North Leverton Windmill Trust

**Trustees' Report
for the year ended 31 December 2021**

The Trustees present their annual report and audited financial statements for the year ended 31 December 2021.

Structure, governance and management

The Trust was formed on 11th December 2008 and registered by the Charity Commission on 16th December 2008. It was formed to receive the assets of North Leverton Windmill Co Ltd.

Constitution and governing document

The charity is constituted under a trust deed dated 11th December 2008 with the approval of the Charity Commission and is a registered charity number 1127200. Copies of the deed are available from Mrs Julie Barlow, the Orchard, Cross St, Sturton-le-Steeple, Retford, DN22 9HL.

Organisational structure

The day-to-day running of the charity and fund raising activities are managed by the Trustees and sub-committees formed from Trustees and volunteers.

Recruitment & appointment of Trustees

The Trustees are elected to serve for 3 years, other than the initial Trustees who have agreed a phased programme of retirement. Thus every year 2 or 3 Trustees retire and are available for re-election.

The charity follows the Charity Commission's recommendations with regard to trustee induction. All new Trustees are provided with the an induction pack along with the latest copy of the full accounts and the Charity Commission publications CC3 Trustee Responsibilities and CC60 Hallmarks of an Effective Charity.

Risk management

The Trustees actively review the major risks, classified as constitutional, financial, operational and external, which the charity faces on a regular basis and which may impact on the service the charity aims to provide.

Constitutional - The Trustees believe that procedures are in place to cover any risk which may arise regarding constitutional or governance matters.

Financial - The Trustees consider the variability of income to be a risk. The charity requires income of £6,000 to £10,000 per annum to cover on going repairs and maintenance. The level of General Reserve at the end of 2021 could allow the Charity to continue for 8 years while seeking further funding or pay for a major repair if required.

Operational - The Trustees recognise the responsibility the charity has to ensure the building, fixtures and fittings are maintained sufficient to meet Health & Safety requirements for public access. Insurance is in place, provided by NFU Mutual.

**Trustees' Report
for the year ended 31 December 2021**

..... continued

External - Public Liability Insurance up to £1 million is in place.

Objectives and activities

Objectives

The Trust Deed states that the objects of the charity are;

1. The preservation, protection and maintenance of North Leverton windmill for the public benefit.
2. The advancement of education of the public in the function, history, design and purpose of windmills in general and of North Leverton in particular.

The Trustees consider that these objectives provide public benefit for the local community by ensuring the ongoing preservation and accessibility of the windmill. The Trustees have referred to the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning the charity's future activities.

Activities

The main activities of the charity are twofold; raising funds for the ongoing repairs and maintenance of the windmill, and promoting North Leverton Windmill to the general public and encouraging visitors.

The charity ensures the mill is open every Saturday, and at other times by prior arrangement. The mill also hosts other events including school visits and tours for local community groups. Access to the mill yard and garden is always available.

The activities undertaken by the charity provide a benefit to all people either local or tourists from outside the region. The charity's activities are not considered to cause any adverse effects to any members of the public. Any personal benefits gained by persons other than visitors are considered to be incidental to the work of the charity.

Achievements and performance

Achievements

2021 saw the Windmill re-opened on a regular basis in line with government guidance relating to the COVID-19 pandemic. We thank our regular visitors for their continued support and custom and enjoyed welcoming new visitors. The highlight of the year was the September Family Fun Weekend. We were fortunate with the weather and conditions were ideal for this event, and after two years the public and exhibitors attended in droves. We know that over 2,000 adults attended over the weekend. Funds raised will be used for insurance and maintenance work in 2022.

North Leverton Windmill Trust

**Trustees' Report
for the year ended 31 December 2021**

..... continued

The LEADER funded Visitor Centre and Amenity Space were officially opened to the public as part of the weekend festivities.

North Leverton Windmill was once again nominated best tourist attraction in North Nottinghamshire. We were delighted to be invited to the awards ceremony, and even more pleased when it was announced that the public had voted the Windmill the winner. Again we have to thank our volunteers and the public for this.

The Volunteers

The charity acknowledges the unstinting efforts of its volunteers who are involved in opening the windmill each weekend, organising open days and other events as well as undertaking routine maintenance and helping with projects.

Professional Support

The charity is also thankful for the continued support of its financial and legal advisors.

Financial review

The charity's Statement of Financial Affairs is shown on pages 7-9 with a net surplus of income over expenses of £27,643.

