REPORT OF THE DIRECTORS/TRUSTEES (Continued)

The directors submit their Report and Accounts for the year ended 31 August 2021. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 to 14 of the accounts and comply with the charity's trust deed, the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS102 published on 16 July 2014 and updated 2 February 2016 and the Companies Act 2006.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, it was incorporated on 23 May 2008 and registered as a charity on 8 September 2008. The company remained dormant until 1 August 2008 when operations from a former un-incorporated charity 'Great Barton Under 5's' (charity number 1013627) were transferred.

The company was established under a Memorandum of Association which established the objectives and powers of the charitable company and is governed under its Articles of Association.

The company is limited by guarantee and has no authorised or issued share capital. The members may be called upon to contribute £1 each in the event of the company going into liquidation.

Trustee Induction and Training

The original and current trustees are already familiar with the practical work of the charity due to their 'hands on' involvement. Future new Trustees will be invited and encouraged to attend training sessions to familiarise themselves with the charity and the context in which it operates. Potential new Trustees will also be provided with the Charity Commission publication 'The Essential Trustee: what you need to know'.

Objectives and activities for public benefit

The principal activities of Great Barton Pathways Limited are in the pursuance of the objects for which it was formed, namely:-

Enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups and by:-

1. Offering appropriate play, education and care facilities and training courses, together with the right of parents to take responsibilities for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability.
2. Encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs.
3. Instigating and adhering to and furthering the aims and objectives of the pre-school learning alliance.

The Board of Trustees are aware of their duty to ensure the activities of Great Barton Pathways further its charitable objectives and that these activities are for the purpose of public benefit.

Achievements and Performance

The 2020/21 year has seen the Preschool through another tricky year, however having taken advantage of all government support available, the school kept financially strong throughout.

Total income for the year is in line with the previous year. Within total income we have seen an increase in income generated from preschool fees, which is as a result of an increase in numbers of children attending and an increase in funded hours claimed. We have however also seen a decrease in our wrap around care fees, which is as a result of the setting having to continue to operate in a very limited capacity, restricting bubble sizes to keep both children and staff as safe as possible. This inevitably was going to have an impact on the level of income that was able to be generated.

Costs have increased from last year, up by 6%, which is mainly represented by staff costs. In September 2020, schools were back open and staff numbers were back up again. We were able to take advantage of the furlough scheme again but only for a very short period of time. The number of hours staff worked were also up where staff were having to cover for other staff members due to COVID-19 isolations, testing, illnesses etc. Our staff costs for the year to August 2021 are not too dissimilar to the costs we incurred before the arrival of COVID-19.

There has been no capital spend in the year, as it had been agreed previously to keep this to a minimum. There is however large spend being planned to replace the pirate ship play equipment in the garden, which is hoped to be installed for the Summer of 2022.

With schools reopening in September 2021 and minimal restrictions in place for schools, the Preschool was able to hold their annual Christmas concert and Summer concert. Both events were very successful and enjoyed by all. The Preschool was also very excited to be able to provide the children with another term of forest school sessions throughout the summer and an end of year treat with Little City coming to play.

Despite another year of uncertainty, Pathways remained strong throughout the pandemic. The setting continued to receive various grants and support from the Government, such as the additional restrictions support grant, the business rates holiday and the coronavirus job retention scheme, all of which helped Pathways to maintain a strong financial position throughout.

Pathways looks forward to being able to open in a much less restrictive way once the COVID-19 pandemic is over, in particular being able to operate the wrap around care without the necessity of bubbles. This will therefore help to push our private income stream back up to a level it was pre COVID-19.

FINANCIAL REVIEW

Total incoming resources for the year were £145,740 compared to £145,534 in the previous period.

Total resources expended were £143,509 compared to £134,962 in the previous year.

Overall, income before tax exceeded expenditure by £2,231 for the year, compared to £10,572 in the previous year.

GREAT BARTON PATHWAYS LIMITED

REPORT OF THE DIRECTORS/TRUSTEES (Continued)

Reserves Policy

The Trustees have examined the requirements for free unrestricted financial reserves and consider that, given the nature of the charity's work, they should aim to ensure adequate working capital of £38,080 to cover approximately one school terms staff and office costs. The Trustees review the Financial Reserves policy annually.

Risk Review

The Trustees reviewed potential major risks to which the organisation could be exposed and have established systems and controls to mitigate those risks.

Directors' responsibilities

The charity trustees (who are also the officers of Great Barton Pathways Limited for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare accounts for each financial period which give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principals in the Charities SORP
- make sure judgements and estimates are reasonable and prudent
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue to operate.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company special provisions

The above report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.
