THE MORGAN FAMILY CHARITABLE TRUST

TRUSTEES' ANNUAL REPORT

The Trustees submit their report and the financial statements of The Morgan Family Charitable Trust for the year ended 31 August 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust was established by a Declaration of Trust dated 4 August 2008 and was entered on the Central Register of Charities under Number 1125643 on 28 August 2008.

The objects of the Trust are to hold funds to generate gains and income, with a view to applying the income to benefit appropriate charitable causes.

Currently the Trustees look to provide the majority of grants to benefit charitable causes with foundations in education. Furthermore the Charity, at the Trustees' discretion, made smaller grants to other charities (see note 3).

The Trustees serving during the year ended 31 August 2024, were as follows:

J Morgan

A Morgan

New Trustees, if required, are recruited informally on the basis of their business or related experience and their interest in the work of the Charity. Nominations are approved and appointed by the other Trustees and briefed accordingly.

FINANCIAL RESULTS AND PERFORMANCE

The Statement of Financial Activities of the Charity is set out on page 5.

At 31 August 2024 the Trust had total funds of £1,786,786 (2023 £1,582,416). Of these £19,791 (2023 £11,140) are unrestricted general funds. Unrestricted designated funds are £506,009 (2023 £429,940). Expendable endowment funds are £1,260,986 (2023 £1,141,336).

During the year income has increased from £57,582 to £78,757. This is comprised of receipts of dividends and interest.

There was an unrealised gain on investments this year amounting to £136,504 (2023 gain of £47,742) and realised gains amounted to £22,918 (2023 gain of £51,473).

The Trustees are seeking to donate a substantial proportion of the trust income to benefit educational causes. During the year the Trustees made donations, including among others to The Lady Eleanor Holles School, Beanstalk Volunteer Reading, as well as to Corpus Christi College Oxford. A full list of donations made in the year is in note 2 to the financial statements. The Charity will also endeavour to make grants to other charities, at the discretion of the Trustees.

The Trust made grants to Young Organ Scholars' Trust and Glyndebourne in the year of £7,000, these are the first of 3 annual donations.

RISK MANAGEMENT

The Trustees consider that the main risks of governing the Charity are in connection with the dissemination of grant awards which are reviewed periodically.

THE MORGAN FAMILY CHARITABLE TRUST

TRUSTEES' ANNUAL REPORT continued

RESERVES POLICY

The Trustees maintain sufficient funds to cover the pledges that have been made and other grants that are payable on a one-off basis. The level of unrestricted funds at 31 August 2024 is set out in the balance sheet on page 6. The endowment fund is expendable, meaning the Trustees have the power to hold the funds to generate gains and income, but may also spend as income to the right charitable causes. Investment income is unrestricted.

PUBLIC BENEFIT

The Trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising their powers or duties.

STATEMENTS OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) (effective 1 January 2019) rather than the Accounting and Reporting by Charities; Statement of Recommended Practice effective 1 April 2005 which has since been withdrawn.

The Morgan Family Charitable Trust constitutes a public benefit entity as defined by FRS 102.

Donations receivable

Donations are accounted for in the period in which they are considered receivable.

Grants payable

Grants payable are accounted for in the period in which they are paid. This is the date upon which an obligation to pay has arisen.

Resources expended

Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered. Governance costs comprise those expenses related to the governance of the Charity, such as independent examiner's fees.

Investments

Current asset investments are a form of financial instrument and are initially recognised at their transaction costs and subsequently measured at fair value at the balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment.
