**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2025**

The Trustees present their annual report together with the audited financial statements of the Company for the 1 July 2024 to 30 June 2025.

The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The charity has charitable objects that reflect the charitable purposes of the IB. These are the advancement of education by:

- the development and promotion of programmes of education for students at different levels within schools (primary, middle and upper secondary school levels or such other levels as may be relevant overseas) for adoption by authorised schools in all countries;
- the development, administration and promotion of an international examination for authorised schools giving access to higher education in all countries;
- such other means as the Trustees of the Charity may determine; and
- such other exclusively charitable purposes as the Trustees of the Charity may in their absolute discretion determine.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The Charity works with governments, international philanthropical organisations, and other donors to develop partnerships and initiatives to create a more diverse and inclusive IB community, enabling more students to experience and benefit from an IB education, regardless of personal circumstances.

c. Activities undertaken to achieve objectives

In 2024 and 2025, the Charity continued to focus its activities on progressing its strategic goal by the constant continuation of existing projects with the Japanese government through its Ministry of Education, Culture, Sports, Science, and Technology (MEXT), and the Dual Language Diploma Programme with the Republic of South Korea.

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2025**

Objectives and activities (CONTINUED)

d. Grant-making policies

The Fund has established its grant making policy to achieve its objects for the public benefit by promoting programmes of education for students at different levels within schools for authorised schools in all countries. We review the grant making policy regularly to ensure that it reflects the charity's objects and thereby advances public benefit.

The Fund invites applications for grants from schools experiencing temporary financial challenges of schools are demonstrably increasing access to IB programmes. More information can be found at <http://www.ibo.org/become-an-ib-school/support-services-from-the-ib/ib-grants/>.

e. Main activities undertaken to further the Company's purposes for the public benefit

In addition to the activities for the continued partnership with MEXT and the Republic of South Korea, the charity also continued to provide short-term grants for schools experiencing temporary financial challenges or schools that are demonstrably increasing access to the IB programmes.

Achievements and performance

a. Review of activities

The key operational activities for the charity for the year were:

Dual Language Diploma Programme: Japan

- Translation of specimen revision on examination papers for the Japanese subjects for the November 2024 session
- Examiner recruitment and training activities
- Translation of program documentation, subject guides and teacher support material
- Translation of professional development materials
- Development work for Examiner facing pages
- Regional and global support from IB offices

Dual Language Diploma Programme: Korea

- Translation of specimen revision on examination papers for the Japanese subjects for the November 2024 session
- Examiner recruitment and training activities
- IBEN development activities
- Translation of program documentation, subject guides and teacher support material
- Translation of professional development materials
- Regional and global support from IB offices

b. Information on fundraising practices

The Fund's ultimate parent company, International Baccalaureate Organisation, performs fundraising activities on behalf of the Charity. The organisation does not have a fundraising department per se, but has teams within its Schools Office, whose aim it is to increase accessibility to IB programmes. Those teams work with Governments and other philanthropic organisations to create and manage projects to increase the IB footprint within the given jurisdiction.

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2025**

Achievements and performance (CONTINUED)

c. Investment policy and objectives

The policy which the Trustees will apply in relation to surplus cash is risk averse, in accordance with the policy adopted by the IB. Deposits are maintained as cash or, where Management consider possible, low risk fixed term deposits rather than equities or any other investments that are subject to capital fluctuations. During both 2025 and 2024, no interest was earned on deposits.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees aim to build up and maintain the reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Trustees consider that this provides sufficient funds to respond to grant applications and incur project spend for a sufficient period in the event of an unexpected decrease in income. All governance costs and costs incurred in generating funds are paid for by the IB on behalf of the Charity, and hence the Trustees are able to respond quickly to any changes in donation income. The Trustees will review the situation annually to ensure that the policy adopted by the Trustees protect the Charity from any significant event that would impact on its financial position.

The current level of unrestricted reserves at 30 June 2025, is USD508,231 (2024: USD430,746) all of which can be defined as free reserves. The reserves have arisen due to significant donations which have increased the charities reserves. The Trustees have decided to utilise this over a number of years to maximise the benefit to the recipients of the Charity's funds.

The restricted reserve at 30 June 2025 totalled USD823,251 (2024: USD954,859) and will continue to be utilised in line with the restrictions specified by the donors.

Structure, governance and management

a. Constitution

International Baccalaureate Fund (UK) is a charitable company which was first registered as a private company limited by guarantee in the United Kingdom on 18 December 2008, and is governed by its Memorandum and Articles of Association dated 18 December 2008 (that contain an asset lock for charitable purposes, and a bar on distribution of dividends). The company was registered as a Charity on the 6 January 2009.

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2025**

Structure, governance and management (CONTINUED)

b. Methods of appointment or election of Trustees

Under the Articles of Association, the Trustees of the charity, who act as Directors for the purposes of company law, are appointed by the International Baccalaureate Organisation ("the IB"). The minimum number of Trustees is three; there is no maximum. Current Trustees are listed on page 1. In keeping with the election of Fund Trustee requirements as found in the Articles of Association of the IB Fund UK, Trustees are appointed by the members for a term, not exceeding three years. A retiring Trustee may be appointed by the members with no limit on the number of times a Trustee may be re-appointed. No formal provision exists in the Articles of Association for the IB Fund UK regarding the rotation of members. During the year under review, all Trustees of the IB Fund UK were also employees of the IB, including the current Director General.

c. Organisational structure and decision-making policies

The Trustees have delegated the day-to-day management of operations to IB employees appointed as Fund Managers. To facilitate effective operations, the Fund Managers have delegated authority within the terms of the delegation approved by the Trustees for operational matters, including finance, employments and related activities.

d. Policies adopted for the induction and training of Trustees

On joining, Trustees are given a document 'Introductory Operational Guide for the Board of International Baccalaureate Organisation (UK) Limited', last updated on the 5 February 2010. In addition, Trustees are invited to Board induction activities for all entities of the IB. On-going training will then be provided in consultation with each Trustee. The Board will review the status of Trustees on an on-going basis and they will recommend the rotation of Trustees as the Board sees fit based on the Board assessment of the organisation changes. None of the Trustees received any remuneration or other benefits from the Charity.

The Donations Policy of the IB governs the acceptance of all gifts that are received by IB Fund UK. All gifts are further reported to the Trustees by management. The above-mentioned governance processes ensure that the activities undertaken by the Charity comply with the purposes of the Charity and meet fiduciary and statutory requirements in the UK. Donation decisions are made by the staff of IB, and are reported to the Trustees during the board meetings.

e. Risk management and Internal Control

The Trustees confirm that, on a yearly basis, major risks to which the charity is exposed, as identified by the Trustees, are reviewed, and that systems have been established to manage those risks. This has been done in consultation with the IB, with the activities, an operation of the Charity included as part of a comprehensive risk framework adopted by the IB.

Identified potential risks include the non-compliance with legal & taxation requirements, foreign exchange exposure, individual fund balances in deficit, and IT system failures. Internal controls are designed to provide reasonable, but not absolute, insurance against material, misstatement or loss and include:

- Consideration by trustees of financial results, and variance from budget
- The delegation of authority and segregation of duties
- Transferring for an exchange risks to IBO; and,
- Monitoring of all fund balances

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2025

Plans for future periods

Current plans are for the continuation of the existing projects for:

Dual Language Diploma Programme: Japan

- Training for IB educators
- Pre-AFC assistance to schools (DP consultants) to support the 'on-boarding' process
- Orientation seminars to new and potential DP schools in Japan
- Completion of translation of program documentation, subject guides, and teacher support material
- Completion of translation of professional development materials
- Completion of translation of assessment recruitment materials

Dual Language Diploma Programme: Korea

- Training for IB educators
- Pre-AFC assistance to schools (DP consultants) to support the 'on-boarding' process
- Orientation seminars to new and potential DP schools in Korea
- Completion of translation of program documentation, subject guides, and teacher support material
- Completion of translation of professional development materials
- Continued IBEN development activities

Small companies Note

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 41 SA of the Companies Act 2006.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Bishop Fleming Audit Limited, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Andrea Smith

Date: 13 January 2026

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 30 JUNE 2025

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND
(UK)**

OPINION

We have audited the financial statements of International Baccalaureate Fund (UK) (the 'charitable company') for the year ended 30 June 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2025 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND
(UK) (CONTINUED)**

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.
- the Directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We have considered the nature of the sector, control environment, and financial performance;
- We have considered the results of enquiries with management and trustees in relation to their own identification and assessment of the risk of irregularities within the entity; and
- We have reviewed the documentation of key processes and controls and performed walkthroughs of transactions to confirm that the systems are operating in line with documentation.

As a result of these procedures, we have considered the opportunities and incentives that may exist within the organisation for fraud and identified the highest area of risk to be in relation to revenue recognition, with a particular risk in relation to year-end cut off. In common with all audits under ISAs (UK) we are also required to perform specific procedures to respond to the risk of management override.

