THE BESTWOOD PARTNERSHIP (Company Number 04882639)

DIRECTORS' ANNUAL REPORT

The directors – who are the charity trustees for the purpose of the Charities Act, (and are collectively referred to as The Bestwood Partnership Forum), submit their annual report and financial statements for the year ended 31 March 2025. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) “Accounting and Reporting by Charities” (FRS 102) in preparing the annual report and financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is registered under the Charities Act and incorporated under the Companies Act 2006 and is governed by its Memorandum and Articles of Association, dated 1 September 2003. The Board of Directors has the power to appoint additional directors and trustees as it considers fit to do so.

OBJECTIVES

The objective of the organisation is the promotion of urban regeneration in areas of social and economic deprivation (and in particular, The Bestwood Estate in Nottingham) by all or any of the following means:-

- 1) The relief of poverty
- 2) The relief of unemployment
- 3) The advancement of education, training or retraining, particularly among unemployed people
- 4) The provision of recreational facilities for the public at large or those who by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances, have need of such facilities
- 5) The promotion of public safety and prevention of crime
- 6) Such other means as may from time to time be determined subject to the prior written consent of the Charity Commissioners for England and Wales

THE BESTWOOD PARTNERSHIP AS AN ORGANISATION

The Bestwood Partnership Conference meets at least once a year, between October and March. This is the Annual General Meeting for legal purposes, and is when elections take place and statutory reports submitted. This is also a key Partnership meeting for organisations associated with the Bestwood Partnership. Major decisions about the direction of the Partnership may be made. All residents of Bestwood Estate over 18 automatically have a right to membership and stand for election and take part in elections to **Bestwood Partnership Forum**, which is the everyday decision-making body of the Partnership, normally meets bi-monthly. The members are the Directors of the Company and nominated as the Trustees of the Charity. Numbers are made up through co-option. The Chair, Treasurer and Company Secretary and other honorary officers are elected by the Forum out of its number.

Sub-Committees and Partners' meetings are convened as required by Bestwood Partnership Forum, these vary in number, worker and resident membership and representation from the City Council and other agencies. The Forum may also, from time to time, on an ad hoc basis, set up **additional working groups**. These do not have decision-making powers (unless expressly delegated by the Forum) but exist to oversee the various projects and activities associated with the Partnership. The Forum is also represented on many other groups and organisations City-wide and in the local area.

THE BESTWOOD PARTNERSHIP (Company Number 04882639)

DIRECTOR'S ANNUAL REPORT CONTINUED

Workers of the Partnership are primarily (and currently exclusively) those directly employed, and project volunteers, but also have been at times workers employed by other organisations who by agreement work with the Partnership,. The lead officer is currently the Partnership Co-ordinator, who currently line manages the team, and to whom authority is delegated at the discretion of the Forum.

There are a number of ways for people in the area to take part in the work of the Partnership:

Firstly, as a **resident**, being a **member of the Partnership** as a whole. This gives you rights to elect Forum members and participate in major decisions at Conferences.

Secondly, as a **Director**, by standing for election to become a **Forum Member** at a Conference (also a **Charity Trustee**) This makes you a key decision-maker over our activity on a day-to-day basis. An alternative is to be a member co-opted by the Forum as a whole because of particular expertise (especially from the public or private sector) or as an additional resident member. The last category exists in order to balance under-representation in membership of the Forum. This may be geographical, or by gender, ethnic background or other consideration in line with our Equal Opportunities policy.

Thirdly, as a **Working Group member**. The sub-groups and working groups of the Forum as they arise are open to and welcome additional members, developing and guiding the projects which we run to the benefit of people on the Estate and surrounding area., suitable for people with specific areas of interest.

Fourthly, as a **Volunteer**, contributing your time to particular project activity. This is hands-on, and practical, and is central to the effective running of the projects. **New volunteers are always needed.**

Finally, as an **Employee**. From time to time job opportunities arise within the organisation. Residents of the area are particularly welcome as applicants, and many have to date been successful in obtaining paid work within our projects or other projects associated with us. The majority of the Partnership's employees have always been local residents, which is in line with the ethos of the organisation.

