POMPEY IN THE COMMUNITY
REPORT OF THE TRUSTEES
FOR THE PERIOD ENDED 31 AUGUST 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Pompey in the Community is registered as a company limited by guarantee (registration no. 06676203) and as a charity (registration no. 1126118). Its governing instrument is its memorandum and articles of association. Every member of the charity undertakes to contribute £10 to its assets in the event of it being wound up.

Recruitment and appointment of Trustee Directors

Trustees are recruited to represent significant donors, funding bodies and also independence.

Trustees are appointed in accordance with the Articles of Association, by ordinary resolution in general meeting. Neither less than seven nor more than twenty eight days clear notice before the date of the meeting where a Trustee's appointment is to be considered, notice shall be given to those entitled to attend of the recommendation for appointment.

Induction and training of new Trustees

New Trustees are inducted through spending time with the CEO to enable a full appreciation of the charity's activities and how it operates. Training is offered through recommended Charity Commission training guidelines.

Organisational structure

The Board of Trustees aims to meet quarterly and there are sub-committees that meet more regularly covering development, membership, finance, audit and the construction of our new facility.

A CEO is employed to manage the day to day operations of the charity including promotion of the charity's objectives, fund raising, financial control and management of all employees.

Purposes and aims

The charity's purpose is to benefit the public generally and in particular the inhabitants of Hampshire, West Sussex and the Isle of Wight and their surrounding areas. We seek to promote community participation in healthy recreation by providing facilities for the playing of football and other sports and activities capable of improving health and well-being.

This encompasses providing and assisting in providing facilities for sport, recreation or other leisure time occupations for people to benefit from these facilities by reason of their youth, age, infirmity, disability, poverty or social and economic circumstance, for the public at large in their interests of social welfare with the object of improving their conditions of life.

We aim to advance the education of children and young people through such means as the Trustees think fit in accordance with charity law and for the general purpose of such charitable bodies or for such other exclusively charitable purposes in each case as the Trustees may from time to time decide.

Public benefit

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. The Trustees refer to public benefit throughout this report.

How our activities deliver public benefit

The charity aims to deliver benefit to our customers through reducing, or subsidising prices and providing access to the various activities free of charge which in many cases can lead to accreditation under various

For example, our after school clubs which provide continued access to sport after school hours for children is offered at £4.00 per session. Where we cover teaching time within schools this is charged at £26 per hour per coach.

In relation to special inclusion and involving vulnerable or disabled people in the charity's activities these are provided free of charge through many of our programmes. A significant number of participants successfully complete courses and leave us with NVQ and BTEC level qualifications.

Financial review

Pompey in the Community's account showed a surplus this year of £542,574 over the year. This leaves the charity well above our desired Reserves of £400,000. However, a proportion of this is designated towards the construction of the John Jenkins stadium. PiTC are working to raise the remaining funds to build the new facility..

Portsmouth Football Club

The relationship with the Club's current owners Portsmouth Football Club Limited (PFC) continues to be positive. Following the purchase by Tornante, headed up by Michael Eisner, ex-Disney CEO the relationship has continued to strengthen and manifests itself in many ways including player appearances, reward schemes, visits to the club's training facilities and player related learning materials as well as a generous allocation of match tickets for the charity's beneficiaries and the local community. The CEO of The Eisner Foundation, based in California, has joined the Trustee Board of PiTC to continue to develop and embed the relationship moving forward. This year Andrew Cullen, CEO of PFC, has joined the board. The key to the relationship is the ability for football - and more specifically Portsmouth Football Club - to inspire local young people and bring about positive social outcomes through the delivery of the charity's activities.

PiTC aims to deliver through four core aspects of activity; sports and coaching, community cohesion (inclusion and disability), health and education although many of our projects weave through several, if not all of the strands. We also deliver fan engagement activities on match days.

Sports and Coaching: PiTC's Sports and Coaching department works with between 6 and 7,000 youngsters a week during term time providing PE lessons, after school club, skills training centres throughout Portsmouth and the surrounding area. Of course, this year these numbers have reduced at times due to Covid-19 Lockdowns and school closures.

Move and Learn: Funded by Ferrero Rocher in partnership with the Football League Trust this is a six week programme of activities for Year 5 pupils and encourages a healthy lifestyle. Each session consists of an hour in the classroom and an hour of physical activity. We deliver this project to 1,800 pupils each academic year.