We have also obtained understanding of the legal and regulatory frameworks that the Charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Charities Act 2011, Charity SORP 2019, FRS 102 and the terms and conditions attaching to material grants received by the Charity. In addition, we considered the provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the Charity's ability to operate or avoid a material penalty. These included data protection regulations, health and safety regulations and employment legislation.

Our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Performing analytical procedures to identify unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- Reviewing board meeting minutes;
- Enquiring of management in relation to actual and potential claims or litigations;
- Performing detailed transactional testing in relation to the recognition of revenue, specifically grants, with a particular focus around year-end cut off; and

In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgments made in accounting estimates are indicative of potential bias; and evaluating the business rationale of significant transactions that are unusual or outside the normal course of business.

We also communicated identified laws and regulations and potential fraud risks to all members of the engagement team and remained alert to possible indicators of fraud or non-compliance with laws and regulations throughout the audit.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

USE OF OUR REPORT

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 15 to 25 form part of these financial statements

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1. GENERAL INFORMATION

International Baccalaureate Fund (UK) is a private company limited by guarantee registered in England and Wales, company number 6776342 and a registered Charity, charity number 1127386. Its registered office is Fusion Point One, Dumballs Road, Cardiff, CF10 5BF.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

International Baccalaureate Fund (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The presentational currency of the financial statements is USD which is the functional currency of the charity. The financial statements are rounded to the nearest dollar. The financial information relates to the year ended 30 June 2025 and the comparative information relates to the year ended 30 June 2024.

2.2 GOING CONCERN

The financial statements are prepared on a going concern basis, on the expectation of continued growth in charity donations in the future which lead to the Trustees to consider that there are no material uncertainties about the entity's ability to continue.

2.3 INCOME

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where there is a clear indication that a donation has been provided on the basis of future activities being carried out, the charity has recognised income on an accruals basis. The donation will first be recorded as a liability on the balance sheet and subsequently released to incoming resources in line with completion of agreed activities.

Donated services are recognised as both income and expenditure in the year to which they relate. The balance relates to the audit and accounts preparation fee being donated by the IB.

2.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025**

2. ACCOUNTING POLICIES (continued)

2.4 EXPENDITURE (CONTINUED)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Governance costs are those incurred in connection with administration of the Charity and compliance with constitutional and statutory requirements.

The charity makes grants to schools at the discretion of an IB Grant Selection Committee. Grants payable are charged in the year where the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure where the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.5 TAXATION

The Company is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.6 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation.

2.8 FINANCIAL INSTRUMENTS

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.9 FUND ACCOUNTING

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGMENT

Estimates and judgment are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgment:

A key area of judgment in these financial statements is the recognition of income, which requires judgements to be made regarding whether or not there are performance conditions included within the grants being received. This then determines whether income is recognised upfront when received or whether it is deferred and released when the performance conditions are met.

There is also estimation uncertainty regarding the reliability of the estimate of the amount to be received and whether any bad debt provision should be recognised in respect of slow paying grantors.

10. STATEMENT OF FUNDS (CONTINUED)

The General Fund comprises the amounts freely available for the charity to spend.

The Designated Fund comprises amounts transferred from the General Unrestricted Fund to be spent as decided upon by the trustees.

The IB Grant fund is a fund designated by the Trustees to which amounts are transferred from the general fund in order that grants may be awarded to schools.

AIM Malaysian Government is a fund to support the establishment and development of IB schools in Malaysia. The project has been successfully completed and remaining funds will be used for professional development for qualifying Malaysian schools.

The German Fund is a fund for the development and translation expenses for German as a response language.

The Japanese Dual Language DP is a donation from the MEXT Japanese government with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Japanese; to enable schools in Japan to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Japan by growing the number of IB educators, and to train examiners.

The Japanese Grant is a fund for the further development of IB capacity in Japan.

MYP: The Next Chapter is a fund to support the development of the Middle Year Programme. Management are looking for suitable MYP assessment system developments for this fund.

South Korean Dual Language DP is a donation for the Republic of South Korea with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Korean; to enable schools in Korea to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Korea by growing the number of IB educators, and to train examiners.

The JF Research Grant is a grant to build the foundation for a vision of wellbeing in global education in a post-pandemic era, where wellbeing is not only a system reaction to crisis, but the core of the international education ecosystem, with a clear definition and more solid evidence-based approach.

The Saudi Arabia Teaching Project is a grant from the King Faisal Foundation, to be used by the IB in a way that will serve the furtherance of the IB's objectives in the Kingdom of Saudi Arabia.

15. RELATED PARTY TRANSACTIONS

The Charity's ultimate parent company is International Baccalaureate Organization (IBO), an independent non-profit-making foundation registered in Switzerland, registered number CHE-107.025.266. It is governed by a Board of Governors. The Board may contain between 9 and 11 members at any one time, currently there are 11. Consolidated financial statements can be obtained from Rue du Pré-de-la-Bichette 1, CH-1202 Genève, Switzerland. IBO is deemed to exercise control as it has the right to appoint or remove a majority of the board of IB Fund (UK).

In his position as Director General of the IB, Olli-Pekka Heinonen attends all the meetings of the Board of Governors of the IB, and sits of the Board of Trustees of the Charity.

The Charity's Audit and preparation of the year end financial statement fees of USD17,832 (2024: USD15,744) are recognised as a donation from the IB.

Grants payable totalling USD435,348 (2024: USD657,039) are due to International Baccalaureate Organization. This entity makes project expense payments on behalf of the Charity which are subsequently reimbursed.

TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2024

The Trustees present their annual report together with the audited financial statements of the Company for the year 1 July 2023 to 30 June 2024.

The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The charity has charitable objects that reflect the charitable purposes of the IB. These are the advancement of education by:

- the development and promotion of programmes of education for students at different levels within schools (primary, middle and upper secondary school levels or such other levels as may be relevant overseas) for adoption by authorised schools in all countries;
- the development, administration and promotion of an international examination for authorised schools giving access to higher education in all countries;
- such other means as the Trustees of the Charity may determine; and
- such other exclusively charitable purposes as the Trustees of the Charity may in their absolute discretion determine.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The Charity works with governments, international philanthropical organisations, and other donors to develop partnerships and initiatives to create a more diverse and inclusive IB community, enabling more students to experience and benefit from an IB education, regardless of personal circumstances.

c. Activities undertaken to achieve objectives

In 2023 and 2024, the Charity continued to focus its activities on progressing its strategic goal by the constant continuation of existing projects with the Japanese government through its Ministry of Education, Culture, Sports, Science, and Technology (MEXT), and the Dual Language Diploma Programme with the Republic of South Korea.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2024

Objectives and activities (CONTINUED)

d. Grant-making policies

The Fund has established its grant making policy to achieve its objects for the public benefit by promoting programmes of education for students at different levels within schools for authorised schools in all countries. We review the grant making policy regularly to ensure that it reflects the charity's objects and thereby advances public benefit.

The Fund invites applications for grants from schools experiencing temporary financial challenges of schools are demonstrably increasing access to IB programmes. More information can be found at <http://www.ibo.org/become-an-ib-school/support-services-from-the-ib/ib-grants/>.

e. Main activities undertaken to further the Company's purposes for the public benefit

In addition to the activities for the continued partnership with MEXT and the Republic of South Korea, the charity also continued to provide short-term grants for schools experiencing temporary financial challenges or schools that are demonstrably increasing access to the IB programmes.

Achievements and performance

a. Review of activities

The key operational activities for the charity for the year were:

Dual Language Diploma Programme: Japan

- Translation of specimen revision on examination papers for the Japanese subjects for the November 2023 session
- Examiner recruitment and training activities
- Translation of program documentation, subject guides and teacher support material
- Translation of professional development materials
- Development work for Examiner facing pages
- Regional and global support from IB offices

Dual Language Diploma Programme: Korea

- Translation of specimen revision on examination papers for the Japanese subjects for the November 2023 session
- Examiner recruitment and training activities
- IBEN development activities
- Translation of program documentation, subject guides and teacher support material
- Translation of professional development materials
- Regional and global support from IB offices

b. Information on fundraising practices

The Fund's ultimate parent company, International Baccalaureate Organisation, performs fundraising activities on behalf of the Charity. The organisation does not have a fundraising department per se, but has teams within its Schools Office, whose aim it is to increase accessibility to IB programmes. Those teams work with Governments and other philanthropic organisations to create and manage projects to increase the IB footprint within the given jurisdiction.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2024

Achievements and performance (CONTINUED)

c. Investment policy and objectives

The policy which the Trustees will apply in relation to surplus cash is risk averse, in accordance with the policy adopted by the IB. Deposits are maintained as cash or, where Management consider possible, low risk fixed term deposits rather than equities or any other investments that are subject to capital fluctuations. During both 2024 and 2023, no interest was earned on deposits.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees aim to build up and maintain the reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Trustees consider that this provides sufficient funds to respond to grant applications and incur project spend for a sufficient period in the event of an unexpected decrease in income. All governance costs and costs incurred in generating funds are paid for by the IB on behalf of the Charity, and hence the Trustees are able to respond quickly to any changes in donation income. The Trustees will review the situation annually to ensure that the policy adopted by the Trustees protect the Charity from any significant event that would impact on its financial position.

