Para 1.20	The Trust has enabled their partners to accomplish challenges they have experienced. Food Because of the climate situation the harvest was extremely poor. The Trust provided funding to purchase maize, beans, rice, the staple for the school residence. This donation enabled the students and staff to continue at the school. Wages Provision for the wages was supported by the trust for Mgutwa School. The staff, who mostly reside at the school during term time are: teachers, reception and office staff, security, farm and maintenance workers, cooks and healthcare employees. The school provides work and experience for those employed. The wider communities in the area have observed the workers and have had confidence to branch out in small businesses, taking an opportunity to be educated and see their offspring being educated.

		<p>Education</p> <p>The students have performed well in all their exams and studies. The staff are generous with their time to tutor individually as needed. Many staff live at the school and are dedicated in their responsibilities to give of care and expertise to the students.</p>