ACHIEVEMENTS AND PERFORMANCE: Summary of key project activity 2024-25.

The year 2024-25 has been successful, following considerable changes in project activity and responsibilities in the past few years. Our service to local citizens continues without compromise. We continue to have responsibility as Area One Lead organisation for the City and the employability support projects continues to have a major impact to the benefit of local people. We also developed project activity in the St Anns area (6) of the City in association with The Renewal Trust.

1. Area-Based Grant – Area One Lead.

This activity, funded by Nottingham City Council, came to an end in 2024.

2. External Outreach: Area-Based Grant – Delivery in Area Two, Basford ward.

This activity, funded by Nottingham City Council through Castle Cavendish as Area Lead Organisation, is the Bestwood Partnership's delivery of employability support in the Basford and St Anns wards.

3. Step into Work –Employability Support – Nottingham Works 4 You

This project, funded by Nottingham City Council (Nottingham Works) with remaining ESF funding, consists of a caseload of residents who seek education and/or employment, together with:

Pathways to Health and Social Care - Employability support project.

This replaced the Getahead project, again partly funded through the residual European Social Fund.

THE BESTWOOD PARTNERSHIP (Company Number 04882639)

DIRECTOR'S ANNUAL REPORT CONTINUED

4. UKSPF.

This project began in 2023 with central government funding through Nottingham City Council, following the end of European funding, for employability support in the community.

5. Play and Youth projects.

This combines two current projects, Us Girls, funded by Places for People, and Sport England.

6. Local Empowerment - Core infrastructure funding.

This is our central, default fund to underpin our running costs, and it also covers additional community and group development work in Bestwood and surrounding area and is subsidised through our income from the local Business Units received as an ongoing grant from Nottingham City Council. We have continued to support One Vision Partnership management committee. We continue to deliver I.T. and associated training at Southglade Access Centre, into which the Partnership invested commitment and funding from the outset as an Adult Education Centre. Our primary delivery point is Bestwood Community Centre.

7. Bestwood Estate Community Centre.

This fund includes the running costs and income to the Community Centre, which is our base but still continuing to operate as the main venue for Bestwood Estate. Nursery provision and group activities take place in the Centre, and so we continue a long history of provision in the local area.

8. Bulwell and Bulwell Forest Fund.

This fund will provide for activity in the Bulwell and Bulwell Forest wards through Vision Business Units income (granted by Nottingham City Council) which now operates as a distinct fund involving local people in the choice of activities to be identified for support, in association with One Vision Partnership.

9. Holiday Activity Fund

This is a Nottingham City Council-funded project for young people 5-16, now running into 2025-26.

Our staff team for the whole financial year 2024-25 consisted of Donna Denning (Bestwood Partnership Manager), Michelle Cooke (Community Engagement & Employment Advisor), Nicola O'Connor (Employment Advisor), Charlie Wayman (Employment Advisor), Kelly Murphy (Employment Advisor), Shaun Francis (Outreach Employment Advisor). Liz Potterton (Office Cleaner) has now retired.

INDEPENDENT EXAMINERS

We will be asking Cygnet Accounting Ltd to examine our accounts next year, subject to approval at the next Bestwood Partnership Conference.

DIRECTOR'S ANNUAL REPORT CONTINUED

RESERVES POLICY

It is the Policy of the Bestwood Partnership to hold in reserve funds to sustain the Partnership and its activity in the event of a temporary or permanent loss of external funding or sufficient income to perpetuate some or all of its projects. A designated reserve figure will be sustained where possible. Indicative designations for the reserve fund are as follows:

- Payment of statutory redundancy and other obligatory employment costs.
- Discretionary redundancy and compensation payments. It is noted that compensation in the event of redundancy over and above statutory payments is discretionary and there is no contractual right to any additional payments over and above the statutory scheme.
- Payment of costs for a three-month period, and additional payments under contract.
- Staff costs for three months, prior to which redundancy notices may need to be issued.