The current level of unrestricted reserves at 30 June 2023, is USD430,746 (2023: USD797,264) all of which can be defined as free reserves. The reserves have arisen due to significant donations which have increased the charities reserves. The Trustees have decided to utilise this over a number of years to maximise the benefit to the recipients of the Charity's funds.

The restricted reserve at 30 June 2024 totalled USD954,859 (2023: USD951,350) and will continue to be utilised in line with the restrictions specified by the donors.

Structure, governance and management

a. Constitution

International Baccalaureate Fund (UK) is a private company limited by guarantee which was registered in the United Kingdom on 18 December 2008, and is governed by its Memorandum and Articles of Association dated 18 December 2008 (that contain an asset lock for charitable purposes, and a bar on distribution of dividends). The company was registered as a Charity on the 6 January 2009.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2024

Structure, governance and management (CONTINUED)

b. Methods of appointment or election of Trustees

Under the Articles of Association, the Trustees of the charity, who act as Directors for the purposes of company law, are appointed by the International Baccalaureate Organisation ("the IB"). The minimum number of Trustees is three; there is no maximum. Current Trustees are listed on page 1. In keeping with the election of Fund Trustee requirements as found in the Articles of Association of the IB Fund UK, Trustees are appointed by the members for a term, not exceeding three years. A retiring Trustee may be appointed by the members with no limit on the number of times a Trustee may be re-appointed. No formal provision exists in the Articles of Association for the IB Fund UK regarding the rotation of members. During the year under review, all Trustees of the IB Fund UK were also employees of the IB, including the current Director General.

c. Organisational structure and decision-making policies

The Trustees have delegated the day-to-day management of operations to IB employees appointed as Fund Managers. To facilitate effective operations, the Fund Managers have delegated authority within the terms of the delegation approved by the Trustees for operational matters, including finance, employments and related activities.

d. Policies adopted for the induction and training of Trustees

On joining, Trustees are given a document 'Introductory Operational Guide for the Board of International Baccalaureate Organisation (UK) Limited', last updated on the 5 February 2010. In addition, Trustees are invited to Board induction activities for all entities of the IB. On-going training will then be provided in consultation with each Trustee. The Board will review the status of Trustees on an on-going basis and they will recommend the rotation of Trustees as the Board sees fit based on the Board assessment of the organisation changes. None of the Trustees received any remuneration or other benefits from the Charity.

The Donations Policy of the IB governs the acceptance of all gifts that are received by IB Fund UK. All gifts are further reported to the Trustees by management. The above-mentioned governance processes ensure that the activities undertaken by the Charity comply with the purposes of the Charity and meet fiduciary and statutory requirements in the UK. Donation decisions are made by the staff of IB, and are reported to the Trustees during the board meetings

e. Risk management and Internal Control

The Trustees confirm that, on a yearly basis, major risks to which the charity is exposed, as identified by the Trustees, are reviewed, and that systems have been established to manage those risks. This has been done in consultation with the IB, with the activities, an operation of the Charity included as part of a comprehensive risk framework adopted by the IB.

Identified potential risks include the non-compliance with legal & taxation requirements, foreign exchange exposure, individual fund balances in deficit, and IT system failures. Internal controls are designed to provide reasonable, but not absolute, insurance against material, misstatement or loss and include:

- Consideration by trustees of financial results, and variance from budget
- The delegation of authority and segregation of duties
- Transferring for an exchange risks to IBO; and,
- Monitoring of all fund balances

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2024

Plans for future periods

Current plans are for the continuation of the existing projects for:

Dual Language Diploma Programme: Japan

- Training for IB educators
- Pre-AFC assistance to schools (DP consultants) to support the 'on-boarding' process
- Orientation seminars to new and potential DP schools in Japan
- Completion of translation of program documentation, subject guides, and teacher support material
- Completion of translation of professional development materials
- Completion of translation of assessment recruitment materials

Dual Language Diploma Programme: Korea

- Training for IB educators
- Pre-AFC assistance to schools (DP consultants) to support the 'on-boarding' process
- Orientation seminars to new and potential DP schools in Korea
- Completion of translation of program documentation, subject guides, and teacher support material
- Completion of translation of professional development materials
- Continued IBEN development activities

Small companies Note

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 41 SA of the Companies Act 2006.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Bishop Fleming LLP, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Andrea Smith
Trustee

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 30 JUNE 2024

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on its behalf by:

Andrea Smith

Trustee

**INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND
(UK)**

OPINION

We have audited the financial statements of International Baccalaureate Fund (UK) (the 'charitable company') for the year ended 30 June 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2024 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We have considered the nature of the sector, control environment, and financial performance;
- We have considered the results of enquiries with management and trustees in relation to their own identification and assessment of the risk of irregularities within the entity; and
- We have reviewed the documentation of key processes and controls and performed walkthroughs of transactions to confirm that the systems are operating in line with documentation.

As a result of these procedures, we have considered the opportunities and incentives that may exist within the organisation for fraud and identified the highest area of risk to be in relation to revenue recognition, with a particular risk in relation to year-end cut off. In common with all audits under ISAs (UK) we are also required to perform specific procedures to respond to the risk of management override.

We have also obtained understanding of the legal and regulatory frameworks that the Charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Charities Act 2011, Charity SORP 2019, FRS 102 and the terms and conditions attaching to material grants received by the Charity. In addition, we considered the provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the Charity's ability to operate or avoid a material penalty. These included data protection regulations, health and safety regulations and employment legislation.

Our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Performing analytical procedures to identify unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- Reviewing board meeting minutes;
- Enquiring of management in relation to actual and potential claims or litigations;
- Performing detailed transactional testing in relation to the recognition of revenue, specifically grants, with a particular focus around year-end cut off; and

In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgments made in accounting estimates are indicative of potential bias; and evaluating the business rationale of significant transactions that are unusual or outside the normal course of business.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

We also communicated identified laws and regulations and potential fraud risks to all members of the engagement team and remained alert to possible indicators of fraud or non-compliance with laws and regulations throughout the audit.

As a result of the inherent limitations of an audit, there is a risk that not all irregularities, including a material misstatement in financial statements or non-compliance with regulation, will be detected by us. The risk increases the further removed compliance with a law and regulation is from the events and transactions reflected in the financial statements, given we will be less likely to be aware of it, or should the irregularity occur as a result of fraud rather than a one off error, as this may involve intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

USE OF OUR REPORT

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

1. GENERAL INFORMATION

International Baccalaureate Fund (UK) is a private company limited by guarantee registered in England and Wales, company number 6776342 and a registered Charity, charity number 1127386. Its registered office is Perterson House, Malthouse Avenue, Cardiff Gate, Cardiff, CF23 8GL.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

International Baccalaureate Fund (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The presentational currency of the financial statements is USD which is the functional currency of the charity. The financial statements are rounded to the nearest dollar. The financial information relates to the year ended 30 June 2024 and the comparative information relates to the year ended 30 June 2023.

2.2 GOING CONCERN

The financial statements are prepared on a going concern basis, on the expectation of continued growth in charity donations in the future which lead to the Trustees to consider that there are no material uncertainties about the entity's ability to continue.

2.3 INCOME

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where there is a clear indication that a donation has been provided on the basis of future activities being carried out, the charity has recognised income on an accruals basis. The donation will first be recorded as a liability on the balance sheet and subsequently released to incoming resources in line with completion of agreed activities.

Donated services are recognised as both income and expenditure in the year to which they relate. The balance relates to the audit and accounts preparation fee being donated by the IB.

2.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

2. ACCOUNTING POLICIES (continued)

2.4 EXPENDITURE (CONTINUED)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Governance costs are those incurred in connection with administration of the Charity and compliance with constitutional and statutory requirements.

The charity makes grants to schools at the discretion of an IB Grant Selection Committee. Grants payable are charged in the year where the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure where the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.5 TAXATION

The Company is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.6 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation.

2.8 FINANCIAL INSTRUMENTS

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.9 FUND ACCOUNTING

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGMENT

Estimates and judgment are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgment:

A key area of judgment in these financial statements is the recognition of income, which requires judgements to be made regarding whether or not there are performance conditions included within the grants being received. This then determines whether income is recognised upfront when received or whether it is deferred and released when the performance conditions are met.

There is also estimation uncertainty regarding the reliability of the estimate of the amount to be received and whether any bad debt provision should be recognised in respect of slow paying grantors.

10. STATEMENT OF FUNDS (CONTINUED)

The General Fund comprises the amounts freely available for the charity to spend.

The Designated Fund comprises amounts transferred from the General Unrestricted Fund to be spent as decided upon by the trustees.

The IB Grant fund is a fund designated by the Trustees to which amounts are transferred from the general fund in order that grants may be awarded to schools.

AIM Malaysian Government is a fund to support the establishment and development of IB schools in Malaysia. The project has been successfully completed and remaining funds will be used for professional development for qualifying Malaysian schools.

The German Fund is a fund for the development and translation expenses for German as a response language. This fund is considered to be a restricted fund by Trustees and so has been moved from unrestricted funds.