National Citizen Service: NCS is a programme, funded and managed by the Cabinet Office, which provides young people aged 16 to 17 years with the opportunity to take on new challenges, learn new skills and make a difference to the local community. PiTC are the sole delivery organisation in Portsmouth and expanded our contract to include the Isle of Wight from January 2020. The contract is currently a rolling one year contract with significant changes to delivery during 2020/21 due to Covid-19 restrictions.

Portsmouth Amputee FC: The Portsmouth FC Amputee Team continues to go from strength to strength. The team compete in the National League and hold their own in an ever growing competitive field.

Life and Chimes: This project is aimed at those with early dementia, their carers as well as older isolated people that would benefit from the activities. The group meet once a week and take part in physical activities, crafts and arts as well as group visits to memorable places all over the city including shows at The Guildhall and Kings Theatre as well as events to raise funds. Due to Covid-19 we have been unable to meet face to face since March 2020 but have continued to keep in touch with participants to support them through Lockdown and isolation.

Development Teams: PiTC now run boys and girls development centres in every age group from under 10s through to Under 16s when many participants move into our full time BTEC Football programme. Our BTEC Programme successfully expanded to include girls from September 2019. In May 2020 PFC Women also launched an adult development squad which provides a step up for our female students and completes the female player pathway.

Football Development Highbury College: In partnership with Highbury college this 11-a-side BTEC programme has proved hugely popular. Youngsters represent Portsmouth FC in the Southern Regional League as well as the CEFA league whilst studying for a Level 3 BTEC. Matches are played against high profile teams including Chelsea and Birmingham which is a real incentive for participants.

POMPEY IN THE COMMUNITY
REPORT OF THE TRUSTEES
FOR THE PERIOD ENDED 31 AUGUST 2021

IOW College Programme: PiTC deliver the football programme that runs alongside BTEC delivery for the Isle of Wight College. They have a match programme that our coach also coordinates. The programme is very well received by the college and delivery works well with our Primary School coaching and after school clubs on the island.

Degree Programme: Graduates from both our 11-a-side BTEC programmes and external providers are offered the opportunity to study for 3 years with us for a BSc in Sports Development in partnership with the University of South Wales.

Premier League Kicks: This project is part funded through the Premier League Community fund. The emphasis is on sport for social change and focuses on participants that wouldn't otherwise be able to afford to attend. Youngsters are also referred to the programme by both statutory bodies and other charities locally. The pathway for participants is to take part, volunteers, gain qualifications or accreditations and ultimately become a paid member of staff or move into alternative employment or educational opportunities. This year we had to move much of our delivery on-line.

Targeted Kicks: An intensive 1:1 mentoring programme aimed at supporting 15 - 17 year olds transitioning from custodial care to support them back into the community and reduce the risk of re-offending and be able to contemplate a positive future. This programme is partly funded by Children in Need.

Re-Fit: A Sports Recovery Programme delivered in partnership with society of St James. The programme offers free sport, education and employment support who are affected by complex issues. Re-Fit also provides pathways into education, volunteering, with NVQ Health and Social Care being offered in partnership with St Vincent's College, Gosport.

Equality, Diversity and Inclusion; our EDI coordinator proactively in ensuring our all projects, programmes and activities are accessible and open to everyone, regardless of gender, sexuality, ethnicity, ability or disability, faith or age.

Premier League Primary Stars: funded through the Premier League Community Fund: this project aims to mentor Primary School Teachers in PE delivery as well as providing resources to deliver literacy, numeracy and PHSE for Primary Schools.

Kick Start Sport: Funded through Sport England provides opportunities for young people to gain qualifications and experience to give them the confidence to become involved in social action, volunteering and other opportunities.

Street Strong and run in partnership with Active communities Network and Motiv8 this project provides positive activities on the Eastern side of Portsmouth along with detached youth work to maximise engagement with those young people who will benefit most; it's aimed at reducing anti-social behaviour among 10-18 year olds across the city.

Wheels for All: Wheels for All is an inclusive cycling project that aims to provide a bicycle that everyone can use, regardless of their additional needs. Some bikes are handlebar pedalled, some have a space for a wheel chair to sit on the front and many are tandems. The project is run almost entirely by volunteers and we now have over 200 unique users each week.

Reserves policy

Reserves are needed to bridge the gap between spending and receiving resources, to plan for any emergency or other expenditure that may be necessary from time to time.

