Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	The charity is governed by a constitution adopted 24 September 2008. There are no amendments.
How the charity is constituted (eg. trust, association, company)	The charity is constituted of members of the charitable unincorporated association governed by the above constitution.
Trustee selection methods (eg. appointed by, elected by)	In accordance with the constitution the charity trustees (with the exception of the minister) are drawn from the membership of the Church. The trustees are appointed by the Church members by secret ballot at Church Member's Meeting. The trustees are collectively known as the Diaconate and, along with the Minister, are responsible for the day to day running of the Church's work and witness, and the financial and legal aspects of the charity.
You may choose to include additional information, where relevant, about: - policies and procedures adopted for the induction and training of trustees; - the charity's organisational structure and any wider network with which the charity works; - relationship with any related parties; - trustees' consideration of major risks and the system and procedures to manage them.	Additional governance issues (Optional information) Members of the Church are accepted in accordance with the constitution which requires them to be or to have been publicly baptised on the profession of faith in Jesus Christ, or following other modes of profession of faith in Jesus Christ. Members and non-members are invited to attend Church Meetings which normally take place six times a year to consider and review matters associated with the life of the church. Relevant matters may be submitted to the Church Meeting by the trustees for guidance, or may be raised by members in the Church Meeting for further consideration by the trustees. Though the constitution permits decisions to be made at the Church Meetings by appropriate majorities, the Church seeks to work by consensus wherever possible. Only church members may vote at these meetings.
	A Church Annual General Meeting is held each year for the Church to receive annual accounts and reports, to consider the strategy and vision of the church in the coming year, and other appropriate matters. Only church members may vote at this meeting.

Summary of the objects of the charity set out in its governing document

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The principal purpose of the Church is the advancement of the Christian faith according to the principles of the Baptist denomination. The Church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world.

In striving to achieve the principal objective set out above, the Church provides a variety of activities both to the membership of the Church and to the wider community. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

The trustees when planning the activities for the year have considered the Commissions guidance on public benefit, and in particular the specific guidance on charities for the advancement of religion. The activities undertaken in the year in furtherance of the principle objective include:

- Worship and prayer
- Youth and children's work
- Outreach
- Engaging with our community

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The work of the Church is dependent upon the efforts of the many volunteers drawn from the community of the Church. The Church would like to acknowledge this and thank the volunteers.

The Church is continually looking for opportunities to work with the local community, and hires the premises to. For example, a taekwando group, and a baby sensory group, as well as other local concerns.

The Church also makes donations to other charitable bodies and individuals in need of support. The finance for these donations is usually generated by special offerings at Christmas. Also a local charity is supported monthly.

The Christmas offerings are sent to 2 charities each year, suggested and decided on by members.

Summary of the main achievements of the charity during the year

Worship and prayer.

Central to the work and witness of the Church is the provision of regular public services of Christian worship. These services take place each Sunday at 10.30 a.m. There are also occasional services at other times which are advertised on the Church notice sheet, and Church website at www.kirbyfree.org, and on facebook. A regular service was held at a local care home until September 2024

The Church seeks to be a friendly and welcoming community. Services are open for all to attend and are usually well attended, though since 2021 numbers have been lower. Some services are more designed to attract those with young families. The Christmas & Easter Services are also particularly well attended as the Church family is joined by other members from the community.

The services are structured to meet the needs of a wide cross-section of the community. The Church also benefits from a Worship Group which enhances the services with music and prayer. Following the morning service refreshments are served, allowing all that attend to get to know others and be welcomed into the church community. Occasionally, breakfasts are held before morning services, and lunches after morning services, again giving the opportunity for fellowship for all that attend.

The Church started a number of small groups for the growth of faith and discipleship, in the homes of some members or in the church Living Room. All that attend Church are encouraged to join a home group. Details of these can be obtained from the trustees, or the Church administrator on request.

The well being of the Church family is also a key concern. The minister and deacons arrange for pastoral visits to church attendees in need of help..