The Japanese Dual Language DP is a donation from the MEXT Japanese government with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Japanese; to enable schools in Japan to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Japan by growing the number of IB educators, and to train examiners.

The Japanese Grant is a fund for the further development of IB capacity in Japan.

MYP: The Next Chapter is a fund to support the development of the Middle Year Programme. Management are looking for suitable MYP assessment system developments for this fund.

South Korean Dual Language DP is a donation for the Republic of South Korea with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Korean; to enable schools in Korea to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Korea by growing the number of IB educators, and to train examiners.

The JF Research Grant is a grant to build the foundation for a vision of wellbeing in global education in a post-pandemic era, where wellbeing is not only a system reaction to crisis, but the core of the international education ecosystem, with a clear definition and more solid evidence-based approach.

The Saudi Arabia Teaching Project is a grant from the King Faisal Foundation, to be used by the IB in a way that will serve the furtherance of the IB's objectives in the Kingdom of Saudi Arabia.

15. RELATED PARTY TRANSACTIONS

The Charity's ultimate parent company is International Baccalaureate Organization (IBO), an independent non-profit-making foundation registered in Switzerland, registered number CHE-107.025.266. It is governed by a Board of Governors. The Board may contain between 9 and 11 members at any one time, currently there are 11. Consolidated financial statements can be obtained from Rue du Pré-de-la-Bichette 1, CH-1202 Genève, Switzerland. IBO is deemed to exercise control as it has the right to appoint or remove a majority of the board of IB Fund (UK).

In his position as Director General of the IB, Olli-Pekka Heinonen attends all the meetings of the Board of Governors of the IB, and sits of the Board of Trustees of the Charity.

The Charity's Audit and preparation of the year end financial statement fees of USD15,744 (2023: USD15,250) are recognised as a donation from the IB.

Grants payable totalling USD657,039 (2023: USD638,176) are due to International Baccalaureate Organization. This entity makes project expense payments on behalf of the Charity which are subsequently reimbursed.

TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2023

The Trustees present their annual report together with the audited financial statements of the Company for the year 1 July 2022 to 30 June 2023.

The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The charity has charitable objects that reflect the charitable purposes of the IB. These are the advancement of education by:

- the development and promotion of programmes of education for students at different levels within schools (primary, middle and upper secondary school levels or such other levels as may be relevant overseas) for adoption by authorised schools in all countries;
- the development, administration and promotion of an international examination for authorised schools giving access to higher education in all countries;
- such other means as the Trustees of the Charity may determine; and
- such other exclusively charitable purposes as the Trustees of the Charity may in their absolute discretion determine.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The Charity works with governments, international philanthropical organisations, and other donors to develop partnerships and initiatives to create a more diverse and inclusive IB community, enabling more students to experience and benefit from an IB education, regardless of personal circumstances.

c. Activities undertaken to achieve objectives

In 2022 and 2023, the Charity continued to focus its activities on progressing its strategic goal by the constant continuation of existing projects with the Japanese government through its Ministry of Education, Culture, Sports, Science, and Technology (MEXT), and the Dual Language Diploma Programme with the Republic of South Korea.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2023

Objectives and activities (CONTINUED)

d. Grant-making policies

The Fund has established its grant making policy to achieve its objects for the public benefit by promoting programmes of education for students at different levels within schools for authorised schools in all countries. We review the grant making policy regularly to ensure that it reflects the charity's objects and thereby advances public benefit.

The Fund invites applications for grants from schools experiencing temporary financial challenges of schools are demonstrably increasing access to IB programmes. More information can be found at <http://www.ibo.org/become-an-ib-school/support-services-from-the-ib/ib-grants/>.

e. Main activities undertaken to further the Company's purposes for the public benefit

In addition to the activities for the continued partnership with MEXT and the Republic of South Korea, the charity also continued to provide short-term grants for schools experiencing temporary financial challenges or schools that are demonstrably increasing access to the IB programmes.

Achievements and performance

a. Review of activities

The key operational activities for the charity for the year were:

Dual Language Diploma Programme: Japan

- Translation of specimen revision on examination papers for the Japanese subjects for the November 2022 session
- Examiner recruitment and training activities
- Translation of program documentation, subject guides and teacher support material
- Translation of professional development materials
- Development work for Examiner facing pages
- Regional and global support from IB offices

Dual Language Diploma Programme: Korea

- Translation of specimen revision on examination papers for the Japanese subjects for the November 2022 session
- Examiner recruitment and training activities
- IBEN development activities
- Translation of program documentation, subject guides and teacher support material
- Translation of professional development materials
- Regional and global support from IB offices

b. Information on fundraising practices

The Fund's ultimate parent company, International Baccalaureate Organisation, performs fundraising activities on behalf of the Charity. The organisation does not have a fundraising department per se, but has teams within its Schools Office, whose aim it is to increase accessibility to IB programmes. Those teams work with Governments and other philanthropic organisations to create and manage projects to increase the IB footprint within the given jurisdiction.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2023

Achievements and performance (CONTINUED)

c. Investment policy and objectives

The policy which the Trustees will apply in relation to surplus cash is risk averse, in accordance with the policy adopted by the IB. Deposits are maintained as cash or, where Management consider possible, low risk fixed term deposits rather than equities or any other investments that are subject to capital fluctuations. During both 2023 and 2022, no interest was earned on deposits.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees aim to build up and maintain three reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Trustees consider that this provides sufficient funds to respond to grant applications and incur project spend for a sufficient period in the event of an unexpected decrease in donation income. All governance costs and costs incurred in generating funds are paid for by the IB on behalf of the Charity, and hence the Trustees are able to respond quickly to any changes in donation income. The Trustees will review the situation annually to ensure that the policy adopted by the Trustees protect the Charity from any significant event that would impact on its financial position.

The current level of unrestricted reserves at 30 June 2023, is USD797,264 (2022: USD929,148) all of which can be defined as free reserves. The reserves have arisen due to significant donations which have increased the charities reserves. The Trustees have decided to utilise this over a number of years to maximise the benefit to the recipients of the Charity's funds.

The restricted reserve at 30 June 2023 totalled USD951,350 (2022: USD878,964) and will continue to be utilised in line with the restrictions specified by the donors.

Structure, governance and management

a. Constitution

International Baccalaureate Fund (UK) is a private company limited by guarantee which was registered in the United Kingdom on 18 December 2008, and is governed by its Memorandum and Articles of Association dated 18 December 2008 (that contain an asset lock for charitable purposes, and a bar on distribution of dividends). The company was registered as a Charity on the 6 January 2009.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2023

Structure, governance and management (CONTINUED)

b. Methods of appointment or election of Trustees

Under the Articles of Association, the Trustees of the charity, who act as Directors for the purposes of company law, are appointed by the International Baccalaureate Organisation ("the IB"). The minimum number of Trustees is three; there is no maximum. Current Trustees are listed on page 1. In keeping with the election of fund Trustee requirements as found in the Articles of Association of the IB Fund UK, Trustees are appointed by the members for a term, not exceeding three years. A retiring Trustee may be appointed by the members with no limit on the number of times a Trustee may be re-appointed. No formal provision exists in the Articles of Association for the IB Fund UK regarding the rotation of members. During the year under review, all Trustees of the IB Fund UK were also employees of the IB, including the current Director General.

c. Organisational structure and decision-making policies

The Trustees have delegated the day-to-day management of operations to IB employees appointed as Fund Managers. To facilitate effective operations, the Fund Managers have delegated authority within the terms of the delegation approved by the Trustees for operational matters, including finance, employments and related activities.

d. Policies adopted for the induction and training of Trustees

On joining, Trustees are given a document 'Introductory Operational Guide for the Board of International Baccalaureate Organisation (UK) Limited', last updated on the 5 February 2010. In addition, Trustees are invited to Board induction activities for all entities of the IB. On-going training will then be provided in consultation with each Trustee. The Board will review the status of Trustees on an on-going basis and they will recommend the rotation of Trustees as the Board sees fit based on the Board assessment of the organisation changes. None of the Trustees received any remuneration or other benefits from the Charity.

The Donations Policy of the IB governs the acceptance of all gifts that are received by IB Fund UK. All gifts are further reported to the Trustees by management. The above-mentioned governance processes ensure that the activities undertaken by the Charity comply with the purposes of the Charity and meet fiduciary and statutory requirements in the UK. Donation decisions are made by the staff of IB, and are reported to the Trustees during the board meetings

e. Risk management and Internal Control

The Trustees confirm that, on a yearly basis, major risks to which the charity is exposed, as identified by the Trustees, are reviewed, and that systems have been established to manage those risks. This has been done in consultation with the IB, with the activities, an operation of the Charity included as part of a comprehensive risk framework adopted by the IB.

