Our aims in the immediate future are to-

- continue to establish a financial reserve to finance the upkeep of the new building
- increase participation and promote healthy lifestyles
- promote volunteer work
- increase employment
- create learning and training opportunities
- widen access and make the facility accessible to all
- increase female participation
- increase opportunities for those living in areas of deprivation and are at risk of social exclusion
- Increase tourism into Huntingdon.
- Increase revenue for local businesses
- progress and continue educational activities
- have better educated young people within the community to produce skilled workers for the future

We aim to progress to include more activities and events through urban sports sub-cultures.

### **The report of the trustees for the year ended 31 August 2021**

#### ***An explanation of the charity's main objectives for the year.***

Our main objectives are to increase training opportunities and encourage more volunteers to take part in making decisions that affect their lives in their community. We will provide opportunities for individuals to gain lifelong skills while participating in a healthy and pro-active environment.

We continually work towards initiating unique opportunities that will increase revenue and future sustainability at our current venue while developing future plans to create a full size 3G training pitch in Huntingdon for urban sports and community use. Although revenue is increasing, with the current climate, the 3G training pitch has now been put back, with a review at the end of the 2021-22 season.

We will increase and develop an events programme that will provide opportunities for activities such as live music, art, dancing and performance.

#### ***An explanation of the charity's strategies for achieving its stated objectives.***

We have a training obligation and program to encourage staff and volunteers to increase their skills and attend skills training days to improve staff/individual levels for the future.

We are strategically re-structuring the business with a clear focus on strategic objectives including an Executive Board of Directors that will consist of highly skilled individuals to work alongside our existing stakeholders and investors to drive the charity forward with the expertise and skills required for a high level project. We are working alongside Business mentors and corporate businesses to develop a 5 year business plan.

#### ***Details of significant activities (including its main programmes, projects, or services provided) that contribute to the achievement of the stated objectives.***

The charity has achieved its medium term objective of being fully self financing at an operational level. The trustees believe this is an important milestone and is vital in achieving the long term objectives.

Substantial progress is currently being made in establishing the funding necessary to fund an expansion of the existing site. The success of this work will not be confirmed until later in 2022.

#### ***The Charity's grant making policies***

Grants of £1 million were received from the Football Foundation for new changing rooms & clubhouse.

#### ***The contribution of volunteers***

Our volunteers work various hours carrying out numerous activities within the facility, reducing the cost of staffing and event management.

Our volunteers are valuable to the organisation and its participants. They often mentor others in various sports, customer service, event organisation and general duties throughout the day.

We now have Community Workers attending the site carrying out numerous tasks, to keep the site maintained to the standards required.

#### ***Summary of main activities of the charity in relation to its objects***

Our facility is becoming known in Cambridgeshire and has attracted over 90,000 users a year since July 2003 and has increased its potential to expand during 2021 - 2022. Due to Covid obviously, we were not open for a further 6 months of the financial year and figures have not increased

## **Sports Huntingdon Limited**

### **The report of the trustees for the year ended 31 August 2021**

We work with various community and social groups to promote and reduce costs for those at risk of exclusion, poverty or disadvantage. We secured a 5 year post for an Events & Participation Manager funded by the Football Foundation enabling the site to target the local community schools and youth groups and increase participation via the disadvantaged estates and individuals within the community. This expired in September 2015. Since the funding dried up we were unable to fund a Events & Participation Manager, but were lucky enough to get a volunteer to do the job keeping our overheads down

We are working with local schools, councils and Police to reduce anti-social behavior and encourage healthy and active lifestyles in a fun and exciting environment that the young people have ownership of.

### **Achievements and Performance of the Charity**

#### ***A review of charitable activities undertaken by the charity***

Our achievements have included:

1. New and improved facilities. Very limited due to funds not being available.
2. The development and implementation of a training and coaching strategy. We now get all managers and coaches taking level 1 coaching, first aid and safeguarding children courses.
3. Re-structure of the company to reflect ongoing development for the future
4. We now have a Junior Park Run at Jubilee Park every Sunday
5. The increase of participation via youth and school groups, now have Harmonia Music training youth & adults in music
6. We allow Charitable organisations to have the facilities for no cost, to raise funds.
7. The Huntingdon Community Brass Band use the facilities weekly
8. We have other youth organisations using the site for football tournaments to raise funds

#### ***Fundraising activities***

Despite Covid, we managed to get new goal posts and machinery to look after the pitches. We managed to get grants and secured a special government loan to help keep afloat with the complex being closed. All other funding received is identified in the charity accounts.

#### ***Factors relevant to the achievement of the charity's objectives***

Objectives have been achieved with the assistance of: The Football Foundation & local Football Association

- achieving and maintaining our financial self sufficiency at an operational level.
- the continuing contribution of the workforce and volunteers.
- increased partner relationships bringing in outreach projects, services and advice.
- an improved strategic focus on the future delivery of the charity and its overall objectives
- a committed and stable paid staff base.

