THE JERUSALEM INTEREST FREE MICROFINANCE FUND LIMITED

REPORT OF THE DIRECTORS AND TRUSTEES

The directors and trustees have pleasure in presenting their report and financial statements for the year ended 31st August 2023.

The accounts have been prepared in accordance with the accounting policies as set out in Note 1 of the accounts and comply with the Charity's governing document, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2005) issued in March 2005.

Status

The Charity is a Company limited by guarantee and was incorporated on 26 August 2008 and registered as a charity on 8 January 2009. The Charity operates from 19 The Park, London NW11 7ST. The Company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed by its Articles of Association.

Aims and Organisation

The relief of financial hardship amongst people in poor communities in Jerusalem by enabling them to establish and grow their own businesses through the provision of micro finance and technical assistance.
(Microfinance includes loans and/or equity funding for small enterprises and or their proprietors as appropriate for the individuals and firms seeking assistance.)

Investment and Reserves Policy

Risk Factors

The trustees have taken advantage of the exemption available to charities with incoming resources of less than £ 500,000 per year, from carrying out a risk assessment of the charity, a requirement under SORP 2005.

Developments during 2021/23

The year under report (2021-23) saw a continuation in JIMF's activity - with a similar number of businesswomen and students receiving loans (forty-seven; cf. 44 last year)

New loans were made to a value of over 676,000 shekels whilst repayments were 628,000 shekels. After provisions and write-offs, loans outstanding remain in excess of one million shekels (≈ 1,080,000).

The programme continues to operation in partnership with MATI Jerusalem. During the year, KIVA informed JIMF that it would no longer support partnerships with small lenders, and JIMF repaid outstanding loans. JIMF's support to the *charedi* community has now been growing, with the funding of a training post at MATI and a gradual increase in the share of lending (nine of the 47 loans, representing 24% of the new funding during the reporting year). Support continues for the Palestinian community in Jerusalem.

Developments during 2022/23 - Continued

MATI continues to emphasise the importance of the loan programme to motivate and to build upon their business-training in East Jerusalem for disadvantaged women. MATI continues to run a branch in East Jerusalem; they confirm that they have funding for training and post loan support.

JIMF and MATI continue to be supported in this work by Rehaam Jaber, a Palestinian lawyer, who runs the East Jerusalem office. Rehaam has built a relationship of trust for JIMF with our Palestinian clients, manifest in a strong repayment record for loans issued since Rehaam was involved (2011). When payments are missed, Rehaam follows up to understand the nature of the problem, and in all cases has secured a recognition of obligation and a resumption of repayment. As a consequence we have been able to remove provisions for bad debt. We have agreed policies for moving from persuasion to stronger interventions, in particular to refer the obligation to the guarantors, but our strong preference is to avoid this step, which embarrasses the women, but rather to work with the women so that they themselves can take pride in being able to repay their loans.

JIMF continued to be supported by donations from its regular funders.

JIMF with MATI appraises applicants for the viability of the businesses, for the neediness of the applicants, and for the value added to the local community (as JIMF wishes to avoid supporting one business merely to displace others). We are seeking accordingly to support creation of innovative businesses that fill clear gaps in the local economy. Vocational loans are similarly assessed against criteria of the credibility of the course and the expectation that it will support profitable employment, against the neediness of the applicants and the worthiness of the vocation sought.

Statement of directors' and trustees' responsibilities

The directors and trustees are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice. The financial statements are required to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements the directors and trustees are required:

- to select suitable accounting policies and then apply them consistently;
- to make judgements and estimates that are reasonable and prudent;
- to state whether the Financial Reporting Standard for Smaller Entities has been followed, subject to any material departures disclosed and explained in the financial statements;
- to prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors and trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company and that enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The provisions within Part 15 of the Companies Act 2006 relating to small companies.

Independent Examiner's Report on the accounts for the year ended 31st August
2023 as set out on pages 3-5

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st August 2023.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that: a. accounting records were not kept in accordance with section 386 of the Companies Act 2006; or b. the accounts do not accord with such records; or c. the accounts do not comply with relevant accounting requirements under section 386 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or d. the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connexion with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE JERUSALEM INTEREST FREE MICROFINANCE FUND LIMITEDNOTES TO THE FINANCIAL STATEMENTS1. Accounting PoliciesAccounting basis and standards

The financial statements have been prepared under the historical cost convention and in accordance with the accounting policies set out below.

These financial statements have been prepared in compliance with FRS 105 – The Financial Reporting Standard applicable in UK and Republic of Ireland and the Companies Act 2006.

Compliance with SORP and legislation

The accounts have been prepared in accordance with the accounting policies and comply with the Charity's governing document, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2005) issued in March 2005.

Incoming resources and expenses

Incoming resources represent donations and fees receivable. Resources expended are recognised in the year in which they are incurred.

Fund accounting

Funds are donations received or generated for the charity without further specified purpose. These are funds that can be used in accordance with the charitable objects at the discretion of the directors (Trustees).

Legal status of the charity

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of a winding up is limited to one pound.

Statement of cash flows

The charity's financial statements do not include a statement of cash flows, since, in the opinion of the directors and trustees, such a statement would not add significant information to that already contained in the financial statements, including the note on loan disbursements and repayments.

Exchange rates

Major transactions during the period were converted at rates prevailing at the time of the transaction, minor transactions were converted using an average of the rates prevailing at start and end of the year. Assets and liabilities which existed at the balance sheet date were converted at the rate prevailing at the year end. Any differences were transferred to the profit and loss account.