Identified potential risks include the non-compliance with legal & taxation requirements, foreign exchange exposure, individual fund balances in deficit, and IT system failures. Internal controls are designed to provide reasonable, but not absolute, insurance against material, misstatement or loss and include:

- Consideration by trustees of financial results, and variance from budget
- The delegation of authority and segregation of duties
- Transferring for an exchange risks to IBO; and,
- Monitoring of all fund balances

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2023

Plans for future periods

Current plans are for the continuation of the existing projects for:

Dual Language Diploma Programme: Japan

- Training for IB educators
- Pre-AFC assistance to schools (DP consultants) to support the 'on-boarding' process
- Orientation seminars to new and potential DP schools in Japan
- Completion of translation of program documentation, subject guides, and teacher support material
- Completion of translation of professional development materials
- Completion of translation of assessment recruitment materials

Dual Language Diploma Programme: Korea

- Training for IB educators
- Pre-AFC assistance to schools (DP consultants) to support the 'on-boarding' process
- Orientation seminars to new and potential DP schools in Korea
- Completion of translation of program documentation, subject guides, and teacher support material
- Completion of translation of professional development materials
- Continued IBEN development activities

Small companies Note

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 41 SA of the Companies Act 2006.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2023

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Bishop Fleming LLP, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Andrea Smith
Trustee
Date: 24 January 2024

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK)

OPINION

We have audited the financial statements of International Baccalaureate Fund (UK) (the 'charitable company') for the year ended 30 June 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We have considered the nature of the sector, control environment, and financial performance;
- We have considered the results of enquiries with management and trustees in relation to their own identification and assessment of the risk of irregularities within the entity; and
- We have reviewed the documentation of key processes and controls and performed walkthroughs of transactions to confirm that the systems are operating in line with documentation.

As a result of these procedures, we have considered the opportunities and incentives that may exist within the organisation for fraud and identified the highest area of risk to be in relation to revenue recognition, with a particular risk in relation to year-end cut off. In common with all audits under ISAs (UK) we are also required to perform specific procedures to respond to the risk of management override.

We have also obtained understanding of the legal and regulatory frameworks that the Charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Charities Act 2011, Charity SORP 2019, FRS 102 and the terms and conditions attaching to material grants received by the Charity. In addition, we considered the provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the Charity's ability to operate or avoid a material penalty. These included data protection regulations, health and safety regulations and employment legislation.

Our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Performing analytical procedures to identify unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- Reviewing board meeting minutes;
- Enquiring of management in relation to actual and potential claims or litigations;
- Performing detailed transactional testing in relation to the recognition of revenue, specifically grants, with a particular focus around year-end cut off; and

In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgments made in accounting estimates are indicative of potential bias; and evaluating the business rationale of significant transactions that are unusual or outside the normal course of business.

We also communicated identified laws and regulations and potential fraud risks to all members of the engagement team and remained alert to possible indicators of fraud or non-compliance with laws and

INTERNATIONAL BACCALAUREATE FUND (UK)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INTERNATIONAL BACCALAUREATE FUND (UK) (CONTINUED)

regulations throughout the audit.

As a result of the inherent limitations of an audit, there is a risk that not all irregularities, including a material misstatement in financial statements or non-compliance with regulation, will be detected by us. The risk increases the further removed compliance with a law and regulation is from the events and transactions reflected in the financial statements, given we will be less likely to be aware of it, or should the irregularity occur as a result of fraud rather than a one off error, as this may involve intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

The entity was entitled to exemption from audit under section 477 of the Companies Act 2006.

The members have not required the entity to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

However, an audit is required in accordance with section 144 of the Charities Act 2011.

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

Andrea Smith
Trustee

Date: 24 January 2024

INTERNATIONAL BACCALAUREATE FUND (UK)
(A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023

1. GENERAL INFORMATION

International Baccalaureate Fund (UK) is a private company limited by guarantee registered in England and Wales, company number 6776342 and a registered Charity, charity number 1127386. Its registered office is Perterson House, Malthouse Avenue, Cardiff Gate, Cardiff, CF23 8GL.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

International Baccalaureate Fund (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The presentational currency of the financial statements is USD which is the functional currency of the charity. The financial statements are rounded to the nearest \$. The financial information relates to the year ended 30 June 2023 and the comparative information relates to the year ended 30 June 2022.

2.2 GOING CONCERN

The financial statements are prepared on a going concern basis, on the expectation of continued growth in charity donations in the future which lead to the Trustees to consider that there are no material uncertainties about the entity's ability to continue.

2.3 INCOME

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where there is a clear indication that a donation has been provided on the basis of future activities being carried out, the charity has recognised income on an accruals basis. The donation will first be recorded as a liability on the balance sheet and subsequently released to incoming resources in line with completion of agreed activities.

Donated services are recognised as both income and expenditure in the year to which they relate. The balance relates to the audit and accounts preparation fee being donated by the IB.

2.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

2. ACCOUNTING POLICIES (continued)

2.4 EXPENDITURE (CONTINUED)

Governance costs are those incurred in connection with administration of the Charity and compliance with constitutional and statutory requirements.

The charity makes grants to schools at the discretion of an IB Grant Selection Committee. Grants payable are charged in the year where the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure where the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.5 TAXATION

The Company is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.6 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation.

2.8 FINANCIAL INSTRUMENTS

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.9 FUND ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGMENT

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgment:

A key area of judgement in these financial statements is the recognition of income, which requires judgements to be made regarding whether or not there are performance conditions included within the grants being received. This then determines whether income is recognised upfront when received or whether it is deferred and released when the performance conditions are met.

There is also estimation uncertainty regarding the reliability of the estimate of the amount to be received and whether any bad debt provision should be recognised in respect of slow paying grantors.

11. STATEMENT OF FUNDS (CONTINUED)

Description of funds

General fund comprises the amounts freely available for the charity spend.

Designated Fund comprises amounts transferred from the General Restricted Fund to be spent as decided upon by the trustees.

IB Grant fund is a fund designated by the Trustees to which amounts are transferred from the general fund in order that grants may be awarded to schools.

AIM Malaysian Government This is a fund to support the establishment and development of IB schools in Malaysia. The project has been successfully completed and remaining funds will be used for professional development for qualifying Malaysian schools.

German Fund This is a fund for the development and translation expenses for German as a response language. This fund is considered to be a restricted fund by Trustees and so has been moved from unrestricted funds.

Japanese Dual Language DP This is a donation for the MEXT Japanese government with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Japanese; to enable schools in Japan to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Japan by growing the number of IB educators, and to train examiners.

Japanese Grant This is a fund for the further development of IB capacity in Japan.

MYP: The Next Chapter This is a fund to support the development of the Middle Year Programme. Management are looking for suitable MYP assessment system developments for this fund.

South Korean Dual Language DP This is a donation for the Republic of South Korea with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Korean; to enable schools in Korea to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Korea by growing the number of IB educators, and to train examiners.

JF Research Grant To build the foundation for a vision of wellbeing in global education in a post-pandemic era, where wellbeing is not only a system reaction to crisis, but the core of the international education ecosystem, with a clear definition and more solid evidence-based approach.

16. RELATED PARTY TRANSACTIONS

The Charity's ultimate parent company is International Baccalaureate Organization (IBO), an independent non-profit-making foundation registered in Switzerland, registered number CHE-107.025.266. It is governed by a Board of Governors. The Board may contain between 9 and 11 members at any one time, currently there are 11. Consolidated financial statements can be obtained from Rue du Pré-de-la-Bichette 1, CH-1202 Genève, Switzerland. IBO is deemed to exercise control as it has the right to appoint or remove a majority of the board of IB Fund (UK).

In his position as Director General of the IB, Olli-Pekka Heinonen attends all the meetings of the Board of Governors of the IB, and sits of the Board of Trustees of the Charity.

The Charity's Audit and preparation of the year end financial statement fees of USD15,250 (2022: USD14,335 for audit and USD1,690 for preparation of the year end financial statements) are recognised as a donation from the IB.

Grants payable totalling USD642,376 (2022: USD684,401) are due to International Baccalaureate Organization. This entity makes project expense payments on behalf of the Charity which are subsequently reimbursed.

TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2022

The Trustees present their annual report together with the audited financial statements of the Charity for the 1 July 2021 to 30 June 2022.

The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The objective of the charity is the advancement of education for the benefit of the public by:

- the development and promotion of programmes of education for students at different levels within schools (primary, middle and upper secondary levels or such other levels as may be relevant overseas) for adoption by authorized schools in all countries;
- the development, administration and promotion of an international examination for authorized schools giving access to higher education in all countries;
- such other means as the Trustees of the Charity may determine; and
- any other exclusively charitable purposes as the Trustees of the Charity may in their absolute discretion determine.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The charity works with governments, international philanthropical organisations, and other donors to develop partnerships and initiatives to create a more diverse and inclusive IB community, enabling more students to experience and benefit from an IB education regardless of personal circumstances.

c. Activities undertaken to achieve objectives

In 2021 and 2022, the charity continued to focus its activities on progressing its strategic goal by the continuation of existing projects with the Japanese Government through its Ministry of Education, Culture, Sports, Science and Technology (MEXT), and the Dual Language Diploma Programme with the Republic of South Korea.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2022

Objectives and activities (continued)

d. Grant-making policy

The Fund has established its grant making policy to achieve its objects for the public benefit by promoting programmes of education for students at different levels within schools for authorised schools in all countries. We review the grant making policy regularly to ensure that it reflects the charity's objects and thereby advances public benefit.

