Structure, governance and management

Nature of governing document

The charity is a company limited by guarantee and registered charity. It is operated under the rules of its memorandum and articles of association dated 14 July 2008 and most recently amended 17 October 2020. It has no share capital and the liability of each member in the event of winding-up is limited to £1.

Organisational structure

The governing body of the Acacia Partnership Trust is the board of trustees who meet from time to time to discuss the affairs of the Charity. The day to day operations of the Charity are overseen by Keith and Lynne Smith who act as officers and during 2022-23 the finances were managed by a self-employed bookkeeper. Keith and Lynne Smith as officers, and the bookkeeper as administration support, are accountable to the Trustees, who require them to identify areas of risk, and to communicate any areas of concern to them in a clear and timely manner.

Objectives and activities

Objects and aims

The Charity's objects are:

- (a) to advance the Christian faith for the benefit of the public in Burkina Faso in accordance with the Evangelical Alliance statements of belief;
- (b) to promote sustainable development for the benefit of the public by the relief of poverty and the improvement of conditions of life in socially and disadvantaged communities. For Acacia Partnership Trust, sustainable development means “development which meets the needs of the present without compromising the ability of future generations to meet their own need.”

Acacia Partnership Trust

Trustees' Report

Objectives, strategies and activities

The main activities of the charity in the year have been:

Training and support for local pastors, Christian workers and churches in Burkina Faso

Support and assistance to local providers in Burkina Faso of

- Primary and secondary education
- Church ministry
- Dental ministry
- Poverty Relief and aid to Refugees
- Clean water provision
- Prison ministry
- Children & Youth Ministry

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

Voluntary income from donations and gifts has continued at a steady level (though lower than in previous years) enabling the charity to continue to fulfil its objectives, including its support for the schools, dental work, prison ministry, poverty relief and the repair of wells. It has also enabled the charity to respond to needs arising from the current security situation, such as those of the internally displaced.

The Trustees allow the general fund to be used where shortfalls occur, and they are confident that no shortfall will restrict the work of the charity in the short to medium term, given the level of giving and the goodwill towards the projects the trust has undertaken.

Policy on reserves

It is the policy of the charity to try and hold unrestricted reserves, not designated for a specific use, at a level equivalent to six months normal, unfunded operating expenditure. The Trustees believe this will enable the charity to be maintained in good order should there be a significant drop in the level of funding, whilst Trustees consider how additional funds might be raised.

As at 31 March 2023 unrestricted funds of £23,546 (2022: £45,113) were held. Whilst lower than the desired figure of 6 months worth of expenditure, the trustees made deliberate decisions during the year to utilise funds in the bank to meet needs in Burkina Faso.

Plans for future periods

Aims and key objectives for future periods

Over the next year the aims of APT in Burkina Faso are as follows:

- Operating within the constraints posed by both security and coronavirus concerns the charity aims to continue to fulfil its objectives in the coming year. It sees the local bodies that it has helped establish as taking on more of the future role of delivering the objectives of the charity and will continue to support and oversee the development of these and similar local structures.
- In particular going forward the charity aims to continue to provide:
- Support for the local churches in continuing their ministry amid increasing threat
- Support for education provision as health needs and security allow
- Support for poverty relief, including aid to internally displaced peoples
- Water provision through well drilling and well-repair as security allows
- Support for the mobile dental work, and ongoing professional development for the dental teams
- Support for the ongoing prison work
- Support for ongoing youth and street boy ministry
- Training and support delivered electronically and face-to-face when possible
- The development of a strong UK base for the work
- Strengthened partnerships with supporters in the UK and other countries
- The charity is also helping the local bodies established develop increasing autonomy and/or building of relationships with other partnering organisations, in order to ensure long-term sustainability and facilitate future development of the ministries.

Statement of Responsibilities

The trustees (who are also the directors of Acacia Partnership Trust for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees of Acacia Partnership Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the Company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 44 (1) (c) of the 2005 Act and section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since Acacia Partnership Trust is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member and Fellow of the Association of Charity Independent Examiners, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 386 of the 2006 Act and Regulation 4 of the 2006 Accounts Regulations; or
2. the accounts do not accord with those records with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

Acacia Partnership Trust

Independent Examiner's Report to the trustees of Acacia Partnership Trust ('the Company')

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Acacia Partnership Trust

Notes to the Financial Statements for the Year Ended 31 March 2023

1 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Acacia Partnership Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Acacia Partnership Trust

Notes to the Financial Statements for the Year Ended 31 March 2023

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those grants for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