### **The report of the trustees for the year ended 31 August 2021**

#### ***Employment of disabled persons***

We encourage applications from disabled people for job opportunities. We continue to employ people who have the potential to develop their personal and academic skills. We are engaging with disabled volunteers.

## **Structure, Governance and Management**

#### ***Nature of the Governing Document and constitution of the charity***

The organisation is a charitable company limited by guarantee. In the event of the organisation being wound up members are required to contribute an amount not exceeding £1. The company was established under a memorandum of Association, which established the objectives and powers of the charitable company and is governed under its Articles of Association.

#### ***The methods adopted for the recruitment and appointment of new trustees***

All new trustees are voted for and recommended by members at our annual AGM.

The charity appoints, removes or disqualifies directors in accordance with sections 29-38 of its constitution.

#### ***The policies and procedures adopted for the induction and training of trustees.***

Prior to being elected, nominees are invited to a Management Committee meeting, as well as visiting the premises to meet trustees and staff.

Should they be appointed, they are provided with all relevant information for the Charity Commission and Companies House as well as information for the Charity itself regarding the content of work for a trustee.

Following this, arrangements are made, on a continual basis, to attend any courses which are deemed advantageous to a trustee.

#### ***The organisational structure of the charity and how decisions are made.***

The Charity has a Director Committee who have overall control and responsibility for policy and major decision making and all are Directors and trustees. We have a local business management committee who are contacted as and when required for their specific expertise.

Day to day management and responsibility for implementing policies is carried out by the Trustees and Directors. There are no employees and 15 volunteers in the organisation.

#### ***The major risks to which the charity is exposed and reviews and systems to mitigate risks***

The main risk is that the Charity does not raise enough income to cover its existing expenditure and future expenditure.

We have in place a Facilities Manager whose sole responsibility is to get the facilities hired out to bring in the necessary income.

The Charity meets with the Facilities Manager every 2 or 4 weeks depending on bookings, to obtain an update on future events and areas being targeted

### **Statement of Directors' and Trustees' Responsibilities**

The Charities Acts and the Companies Acts require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed , subject to any material departures disclosed and explained in the financial statements;

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the Independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

### **Method of preparation of accounts**

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 16 May 2022.

**Sports Huntingdon Limited**  
**Independent Examiner's Report to the trustees of the charity**

**Report of the Independent Examiner to the trustees on the  
accounts of the Charity for the period ended 31 August 2021**

I report on the financial statements of the Charity for the year ended 31st August 2021 which are set out on pages 8 to 19. These have been prepared in accordance with the Charities Act 2011 and with the Financial Reporting Standard (FRS102 SORP).

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

1 which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**1 Accounting policies**

***Basis of preparation of the accounts***

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards, the FRS102 SORP and the Companies Act 2006.

Insofar as the Statement of Recommended Practice requires compliance with specific Financial Reporting Standards, then the specific Financial Reporting Standards have been followed where their requirements differ from those of the SORP.

Advantage has been taken of Section 396(5) of The Companies Act 2006 to allow the format of the financial statements to be adapted to reflect the special nature of the charity's operation and in order to comply with the requirements of the SORP.

The charity has taken advantage of the exemption in Update Bulletin 1 from the requirement to produce a cash flow statement.

The particular accounting policies adopted are set out below.

***Accounting convention***

The financial statements are prepared on a going concern basis, under the historical cost convention.

***Incoming Resources***

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Gifts in kind, donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

***Investment Income***

Bank interest is included in the income and expenditure account on a receivable basis.

**Sports Huntingdon Limited**  
**Notes to the Accounts**  
**for the year ended 31 August 2021**

***Deferred income***

In accordance with the Statement of Recommended Practice, grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the charity or where it is uncertain whether the conditions can or will be met, are deferred on an accruals basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts

***Recognition of liabilities***

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice.

***Resources Expended***

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in the notes to the accounts.

In particular the policy for including items within costs of generating funds, charitable activities and governance costs is as follows:

**Costs of generating funds**

Costs of generating funds comprise the costs associated with attracting voluntary income.

**Charitable activities**

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**Governance costs**

Governance costs shall include all expenditure directly related to the administration of the charity including expenditure incurred in the management of the charity's assets, organisational administration and compliance with charitable and statutory requirements.

***Fixed assets and depreciation***

All tangible fixed assets, except freehold land and buildings, are stated at cost less depreciation. Freehold land and buildings are stated at cost.

Depreciation has been provided at the following rates in order to write off the assets (less their estimated residual value ) over their estimated useful economic lives.

Plant and machinery	20% straight line

**Notes to the Accounts**
