**Activities and Achievements:**

As we began the financial year of 2025, our work for ministry into Europe started to gain great momentum. At the end of May 2025 into early June, the UK office had much greater involvement in the planning and facilitation of our Riga, Latvia Gospel Campaign that proved to be a great success. With approximately four thousand five hundred in attendance in Riga, over a three-night campaign, at the Kipsala Exhibition centre, Ev. Nathan Morris attended as keynote speaker alongside Ev. Phil Shaw and Ev. Mauricio Canales. We were also thrilled to see the additional launch of street evangelistic programs with our STN ministry teams involved that had travelled from across all of Europe and the United States. As part of the campaign we, also engaged with Latvia Christian Radio and a prominent Christian YouTube T.V channel to publicise the work we were involved in.

In March 2024, Ev. Phil Shaw was voluntarily invited to join joined the 'European Core team of Evangelists' for 'Europe Shall be Saved', headed up by Ev. Jean-Luc Trachsel, Paul Manwaring and Ev. Ben Fitzgerald. Alongside Empowered 21's initiative of the Global Evangelists Alliance (GEA), we believed this voluntary role would further reinforce the European vision of STN to see many nations reached with the Gospel.

In June 2024, Ev. Phil travelled to Paris, France to assist Ev. Nathan Morris in the 'Revival School' with Jean-Luc Trachsel, seeing over eleven hundred students attending from over every district of France as well as from across forty nations of Europe. This was a truly pivotal weekend in the revival school alongside the street campaign that took near to the Eiffel tower in Paris as Ev. Nathan Morris and Ev. Phil Shaw preached the gospel.

Following this special time in Paris, we were thrilled to return to the UK to host our second STN UK Accord conference in Letchworth in Hertfordshire which was very successful. The outcome of the event saw many new people attend from North London and East Anglia as we shared the vision of STN Europe. The event was strategically placed North of London to greater connect with this area to build stronger relationships with Evangelists and local church leaders. New partners came on board as a result with positive financial investments to STN from new relationships formed.

Towards the end of June, Ev. Phil Shaw, travelled to Jakarta in Indonesia for the Global Evangelists Alliance 'Everyone ASIA initiative' to connect with the GEA Executive Committee and U.S STN team. This trip proved fruitful as new ministry connections were then made into Estonia and Australia with a plan to meet again in Helsinki Finland in June 2025 for the World Pentecostal Conference.

In August, we were thrilled to establish a new relationship with Lighthouse Church Telford in the UK. This ongoing relationship continued to build momentum over 2024 with strategic discussions for potential STN evangelistic training schools and strategic outreach initiatives in the coming years in conjunction with the church's own community outreach food programs.

Throughout September and October, Ev. Phil Shaw travelled to both Norway and Hanover in Germany to speak at conferences and share STN evangelism training that further strengthened our European vision for STN. As part of our visit to Hanover, we were delighted to work alongside other ministries to engage in street outreach initiatives in the city of Hanover where we saw great fruit as a result.

In November, our focus was to strengthen our presence in the UK, through both STN evangelism training in Leeds, UK as well as our first ever in-person 'The Net Works' event, held in our UK office premises. The first Net Works event was a great success, seeing one hundred and forty register online. Many evangelists gathered for a time of relationship building, networking and opportunity to hear more about STN European initiatives.

In the month of December 2024, Ev. Phil Shaw was invited to return to Paris to minister at the Paris Christian Centre for both Sunday ministry and their dedicated Bible School. Ev. Phil taught on their school to over one hundred and fifty students focussing on STN's equipping school training. We were thrilled to see our training schools now becoming more accessible into European nations with the potential of further schools and evangelistic outreach campaigns in France in the coming years.

Throughout the month of January 2025 Ev. Phil Shaw ministered across three locations in Switzerland to train at various Bible schools delivering STN evangelism

training and establishing new relationships with local pastors and European ministry connections.

In February 2025, we were excited to launch our third STN Accord conference in Wolverhampton, UK in collaboration with Pastor Steve Uppal of All Nations Church. Over this weekend, Ev. Nathan Morris and the U.S team joined us for a significant weekend to invest into the Europea vision. With approximately six hundred people in attendance, the event as more than a great success with eighteen new partners joining STN Europe and wider expressed interest from many to be involved with future evangelistic outreach programs.

Following the success of our first 'the Net Works' event taking place in the North of England in November 2024, we were thrilled to launch our second Net Works connect morning in the south of the U.K in Dorchester in March 2025. With ninety-eight people registering, we saw many new people engage with the European vision and stronger relationships forming across the UK. Following this event, we worked alongside a local church in an outreach initiative to take the gospel to the streets of Dorchester, allowing those in attendance to put the teaching into practice.

Throughout the remainder of March, Ev. Phil Shaw ministered at Revive Church in Hull before travelling to minister in Berlin, Germany in both a conference and outreach campaign as well as ministry at Awakening Church, Berlin.

In summary, 2024/25 has been a truly significant year of growth for the ministry in our relationships into European local churches as well as a notable increase in covenant partnership with STN. Alongside our increase in partnership engagement, we have been thrilled to see many new volunteers wishing to collaborate STN's vision to impact Europe. As a result, we are in great anticipation for the year ahead.
