## Nottingham Outlaws Amateur Rugby League Football Club

### Summary of the main achievements during the period

We run a Rugby League club representing 2 men's teams, a women's team and a junior's section.

In addition to Core activities, we have also hosted University Varsity games, and Old Boy's matches. Additionally, we have hosted Weddings and Work events at the club.

### Financial Review

Over the year, we made a good profit from our activities. Having made big investments in the ground in the previous year, we benefitted from several good sponsorship deals and grants.

We have a heavy reliance on money taken over the bar both from Outlaws events, but also hosting events for others, e.g. University rugby games, Weddings. These supplement our income significantly, so is to an extent a single point of failure.

We have maintenance and upgrades we need to do to our clubhouse, changing rooms and pitch. Critical issues expose the club to financial risk, e.g. burst water pipes or roof damage.

### The charity's policy on reserves

We look to keep a minimum of £2,000 in reserve, to allow for unexpected items which need paying for, e.g. repairs.

Provided activities (where restrictions allowed) throughout the year.

In addition to Core activities, we have also hosted University Varsity games, and Old Boys matches. Additionally, we have hosted Weddings and Work events at the club.

### Financial Review

Over the year we made a loss, however, this was a result of having significant ground maintenance done (floodlights installed being the major activity). This was a planned investment, using money the club has saved up or been donated.

### The charity's policy on reserves

We look to keep a minimum of £2,000 in reserve, to allow for unexpected items which need paying for, e.g. repairs.

### Risks

We have a heavy reliance on money taken over the bar both from Outlaws events, but also hosting events for others, e.g. university rugby games, weddings. These supplement our income significantly, so is to an extent a single point of failure.

Other risks we face are around our facilities. We have maintenance and upgrades we need to do to our clubhouse, changing rooms and pitch. Critical issues expose the club to financial risk, e.g. burst water pipes, or roof damage.

### Summary of the main achievements during the period

We provided activities (where restrictions allowed) throughout the year including:

- Early in year we were able to support another rugby club by providing a ground for them to use when theirs was flooded.
- Hosted a Notts 9s tournament in March.
- Hosted a competitive touch match.
- Hosted adult training & social touch sessions throughout year.

### Financial Review

Over the year, we made a substantial profit, of nearly £14,000. This was in the main down to renting our clubhouse and carpark out to Balvac, a civil engineering company who were fixing the Clifton Bridge nearby. This provided funds which compensated for the loss of income we'd normally expect from memberships, bar sales etc.

### The charity's policy on reserves

We look to keep a minimum of £2,000 in reserve, to allow for unexpected items which need paying for, e.g. repairs.
