Report of the Trustees
For the Period 1st January 2022 to 31st December 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 1985.

Members of the Company are those individuals who are currently part of the leadership team of Emsworth Baptist Church. Each new member of that team will be invited to become a member of the trust. Upon leaving the leadership team each person will stand down as a member of the trust.

The liability of members is limited to £1 in the event of a winding up.

Recruitment and appointment of new trustees

New trustees will be sought as the need arises to broaden the expertise of the current board. It is desirable that any new trustees are sympathetic with the objectives of the trust and play a full role in the development of the activities in order that the objectives are realised in due course.

Induction and training of new trustees

It is expected that new trustees will either be members of Emsworth Baptist Church or are members of another Christian church. Trustees will therefore understand and be sympathetic to the role of the trust. New trustees will be expected to attend services at Emsworth Baptist Church.

All trustees are expected to familiarise themselves with the legislation applicable to the trust and the responsibilities they have as trustees of a charitable company. They are given guidance as to regulations laid down by the Charity Commission and are encouraged to keep themselves up to date with new legislation and guidance as it is issued.

Organisational structure

The trustees are the members of the Emsworth Baptist Church building steering group. This group was established to act on behalf of the leadership team and members of Emsworth Baptist Church to oversee and administer the affairs of the church buildings. The steering group is responsible to the church leadership team and to the church members and provide reports on a periodic basis to both groups at both formal and informal meetings.

The steering group comprises of three Directors; Simon Cargill (Joint Chair), Tim Holmes (Joint Chair), Nina Ware (Treasurer) who act as Trustees. In addition, Cliff Chisnall is an ordinary member of the Trust and sits on the steering group to advise on building matters.

The trust has received income during the year amounting to **£103,758** which was received in the form of voluntary donations, occasional fund-raising events and Gift Aid.

Annual expenditure amounted to **£56,691**, comprising £5,172 for interest payable on the Baptist Union loan and with the major part £51,275 covering repairs and maintenance including the demolishing of the old church building, plus £244 for fees and administration costs. Tangible assets of **£1,699,300** are represented by the land and building costs which includes an amount of £41,564 for annual depreciation.

Restricted fund balances at 31st December 2022 amount to **£1,450,228**.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the trust is to further the Christian religious and other charitable work of the Emsworth Baptist Church, including in particular to servicing of outstanding loans on the buildings and certain maintenance, repair and development of the fabric of the church buildings and associated property. The charitable objects are supported by the members and worshippers of Emsworth Baptist Church.

The aim of the trust is to develop with the members of Emsworth Baptist Church and the community of Emsworth in Hampshire a significant building in the town that is primarily a space of worship for all who live in and around Emsworth and for all those who may be visiting the area. The building continues to serve the community in a variety of ways including the provision of a large venue for performances and conferences and a range of social care and recreational facilities for the community.

Significant Activities

The primary function of the steering group has been to administer the repayments of the on-going loans which were incurred for the construction of the new Church building which was completed in June 2015.

The old Church building (Brook Hall) which severely deteriorated during 2021 was demolished in January 2022. Office containers were installed on the site in 2022 but these will shortly be replaced with four garden cabins to house administrations and youth facilities, whilst longer-term building developments are explored.

Funding Support

The funding requirements at 31st December 2022 amounts to **£284,495**, comprising:

- | | |
|---|-------------|
| 1. Remaining loan for the Baptist Union* | (£76,495) |
| and Southern Counties Baptist Association | (£8,000) |
| 2. Church members underwriting loans | (£200,000). |

** Note - The Baptist Union is the only interest-bearing loan.*

The trustees wish to acknowledge the continued support and fundraising efforts made by the members of Emsworth Baptist Church, and the generous contributions given in terms of money, time and effort. These are all greatly appreciated.

ACHIEVEMENT AND PERFORMANCE

Fundraising Activities

During the fourteen years of operation since inception, the Trust has continued to raise funds from the congregation of Emsworth Baptist Church through personal donations, regular standing orders and fund-raising events.

The cumulative amount raised by the Church at the end of 2022 totals **£2,156,266**.

The standing orders contribution level reduced over the year and averages approximately £4,476 per month. These contributions are directed towards paying off the Baptist Union and SCBA loans which stands at £5,300 per month.

There is still a large remaining loan of £200,000 to be repaid later to a Church member. The Baptist Union has been approached and confirms that their loan could be extended to cover this amount if this sum needed to be returned unexpectedly.

Fundraising activities will be continued into the foreseeable future. It is anticipated that the repayment of the Baptist Union and SCBA loans will continue up till 2024/25.

PUBLIC BENEFIT STATEMENT

It is the intention of all Trustees to give due regard to the guidance on public benefit published by the Charities Commission during the exercise of their powers and duties, and their belief that they have complied with such guidance during the period covered by the report.

EMSWORTH BAPTIST CHURCH TRUST
Accountants' Report

Accountants' report to the directors of
EMSWORTH BAPTIST CHURCH TRUST

You consider that the company is exempt from an audit for the year ended 31 December 2022. You have acknowledged, on the balance sheet, your responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts. These responsibilities include preparing accounts that give a true and fair view of the state of affairs of the company at the end of the financial year and of its profit or loss for the financial year.

In accordance with your instructions, we have prepared the accounts which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes from the accounting records of the company and on the basis of information and explanations you have given to us.

We have not carried out an audit or any other review, and consequently we do not express any opinion on these accounts.

EMSWORTH BAPTIST CHURCH TRUST
Notes to the Accounts
for the year ended 31 December 2022

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Turnover

Turnover represents the total of voluntary income received in the year.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold buildings	over 50 years
Leasehold land and buildings	over the lease term
Plant and machinery	10% reducing balance
Fixtures, fittings, tools and equipment	10% reducing balance

Debtors

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

Creditors

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. A current tax asset is recognised in respect of a tax loss that can be carried back to recover tax paid in a previous period. Deferred tax is recognised in respect of all timing differences between the recognition of income and expenses in the financial statements and their inclusion in tax assessments. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference, except for revalued land and investment property where the tax rate that applies to the sale of the asset is used. Current and deferred tax assets and liabilities are not discounted.
