ACHIEVEMENT AND PERFORMANCE

The past year we have continued to accommodate large numbers of children which means we have an increase in staff and thus wages. However Grant funding and fees have sustained us financially.

Totland Parish Council have generously donated £5,000 in April 2023 again this financial year - unrestricted - and continue covering the cost of our grass cutting which amounts to around £800 a year. Our apprentices brought us £3,500 in; to contribute to their wages and/or course work time and Tesco's Groundworks donation of £1,125 continued to pay our Ukrainian/English Teacher to provide English lessons until April 2023 - we received the money in arrears. Our HAF money was set aside in our IT account to be used as needed and as I mentioned this helped with larger expenses such as Insurance and Accountants fees as we had enough to cover the HAF expenses out of our fees.

In total we have employed an average of 22 staff this year; that it our Administrator, site Manager, 3 part time cleaners, Manager and 16 Room Staff. Once again as part of the Governments endeavours to provide for vulnerable families the Nursery has benefited from a HAF holiday funding programme over the past Easter 2023 and Summer 2023 holidays periods. This has certainly helped us sustain ourselves during what is usually the hardest part of our year, August when our families often withdraw for parts of the summer and we lose our Nursery grant funded children. The grant provided 10 places 5 days a week for 5 weeks over the summer, paying for breakfast, lunch and activity places for disadvantaged children. Thankfully we had even more than that so gained an additional bit of funding which made up for certainly in the summer, the lack of our normal holiday club attendees due to the cost of living crisis. We are noticing that our regular users are feeling the financial pinch and not using the holiday club as much. We used less of the sports centre i.e. going rock wall climbing only once and swimming 3 times but made use of the beach, copse and local parks as well the school PE coach to provide activities this year with themed weeks around beach clean up and sustainability, water weeks, and copse weeks to try and see if this peaked interest. Regardless of that the weeks were attended by not only our on site school but a number of other local school children. We also made use of the school chef two days a week over the summer who then provided 3 of the 5 meals a week and did cooking with the children as well, as an activity. Part of the remit is healthy eating habits. The last of our Ukrainian English lessons finished in April 2023 and the last donation for that was from Tesco. We should feel proud that we managed to offer these English lessons for almost a year to our refugee families through donations and funding pots from Tesco and Freshwater Parish HAF fund. We helped insure that our local Ukrainian refugees got a great start to their integration into our community and afforded at least one of them employment from teaching the classes.

Numbers have remained steady and this had helped us remain sustainable. The baby room and 2 year old spaces continue to be in demand. We continue to work with the on site school to create opportunities that will mutually benefit us. They have reduced the room hire to one side of the building as we did increase the rent nominally. This is continuing to work well for them.

The team remains focused under the guidance of the manager who continues to maintain the high expectations that awarded us an outstanding grade from Ofsted. We are not resting on our laurels. The Trustees have continued to meet every few months to review policies and finances. John Howe remains Chair and Sylvia Richards Secretary and all continue to support both the Manager and her Staff Team in their roles. As well as maintaining the integrity and safety of the business and the site. Our additional Trustees Lester Brett-Hill, Mary Millard and Ellen Penstone-Smith - our parent contingent of the Trustees - continue to contribute where they can. Ellen has worked really hard on resolving and sourcing someone to help us cut down trees that are dead in the copse and Lester and her worked on our tree planting in the Sensory garden area after Ellen sourced a grant for the fruit trees. All continue to source funding in any way we can to sustain not only the operation of the business but new projects that will continue to benefit our community.

WEST WIGHT NURSERY (REGISTERED NUMBER: 06398420)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2023

Toddler group continues to run out of the Family Centre locally which benefits the business in attracting new families to the site and making us accessible to the wider community. The time bank and food bank continue to utilise us as a venue for excess food collected from the Coop waste to give to venerable families and we have signposted families during the summer to the food bank and local food baskets distributed by the lovely lady at the time bank who has sourced funding for this and benefits 6 of our needy families amongst others. They also ran a summer pet food initiative that our families could take advantage of. Certainly the cost of living crisis has created a need for any financial initiative that can alleviate the strain on families finances.

We must continue to acknowledge the staff who work so exceptionally hard to ensure our Nursery remains a firm favorite in the community with the high standard of provision they offer. We are now one of three Nurseries operating in Freshwater with the move of Yarmouth School into the new build which offers families more affordable choices but they continue to choose us. (We remain the only "outstanding" facility). Without a team like ours no matter what resources we have this would not be possible and we, the Trustees, would like to acknowledge that! Staff continue to undertake training through the Local Authority and Apprenticeship schemes. This has provided additional funding to support their wages though from Education and HTP continues to be our provider of choice.

The Manager continues to facilitate the wellbeing of the team through regular appraisals, supervision, peer mentoring, training. Policies and these efforts continue to ensure a healthy, happy, safe work place for all. We are pleased to continue offering not only childcare services, but to the local community a place that Ofsted has recognised ensures "Children develop excellent levels of self-esteem and a positive, can-do attitude in all that they do".

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
