CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2023

The chairman presents his statement for the year.

Under the leadership of a new Global CEO and with an expanded UK Board of Directors assembling a very capable, experienced and diverse group of individuals, FINCA UK devoted 2023 in great part to getting closer to the causes we support worldwide and to broadening the reach to a wider range of business and institutional prospective fundraising partners.

In addition to the funds raised during the year as reflected in the 2023 financial statements, these efforts have led to FINCA UK securing a GBP 1.5 million multi-year grant commencing in 2024 to back the development of a platform that will enable a more efficient, reliable and cheaper delivery of our microfinance suite of products in a number of African countries. It is a solution that, in due course, will be scalable and exportable and we are looking forward to enlisting additional partners in this venture.

FINCA today operates in 45+ countries and reaches 7.1 million individuals, either with financial products or with products and services delivered through our investee companies, supported by FINCA Ventures, mainly in the fields of global health, education, climate adaptation, agriculture and food security. FINCA UK is proud to be part of the FINCA family and the positive effect it has on a growing number of beneficiaries.

On behalf of the Board, I would like to extend our gratitude to all of our partners and supporters and to our hardworking team. We continue to make progress and look forward to a successful 2024. Thank you for your continued support.

OBJECTIVES AND ACTIVITIES

• Objects

The Charity's objects as set out in its Articles are as follows:-

THE FOUNDATION FOR INTERNATIONAL COMMUNITY ASSISTANCE (UK)

(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2023

1. The prevention and relief of poverty and distress,
2. The advancement of global health and nutrition,
3. The promotion of education, and
4. The protection and preservation of the natural environment.

In each case through the creation and development of lasting solutions to intractable social problems impacting the lives of low income individuals and families, and the communities in which they live.

• **Policies and objectives**

FINCA UK's mission is to improve livelihoods through sustainable market-based solutions with the power to radically transform the lives of disadvantaged people in low-income countries, enabling them to build assets, raise their living standards, and create jobs for their local communities.

FINCA does this by creating markets that offer excluded people, particularly women, new opportunities to access finance as well as life-enhancing products and services across clean energy solutions, water/sanitation/hygiene (WASH), education, health, agriculture, and financial technology (fintech).

• **Main activities undertaken to further the charity's purposes for public benefit**

FINCA UK provides public benefit by providing financial support and necessary grants to related organisations serving the advancement of its objectives, which are the provision of financial services and products to individual and groups of entrepreneurs and small scale businesses, enabling these businesses to start, grow, and diversify, resulting in increases in family income, nutrition, employment and well-being. Further, FINCA UK advances its charitable mission by providing financial support to related organisations that are working to provide sustainable long-term solutions to poverty that empower people to improve their own lives via access to non-financial goods that are critical for improving health and wellbeing, increasing productivity and alleviating poverty. This also includes supporting organisations that are working with various social enterprises to leverage the power of the private sector to reduce poverty in emerging markets around the world. FINCA UK also provides public benefit by supporting innovative solutions in off-grid energy, water and sanitation, education, health care and agriculture that address the challenges faced by vulnerable populations.

The Trustees have referred to the Charity Commission's guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. In particular the Trustees have considered how planned activities will contribute to the aims and objectives they have set.

ACHIEVEMENTS AND PERFORMANCE

Review of activities

Public Outreach

The objective of this activity was to raise awareness about the importance of financial inclusion, the benefits of social entrepreneurship and the need for venture philanthropy.

Fundraising

The activity aimed to raise funds in support of FINCA UK's focus programs: FINCA's network of microfinance banks and financial institutions across the world provide responsible financial services to low-income customers. We are guided by the belief that accessible and flexible credit, savings and other financial products are critical tools to achieving financial health. FINCA reaches more than 2.8 million customers and consistently delivers a double-bottom line of financial and social performance. FINCA UK also raises funds for other initiatives across the network. In far too many communities around the world, people lack more than just access to financial services. Many also lack access to electricity, clean water, reliable sources of food, and more. Eradicating poverty requires a multidimensional response to help marginalized communities build a real pathway out of poverty. That is why FINCA is now creating a community of entrepreneurs and social enterprises working to address the issues of financial inclusion, clean energy, education, water and sanitation, health, agriculture, and women's empowerment.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2023

Grants

The primary purpose of grant expenditure was to provide increased loan capital and fund capital expenses.

