be cancelled in 2021 due to Pandemic restrictions, however the Quiz Night and Hot Pot Supper went ahead as planned in November and contributed towards a total of £1,169 for donations, income and fund-raising .

I would like to thank all of the Committee , Local District Councillors ,Stainton Parish Council , Grant -Funders, Trust Funders and the residents of Stainton Parish for their loyal and continued support which has enabled the successful restoration of a beautiful listed building in the heart of Stainton Parish.
