### TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2021

---

The Trustees present their annual report together with the financial statements of the Charity for the 6 April 2020 to 5 April 2021.

#### **Objectives and activities**

##### **a. Policies and objectives**

The trustees hold the capital and income of the Charity upon trust to apply the income, and all or such parts of the capital, for such medical objects and purposes in the widest sense (provided that such objects and purposes are exclusively charitable) as the Trustees may in their discretion think fit. On 3 September 2013 the Charity Commission gave its approval to the Trustees' proposal that the objects as specified at 3.1 of the Settlement deed be extended so that in addition to being able to benefit such medical objects and purposes in the widest sense the charity established by the settlement can benefit such educational or sporting objects and purposes as the Trustees may in their discretion think fit.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

#### **Achievements and performance**

##### **a. Review of activities**

The funds of the charity are invested in equities and bonds.

At 5 April 2021 the Covid-19 pandemic was ongoing however the valuation of the Trust's investment portfolio had recovered from the significant fall due to the Covid-19 pandemic in the prior year. The Trust recorded a net gain on the valuation of its investment holdings of 31% in total during the year, and details of the investment portfolio and the changes during the year are shown in note 11 to the accounts.

As reported in the previous accounts, the trustees have signed an agreement with Trinity College, Cambridge, whereby the charity have committed to fund a research post focussing on research into immune-mediated inflammatory disease. The charity have committed to pay £1million to fund the post for 10 years, the grant to be paid in 6-monthly instalments over that period, ending in 2027.

During the year the trustees donated £100,000 to research related to Covid-19.

##### **b. Investment policy and performance**

The Trustees are mindful that a prudent and conservative investment policy is the most appropriate for the Charity. Accordingly the investment of reserves is made through interest bearing deposits with major banks. Funds have been invested in equities and bonds, with two different firms of investment managers.

---

## SIR FRANCIS PEMBERTON 2007 CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2021

---

#### Financial review

##### a. Financial position at year end

During the year the charity received investment income of £31,218 (2020 - £31,143). Costs of managing the investment portfolio were £6,757 (2020 - £6,824), resulting in a surplus on investment activity of £24,461 (2020 - £24,319). The charity received donations (including gift aid reclaims due from HMRC) of £14,370 (2020- £Nil).

Grant commitments made during the year totalled £100,000 (2020 - Nil). Grants actually paid were £200,000 (2020 - £50,000). Adjustments for discounting of future grants were a charge of £27,608 (2020 - £28,357). Support and Governance costs were £2,040 (2020 - £3,492). This resulted in the Trust having free reserves at the year end of £712,237 (2020 - £547,702).

##### b. Going concern

Despite the impact of the Covid-19 pandemic on the charity's investment portfolios, after making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### c. Reserve policy

No minimum level of reserves has been set as all surplus income of the Charity is to be distributed in accordance with the Charity's objectives. As there are few operating costs, the trustees do not consider it necessary to hold a specified amount of free reserves.

##### d. Principal funding

The principal funding source is investment income and donations.

#### Structure, governance and management

##### a. Constitution

Sir Francis Pemberton 2007 Charitable Trust is a registered charity, number 1125953, and is constituted under a Trust deed.

##### b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed. A new trustee may be appointed at any time by a resolution of a meeting of the Trustees, provided that a memorandum declaring such appointment shall be signed as a deed.

In the event of the death of P R W Pemberton, his wife A D Pemberton shall become a Trustee.

---

## SIR FRANCIS PEMBERTON 2007 CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2021

---

#### Structure, governance and management (continued)

##### c. Organisational structure

According to the governing document there shall be between one and four Trustees. The Trustees must hold at least one meeting a year, and attend meetings in person unless the Trustees shall agree another appropriate means of communication between those taking part. A quorum at a meeting of Trustees is two Trustees (except in the case of a sole Trustee) and every issue may be determined by a simple majority of the votes cast at a meeting of the Trustees. A written resolution signed by all the Trustees shall be as valid as a resolution passed at a meeting.

The Trustee to whom day to day management of the Charity is delegated is J W Pemberton.

##### d. Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

The deed of trust is dated 15 November 2007, as amended by Deed of Amendment on 3 April 2014.

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 5 APRIL 2021

---

#### Independent examiner's report to the Trustees of Sir Francis Pemberton 2007 Charitable Trust (the Charity)

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 5 April 2021.

#### Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Angela Sleat FCA

## SIR FRANCIS PEMBERTON 2007 CHARITABLE TRUST

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2021

---

#### 1. General information

The charity is registered charity, number 1125953, and is constituted under a trust deed.

The principal office is Enterprise House, Maris Lane, Trumpington, Cambridgeshire, CB2 9LE.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Sir Francis Pemberton 2007 Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

##### 2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 5 APRIL 2021

---

**2. Accounting policies (continued)**

**2.4 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**2.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

**2.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.8 Liabilities**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**2.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

**3. Critical accounting estimates and areas of judgment**

There were no estimates of judgments made in the preparation of these accounts, other than the judgment that the charity is a going concern. This judgment was made based on the charity's assets and current cash flows.

**16. Related party transactions**

The charity received donations of £14,370 (2020 - £nil) from the trustees and their close family in the financial period (2020: £nil).

During the year the charity paid £100,000 (2020 - £nil) to the Evelyn Trust, a charity with a trustee who is also a Trustee of the charity. The charity also paid £577 (2020: £433) in management fees to Trumpington Enterprises Limited, a company with directors and shareholders who are also Trustees of the charity. At the year end there is an amount due from Trumpington Enterprises Limited of £108 included in debtors (2020: £72 included in creditors).

The charity has an entitlement to receive further proceeds due to an overage clause in a sale contract for property it previously sold to Trumpington Enterprises Ltd, if events occur increasing the value of the property. This clause applies for the period until 12 December 2022. At the time of signing these financial statements the trustees believe that no further amounts will become payable and therefore no income has been accrued.
