I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 05 / 2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

We also have a Child Protection Policy in place which is reviewed in accordance with changes and updates in legislation.

- **Youth Mentoring- On going –all year**

Every week, the Youths, in friendly and relaxed environment are mentored and tutored from a biblical point view on issues facing young people in this generation. Some of these issues of discussion focus on drugs, alcohol, sex and sexually transmitted diseases, peer pressure. Along with teaching them on spiritual matters, they are also encouraged by guidance and counselling, to pursue a fulfilling career/academic discipline in their area of strength. The youths are encouraged and supported to have freedom of expression. They usually have performances and presentations in drama and song, often reflective of what they had learnt and embraced in the previous months.

- **Statement of Trustees' Responsibilities.**

Trustees meet once every 3 month . Other meetings are scheduled as occasion demands.

Charity law in England and Wales requires that trustees prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charity and of its financial activities during the year and of its financial position at the end of the year.

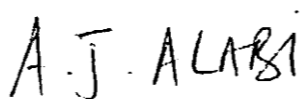

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act and Regulations.

They are also responsible for safeguarding the assets of the charity hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 05 / 2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Every week, the Youths, in friendly and relaxed environment are mentored and tutored from a biblical point view on issues facing young people in this generation. Along with teaching them on spiritual matters, they are also encouraged by guidance and counselling, to pursue a fulfilling career/academic discipline in their area of strength. The youths are encouraged and supported to have freedom of expression. They usually have performances and presentations in drama and song, often reflective of what they had learnt and embraced in the previous months.

The trustees have considered it prudent to establish and maintain a policy of unrestricted funds which are the free reserves of the charity to enable the smooth payment of running costs for the immediate future.

- **Risk Management**

The trustees have carried out a review of the major risks to which the church could be exposed and procedures have been implemented to lessen these risks where applicable. The risks and procedures are reviewed on an ongoing basis to accommodate changes in legislation in every area of our operations. The use of certified agents, liability insurances, monitoring new and updated legislative provisions are some of the steps that have been adopted.

- **Statement of Trustees' Responsibilities.**

Trustees meet once every 3 month . Other meetings are scheduled as occasion demands.

Charity law in England and Wales requires that trustees prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charity and of its financial activities during the year and of its financial position at the end of the year.

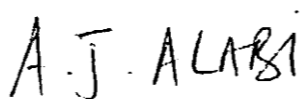

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act and Regulations.

They are also responsible for safeguarding the assets of the charity hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

- **Wednesday Bible Class /service. – On going all year.**

An interactive Bible study open to church members and the wider community, holds every Wednesday throughout the year except for the last Friday before Christmas. There is usually a question and answer session after the Bible study. Wednesday meetings take place at the church's North London premises. All our services are open to members of the community.

- **Sunday services – On going all year.**

Sunday services take place at the church's North London auditorium which accommodates the adult church and the various age-directed children's classes. The building is within walking and driving distance of the local community we serve in the London area. All our services are open to members of the community.

Exodus International Christian Centre observes Holy Communion on the first Sunday of every month. All members of the congregation are enjoined to participate.

- **Children's Ministry and Crèche – On going- all year**

Periodically throughout the year, the children have presentations to the church in drama, songs and musical instrumentation. The team of workers and volunteers who oversee the Crèche and Children's ministry are C.R.B (Criminal Records Bureau) certified. We also have a Child Protection Policy in place which is reviewed in accordance with changes and updates in legislation.

- **Youth Mentoring- On going –all year**

Every week, the Youths, in friendly and relaxed environment are mentored and tutored from a biblical point view on issues facing young people in this generation. Some of these issues of discussion focus on drugs, alcohol, sex and sexually transmitted diseases, peer pressure. Along with teaching them on spiritual matters, they are also encouraged by guidance and counselling, to pursue a fulfilling career/academic discipline in their area of strength. The youths are encouraged and supported to have freedom of expression. They usually have performances and presentations in drama and song, often reflective of what they had learnt and embraced in the previous months.

- **Prayer & Fasting**

As a church, every Tuesday throughout the year is dedicated to prayer and fasting with a prayer meeting held for one hour in the evening at the Church's auditorium.

- **31st December 2022- Watch-night service & Testimony night**

The end of year celebration was marked with a concert by the church's choir, testimonies of victories over the year, the message for the New Year and a prayer session.

- **Growth & Expansion Strategy**

The major evangelical tools adopted by Exodus International Christian Centre are occasional adverts in the local newspapers, fliers distributed periodically within the local community and word of mouth. All our community participation and integration activities are employed as evangelical tools.

Trustees Report and Summary of activities - Year end 31st May 2023

- **Reserves Policy**

The trustees have considered it prudent to establish and maintain a policy of unrestricted funds which are the free reserves of the charity to enable the smooth payment of running costs for the immediate future.

- **Risk Management**

The trustees have carried out a review of the major risks to which the church could be exposed and procedures have been implemented to lessen these risks where applicable. The risks and procedures are reviewed on an ongoing basis to accommodate changes in legislation in every area of our operations. The use of certified agents, liability insurances, monitoring new and updated legislative provisions are some of the steps that have been adopted.

- **Statement of Trustees' Responsibilities.**

Trustees meet once every 3 month . Other meetings are scheduled as occasion demands.

