Report of the Trustees for the year ended 31st Mar 2021

The Board of Trustees presents their report and the financial statement for the year ended 31st Mar 2021.

The Trustees confirmed that the financial statement have been prepared in accordance with the accounting policies set out in page 9 and comply with the charity trust deed and the recommendations of the Statement of Recommended Practice, Accounting and Reporting by Charities and complies with the applicable law.

Principal Objectives and Performances

The organisation is a registered charity and was set up by a Trust Deed executed on the 11th August 2008. A summary of the organisation's stated objects is "The Advancement of the Christian Faith Worldwide and relief of poverty".

The mission statement guiding our work is to:

Help all people move towards whole person maturity, and to build a church where friendship, trust, and loyalty are valued.

Board of trustees

The organisation is governed by a Board of Trustees headed by Mrs Folashade Olayiwole. The members served on the council through the year under review are named on page 2.

Financial Reviews

The statement of the financial activities shows income of £70,743 and expenditure of £56,562.

This financial support from members has enabled the church to support quite a good number of Christian organisations, charities and visiting ministers as well as meeting other charitable objectives.

The present level of funding is adequate to support the continuation of the church objectives.

The charity is also aware of the need to have a documentary policy in place regarding reserve; this is currently under review by the trustees.

In accordance with guidelines issued by the Charity Commission, the Board of Trustees has adopted a policy regarding the use of building funds and other donations, which involves

- a) Making sure, there are adequate funds for the charity to meet all current and known future liabilities.
- b) The amount of donations from members for the building fund had been used for purpose for which it was collected.

Future development

The charity plans continuing the activities lined above in the forthcoming years subject to satisfactory funding arrangements. Plans are also being developed to work on a number of schemes:

- Evangelism to further the course of Christian faith
- Barbecue outreach programme - Inviting the neighbors within our Parish area to an open evening to spread the good news and advance the Christian faith.
- Helping the homeless: by donating clothing and necessary materials for their upkeep
- Visiting Orphanages
- Having a Nursery to help mothers who need day care for their children

We hope to increase our involvement with the community through social inclusion by further strengthening our counseling sessions, developing biblical principles, organizing leadership seminars, economic empowerment, impacting entrepreneurship skills etc.

We support aid relief Agency to underprivileged people in Africa. We also actively and strongly support the Evangelical missions which aim at furthering the Christian faith all over the world.

This year trustees consider that the performance of the parish has been satisfactory in terms of advancement of the Christian faith.

We are in our second year of our moved to a leased building. Our prayer is that this move will enable the church to have more impact within the community.

Political and Charitable Activities

The charity did not make any political or charitable donation during the financial year, its major activity during the year was just the preaching of the gospel to the people.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in this report.

The trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

Risk Management.

The trustees actively review the major risks which the charity faces on a regular basis. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that the systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

ON BEHALF OF THE CHARITY

These financial statements were approved by the Board on 17 Feb 2022 the notes forms part of the financial statements.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions
Support Costs**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