Youth and children's work

A full programme of events for the young people and children of the Church and community has been held during the year. The work is dependent upon a small number of loyal, hard working leaders. The activities undertaken this year include:

Vision

Meets some weeks and involves a wide age range of children from toddlers to teenagers. The groups use teaching material for their studies from organisations such as the Scripture Union. The eldest group (the youth group) sometimes help prepare activities for the regular all children gathering. This year the children and young people have arranged presents for Mothering Sunday and Father's Day.

Saturday Craft Group

This takes place in the church building monthly on a Saturday afternoon. It aims to attract young families interested in the activities which take place- crafts, worship and refreshments.

Youth group

Youth is a house group for young people, held on Sunday evenings during term time. The group has now has a games time, and discussion and refreshments. This group is quite close-knit, but has attracted more teenagers recently due to the enthusiasm of a particular member.

In addition to the regular groups occasional events such as community projects and holiday clubs have also been held during the year. All events are open to the young of the church and the community.

Holiday at Home

A Holiday at Home event was held in July 2025, and elderly folk from the church and from the wider community spent 3 days doing activities, were entertained by a lady singer, and had a full day coach outing to a local attraction.

Outreach

Outreach is also a key component to the advancement of the Christian faith and goes hand in hand with the work of the Church in engaging with the community. The key activities undertaken include:

Supporting the work of Baptist Union Home Mission through communication and regular giving.

Groups from the Church also have held regular services for the residents of a local home for the blind, but this closed in September 2024. preliminary action was being taken to go to another home locally.

The Church also plays a very active part in Churches Together in Kirby Muxloe and Leicester Forest East. The meetings have been well attended with good representation from each Church. This year the Churches have worked together on many joint activities for the local community including:

- Conducting united services

- Holding joint Lent groups.

- Supporting community events such as the annual Kirby Fun day.

Engaging with our community

This is also a key component to the advancement of the Christian faith and a major part of the Church's vision. This aim is being met by a variety of activities to forge and strengthen bonds of friendship such as:

Friends & Neighbours

A group that meets on the first Thursday of the month, and meetings are always well attended. Each afternoon begins with a time of devotion led by our president or a committee member. This is followed by the guest speaker and time for refreshments and fellowship.

Carpet Bowls

The group continues to grow and now has a good number of members. The group meets on Friday afternoons for a light hearted game of carpet bowls with much frivolity and laughter, accompanied by tea and biscuits.

Walking in Good Company

This group meets monthly to enjoy varied walks in town & country. The group always welcome new walkers, and attract some who do not attend the church services. The walks are not very demanding and end by sharing lunch at a local pub

Holiday at Home

A 3 day event was held in July with food and entertainment for about 14 elderly guests.

Knitting and Crochet Group.

During the year a weekly knitting and crochet group has continued, with one aim of providing items for donation to charity.

Events

In addition to the regular meetings the Church has also arranged a series of events during the year to encourage ties with the community. These events have included visits by the Saltmine Theatre Group and participating in the Kirby Village Fun day and scarecrow event.

Community Initiatives

Local schools are always key to the life of the local community, and the Church is keen to support this work. This is achieved in a variety of ways including visiting, taking school assemblies and talking to the children and arranging events.

The Church also hosts a coffee drop-in weekly on a Thursday morning. This is open to anyone in the community, but is mainly attended by attendees of the church.

Additionally the Church premises are used by a variety of local community groups including a dance group, a slimming group, and a table tennis club. Interest in using the premises has also been shown by other local societies.

The Church works to continually improve and maintain the premises. The Church remains very active, there being currently about 50 members.

Section E

Financial review

Brief statement of the charity's policy on reserves

The reserves of Kirby Muxloe Free Church are held in the BU Loan account. This supports the work of other Baptist Union Churches thus furthering our charitable objectives. In addition, it gives us a competitive rate of interest.

Our policy is, as far as possible, to retain a minimum of two months income as reserves for emergencies; such as repairs to the fabric of the building or other unforeseen events. In addition we need to maintain a cash float sufficient to cover the period between annual Gift Aid receipts.