The Fund invites applications for grants from schools experiencing temporary financial challenges or schools that are demonstrably increasing access to IB programmes. More information can be found at <http://www.ibo.org/become-an-ib-school/support-services-from-the-ib/ib-grants/>.

e. Main activities undertaken to further the Charity's purposes for the public benefit

In addition to the activities for the continued partnerships with MEXT and the Republic of South Korea, the charity also continued to provide short-term grants for schools experiencing temporary financial challenges or schools that are demonstrably increasing access to IB programmes.

Achievements and performance

a. Review of activities

The key operational activities for the charity for the year were:

Dual language Diploma Programme: Japan

- Translation of specimen, revision and examination papers for the Japanese subjects for the November 2022 session
- Examiner recruitment and training activities
- Translation of programme documentation, subject guides and teacher support material
- Translation of professional development materials
- Translation of assessment recruitment materials
- Development work for Examiner facing pages
- Regional and global support from IB offices

Dual language Diploma Programme: Korea

- Translation of specimen, revision and examination papers
- Examiner recruitment and training activities
- IBEN development activities
- Translation of programme documentation, subject guides and teacher support material
- Translation of professional development materials
- Regional and global support from IB offices

b. Information on fundraising practices

The Fund's ultimate parent company, International Baccalaureate Organisation, performs fundraising activities on behalf of the Charity. The organisation does not have a fundraising department per se, but has teams within its Schools Division whose aim it is to increase accessibility to IB programmes. Those teams work with Governments and other philanthropic organisations to create and manage projects to increase the IB footprint within the given jurisdiction.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2022

Achievements and performance (continued)

c. Investment policy and objectives

The policy which the Trustees will apply in relation to surplus cash is risk averse (in accordance with the policy adopted by the IB), investing in money-market accounts and charity bonds to secure rates above those expected in deposit accounts, rather than equities or any other investments that are subject to capital fluctuations. During 2022, interest earned from deposit, money-market and short-term investments amounted to \$Nil (2021: \$Nil).

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

The Trustees consider the impact of COVID-19 on the financial results for the year to have been negligible. The Trustees recognise that there is increased uncertainty over donations going forward arising from COVID-19. However, the Charity holds significant cash, deferred income and reserve balances which will enable it to meet current commitments for the foreseeable future.

b. Reserves policy

The Trustees aim to build up and maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Trustees consider that this provides sufficient funds to respond to grant applications and incur project spend for a sufficient period in the event of an unexpected decrease in donation income. All governance costs and costs incurred in generating funds are paid for by the IB on behalf of the Charity, and hence the Trustees are able to respond quickly to any change in donation income. The Trustees will review the situation annually to ensure that the policy adopted by the Trustees protects the Charity from any significant event that would impact on its financial position.

The current level of unrestricted reserves at 30 June 2022 is \$929,148 (2021: \$1,048,429) all of which can be defined as free reserves. The reserves have arisen due to significant donations which have increased the Charity's reserves. The Trustees have decided to utilise this over a number of years to maximise the benefit to the recipients of the Charity's funds.

The restricted reserves at 30 June 2022 totalled \$878,964 (2021: \$877,355) and will continue to be utilised in line with the restrictions specified by the donors.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2022

Structure, governance and management

a. Constitution

International Baccalaureate Fund (UK) ("IB Fund (UK)") is a private company limited by guarantee which was registered in the United Kingdom on 18 December 2008, and is governed by its Memorandum and Articles of Association dated 18 December 2008 (that contain an asset lock for charitable purposes and a bar on distribution of dividends). The company was registered as a charity on 6 January 2009.

b. Methods of appointment or election of Trustees

Under the Articles of Association, the Trustees of the Charity, who act as Directors for the purposes of company law, are appointed by the International Baccalaureate Organization ("the IB"). The minimum number of Trustees is three; there is no maximum. The current Trustees are listed on page 1. In keeping with the election of fund Trustee requirements as found in the Articles of Association of IB Fund UK, Trustees are appointed by the members for a term not exceeding three years. A retiring Trustee may be re-appointed by the members with no limit on the number of times that a Trustee may be re-appointed. No formal provision exists in the Articles of Association for IB Fund UK regarding the rotation of members. During the year under review, all Trustees of the IB Fund UK were also employees of the IB, including Olli-Pekka who is the current Director General.

c. Organisational structure and decision-making policies

The Trustees have delegated the day-to-day management of operations to IB employees appointed as Fund Managers. To facilitate effective operations, the Fund Managers have delegated authority within the terms of the delegation approved by the Trustees for operational matters including finance, employments and related activities.

d. Policies adopted for the induction and training of Trustees

On joining, Trustees are given a document "Introductory Operational Guide for the Board of International Baccalaureate Organization (UK) Limited", last updated on 5 February 2010. In addition, Trustees are invited to Board induction activities for all entities of the IB. On-going training will then be provided in consultation with each Trustee. The Board will review the status of Trustees on an on-going basis and they will recommend the rotation of Trustees as the Board sees fit based on the board assessment of the organisation changes. None of the Trustees received any remuneration or other benefit from the Charity.

The Donations Policy of the IB governs the acceptance of all gifts that are received by IB Fund (UK). All gifts are further reported to the Trustees by management. The above-mentioned governance processes ensure that the activities undertaken by the Charity comply with the purposes of the Charity and meet fiduciary and statutory requirements in the UK. Donation decisions are made by the staff of IB, and are reported to the Trustees during the Board meetings.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2022

Structure, governance and management (continued)

e. Risk management and internal controls

The Trustees confirm that, on a yearly basis, major risks to which the Charity is exposed, as identified by the Trustees, are reviewed, and that systems have been established to manage those risks. This has been done in consultation with the IB, with the activities and operation of the Charity included as part of a comprehensive risk framework adopted by the IB.

Identified potential risks include the non-compliance with legal & taxation requirements, foreign exchange exposure, individual fund balances in deficit and IT system failures. Internal controls are designed to provide reasonable, but not absolute assurance against material misstatement or loss and include:

- the consideration by Trustees of financial results, and variance from budget;
- the delegation of authority and segregation of duties;
- transferring of foreign exchange risks to IBO; and
- monitoring of all fund balances.

Internal audit is conducted to a plan agreed with Trustees each year, taking into account any substantive changes in the Charity's processes.

Plans for future periods

Current plans are for the continuation of the existing projects for:

Dual language Diploma Programme: Japan

- Training for IB educators
- Pre-AFC Assistance to Schools (DP consultants) to support the 'on-boarding' process
- Orientation Seminars to new and potential DP schools in Japan
- Completion of translation of programme documentation, subject guides and teacher support material
- Completion of translation of professional development materials
- Completion of translation of assessment recruitment materials

Dual language Diploma Programme: Korea

- Training for IB educators
- Pre-AFC Assistance to Schools (DP consultants) to support the 'on-boarding' process
- Orientation Seminars to new and potential DP schools in Korea
- Completion of translation of programme documentation, subject guides and teacher support material
- Completion of translation of professional development materials
- Continued IBEN development activities

Small companies Note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 41 SA of the Companies Act 2006.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2022

Disclosure of information to auditor

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditor is unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Auditor

The auditor, Mazars LLP, has indicated his willingness to continue in office. The designated Trustees will propose a motion reappointing the auditor at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Thaimur Changezi

Trustee

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 30 JUNE 2022

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Opinion

We have audited the financial statements of International Baccalaureate Fund (UK) (the 'Charity') for the year ended 30 June 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 30 June 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees' with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Trustees' responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees' not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Trustees' Report and from the requirement to prepare a Strategic Report.

Responsibilities of Trustees'

As explained more fully in the Trustees' Responsibilities Statement set out on page 8, the Trustees' responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees' is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees' responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees' either to liquidate the Charity or to cease operations, or Trustees' no realistic alternative but to do so.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the Charity and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: employment regulation, health and safety regulation, anti-money laundering regulation, non-compliance with implementation of government support schemes relating to COVID-19.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the Charity is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the Charity which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as tax legislation, pension legislation and the Companies Act 2006.

In addition, we evaluated the Trustees' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of override of controls, and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, in particular in relation to revenue recognition (which we pinpointed to the cut-off assertion) and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the Trustees and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the Charity's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's members as a body for our audit work, for this report, or for the opinions we have formed.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

1. General information

International Baccalaureate Fund (UK) is a private company limited by guarantee registered in England and Wales, company number 6776342 and a registered Charity, charity number 1127386. Its registered office is Peterson House, Malthouse Avenue, Cardiff Gate, Cardiff, CF23 8GL.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

International Baccalaureate Fund (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The presentational currency of the financial statements is USD which is the functional currency of the charity. The financial statements are rounded to the nearest \$. The financial information relates to the year ended 30 June 2022 and the comparative information relates to the year ended 30 June 2021.

