YEOVIL TOWN COMMUNITY SPORTS TRUST LIMITED

REPORT OF THE TRUSTEES

The Trustees present their report, together with the unaudited financial statements for the year ended 30 June 2022 which are prepared to meet the requirements for a directors' report and accounts for Companies Act purposes. The financial statements comply with the Charities Act 2011, the Companies Act 2006 and the Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102).

The trustees report on the following:

PRINCIPAL ACTIVITIES

The principal activities of the company ('the charity's objectives') and objectives of the Trust are: "for the benefit of the public generally and in particular the inhabitants of Somerset and its surrounding area:

- To promote community participation in healthy recreation by providing facilities for the playing of association football and other sports capable of improving health:
- To provide and assist in providing facilities for sport, recreation or other leisure time occupation of such persons who have need for such facilities by reason of their youth, age infirmity or disability, poverty or social and economic circumstances or for the public at large in the interest of social welfare and with the object of improving their conditions of life; and
- To advance the education of children and young people through such means as the trustees think fit in accordance with the law of charity."

ACTIVITIES IN PURSUANCE OF THE OBJECTIVES AND PUBLIC BENEFIT

- Our objectives are met through high quality sports coaching and programmes that combine the promotion of sport, health and education.
- When planning our activities the trustees and management staff have considered the Charity Commission's guidance on public benefit and have ensured these principles are followed throughout our activities. In particular, we encourage the inhabitants of Somerset and its surrounding areas to:-
- "Promote community participation in healthy recreation capable of improving health" by after schools soccer coaching, holiday soccer schools, soccer development centres, supporting ladies and local amateur football teams.
- "Advancing the education of children and young people" by addressing numeracy and literacy and learning foreign languages through sport.

We are grateful for the continuing support of the National League Trust, The Premier League Charitable Fund, and our valued stakeholders.

ACHIEVEMENTS AND PERFORMANCE

PROMOTING COMMUNITY PARTICIPATION IN HEALTHY RECREATION

The Trust has encouraged children between the age of three and sixteen to participate in structured, professional coaching and physical activity sessions in a fun and safe environment across Somerset and Dorset.

Programmes include after schools coaching, breakfast clubs in local primary schools and our mini glovers sessions, working with children agreed 3 - 5 years of age. During the school holidays, our well established 'Soccer Schools' were also delivered at the Trust's facilities at the Alvington Sports Development Centre and attended by over 900 children aged 5 - 12.

YEOVIL TOWN COMMUNITY SPORTS TRUST LIMITED

REPORT OF THE TRUSTEES *continued*

Our Talent ID and Advanced Talent ID Centres which forms part of the Trust's football development programme continues to grow and provide opportunities for over 500 boys and girls aged 5 - 16 by providing structured football coaching with the opportunity for footballers with the skills and potential to progress into the Trust's Junior Premier League sides.

Our football development programme is expertly managed by a dedicated themed officer and a team of coaches. The Trust also entered six teams (U11's – U16's) into the Junior Premier League (JPL) for the 2021/2022 season. Our U15's squad were crowned Southwest Champions of their League, which saw them progress to the National Finals.

ADVANCING EDUCATION OF CHILDREN AND YOUNG PEOPLE

The Trust continued to deliver the Premier League Primary Stars programme. The programme connects learning to the real world of sport to enthuse pupils when tackling challenging topics. It is linked to the national curriculum and is available to every primary school in England and Wales by inspiring girls and boys aged 5 – 11 in the classroom, in the playground and on the sports field.

The aims of the programme are to: -

- enhance the knowledge, skills and confidence of teachers to improve delivery of PE and school sport.
- increase children's enjoyment, participation and skills in competitive and non-competitive sports and physical activity.
- Increase children's understanding of the personal skills and values needed to achieve their goals.
- enhance children's interest, understanding and confidence in English and
- support young people into further participation pathways in sport.