Over the period 2023-2024 our reserves were adequate to cover these two requirements.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

the charity's principal sources of funds (including any fundraising);

how expenditure has supported the key objectives of the charity;

investment policy and objectives including any ethical investment policy adopted.

Financially, activities are largely supported by regular weekly and monthly offerings. During the year the Church faced the challenge of donations and legacies reducing by a small amount, and an overall loss of £1385. There is sufficient income to meet all running costs.

The aim of the church is to bring the saving knowledge of the Lord Jesus Christ and to evangelise.

The Minister receives a stipend and expenses to lead the members in fulfilling our aim. In July 2025 the minister changed to part-time working, alongside a prison chaplaincy post. The stipend represents the single largest expense with manse and ministerial expenditure representing approx 44% of total expenditure.

Supporting church activities, including worship, youth work, events, equipment and the maintenance of the church buildings amounted to approx 33% of total expenditure.

Gifts and grants to sister organisation's in the Baptist Union and other charities amounted to 7% of total expenditure.

Depreciation and other expenses amounted to 2% of total expenditure.

Communication and Administrative expenses were 8% of total expenditure.

Treasurer's Annual Report for the Year to 30th September 2025

In the year to 30 September 2025, offerings are down on last year by about 7.6%. However, to maintain at least matching income with likely increases in expenditure, at least an increase in individuals' giving by the rate of inflation would be helpful.

Finances have been much helped by significantly increased amounts during the year from groups hiring the premises, a result of advertising availability in the past. While these payments are gratefully received, they cannot be relied upon to be indefinite.

Giving by church members and our wider congregation in offerings was £43246. Offerings for the Christmas and offer appeals were £1,902. Gifts and donations amounted to £2,946.

The Gift Aid tax rebate is a major contributor to our income. I would urge all tax payers to consider allowing us to claim this in respect of their offerings to the church. This year we have been able to claim £11,783.

Our mission giving was £3,240 to the Baptist Home Mission Fund and £3,280 to the Baptist Missionary Society.

The Minister receives a stipend and expenses and we employ an Administrator and Caretaker.

The bottom line is that we have a deficit of £1,385.

We can be thankful that we have always had sufficient funds to pay our bills. Although, it has to be said that what we can do is now firmly constrained by our income. In view of the continuing decline in offerings and an offer from the Prison service; the leadership recommended and the church voted in favour of allowing our minister to split his time 50/50 between KMFC and Chaplaincy. His stipend from the church has been reduced prorata.

I am grateful to those who count the weekly offerings, and to the other signatories to the church bank accounts. This include David McPhail, who has again been a great help to me during the year.

Thank you all for your support.

Independent Examiners report to the Trustees of the

Kirby Muxloe Free Church

I report on the accounts of Kirby Muxloe Free Church of Main Street, Kirby Muxloe, Leicester, LE9 2AN for the year ending 30th September 2025.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The church's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - keep accounting records in accordance with section 130 of the 2011 Act, and
 - prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met or
- 2) to which, in my opinion, attention should be drawn in order to enable understanding of the accounts to be reached.

1. Accounting Policies

a. Basis of preparation

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to the accounts. The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014.

b. Funds

Endowment Funds: are the capital of which must be maintained; only income arising from investment of endowment may be used as restricted or unrestricted funds depending on how the endowment was originally set-up.

Restricted Funds: represent donations for a specific object or invited by the Trustees for a specific object. The funds may only be expended on the specified object for which they were given. Any balance remaining at the end of the year must be carried forward as a balance on that fund.

Unrestricted Funds: are the *general funds* which can be used for any purpose

Designated Funds: are sums set aside out of general funds for specific designated purposes. They can be transferred back to general funds at any time.

c. Donations

Donations are accounted for gross when received.

d. Legacies

Legacies are accounted for when their receipt is certain and can be properly quantified.

e. Investment Income

Investment income is included in the accounting year in which it is receivable.

f. Grants payable

The Church makes grants to other organisations whose charitable objects complement its work (for example, BMS and Home Mission). They are accounted for in the year in which they are paid.

g. Governance Costs

This represents direct expenditure on the governance of the Church. Most of the management is carried out without charge by volunteers. This intangible cost is not included in the Statement of Financial Activities, since there is no measurable cost for the volunteers' service.

h. Fixed Assets

The church premises are included in the balance sheet at market value, based on a valuation in December 2016. The manse premises are stated at conservative market value.