2.2 Going concern

The financial statements are prepared on a going concern basis, on the expectation of continued growth in charity donations in the future which lead to the Trustees to consider that there are no material uncertainties about the entity's ability to continue.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where there is a clear indication that a donation has been provided on the basis of future activities being carried out, the charity has recognised income on an accruals basis. The donation will first be recorded as a liability on the balance sheet and subsequently released to incoming resources in line with completion of agreed activities.

Donated services are recognised as both income and expenditure in the year to which they relate. The balance relates to the audit and accounts preparation fee being donated by the IB.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

2. Accounting policies (continued)

2.4 Expenditure (continued)

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

The charity makes grants to schools at the discretion of an IB Grant Selection Committee. Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.5 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation.

2.8 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022

2. Accounting policies (continued)

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgement:

A key area of judgement in these financial statements is the recognition of income, which requires judgements to be made regarding whether or not there are performance conditions included within the grants being received. This then determines whether income is recognised upfront when received or whether it is deferred and released when the performance conditions are met.

There is also estimation uncertainty regarding the reliability of the estimate of the amount to be received and whether any bad debt provision should be recognised in respect of slow paying grantors.

12. Statement of funds (continued)

Description of funds

General fund comprises the amounts freely available for the charity to spend.

Designated Fund comprises amounts transferred from the General Restricted Fund to be spend as decided upon by the Trustees.

IB Grant fund is a fund designated by the Trustees to which amounts are transferred from the general fund in order that grants may be awarded to schools.

General restricted fund This is an historic collection of funds received, dating from before 2008 which have been allocated to restricted but with no supporting paperwork. After detailed research the Trustees have decided it is reasonable to transfer the balance to unrestricted reserves as a designated fund.

AIM Malaysian Government This is a fund to support the establishment and development of IB schools in Malaysia. The project has been successfully completed and remaining funds will be used for professional development for qualifying Malaysian schools.

Chinese Translations This is historic money received which is being used for Chinese translation projects.

German Fund This is a fund for the development and translation expenses for German as a response language. This fund is considered to be a restricted fund by Trustees and so has been moved from unrestricted funds.

Japanese Grant This is a fund for the further development of IB capacity in Japan.

Japanese Dual Language DP This is a donation from the MEXT Japanese government with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Japanese; to enable schools in Japan to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Japan by growing the number of IB Educators, and to train examiners.

MYP: The Next Chapter This is a fund to support the development of the Middle Year Programme. Management are looking for suitable MYP assessment system developments for this fund.

South Korean Dual Language DP This is a donation from the Republic of South Korea with the goal to translate, teach& assess selected subjects in the IB Diploma Programme in Korean; to enable schools in Korea to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Korea by growing the number of IB Educators, and to train examiners.

17. Related party transactions

The Charity's ultimate parent company is International Baccalaureate Organization (IBO), an independent non-profit-making foundation registered in Switzerland, registered number CHE-107.025.266. It is governed by a Board of Governors. The Board may contain between 9 and 11 members at any one time, currently there are 11. Consolidated financial statements can be obtained from Route des Morillons 15, Grand-Saconnex, Geneva, CH-1218, Switzerland. IBO is deemed to exercise control as it has the right to appoint or remove a majority of the board of IB Fund (UK).

In his position as Director General of the IB, Olli-Pekka Heinonen attends all the meetings of the Board of Governors of the IB, and sits on the Board of Trustees of the Charity.

The Charity's audit fees of \$14,335 (2021: \$14,335) and fees for preparation of the year end financial statements of \$1,690 (2021: \$1,690) are recognised as a donation from the IB.

Grants payable totalling \$684,401 (2021: \$1,304,243) are due to International Baccalaureate Organization. This entity makes project expense payments on behalf of the Charity which are subsequently reimbursed.

TRUSTEES' REPORT
FOR THE YEAR ENDED 30 JUNE 2021

The Trustees present their annual report together with the audited financial statements of the charity for the 1 July 2020 to 30 June 2021.

The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the charity qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The objective of the charity is the advancement of education for the benefit of the public by:

- the development and promotion of programmes of education for students at different levels within schools (primary, middle and upper secondary levels or such other levels as may be relevant overseas) for adoption by authorized schools in all countries;
- the development, administration and promotion of an international examination for authorized schools giving access to higher education in all countries;
- such other means as the Trustees of the Charity may determine; and
- any other exclusively charitable purposes as the Trustees of the Charity may in their absolute discretion determine.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The charity works with governments, international philanthropical organisations, and other donors to develop partnerships and initiatives to create a more diverse and inclusive IB community, enabling more students to experience and benefit from an IB education regardless of personal circumstances.

c. Activities undertaken to achieve objectives

In 2020 and 2021, the charity continued to focus its activities on progressing its strategic goal by the continuation of existing projects with the Japanese Government through its Ministry of Education, Culture, Sports, Science and Technology (MEXT), and the Dual Language Diploma Programme with the Republic of South Korea.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2021

Objectives and activities (continued)

d. Grant-making policy

The Fund has established its grant making policy to achieve its objects for the public benefit by promoting programmes of education for students at different levels within schools for authorised schools in all countries. We review the grant making policy regularly to ensure that it reflects the charity's objects and thereby advances public benefit.

The Fund invites applications for grants from schools experiencing temporary financial challenges or schools that are demonstrably increasing access to IB programmes. More information can be found at <http://www.ibo.org/become-an-ib-school/support-services-from-the-ib/ib-grants/>.

e. Main activities undertaken to further the charity's purposes for the public benefit

In addition to the activities for the continued partnerships with MEXT and the Republic of South Korea, the charity also continued to provide short-term grants for schools experiencing temporary financial challenges or schools that are demonstrably increasing access to IB programmes.

Achievements and performance

a. Review of activities

The key operational activities for the charity for the year were:

Dual language Diploma Programme: Japan

- Translation of specimen, revision and examination papers for the Japanese subjects for the November 2022 session
- Examiner recruitment and training activities
- Translation of programme documentation, subject guides and teacher support material
- Translation of professional development materials
- Translation of assessment recruitment materials
- Development work for Examiner facing pages
- Regional and global support from IB offices

Dual language Diploma Programme: Korea

- Translation of specimen, revision and examination papers
- Examiner recruitment and training activities
- IBEN development activities
- Translation of programme documentation, subject guides and teacher support material
- Translation of professional development materials
- Regional and global support from IB offices

b. Information on fundraising practices

The Fund's ultimate parent company, International Baccalaureate Organisation, performs fundraising activities on behalf of the Charity. The organisation does not have a fundraising department per se, but has teams within its Schools Division whose aim it is to increase accessibility to IB programmes. Those teams work with Governments and other philanthropic organisations to create and manage projects to increase the IB footprint within the given jurisdiction.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2021

Achievements and performance (continued)

c. Investment policy and objectives

The policy which the Trustees will apply in relation to surplus cash is risk averse (in accordance with the policy adopted by the IB), investing in money-market accounts and charity bonds to secure rates above those expected in deposit accounts, rather than equities or any other investments that are subject to capital fluctuations. During 2021, interest earned from deposit, money-market and short-term investments amounted to \$NIL (2020: \$14,624).

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

The Trustees consider the impact of COVID-19 on the financial results for the year to have been negligible. The Trustees recognise that there is increased uncertainty over donations going forward arising from COVID-19. However, the Charity holds significant cash, deferred income and reserve balances which will enable it to meet current commitments for the foreseeable future.

b. Reserves policy

The Trustees aim to build up and maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Trustees consider that this provides sufficient funds to respond to grant applications and incur project spend for a sufficient period in the event of an unexpected decrease in donation income. All governance costs and costs incurred in generating funds are paid for by the IB on behalf of the Charity, and hence the Trustees are able to respond quickly to any change in donation income. The Trustees will review the situation annually to ensure that the policy adopted by the Trustees protects the Charity from any significant event that would impact on its financial position.

The current level of unrestricted reserves at 30 June 2021 is \$1,048,429 (2020: \$1,256,856) all of which can be defined as free reserves. The current level is in excess of the target free reserves, which equates to approximately \$47,000. The excess has arisen due to significant donations which have increased the Charity's reserves. The Trustees have decided to utilise this over a number of years to maximise the benefit to the recipients of the Charity's funds.