The Trustees consider that the ideal level of reserves at 31st August 2021 is £400,000, being based on the Charity's ability to cover six month's net running costs in the eventuality that general funding is considerably reduced due to the current economic environment. We are currently holding more than that amount so the Trustees are confident we have the required and necessary Reserves.

Review of the year

September 2020 Pompey in the Community have won British Care Awards for the South West and went through to the National finals. Ward was to recognise our partnership during Covid with Community Integrated Care.

October 2020 Pompey in the Community appoints first community chef to deliver cooking programmes and on-line delivery

October 2020 Football Foundation offer £1.86M to develop the John Jenkins Stadium at the current Moneyfields FC site

December 2020 Delivery of all projects returns to on-line due to Delta variant outbreak leading to National Lockdown

December 2020 Duke Harrison-Hunter, Pompey in the community's EDI coordinator is named on football's Black List for his services to Equality, diversity and Inclusion in Football

January 2021 PITC take on the city of Portsmouth's first Kickstarter through the DWP.

February 2021 PITC win Community Club of the Year for the South East for their "Blue Kitchen" project

April 2021 PITC accepted to deliver the Governments Holiday Activity Fund in Portsmouth; funding available for the next 3 years

May 2021 PITC are selected to receive a Portsmouth Coronavirus Civic Award presented by the Lord Mayor of Portsmouth

August 2021 The Freehold of the 6 acre site at Moneyfields FC donated to Pompey in the Community by Riversdale Ltd.

Over the course of the year, from September 2020– August 2021 Pompey in the Community worked with over 23,000 participants.

Plans for the future

The plans to build the John Jenkins Stadium are continuing positively. In August 2021 Biscoes oversaw the gifting of the Freehold of the six acre site to Pompey in the Community; current site value circa £350,000 (Savills October 2020). The planning conditions were completed in July 2021; this was important as the planning permission runs out in October 2021. The build is likely to be 12 – 15 months so will hopefully be ready for Autumn 2022. We are continuing to source additional funding streams and are confident that we will secure the £5.2M required to complete the facility.

Risk Management

Pompey in the Community consider our principal risks to be the League Position (or demotion) of our affiliated club which would make us ineligible for many of our current funding streams. Other risks include Health and Safety risks with staff working out in the community, often with vulnerable young people. We keep an extensive risk register which considers all manner of Finance, Health and Safety, Transport and Travel, HR and Security risks. We also keep a separate "project based" risk Register that logs, project by project, potential risks to the business. We visit both Risk Registers on an annual basis to ensure they're up to date and consider how to manage those risks within our control and mitigate those that aren't.

Key Management Personnel

Pay is set throughout the organisation dependent upon qualifications, experience and responsibility as well as incremental rises which reflect time served within the organisation. We have a subcommittee of the Trustees Board that considers remuneration and we also consult with external experts to provide insight and an independent viewpoint. The Trustees set the pay of a small, defined group our most senior managers, and those managers are left to determine pay for the rest of the staff.

POMPEY IN THE COMMUNITY
REPORT OF THE TRUSTEES
FOR THE PERIOD ENDED 31 AUGUST 2021

Statement of Trustees Responsibilities

The trustees (who are also the directors of Pompey in the Community for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information, being information needed by the auditor in connection with preparing their report, of which the group's auditor is unaware, and
- the trustees, having made enquiries of fellow directors and the group's auditor that they ought to have individually taken, have each taken all steps that they are obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

On Behalf of the Board:

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF POMPEY IN THE COMMUNITY

Opinion

We have audited the financial statements of Pompey in the Community and its subsidiaries for the period ended 31 August 2021 on pages 11 to 29, which comprise the Consolidated Statement of Financial Activities, the Group and Charity Balance Sheets and Cashflow Statements and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard FRS 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 August 2021 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group or parent charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF POMPEY IN THE COMMUNITY

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities set out on page 7, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or parent charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

From discussion with management and those charged with governance information about the entity is documented to assess the activity within the organisation. We discuss management's assessment of risk in respect of irregularities, fraud and going concern.

Based on these discussions and our own assessments we determined that the key risk areas were income recognition in respect of cut off issues and management override concerning the size of the organisation.

We set financial statement materiality level based on the level of income. As a not for profit organisation raising income is its primary focus which is why income was used to determine the level of materiality. Our overall assessment of risk was used to determine performance materiality at an appropriate level.

Substantive audit tests were designed after assessing and performing walkthrough tests. The walkthrough testing confirmed documented systems which have been designed to act as a preventative measure against fraud and error which appear to be operating as documented. Substantive testing tested a sample of the population, representative of the population, to identify errors. The testing did not identify any material misstatements in areas tested.

