Trustees' Annual Report (Incorporating the Director's Report)

Year ended 31 December 2024

---

The trustees, who are also directors of the charitable company, present their report and the independently examined financial statements of the charity for the year ended 31 December 2024.

The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

## 1. Reference and administrative details

## **2. Structure, Governance and Management**

### **Governing Document**

The Company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. A copy of these Articles of Association resides in the BFUWI office, 1 Great Russell Street London.

### **Patrons**

We lost in 2024 one of the greatest talents and stalwarts of the Caribbean Region, Sir Shridath "Sonny" Ramphal. He was a giant of the Caribbean and was the former Commonwealth Secretary General and the first patron and co-founder of The BFUWI. He served the Commonwealth and the Caribbean with extraordinary vision, compassion, wisdom and his unwavering dedication to justice. His statesmanship was rooted in his humanity and his leadership characterised by his belief in the power of dialogue, diplomacy, and cooperation. Ramphal served as the Chancellor of the University of the West Indies (1989-2003), where his contributions were central to UWI's development and regional identity. Rest in Peace Sir Shridath Ramphal (3 Oct 1928 – 30 August 2024).

Our current patrons (as per our previous report) include Mr Andrew Ramroop OBE and the 12 English speaking Caribbean High Commissions in the United Kingdom, namely: Antigua and Barbuda, The Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Jamaica, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines and Trinidad and Tobago, as represented by their serving High Commissioners and Mission Leads.

### **Structure**

The Charity is governed by eight trustees who serve as volunteers. They do not receive any form of remuneration for their service. In Q2 2024 the Board undertook a skills audit, which indicated areas which required attention. The Board added four new trustees in November (Q4 2024) to strengthen its governance framework.

The day-to-day administration of the office is undertaken by an Office Co-Ordinator, Ms Deidre Herbert, who oversees all office functions and provides site support at BFUWI events.

### **Trustee Induction and Training**

New trustees are provided with an induction pack, a meeting with the Chair, and copies of key policies and procedures. The trustees will be required to undertake ongoing training on fiduciary duties, charity law, or specific risk areas to ensure effective governance.

## 3. Objects, Activities and Public Benefit

### Our Charitable Objects

The BFUWI, through its activities, aims to catalyse and strengthen the relationships with the wider Caribbean diaspora in the UK, enable a better understanding of our shared cultural heritage and facilitate wider access to learning and development. The charitable objects of the BFUWI fulfil both public benefit and charitable obligations. The BFUWI objectives are as follows:

1. To contribute to the cultural, educational and social enrichment of the Caribbean Diaspora community in the UK.
2. To enable the Caribbean Diaspora in the UK to have access to the skills and training which the UWI offers.
3. To raise funds to provide scholarships and bursaries, for the Caribbean Diaspora in need and in support of their scholastic endeavor at The UWI and other UK institutions which hold MOU with The UWI, to enable Caribbean Regional growth and development.

As a small charity, all trustees jointly oversee operations. Four sub-committees have been set up to support key functions:

- Finance
- Education
- Social media
- Governance

The Board of Trustees works with volunteers in developing our events and community engagement opportunities. The charity actively fundraises and is in receipt of donations from the public to help the charity fulfil its charitable objects. The trustees exercise prudent stewardship of the charity's resources in fulfilment of our charitable objects.

### Activities for the period under Report

An important activity of the BFUWI is its contribution to the improvement in the educational achievements and attainment of Caribbean diaspora students in the UK. Our work in this area has focused on raising our profile among the diaspora under the following themes:

- Educational activities
- Cultural and social events
- Public lectures by researchers and academics of The UWI

For the year under report, the BFUWI did not host any public events, but focused its efforts on building charity resilience.

For the period under report the BFUWI trustees focused their efforts on developing policies to align with the emerging requirements within the charity sector, especially regarding the safeguarding of funds, and ensuring proof of provenance regarding funds received.

### Public Benefit Statement

The trustees have complied with their duty to have regard to the public benefit guidance of the Charity

---

Commission. The charity's activities, as described in this report, are intended to provide educational advancement and cultural enrichment to the public, in particular, engagement with the Caribbean and its diaspora community in the UK.

## **4. Strategic Report**

### **Financial Review**

A summary of the charity's financial performance is provided in the Financial Review below. The full details are presented in the accompanying financial statements

#### **Going Concern:**

The charitable company continues to be in good financial standing and can meet its future obligations. During 2024, there were no significant events that negatively impacted on the financial position. The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

#### **Reserves Policy:**

The trustees recognise the need for a reserves policy and are working to put one in place for the charity. The intention is to hold reserves equivalent to 12 months of operational expenditure to cover ongoing costs and unforeseen circumstances.

#### **Planned Investment:**

The trustees plan to co-opt a financial advisor to assist with investment decisions for the charity's funds.

#### **Large Donations:**

The Trustees of the Elizabeth Harper Scholarship Trust, Zedra Trust Company (UK) Limited (in succession to Barclays Bank DCO), following completion of a Deed of Grant on 19 July 2024, wound up this trust fund and distributed its assets on 14th October 2024 to The British Foundation for The University of the West Indies absolutely to the value of £125,570.22.

#### **Statement on UWI London Dinner**

The trustees are aware of a fundraising gala dinner organised by The University of the West Indies in London. The BFUWI was not involved in the organisation or financial management of this specific event. Consequently, no income or expenditure related to this event is reflected in these financial statements.

---

## Future Plans

In the coming 24 months, the trustees plan to:

- Overhaul the charities website, and re-develop an effective social media strategy
- Grow and strengthen the core membership base
- Organise a series of fundraising and profile-raising events
- Enable the Education Sub-committee to structure scholarship and bursary award frameworks and procedures for the granting of such scholarships and bursaries.
- Develop a new investment strategy
- Continue to undertake risk assessment for the Charity and develop corresponding policies and procedures to mitigate any such identified risks

## 5. Trustee Responsibilities

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and UK Accounting Standards. Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the situation of the charitable company and the incoming resources and application of resources, including the income and expenditure for that period.

In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP 2019 (FRS 102).
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue on that basis.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and taking reasonable steps to prevent fraud and other irregularities.

## Independent Examiner's Report to the Trustees of BRITISH FOUNDATION FOR THE UNIVERSITY OF WEST INDIES *(continued)*

Year ended 31 December 2024

---

I report to the trustees on my examination of the financial statements of BRITISH FOUNDATION FOR THE UNIVERSITY OF WEST INDIES ('the charity') for the year ended 31 December 2024.

### Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 December 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 15 Oct 2025, and are signed on behalf of the board by:

E Mullings-Smith  
Trustee

M Richards  
Trustee

The notes on pages 10 to 16 form part of these financial statements.

# **BRITISH FOUNDATION FOR THE UNIVERSITY OF WEST INDIES**

**Company Limited by Guarantee**

**Notes to the Financial Statements**

**Year ended 31 December 2024**

---

**1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Barbados House, 1 Great Russell Street, London, WC1B 3ND.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

There are no material uncertainties about the charity's ability to continue.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

---

## 3. Accounting policies *(continued)*

### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# BRITISH FOUNDATION FOR THE UNIVERSITY OF WEST INDIES

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

---

#### 3. Accounting policies *(continued)*

##### **Tangible assets *(continued)***

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	- 15% reducing balance
-----------	------------------------

##### **Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

##### **Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

# BRITISH FOUNDATION FOR THE UNIVERSITY OF WEST INDIES

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### 4. Limited by guarantee

Company is limited by guarantee without share capital. The liability of each member is limited to £1. The company is a registered charity under the Charities Act (registered charity number 1127408).