The restricted reserves at 30 June 2021 totalled \$877,355 (2020: \$857,410) and will continue to be utilised in line with the restrictions specified by the donors.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2021

Structure, governance and management

a. Constitution

International Baccalaureate Fund (UK) ("IB Fund (UK)") is a private company limited by guarantee which was registered in the United Kingdom on 18 December 2008, and is governed by its Memorandum and Articles of Association dated 18 December 2008 (that contain an asset lock for charitable purposes and a bar on distribution of dividends). The company was registered as a charity on 6 January 2009.

b. Methods of appointment or election of Trustees

Under the Articles of Association, the Trustees of the Charity, who act as Directors for the purposes of company law, are appointed by the International Baccalaureate Organization ("the IB"). The minimum number of Trustees is three; there is no maximum. The current Trustees are listed on page 1. In keeping with the election of fund Trustee requirements as found in the Articles of Association of IB Fund UK, Trustees are appointed by the members for a term not exceeding three years. A retiring Trustee may be re-appointed by the members with no limit on the number of times that a Trustee may be re-appointed. No formal provision exists in the Articles of Association for IB Fund UK regarding the rotation of members. During the year under review, all Trustees of the IB Fund UK were also employees of the IB, including Olli-Pekka who is the current Director General.

c. Organisational structure and decision-making policies

The Trustees have delegated the day-to-day management of operations to IB employees appointed as Fund Managers. To facilitate effective operations, the Fund Managers have delegated authority within the terms of the delegation approved by the Trustees for operational matters including finance, employments and related activities.

d. Policies adopted for the induction and training of Trustees

On joining, Trustees are given a document "Introductory Operational Guide for the Board of International Baccalaureate Organization (UK) Limited", last updated on 5 February 2010. In addition, Trustees are invited to Board induction activities for all entities of the IB. On-going training will then be provided in consultation with each Trustee. The Board will review the status of Trustees on an on-going basis and they will recommend the rotation of Trustees as the Board sees fit based on the board assessment of the organisation changes. None of the Trustees received any remuneration or other benefit from the Charity.

The Donations Policy of the IB governs the acceptance of all gifts that are received by IB Fund (UK). All gifts are further reported to the Trustees by management. The above-mentioned governance processes ensure that the activities undertaken by the Charity comply with the purposes of the Charity and meet fiduciary and statutory requirements in the UK. Donation decisions are made by the staff of IB, and are reported to the Trustees during the Board meetings.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2021

Structure, governance and management (continued)

e. Risk management and internal controls

The Trustees confirm that, on a yearly basis, major risks to which the Charity is exposed, as identified by the Trustees, are reviewed, and that systems have been established to manage those risks. This has been done in consultation with the IB, with the activities and operation of the Charity included as part of a comprehensive risk framework adopted by the IB.

Identified potential risks include the non-compliance with legal & taxation requirements, foreign exchange exposure, individual fund balances in deficit and IT system failures. Internal controls are designed to provide reasonable, but not absolute assurance against material misstatement or loss and include:

- the consideration by Trustees of financial results, and variance from budget;
- the delegation of authority and segregation of duties;
- transferring of foreign exchange risks to IBO; and
- monitoring of all fund balances.

Internal audit is conducted to a plan agreed with Trustees each year, taking into account any substantive changes in the Charity's processes.

Plans for future periods

Current plans are for the continuation of the existing projects for:

Dual language Diploma Programme: Japan

- Training for IB educators
- Pre-AFC Assistance to Schools (DP consultants) to support the 'on-boarding' process
- Orientation Seminars to new and potential DP schools in Japan
- Completion of translation of programme documentation, subject guides and teacher support material
- Completion of translation of professional development materials
- Completion of translation of assessment recruitment materials

Dual language Diploma Programme: Korea

- Training for IB educators
- Pre-AFC Assistance to Schools (DP consultants) to support the 'on-boarding' process
- Orientation Seminars to new and potential DP schools in Korea
- Completion of translation of programme documentation, subject guides and teacher support material
- Completion of translation of professional development materials
- Continued IBEN development activities

Small companies Note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 41 SA of the Companies Act 2006.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2021

Disclosure of information to auditor

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditor is unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Auditor

The auditor, Mazars LLP, has indicated his willingness to continue in office. The designated Trustees will propose a motion reappointing the auditor at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Thaimur Changezi
Trustee
Date:

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 30 JUNE 2021

The Trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Opinion

We have audited the financial statements of International Baccalaureate Fund (UK) (the 'charity') for the year ended 30 June 2021 which comprise the Statement of Financial Activities, Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Other information

The other information comprises the information included in the Trustee's annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; and
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out on page 8, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees' responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless either the Trustees' to liquidate the charity or to cease operations, or Trustees' no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the charity and its industry, we identified that the principal risks of non-compliance with UK tax legislation, employment regulation and health and safety regulation, anti-bribery, corruption and fraud, money laundering, non-compliance with implementation of government support schemes relating to COVID-19 and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, such as the Companies Act 2006.

We evaluated the trustees' and management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, in particular in relation to one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- discussing with the Trustees' and management their policies and procedures regarding compliance with laws and regulations;
- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the charity which were contrary to applicable laws and regulations, including fraud.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE OF INTERNATIONAL BACCALAUREATE FUND (UK)

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of the Trustees' and management on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the charity's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body for our audit work, for this report, or for the opinions we have formed.

The entity was entitled to exemption from audit under section 477 of the Companies Act 2006.

The members have not required the entity to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

However, an audit is required in accordance with section 144 of the Charities Act 2011.

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

Thaimur Changezi
Trustee

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

1. General information

International Baccalaureate Fund (UK) is a private company limited by guarantee registered in England and Wales, company number 6776342 and a registered Charity, charity number 1127386. Its registered office is Peterson House, Malthouse Avenue, Cardiff Gate, Cardiff, CF23 8GL.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

International Baccalaureate Fund (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The presentational currency of the financial statements is USD which is the functional currency of the charity. The financial statements are rounded to the nearest \$. The financial information relates to the year ended 30 June 2021 and the comparative information relates to the year ended 30 June 2020.

2.2 Going concern

The financial statements are prepared on a going concern basis, on the expectation of continued growth in charity donations in the future which lead to the Trustees to consider that there are no material uncertainties about the entity's ability to continue.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where there is a clear indication that a donation has been provided on the basis of future activities being carried out, the charity has recognised income on an accruals basis. The donation will first be recorded as a liability on the balance sheet and subsequently released to incoming resources in line with completion of agreed activities.

Donated services are recognised as both income and expenditure in the year to which they relate. The balance relates to the audit and accounts preparation fee being donated by the IB.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

INTERNATIONAL BACCALAUREATE FUND (UK)
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

2. Accounting policies (continued)

2.4 Expenditure (continued)

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

The charity makes grants to schools at the discretion of an IB Grant Selection Committee. Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation.

2.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

2. Accounting policies (continued)

2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgement:

A key area of judgement in these financial statements is the recognition of income, which requires judgements to be made regarding whether or not there are performance conditions included within the grants being received. This then determines whether income is recognised upfront when received or whether it is deferred and released when the performance conditions are met.

There is also estimation uncertainty regarding the reliability of the estimate of the amount to be received and whether any bad debt provision should be recognised in respect of slow paying grantors.

14. Statement of funds (continued)

Description of funds

General fund comprises the amounts freely available for the charity to spend.

Designated Fund comprises amounts transferred from the General Restricted Fund to be spend as decided upon by the Trustees.

IB Grant fund is a fund designated by the Trustees to which amounts are transferred from the general fund in order that grants may be awarded to schools.

General restricted fund This is an historic collection of funds received, dating from before 2008 which have been allocated to restricted but with no supporting paperwork. After detailed research the Trustees have decided it is reasonable to transfer the balance to unrestricted reserves as a designated fund.

AIM Malaysian Government This is a fund to support the establishment and development of IB schools in Malaysia. The project has been successfully completed and remaining funds will be used for professional development for qualifying Malaysian schools.

Chinese Translations This is historic money received which is being used for Chinese translation projects.

German Fund This is a fund for the development and translation expenses for German as a response language. This fund is considered to be a restricted fund by Trustees and so has been moved from unrestricted funds.

Japanese Grant This is a fund for the further development of IB capacity in Japan.

Japanese Dual Language DP This is a donation from the MEXT Japanese government with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Japanese; to enable schools in Japan to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Japan by growing the number of IB Educators, and to train examiners.

MYP: The Next Chapter This is a fund to support the development of the Middle Year Programme. Management are looking for suitable MYP assessment system developments for this fund.

South Korean Dual Language DP This is a donation from the Republic of South Korea with the goal to translate, teach & assess selected subjects in the IB Diploma Programme in Korean; to enable schools in Korea to participate in the project; to translate key IB Diploma Programme documents; to build the IB capacity in Korea by growing the number of IB Educators, and to train examiners.

19. Related party transactions

The Charity's ultimate parent company is International Baccalaureate Organization (IBO), an independent non-profit-making foundation registered in Switzerland, registered number CHE-107.025.266. It is governed by a Board of Governors. The Board may contain between 9 and 11 members at any one time, currently there are 11. Consolidated financial statements can be obtained from Route des Morillons 15, Grand-Saconnex, Geneve, CH-1218, Switzerland. IBO is deemed to exercise control as it has the right to appoint or remove a majority of the board of IB Fund (UK).

In his position as Director General of the IB, Olli-Pekka Heinonen attends all the meetings of the Board of Governors of the IB, and sits on the Board of Trustees of the Charity.

The Charity's audit fees of \$14,335 (2020: \$16,078) and fees for preparation of the year end financial statements of \$1,690 (2020: \$2,440) are recognised as a donation from the IB.

Grants payable totalling \$1,304,243 (2020: \$315,703) are due to International Baccalaureate Organization. This entity makes project expense payments on behalf of the Charity which are subsequently reimbursed.
