REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2021

OBJECTIVES AND ACTIVITIES

Public Benefit

The Trustees have complied with their duty to have due regard to the guidance of the public benefit, published by the Charity Commission, in exercising their powers or duties by monitoring the quality of the provision of services funded by donations made by the Charity.

The Trustees review the fundraising activities and the projects they have supported at the end of the year and on a regular basis throughout the year. This review helps us to plan our future projects and fundraising activities and to adjust the plans accordingly. The review also helps us to ensure that we are planning our activities and selecting projects to meet the objectives as set out in the Memorandum of Association.

How our activities deliver public benefit

INTO Giving exists to serve the public, with a special emphasis on ensuring children, young people and others in need benefit from improved access to education and improved quality of education.

Our support for girls' education reduces the risk of girls being excluded from school and further education. To us, girls' education is a case of human and civil rights. Educated girls will marry later, have children later and their children will live longer and are more likely to be educated themselves.

INTO Giving's support for refugees helps ensure that children and young people who have lost their homes and communities continue to learn and, with support from school, rebuild a sense of normality and hope.

We support impoverished and at-risk children in Colombia, Guatemala, India, Indonesia, Lebanon, Nepal, Nigeria, Uganda, Vietnam and Zambia.

In communities in the UK and the US we support a range of activities, including mental health support, a domestic abuse shelter, young carers and anti-racism and civil rights.

ACHIEVEMENT AND PERFORMANCE

Raising awareness

INTO Giving is the charitable offshoot of INTO University Partnerships (IUP), which has more than 1,800 employees and, every year, more than 14,000 students from more than 100 countries across the world. The Charity wants to educate these audiences on the power of philanthropy, how it shapes people - particularly young people - as individuals, and how it shapes communities and global society. We raise awareness of our work and opportunities to engage in philanthropy through presentations at universities, IUP publications (in print and online), the charity's website and through social media. This has resulted in hundreds of young people and IUP staff shaping a better idea of philanthropy and engaging in activities that help some of the most disadvantaged children have access to and stay in education.

INTO GIVING LTD

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2021

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

A total of £163,109 was raised by INTO Giving in the financial year ending 31 July 2021 of which £123,101 was from INTO University Partnerships toward the charity's operating costs.

Funds were raised through

- Events including: a UK-wide raffle; sporting events; INTO UEA Golf Day; Christmas, Easter, Valentine's Day and Halloween fundraisers
- Payroll giving
- Student donations
- INTO University Partnerships
- Auctions and raffles
- Gift Aid
- Trusts

Monthly donations online and via Payroll Giving -	£5,423
Student donations -	£7,115
GiftAid -	£2,107
Major giving -	£5,423
iGive fundraisers -	£6,000

Fundraising events were also organised by INTO staff and students. All funds raised from these events go direct to our projects and not to INTO Giving operating costs. INTO Giving appreciates the hard work that has gone into the above fundraising and would like to thank all those who donated.

Impact of COVID-19

The coronavirus pandemic negatively impacted INTO Giving's income in 2020/21 and saw all but one of the INTO Giving team furloughed for the first quarter of the financial year.

Despite this, we began supporting three new education projects, continued supporting eight other education projects, continued investing in anti-racism and civil rights organisations and continued fundraising to ensure the future of our grant-making programmes

Fund-raising activities' financial performance

This year we raised £163,109.

£62,529 has been spent on charitable purposes: a total of £20,000 to the Runnymede Trust, Stop AAPI Hate and Color of Change; £6,200 to the Venkat Trust; £5,000 grants to each of Children on the Edge-Lebanon, Children's Education Foundation and YUM; £3,000 grants to each of the Malagiri School, Bumba Foundation, Children Change Colombia, Building Blocks and GLXi.

Grants of under £3,000 were made to half a dozen organisations including: Bees Abroad, MIND and Refuge.

We have kept our costs to a minimum as follows:

Fundraising activities and materials:	£3,603
Bank charges and legal fees	£273
Admin & subscriptions	£13,351
Total	£18,227

Total costs, therefore, account for 11% of total funds raised in the year ending 31 July 2021. Of these costs, £17,120 (94%) was paid on behalf of INTO Giving by INTO University Partnerships (IUP) and is shown as a donation in these accounts. This resulted in the charity using only £1,100 of its own funds toward operating costs in financial year 2020/21.

INTO GIVING LTD

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2021

FINANCIAL REVIEW

Principal funding sources

The principal funding sources for the Charity come from fundraising activities carried out by INTO University Partnerships (IUP), IUP students and employees, associated partners and other related third parties. These funds are mostly given in the form of individual donations through sponsoring events, standing orders and donations from international students attending IUP courses.

The Charity ensures that all monies raised by the staff of IUP, associated partners, families and friends, the general public, companies and grant-making trusts go direct to our projects. Any costs incurred in the running of the Charity are paid for by INTO University Partnerships and Gift Aid collected on the Founder's matching donations. INTO Giving is deeply grateful to IUP and our regular donors for their steadfast support during the COVID-19 pandemic.

Reserves policy

The Charity has, at 31 July 2021, unrestricted reserves amounting to £98,629 as shown on page 10 of these financial statements.

