Achievements and performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>Church Meetings</p> <p>Our church community is made up of people from all walks of life.</p> <p>We're ordinary people, who have been brought together because of Jesus.</p> <p>Together we listen to the Bible explained, we sing and we pray to God. We enjoy growing in knowing who God is and what he's done for us as revealed in the Bible, and expressing that through welcoming, loving and serving others.</p> <p>We meet on Sunday Mornings for a church service, and we meet in smaller groups across Liverpool during the week.</p> <p>In addition to weekly church meetings and events which are open to the general public, key achievements and encouragements from the last 12 months have been identified as follows. The trustees would like to thank the church members who volunteer their time, talents & homes to enable these ministries.</p> <p>Connect Groups</p> <p>Connect groups are communities of people who meet weekly throughout Liverpool.</p> <p>Each group looks at the Bible together and supports and prays for each other.</p> <p>There are normally about 10 people on average in a group. Being in a Connect group is an opportunity to live in community, to learn to love and support each other, and to learn about God together.</p> <p>Hope Café</p> <p>Hope Café is a ministry for asylum seekers & refugees in our city which has been running since May 2022. Visitor numbers are now at an all-time high 60-70 visitors per week.</p> <p>Apart from our basic services (the café and provision of donated clothing & homewares), we now also have a mini food bank, provide English & phonics lessons and IT help. We also help visitors to the café with lots of other aspects of their lives like finding medical services, finding and applying for language courses and help with immigration applications.</p> <p>Childrens Ministry</p> <p>It's great to have lots of children as part of our church family and the children love joining in with our meetings; singing the songs, praying together, learning from the Bible and making new friends.</p>
--	------------------	--

		<p>Childrens groups run during Sunday services, teaching children about Jesus in a fun and age appropriate way.</p> <p>The trustees are incredibly grateful to all the childrens group leaders and helpers who give up their time to teach the children.</p> <p>yConnect</p> <p>yConnect meet-ups take place every Friday evening and are for 11-18-year-olds.</p> <p>A typical yConnect evening is full of fun and games, with an interactive section for thinking about faith and Christianity as they look at the bible.</p> <p>Friends are always welcome and once a month there's a 'main event' - a Friday night event focused on engaging and inviting friends to come along.</p> <p>Student Ministry</p> <p>At Christ Church Liverpool, students meet, grow & love Jesus and His Church.</p> <p>We love having students in our church and seeing them grow in love for God and for others.</p> <p>The student team plan a year full of ways students can grow in faith + grow in being involved with all of church life.</p> <p>Liverpool Training Network</p> <p>CCL is part of a group of churches working together to provide outstanding intern, church worker, and assistant minister posts in the Liverpool City Region alongside strong theological training.</p> <p>Intern placements all contain a brilliant mixture of you being invested in, you serving others, and you gaining experience in a wide variety of areas.</p> <p>The intern year runs from the start of September until the end of June, with the optional addition of a funded mission trip or summer placement in a church abroad.</p> <p>Interns usually do the NWGP Ministry Training Course, which over 1500 people have completed since it began 19 years ago, as well as bespoke on the job training.</p> <p>Interns who are interested in graduate-level theological study can access this through Union School of Theology's Liverpool hub.</p> <p>Exploring Christianity</p> <p>An informal course that helps to explore some of the spiritual questions people have. Participants are given the opportunity to:</p>
--	--	---

		<ul style="list-style-type: none"> • hear what answers God provides through the Bible • Ask any questions • Meet similar people exploring faith in an informal atmosphere • Look at the life of Jesus and see what difference this can make to our lives now.

Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The board of Trustees has examined the charity's requirement for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least three months of the expenditure. The reserves are needed to meet the working capital requirements of the charity and the Trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding.</p> <p>Expected current expenditure for 2023/24 is £276,000 and therefore the target is £69,000 in general funds. At 31 August 2023 unrestricted funds not committed or invested in tangible fixed assets amounted to £132,082 which is in significantly in excess of the target as noted above. The trustees have identified projects which would utilise a significant portion of this excess over a 3 year period, applying available funds in pursuit of the charity's objectives, balancing this against the need to be prudent in case donations income is reduced as a result of macroeconomic factors in 2023 and beyond.</p>

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31/08/2023.

Responsibilities and
basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

Independent
examiner's statement

The company's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of ACCA.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least They are valued at cost. The depreciation rates and methods used are disclosed in note 14.
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15. They are valued at cost.
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16. They are valued at cost.
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of less than one year held for investment purposes rather than to meet short-term cash commitments as they fall due. They are valued at fair value except where they qualify as basic financial instruments.

Please give details of why remuneration or other employment benefits were paid.

The remuneration above was paid to trustees employed by the church as pastors in connection with the charity's objects. The other trustees are satisfied that it is in the interests of the church to employ such trustees. In reaching this decision the Trustees have balanced the advantages of employing a trustee against the disadvantages of doing so (especially the loss of the Trustee's services as a result of dealing with the Trustee's conflict of interest.)

Where an ex gratia payment has been made to a trustee, provide an explanation of the nature of the payment.
