This new Charity structure was formed with the view to improve governance and enhance operational activities by reorganisation and shifting structure of existing United Kingdom Islamic Mission (Charity number 250275).

The objectives of UKIM are

ACHIEVEMENTS AND PERFORMANCE

The trustees are pleased with the performance of the Charity during the year. To initiate the restructure, resource mobilisation has successfully started and the transitional process from the legacy charity has also been begun. This has resulted in the transfer of membership of entire local branch leadership to the new Charity structure.

Funds raised during the year reflects the steady start of operational activities those will continue to enhance with the same pace in the next year.

FINANCIAL REVIEW

The year under review is the first operational year of the revised charity structure. The income of £45,369 (2019: Nil) demonstrate the activities of charity were very limited. This is due to the impact of COVID-19 which hindered the transfer of membership and branches to new charity structure. Over the coming years the Charity will continue to work steadily towards achieving its objectives.

The Statement of Financial Activities shows current assets for the year ended 31st March 2021 of £44,543 (2020: £0.00) representing the surplus on charitable activities. The Trustees were therefore pleased and satisfied with this progress.

Independent Examiner's Report to the Trustees of United Kingdom Islamic Mission

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of United Kingdom Islamic Mission ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