Charity law in England and Wales requires that trustees prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charity and of its financial activities during the year and of its financial position at the end of the year.

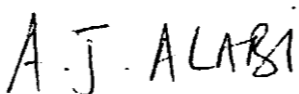

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act and Regulations.

They are also responsible for safeguarding the assets of the charity hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

- **Wednesday Bible Class /service. – On going all year.**

An interactive Bible study open to church members and the wider community, holds every Wednesday throughout the year except for the last Friday before Christmas. There is usually a question and answer session after the Bible study. Wednesday meetings take place at the church's North London premises. All our services are open to members of the community.

- **Sunday services – On going all year.**

Sunday services take place at the church's North London auditorium which accommodates the adult church and the various age-directed children's classes. The building is within walking and driving distance of the local community we serve in the London area. All our services are open to members of the community.

Exodus International Christian Centre observes Holy Communion on the first Sunday of every month. All members of the congregation are enjoined to participate.

- **Children's Ministry and Crèche – On going- all year**

Every week, the children, in age directed classes, are taught on principles of life from a biblical perspective. They are free to express themselves and can explore and ask questions. Periodically throughout the year, the children have presentations to the church in drama, songs and musical instrumentation. The team of workers and volunteers who oversee the Crèche and Children's ministry are C.R.B (Criminal Records Bureau) certified. We also have a Child Protection Policy in place which is reviewed in accordance with changes and updates in legislation.

- **Youth Mentoring- On going –all year**

Every week, the Youths, in friendly and relaxed environment are mentored and tutored from a biblical point view on issues facing young people in this generation. Some of these issues of discussion focus on drugs, alcohol, sex and sexually transmitted diseases, peer pressure. Along with teaching them on spiritual matters, they are also encouraged by guidance and counselling, to pursue a fulfilling career/academic discipline in their area of strength. The youths are encouraged and supported to have freedom of expression. They usually have performances and presentations in drama and song, often reflective of what they had learnt and embraced in the previous months.

- **Prayer & Fasting**

As a church, every Tuesday throughout the year is dedicated to prayer and fasting with a prayer meeting held for one hour in the evening at the Church's auditorium.

- **31st December 2021- Watch-night service & Testimony night**

The end of year celebration was marked with a concert by the church's choir, testimonies of victories over the year, the message for the New Year and a prayer session.

- **Growth & Expansion Strategy**

Trustees Report and Summary of activities - Year end 31st May 2022

- **Reserves Policy**

The trustees have considered it prudent to establish and maintain a policy of unrestricted funds which are the free reserves of the charity to enable the smooth payment of running costs for the immediate future.

- **Risk Management**

The trustees have carried out a review of the major risks to which the church could be exposed and procedures have been implemented to lessen these risks where applicable. The risks and procedures are reviewed on an ongoing basis to accommodate changes in legislation in every area of our operations. The use of certified agents, liability insurances, monitoring new and updated legislative provisions are some of the steps that have been adopted.

- **Statement of Trustees' Responsibilities.**

Trustees meet once every 3 month . Other meetings are scheduled as occasion demands.

Charity law in England and Wales requires that trustees prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charity and of its financial activities during the year and of its financial position at the end of the year.

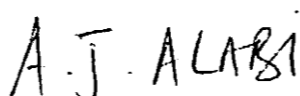

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act and Regulations.

They are also responsible for safeguarding the assets of the charity hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

EXODUS INTERNATIONAL MIRACLE CENTRE

England & Wales - Charity number 1127863

Accounts

Independent Examiner's Report to the Trustees
of Exodus International Christian Centre

I report on the accounts for the year ended 31 May 2021 set out on pages one to eight.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- a) examine the accounts under Section 145 of the 2011 Act
- b) to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- c) to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements

- a) to keep accounting records in accordance with Section 130 of the 2011

Act; and

- b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Every week, the Youths, in friendly and relaxed environment are mentored and tutored from a biblical point view on issues facing young people in this generation. Along with teaching them on spiritual matters, they are also encouraged by guidance and counselling, to pursue a fulfilling career/academic discipline in their area of strength. The youths are encouraged and supported to have freedom of expression. They usually have performances and presentations in drama and song, often reflective of what they had learnt and embraced in the previous months.

Trustees Report and Summary of activities - Year end 31st May 2021

- **Reserves Policy**

The trustees have considered it prudent to establish and maintain a policy of unrestricted funds which are the free reserves of the charity to enable the smooth payment of running costs for the immediate future.

- **Risk Management**

The trustees have carried out a review of the major risks to which the church could be exposed and procedures have been implemented to lessen these risks where applicable. The risks and procedures are reviewed on an ongoing basis to accommodate changes in legislation in every area of our operations. The use of certified agents, liability insurances, monitoring new and updated legislative provisions are some of the steps that have been adopted.

- **Statement of Trustees' Responsibilities.**

Trustees meet once every 3 month . Other meetings are scheduled as occasion demands.

Charity law in England and Wales requires that trustees prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charity and of its financial activities during the year and of its financial position at the end of the year.

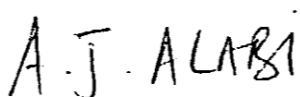

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements ;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act and Regulations.

They are also responsible for safeguarding the assets of the charity hence taking reasonable steps for the prevention and detection of fraud and other irregularities.
