Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To relieve sickness and preserve health, to relieve poverty, financial hardship and unemployment, to advance education and the Christian religion for the public benefit primarily within South Sudan and its adjoining countries, in particular, but not exclusively, by the provision of grants of financial assistance to organisations and individuals.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In the 2024/25 financial year, apart from administrative costs of £123 and bank charges for international money transfers, all the remainder was spent within South Sudan and Uganda. The principal work of the charity was:

1. Supporting the work of the Martha Primary Health Care Centre (PHCC) in Yei, South Sudan.
2. Paying for cataract operations for over 100 patients carried out by a team of eye specialists from Juba.
3. Continuing to fund discipleship training for Christian youths in several Dioceses in South Sudan.
4. Paying the fees of 20 teachers to train at the Yei Teacher Training College to study for the Certificate or Diploma in Education.
5. Repairing school classrooms, providing school latrines and donating locally made school desks.
6. Enabling several Dioceses in South Sudan to organise residential training for their clergy and lay leaders.
7. Contributing to the running costs of the Bishop Allison Theological College in Yei.
8. Supporting two medical students in their university education.

The Trustees have had regard to the guidance issued by the Charity Commission and can confirm that all these grants were within the objects of the Trust.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

This year the charity continued to provide major support to the Diocese of Yei Martha Primary Health Care Centre and Eye Clinic, and this constituted approximately 50% of our expenditure. The clinic treated more than 30,000 patients. The Eye Clinic treated a growing number of patients both in the clinic and in the community. In March, a team from Juba carried out over 100 successful cataract operations.

We have made a major investment in teacher training, in response to the great need that there is in South Sudan for more trained teachers. We are supporting 20 teachers at the Yei Teacher Training College, who are studying either for a Certificate or Diploma of Education.

We continue to work in close partnership with the Episcopal Church of South Sudan and provided funds for discipleship training courses as well as for the training of clergy and lay leaders. We continued to support theological training at the Bishop Allison Theological College.

During the financial year, we received several grants from UK charities, charitable trusts, and churches and many gifts from individuals. We are grateful for this generous support.

Our total income for the year was £130,243, which was an increase of 11% on the previous year (£116,657 in 2023/24). Our expenditure increased by 2% to £128,935 (£126,670 in 2023/24).

We spent less than 1% of our income on administration and bank charges, the remainder (99.4%) being spent in South Sudan and Uganda.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE BRICKWORKS

I report on the accounts of The Brickworks for the year ended 31 March 2025, which are set out on page 2.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