Audit substantive tests concluded no material errors over the key risk areas of income recognition and management override.

The audit considers the organisation is not exposed to material risk of error as a result of assessing laws and regulations that are appropriate to the organisation.

Management assessed there is no going concern risk. The audit undertook a review of budgets, management accounts and the review of board minutes and came to the same conclusion as management.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
POMPEY IN THE COMMUNITY**

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the group and the parent charity and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES

Accounting convention

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), and the Companies Act 2006.

The Trustees consider that there are no material uncertainties regarding the charitable company's ability to continue as a going concern.

Group financial statements

These financial statements consolidate the results of the charity and its wholly owned subsidiary, Pompey Foundation Trading Company Limited, on a line by line basis. A separate statement of financial activities and income and expenditure account are not presented for the charity itself following the exemptions afforded by section 408 of the Companies Act 2006.

Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income from charitable activities includes income received under contract or where entitlement to grant funding is subject to specific performance conditions.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Volunteers and donated services and facilities

The value of services provided by volunteers is not incorporated into these financial statements.

Where services are provided to the charity as a donation that would normally be purchased from our suppliers, this contribution is included in the financial statements at an estimate based on the value of the contribution to the charity.

Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

- Costs of generating funds are those costs incurred in attracting voluntary income.
- Charitable activities include expenditure associated with providing sport and education to the charity's beneficiaries.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE PERIOD ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES - continued

Resources expended (continued)

- Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Irrecoverable VAT

All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold property	- 2% straight line
Leasehold improvements	- 20% straight line
Fixtures, fittings and office equipment	- 20% and 33% straight line
Sports equipment	- 20% straight line
Motor vehicles	- 20% reducing balance

Tangible fixed assets costing £500 or more are capitalised at cost.

Taxation

The charity is exempt from corporation tax on its charitable activities. Corporation tax is payable by the trading company on its taxable profits.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the statement of financial activities over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the statement of financial activities on a straight line basis over the period of the lease.

1. ACCOUNTING POLICIES - continued

Pensions costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

The charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable investments in stocks and shares. The measurement basis used for these financial instruments is detailed below.

Debtors & cash at bank

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Cash at bank and in hand includes cash held on deposit or in a current account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. FINANCIAL ACTIVITIES OF THE CHARITY

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE PERIOD ENDED 31 AUGUST 2021

- 21 During the year, restricted money was received from Pompey Foundation Trading Company Limited, a subsidiary of Pompey In the Community. As Intragroup income and expenditure is eliminated on consolidation of the group accounts the restricted income is eliminated in the parent charity and the unrestricted expenditure in the trading company is eliminated, giving a fall in the group accounts to a lower restricted balance for this fund.

Premier League Kicks: This project is part funded through the Premier League Community fund. The emphasis is on sport for social change and focuses on participants that wouldn't otherwise be able to afford to attend.

Primary Stars: Funded through the Premier League Community Fund, this project aims to mentor Primary School Teachers in PE delivery as well as providing resources to deliver literacy, numeracy and PHSE for Primary Schools.

Street Strong Youth: SSYP is delivered in partnership with Motiv8 and Active Communities Network across the city of Portsmouth. The project provides a number of free activities from sports, fitness, dance and youth clubs from specially qualified staff. In addition to the free sessions, specialist youth engagement offices provide live support out in the city after school, engaging with groups of young people and sign posting them to sessions available to them whilst also providing significant one to one support for young people in need.

Barclays 100 x 100: In Spring 2020 PiTC were successful in an application to the Barclays 100x100 Programme, and secured one of 100 donations of £100,000 to support the charity's COVID-19 food relief work in Portsmouth. This funding focused upon the immediate needs of people in our community, providing essential food to isolated and elderly people, our help was tailored to local needs. As a result of this funding PiTC were able to deliver up to 500 food parcels each week during lock down.

Children in Need: No Limits provides opportunities for young people with special needs to take part in sporting activities both in the community and after school settings. Extension, family based activities then enable the young people to share opportunities with siblings, parents and carers.

Kick Start Sport: Kick Start Sport is funded through Sport England and uses the power of sport to engage young people in volunteering and social actions, usually with younger children aged 11-14.

Covid-19: This is funding received to support the charity throughout the Coronavirus pandemic.

Other Restricted Funds: This relates to restricted funds that individually are not material.