Tangible assets costing less than £800 are written off as expenses.

i. Depreciation

Depreciation has not been charged on the Church or the Manse premises (11 Barns Close, Kirby Muxloe, Leicester), because in the opinion of the Trustees, the residual value of the asset is worth not less than the value stated in these accounts.

Depreciation on other fixed assets is calculated to write off the cost on a linear basis over the expected useful life. The rates used are:

- Furniture and fittings 10% per year
- Audio Visual Equipment 20% per year
- Computers and equipment 33% per year

j. Analysis of Income and expenditure.

Each heading in the Statement of financial activities is itemised by nominal fund in the Analysis of Income and Expenditure section.

13. Pensions

The Old Defined Benefit Plan

The old Baptist Ministers' Pension Scheme ("the Ministers' Scheme") was a multi-employer defined benefit scheme, which is funded and not contracted out of the state scheme. The Scheme started in 1925 and was closed on 31st December 2013. It has the Pension Scheme No 101395759. We paid contributions for several minister over this period.

To limit further liability to churches resulting from the defined benefit nature of the defined benefit scheme, it was decided to draw a line under the defined benefit scheme on the 31 December 2013.

The church has an on-going liability to contribute towards the old scheme. This liability to pay shortfall contributions represented 12% of pension contributions per year. We received notification from the Baptist Union that the performance of the scheme has been more successful than hoped and the deficit has been cleared much earlier than planned. As a result, the additional payment ceased in 2024.

The Current Defined Contributions Scheme

The Church is an employer participating in a pension scheme known as the Baptist Pension scheme. The *Minister* is members of this scheme.

The church pays 10% of pensionable stipend towards benefits into the new plan for the *minister*.

Pension Contributions

Due to the nature of the scheme, the profit and loss charge for the period represents the employer contribution payable. The total pension cost for the Church was £3,996.00 (2024 £3,627.00).

14. Related charities

The custodian Trustee of the church is the Baptist Union Corporation Limited which is charity number 249635, and which is controlled by the Baptist Union Council. The church is also a member of the Baptist Union of Great Britain, and the East Midlands Baptist Association. The church made a donation to the Baptist Union Home Mission Scheme and Baptist Missionary Society as set out in note 3.

15. Reserves Policy

The reserves of Kirby Muxloe Free Church are held in the BU deposit account. This supports the work of other Baptist Union Churches thus furthering our charitable objectives. In addition, the proceeds of a legacy remain in our main bank account pending use on charitable activities.

Our policy is, as far as possible, to retain a minimum of one months' income as reserves for emergencies; such as repairs to the fabric of the building or other unforeseen events. In addition we need to maintain a cash float sufficient to cover the period between annual Gift Aid receipts.

Over the period 2025-2025 our reserves are adequate to cover these two requirements.

16. Going Concern

The church remains a going concern with a good level of cash balances in both the current account and reserves held in the BU savings account which provide a buffer should unforeseen expenditure arise. There is a general concern in falling membership which is having an impact on church income, this is still sufficient at present to cover church expenses and bills. To ensure that this continues, the minister is now working 50% of his time for the church and receives a stipend pro-rata.

Independent Examiners report to the Trustees of the

Kirby Muxloe Free Church

I report on the accounts of Kirby Muxloe Free Church of Main Street, Kirby Muxloe, Leicester, LE9 2AN for the year ending 30th September 2025.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The church's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - keep accounting records in accordance with section 130 of the 2011 Act, and
 - prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met or
- 2) to which, in my opinion, attention should be drawn in order to enable understanding of the accounts to be reached.