During the financial year, we worked with pupils who demonstrated an increased need to engage with a school-based intervention, such as PLPS, due to a combination of working below age related expectations, having a lack of self esteem/confidence as well as behavioural issues, which were even more exacerbated due to the Covid-19 pandemic.

We achieved this by using a range of inclusive tools and resources that addressed their needs as well as develop the confidence and resilience they need to succeed both academically and in life. We also wanted to ensure that the pupils were aware of how physical activity plays an integral part in their physical and emotional well-being.

Our delivery model for each of our partner schools was determined through comprehensive discussions with both school and delivery staff by considering the challenges they face within their school community and issues impacting them on a local level.

PE provision was delivered over a six-week period, working with targeted teachers identified as requiring additional support, with the aim of increasing both their confidence and knowledge, whilst giving them the tools to deliver both challenging and stimulating PE sessions for their pupils moving forward.

Staff delivered a variety of interventions using appropriate and inclusive resources and activities that would help address the challenges and issues within our partners schools. Working with cohorts and classes within our targeted demographics over a six-week period, engagement levels were assessed throughout via questionnaires and encouraging youth voice through individual/group feedback, which was used to improve/amend our delivery model accordingly.

YEOVIL TOWN COMMUNITY SPORTS TRUST LIMITED

REPORT OF THE TRUSTEES *continued*

We delivered a broad range of topics under the umbrella of PSHE/Anti-Discrimination which promoted healthy living, active lifestyles, community cohesion and inclusion. Staff ensured that sessions were age appropriate, delivered in a safe and welcoming learning environment and with appropriate learning objectives.

Education activations in English and Maths were held remotely at our parent club. English was delivered in partnership with local children's author Tamsin Cooke, who shared tips on writing with the pupils and encouraged them to think about how they would set a scene, create tensions and atmosphere. Maths targeted pupils making the transition from reception to year one as they were demonstrating a lack of fluency, reasoning and problem solving which was starting to have an impact on attendance.

Youth led Social Action was targeted at pupils in year five and focused on building positive character traits and skills. Pupils involved were those who would gain the most from the responsibility of being involved in Social Action and not necessarily those that would be the most capable.

The provision of multi-sport and healthy lifestyle activities were delivered in the form of football festivals, tournaments and sports days, giving staff the opportunity to engage with pupils who may not have had the opportunity to engage with us through targeted interventions/year group activity.

PUBLIC BENEFIT

The trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to guidance published by the Charity Commission.

FINANCIAL REVIEW

The figures for the year are detailed on pages 7 to 15. The total income was £182,370 which resulted in a deficit of £18,223. The fund balances at 30 June 2022 were £89,927 of this £51,773 is restricted.

Although it was another challenging year, the trustees consider the final position to be satisfactory.

The Trust would also like to thank its other key partners such as the National League Trust, The Premier League, Somerset FA and the wide range of schools the Trust works with through projects such as Primary Stars.

RESERVES POLICY

The charitable company's unrestricted reserves are represented, in the majority, by cash at bank and in hand. The company has been able to maintain sufficient reserves to date as a result of the continuing support of its main benefactor Yeovil Town Football Club. It is the policy of the company to maintain unrestricted reserves to an appropriate level to provide sufficient funds to cover an unforeseen event such as the loss of a source of grant income.

YEOVIL TOWN COMMUNITY SPORTS TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR TO 30 JUNE 2022

NOTE 1: BASIS OF ACCOUNTING

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR TO 30 JUNE 2022

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. The cost of raising and administering such funds are charged against the specific fund.

Further explanation of the nature and purpose of the nature and the purpose of each fund is included in the notes to the financial statements.

Going concern

These statements have been prepared on a going-concern basis.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write-off each asset over its estimated useful life:

- Fixtures and fittings 33% on cost - straight line
- Plant and machinery 20% on cost - straight line

Impairment of fixed assets:

At each reporting end date, the carrying amounts of its tangible assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in income/ expenditure for the year.
