BUILDING SCHOOLS FOR AFRICA

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2022

The trustees present their report with the financial statements of the charity for the year ended 31st March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives of the Charity include;

- A. The advancement of education in Africa.
- B. The advancement of health in Africa.
- C. The relief of poverty in Africa.

Activities include fundraising events in order to finance the building of schools, toilets and the provision of clean water in Cameroon in collaboration with partner NGO SHUMAS (Cameroon).

ACHIEVEMENT AND PERFORMANCE

To date, BSFA has funded the building of 325 classrooms in 110 schools and 68 water and health projects, including 7 boreholes and several health centres which have been either refurbished, re-equipped or built new.

Due to the current political turmoil and civil unrest in Cameroon and the Covid pandemic, it has been increasingly become necessary to diversify our activities to provide help for internally displaced people who have been identified as having priority need by our partners, SHUMAS. This has included the building of "pop-up" schools in the jungle which are less permanent structures than those hitherto built during more peaceful times. Also, rather than building new health centres, emphasis has been placed on training health workers and providing infrastructure, such as clean drinking water and resources such as mosquito nets and mattresses. Skill training for youngsters who have not been able to attend schools due to conflict and trauma counselling have all been part of recent projects.

The challenges that have faced our partners have been truly enormous, not least the logistical hurdles of transporting equipment and materials through war-torn countryside. The lives of SHUMAS staff have been repeatedly put at risk.

Despite the pandemic and economic uncertainties, BSFA has continued to fund an astonishing array of projects thanks to generous individual donations and due to the hard work, especially of Marianne, who has secured a large grant from Blue Sky Foundation. As always, thanks to her for her unstinting commitment to the charity and to all trustees who have fulfilled their various roles so effectively.

I am pleased to report that Andrew Hindle responded very positively to our invitation to become a trustee and it is hoped he will join us as soon as possible following his forthcoming retirement from the NHS. Andrew brings a wealth of management experience as well as being one of our most successful and tenacious fundraisers. He has visited Cameroon and is familiar with most aspects of our work. We look forward to welcoming him.

The year ahead is likely to be challenging with regard to fund-raising, but we have already had very encouraging verbal confirmation that one of our largest donors intends to continue supporting us.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2022

FINANCIAL REVIEW

The total incoming resources for the year amounted to £146,273 (2021 - £272,123), while total resources expended amounted to £210,612 (2021 - £175,662). This produced a net deficit of £64,339 (2021-surplus-£96,461).

It is the policy of the Charity not to hold reserves, but to transfer funds on a project by project basis when appropriate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity was formed in December 2008 by trust deed and registered as a charity in January 2009. The Charity works closely with a partner organisation, Strategic Humanitarian Services (SHUMAS) of Cameroon.

Future trustees are appointed for a term of five years by a resolution of the trustees passed at a meeting called under clause 15 of the trust document.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BUILDING SCHOOLS FOR AFRICA

Independent examiner's report to the trustees of Building Schools For Africa

I report to the charity trustees on my examination of the accounts of Building Schools For Africa (the Trust) for the year ended 31st March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