FINANCIAL REVIEW

- **Going concern**

The Trustees have reported that FINCA UK had unrestricted reserves of £14,103 at 31 December 2023. The Trustees have considered the cash flow forecasts, budgets and other financial projections including the support committed by FINCA International, Inc. and for this reason believe it is appropriate to adopt the going concern basis in preparing the annual report and accounts. Current projections are showing that FINCA UK will be in a strong position and is expected to meet all the outgoings. FINCA International has budgeted for providing intercompany support in 2024 if required.

- **Risk management**

FINCA UK's Board has overall responsibility for the establishment and oversight of the organisation's risk management framework. Resources and changes in management are considered to be the charity's principal risks and the Board, therefore, monitors these regularly to mitigate the potential operational impact by taking appropriate action where necessary.

- **Conflicts of interests**

The Board of Trustees is required to comply with its general duties and properly disclose any conflicts of interests that may arise in the course of performing its duties. Two members of the Board of Trustees serve as an officer of FINCA International and a Board member of FINCA International. The Board will consider these relationships in its management of FINCA UK. Where a conflict is declared or identified, the Trustees must declare a conflict of interest immediately and flag any possibility that personal or wider interests could influence decision-making by communicating in writing to the Chair of the Trustees, or in the case of the Chair having the conflict, to one of the other Members of the Board.

- **Principal activities**

Incoming Resources

In 2023 FINCA UK received £232,659 (2022: £328,661) of unrestricted funds, including donated or in-kind services, from its donors. In 2023, FINCA UK received support from FINCA International, Inc. Services, performed as part of the agency agreement between FINCA International, Inc. and FINCA UK, included management, accounting and marketing/communications services. This value from FINCA International has not been quantified for inclusion in the financial statements.

In 2023 FINCA UK received £69,750 (2022: £119,250) of donor restricted funds.

Cost of generating funds

In 2023 FINCA UK spent £66,949 (2022: £53,752) in fundraising costs, the majority being the cost of one staff member.

Charitable activities

In 2023, FINCA UK spent £261,401 (2022: £257,775) as directed program expenses in FINCA programmes. Included in unrestricted charitable activities expenditures are £37,175 (2022: £31,410) of support costs.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

PLANS FOR FUTURE PERIODS

• Future developments

Given that 2023 experienced similar results as in prior years, the Board continued on a strategy of developing new relationships with individuals who may become major donors, trusts and foundations and businesses as well as maintaining a minimum of expenses.

TRUSTEES' RESPONSIBILITIES STATEMENT

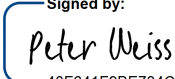

The Trustees (who are also directors of The Foundation of International Community Assistance (UK) for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS' REPORT

Independent examiner's report to the Trustees of The Foundation for International Community Assistance (UK) ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 31 December 2023.
Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

THE FOUNDATION FOR INTERNATIONAL COMMUNITY ASSISTANCE (UK)

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. General information

FINCA UK is a private charitable company, limited by guarantee, registered in England and Wales, registration number 06717649. The registered office is Lynton House, 7-12 Tavistock Square, London, WC1H 9LT. The charity is a Public Benefit Entity. Details of the company's operations and activities are set out in the Trustees' Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Foundation for International Community Assistance (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

It is the Trustees opinion that based on available reserves and forecast income that the charity will remain a going concern for at least twelve months from the date of approval of these financial statements and the going concern basis of preparation of the accounts continues to be appropriate.

2.3 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the Company's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Company which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

THE FOUNDATION FOR INTERNATIONAL COMMUNITY ASSISTANCE (UK)

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Foreign currencies

FINCA UK transacts business with FINCA International, Inc. as well as in foreign countries where its programs are located, using the local currencies of these countries. Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Balances denominated in foreign currencies at the balance sheet date are reported at the spot rates prevailing at that date. Accordingly, gains and losses from changes in exchange rates between the functional currency, and the currency in which the translation is denominated, are recorded as foreign currency transaction gains or losses, as appropriate, within the Statement of Financial Activities.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.8 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes.