INTO Giving maintains restricted funds to facilitate strategic new initiatives in accordance with the Charity's mission and strategic plan. Restricted funds represent matched funding from the INTO Giving Founder, Andrew Colin. As at 31 July 2021, the Charity had restricted reserves of £168,383

During financial year 2020/21, INTO Giving continued providing educational sponsorship of orphans and vulnerable children cared for by the I-CCO in Zambia. The sponsorship donations are restricted funds and solely used to support the sponsored children. As at 31 July 2021, the Charity had utilised all of these restricted funds. This fund is replenished on a monthly basis by IUP staff and student regular donors.

FUTURE PLANS

To meet our commitment to supporting acutely disadvantaged schoolchildren, INTO Giving will, in 2021/22 continue to support education projects globally, despite the COVID-19 downturn in the Charity's income. We will seek to develop new income streams, including an online merchandising facility.

INTO Giving will also continue to champion its iGive programme that supports a wide array of humanitarian and community projects, whilst maintaining our commitment to supporting education projects globally.

We will also continue our strategic partnerships programme, launched in 2020/21, seeing INTO Giving providing large grants to organisations working in the fields of anti-racism and civil rights.

INTO Giving will continue to support our existing family of projects if required and where appropriate. All projects put forward will be put to the Trustees for consideration and selection.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity constitutes a Company limited by guarantee. The Directors are appointed and removed in accordance with the terms set out in the Company's Articles of Association. At least three Directors must be appointed at any one time, but there is no maximum to this number. There are currently nine Directors appointed to the Company, all of whom are Trustees of the Charity. A Chairperson is decided at each board meeting in the absences of an appointed Chairperson.

Trustees

All INTO Giving Trustees give their time voluntarily and receive no benefit from the Charity. The Trustees bring a wide range and relevant range of experience to the Charity including: five who have worked in education either at secondary or tertiary level; two who have served as school Board of Governors; one who has worked overseas in Africa and five with considerable business experience in the UK and abroad.

INTO University Partnerships (IUP) employees worldwide are offered the opportunity to apply to be a trustee. All trustee applications are assessed by the INTO Giving Director, and a member of the INTO University Partnerships HR team, using a common set of criteria. INTO Giving and INTO HR interview the shortlisted candidates. Those candidates who progress to the next round are interviewed a second time by the INTO Giving Director and two serving trustees. New trustees are offered an induction by the INTO Giving Director.

INTO GIVING LTD

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 JULY 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

Day-to-day management of the charity is delegated to the INTO Giving Director. The Director is responsible for financial decisions and control in line with the trustee-approved annual budget; implementing the annual workplan, covering fundraising, communications and administration; managing the INTO Giving team, including twice annual performance reviews; and preparing all papers for the board of trustees. The Director is supported by a team of 1.6 FTE employees who deliver a range of fundraising and communications functions and regular bank reconciliations. INTO Giving's board of trustees meet quarterly to assess the financial and strategic direction of the charity, and to provide advice toward achieving the charity's objectives. By majority vote, the board approves the charity's annual budget, annual accounts and all of INTO Giving's restricted and unrestricted grant-making.

Pay and remuneration of the charity's key personnel are in line with INTO University Partnerships (IUP) pay and remuneration policy: IUP provide all of the charity's operating costs, including salaries of the charity's team.

Risk management

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The main risk to which the Charity is subject to is that of ensuring that funds raised by staff of INTO University Partnerships (IUP), their related companies, families and friends, go direct to the charity and that no funds go astray. This is a particular risk when working with partner charities based abroad. However, INTO Giving has put in place measures to ensure that, as far as possible, the monies raised are spent on the intended project. This is done by completing due diligence prior to establishing any relationship with partner charities and establishing close relationships with our partner charities, who provide clear sets of accounts to INTO Giving showing how our donations have been spent and the impact of these donations on beneficiaries. Partner charities provide regular feedback, and we request they be open to INTO Giving staff and supporters who wish to visit the project.

11. RELATED PARTY DISCLOSURES

During the year, INTO University Partnerships financed £123,101 of the charity's operating costs, including salaries of the charity's team (2020, £129,899). This amount is therefore showing within income as a donation, as well as within expenditure in the financial statements.

12. POST BALANCE SHEET EVENTS

Prior to the balance sheet date there was an outbreak of the COVID-19 virus reaching the level of a global pandemic as defined by the World Health Organisation (WHO).

The effect of UK Government measures to limit the spread of the virus have been widespread, urging people to remain at home wherever possible, including to work from home if available and to undertake "social distancing" measures. Part of the government action has been to order businesses where people gather socially to close temporarily.

Whilst the Charity remained open throughout the pandemic, its employees worked remotely from their homes from mid-March 2020, and members of the Charity team were furloughed for the first quarter of the 2020/21 financial year, as part of the UK Government job retention scheme.

In respect of the current COVID 19 situation the Charity has reviewed its business. Despite the temporary and at times significant downturn in income, and with the patronage of INTO University Partnerships, who provide the Charity's operating costs, INTO Giving remains a going concern. The directors continue to monitor the situation as it changes and will react to further developments.

13. ULTIMATE CONTROLLING PARTY

Into Giving Limited is controlled by the Board of Trustees.

14. COMPANY LIMITED BY GUARANTEE

The company is a private company, limited by guarantee and consequently does not have share capital. Each of the Trustees is liable to contribute an amount not exceeding £10 towards the assets of the company in the event of a liquidation.