Principal funding sources

Our principal funding source this year was from flour sales, donations from visitors and the Family Fun Weekend.

Reserves policy

It is the policy of the charity to maintain unrestricted reserves, which are available for general use, at a minimum level of £8,000 equal to 12 months operating expenditure. This provides sufficient cover to maintain the mill in the event of a substantial downturn in fund raising, while alternative funding is secured. Reserves are also maintained at an incremental level of £8,000 per annum to allow for a major repair to be carried out in a timely manner.

Investment Policy

There are no restrictions on the charity's powers to invest.

North Leverton Windmill Trust

Trustees' Report
for the year ended 31 December 2021

..... continued

Plans for future periods

The Trustees aim to grow and build on the progress that has been made since the Trust was formed. To comply with the objectives of the Trust and to ensure public benefit, the Trustees will promote the educational value of the windmill, this has been greatly enhanced with the creation of the Visitor Centre and Amenity Space which has opened and regularly welcomes visitors. In the short-term maximum benefit will be achieved by utilising and maximising the use of the existing facilities on site.

During 2021, quotes were obtained to paint and re-tar the windmill. We are pleased to confirm that an order has been placed and work is planned to commence in 2022.

The trustees thank the public for their continued support.

This report is prepared in accordance with the Statement of Recommended Practice: Accounting and reporting by Charities (issued March 2005).

This report was approved by the Trustees on 10th August 2022 and signed on their behalf by

James Barlow

Chairman of the Board of Trustees

North Leverton Windmill Trust

Independent examiners report to the Trustees

I report to the trustees on my examination of the North Leverton Windmill Trust (the Trust) for the year ended 31st December 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

North Leverton Windmill Trust

Notes to the financial statements
for the year ended 31 December 2021

1. Accounting policies

1.1. Basis of preparation of the accounts

The accounts are prepared under the historical cost convention, in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with FRS 102 (effective 1 January 2015) - (Charities SORP (FRS 102)) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s). There are no material uncertainties about the charity's ability to continue as a going concern.

1.2. Incoming resources

All incoming resources are included in the financial statements when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

The income from fundraising ventures is shown gross with the associated expenditure shown as cost of generating income.

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

1.3. Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT where it cannot be recovered.

Cost of Generating Funds

This comprises the costs associated with attracting voluntary income, and the costs associated with fundraising ventures.

Charitable expenditure

These costs are incurred by the charity in the delivery of its activities. It includes both costs that can be allocated direct to such activities and those costs of an indirect nature necessary to support them.

Governance costs

This includes those costs associated with meeting the constitutional and statutory requirements of the charity, and include professional fees and all costs linked with the strategic management of the charity.

All costs are allocated between the categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, other are apportioned on an appropriate basis.

North Leverton Windmill Trust

Notes to the financial statements
for the year ended 31 December 2021

1.4. Donated goods & services

The charity has not received any material donated goods for own use. Small items are not recognised in the Statement of Financial Activities.

The monetary value of volunteer services is not recognised in the Statement of Financial activities.

1.5. Tangible fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Plant & machinery - 25% on reducing balance

1.6. Stock

Stock is valued at the lower of cost and net realisable value.

2. Voluntary income	Restricted	Unrestricted	Total	2020
Grants				
LEADER	-	-	-	54,810
Bassetlaw DC - COVID	-	16,336	16,336	11,620
	-	16,336	16,336	66,430
Other voluntary income				
Visitor Donations		553	553	-
	-	553	553	-
Total voluntary income	-	16,889	16,889	66,430

During the year the charity received COVID support grants from Bassetlaw District Council.

3. Fundraising income

Sale of flour and souvenirs	-	7,884	7,884	13,253
Cottage rent		3,740	3,740	5,102
Total income from fundraising activities	-	11,624	11,624	18,355

North Leverton Windmill Trust

4. Income from charitable activities

Open days		8,432	8,432	2,389
Total income from charitable activities	-	8,432	8,432	2,389

5. Total resources expended

The total resources expended are recorded as either charity expenditure or Cost of Generating Funds. Within these categories costs are apportioned as follows

Cost of Generating Funds					2020
	General	Fundraising	Cottage	Total	
Event costs		-		-	151
Purchases		3,570		3,570	4,491
Administrative costs		45		45	230
Establishment costs				-	-
Total costs	-	3,615	-	3,615	4,872

Charity expenditure	Maintenance	Admin	Open days	Total
