Structure, governance and management

Company Introduction

The Horn Of Africa Street Children Ltd [HOASCLTD] is a UK registered charity registered in the United Kingdom in 2008 under Charity Number 1126775. HOASCLTD was established for the specific purpose of providing charitable assistance to needy people from the Horn of Africa [Ethiopia, Eritrea, Djibouti and Somalia] both in their host countries and in their Diaspora communities in the United Kingdom. The Horn of Africa is that region of East Africa that borders the Red Sea and the northern part of the Indian Ocean by the Gulf of Aden. The region that encompasses the Horn of Africa has traditionally been identified with four countries [Ethiopia, Eritrea, Somalia and Djibouti].

This part of Africa has suffered severe environmental decline as well as geopolitical instability over the past 30 years and it is one of the poorest parts of Africa in an already poor continent.

Environmental degradation and political instability in the region has led to high incidences of poverty and underdevelopment and this region of Africa scores at the bottom of the UNDP development index in relation to child mortality, life expectancy etc.

Most of the Trustees of HOASCLTD are from the "Horn" region and know poverty and hunger at first hand and along with fellow concerned individuals from the region he decided to form this charity in order to show by example that the solutions to the problems that the region face are in the hands of the people and that individuals can help to change their countries.

Objectives and activities

Our Mission

HOASCLTD has as its main objective the relief of poverty for the communities of the Horn of Africa. All these countries are in the "Sahel" region of East Africa, an area of the world that is particularly vulnerable to increased levels of desertification caused by climate change.

HOASCLTD therefore aims to give a platform to the host communities from the "Horn" region and involve them in developing charitable programs that touch the poorest and most marginalised sections of those communities [women, children, the elderly] so that they will be able to stand on their own two feet and become fully productive members of society again.

HOASCLTD also aims to work with the Diaspora communities from those four host countries who reside in the UK. Refugees from Ethiopia, Eritrea and Somalia suffer from high incidences of unemployment and other social problems through the trauma of having to readjust to life in the UK. The young people from these communities in the United Kingdom have an urgent need to develop their life skills and to be supported in all attempts to integrate them into UK society. Even though the problems that we are trying to address are huge, we believe that our work can make a difference to the lives of individuals.

Even though the problems that we are trying to address are huge, we believe that our work can make a difference to the lives of individuals.

HOASCLTD has as its program the following:

Assisting young people in the Horn of Africa region and also in the United Kingdom to develop their life skills
Advancing educational opportunities for people from the Horn of Africa region and their Diaspora communities in the United Kingdom

Assisting these communities with the relief of unemployment

Assisting these communities in the provision of leisure time and recreational activities.

Attempting to tackle the problem of the "urban poor" by re-uniting street children with their biological families or by integrating street children into foster families.

Providing financial support to street children through their families and foster families.

Providing health care and educational support to street children through their families and foster families.

Achievements and performance

Our Achievements so far

Since its inception in 2008 HOASCLTD has established a vibrant working relationship with an indigenous Ethiopian charity called the Abiy Negussie Humanitarian Organisation [ANHO]. ANHO was established in 2007 for the specific purpose of assisting street children and their families in Addis Ababa, the capital city of Ethiopia where homelessness is a major problem.

ANHO is a "sister organisation" to HOASCLTD and HOASCLT currently provides ANHO with full financial support in order for ANHO to run its projects in Ethiopia.

ANHO currently supports 75 street children and their families totalling 525 individuals in the poorest communities of Addis Ababa.

HOASCLTD is involved in assisting ANHO with the development of its work in Ethiopia. In the near future HOASCLTD will look to expand its work into other countries in the region. About ANHO:

The Abiy Negussie Humanitarian Organisation [ANHO] is a charitable organisation that was formally registered in Ethiopia [with Charity Number 0410] in early 2007 in order to assist street children and their families in Addis Ababa with financial support, health care and educational assistance.

HOASCLTD is also working very closely with Subway Greater London and has charity boxes placed in 67 Subway stores in the Central London area to assist ANHO with its fundraising activities.

HOASCLTD has also recruited 11 volunteer workers from different professional backgrounds to work for the

Independent examiner's statement