Reserves fund indicative allocations:	£	£
Payment of statutory redundancy & obligatory employment costs.	20,000	
Payment of discretionary redundancy and compensation payments.	40,000	
Minimum running costs (non-staffing) for a three-month period	20,000	
Staff costs for a period of three months, as redeployment period	40,000	
Payment of additional contractual payments	10,000	
Designated (minimum) reserve		130,000

Use of reserves above this level will be regarded as free reserves to be used at the Forum's discretion, with priority to the following:

- Staffing and running costs for core management and activity for one year.
- Additional staffing and activity as the fund may allow, primarily for forward planning in individual projects and delivery of key activity identified by the Forum.

Total (optimal) reserve **240,000**

If reserves exceed the optimal reserve funds need to be put to immediate use for capital, staffing or activity purposes, to the current or following budget years, as determined by the Forum.

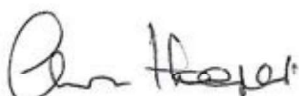

The Reserves Policy and its allocations are subject to annual review.

PUBLIC BENEFIT STATEMENT

The Trustees confirm that they complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising their powers or duties.

FINANCIAL OVERVIEW

The directors are pleased with the financial situation for 2024-25. The opportunities taken in the last two years to reorganize and consolidate with a view to immediate financial security and improve the prospects for longer term sustainability continue to pay off, and work to optimise our funding strategy has ensured an extraordinarily successful outcome, despite funding cuts from some quarters. During the year Employability activity increased, as have new Play and Youth activities. Payments in respect of the business units (Glade and Firth Way) continue to provide a valuable source of income. As a consequence we remain in a strong position to carry on effectively for the foreseeable future.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE BESTWOOD PARTNERSHIP (Company Number 04882639)

I report on the accounts of the charity for the year ended 31 March 2025 as set out on pages 7 to 13.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act (the Act), and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The company is entitled to exemption from audit under section 477 of the Companies Act 2006 for the year ended 31 March 2025.

The members have not required the company to obtain an audit of its accounts for the year ended 31 March 2025 in accordance with section 476 of the Companies Act 2006.

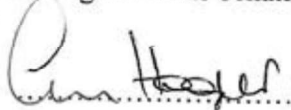

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

NOTES TO THE ACCOUNTS

1. Accounting Policies

Basis of Preparation

The financial statements have been prepared under the historical cost convention and in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", the Charities Act, the Companies Act 2006 and the Statement of Recommended Practice: "Accounting and Reporting by Charities" (FRS 102).

The charity has availed itself of Paragraph 4 (1) of Schedule 1 of the Small Companies and Groups (Accounts and Directors' Report) Regulations 2008 and adapted the Companies Act formats to reflect the special nature of the charity's activities.

- a) All service level agreements and other income are accounted for gross when receivable, as long as they are capable of financial measurement. This includes gifts in kind, included at estimated valuation.
- b) All expenditure is accounted for gross, and when incurred.
- c) Resources expended includes the direct costs of the activities and depreciation on related assets. Fixed assets are included at cost or valuation: there are no material uncapped fixed assets.
- d) Depreciation is provided to write off the cost or valuation, less estimated residual values, of all fixed assets, over their expected useful lives. It is calculated at the following rates:

Fixtures & Fittings 33 % on cost

- e) Designated funds are amounts which have been set aside at the discretion of the trustees for a specific, but not legally binding, purpose.
- f) Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against resources expended as incurred.
- g) The company provides a defined benefit pension scheme for its employees by way of participating in the Local Government Pension Scheme (previously, Nottinghamshire County Council). However, as this is a multi-employer scheme, the company is unable to identify its share of the underlying assets and liabilities in the scheme on a consistent and reasonable basis. The company has therefore accounted for the scheme as if it were a defined contribution scheme.
