Objectives and aims

The Object of the charity is to provide guidance and support to individuals who have been affected by mental ill health. The service extends to their families and friends. Through time tabled activities the organisation offers an opportunity for individuals to develop social networks, build confidence and self esteem and learn new skills.

ACHIEVEMENTS AND PERFORMANCE

Chairs report for 2024-25

Our trustee team has remained stable and we continue to look for more volunteers with specific skill sets to strengthen the team. Following the year end, the trustee roles have changed due to the departure of the chair but the trustee team managed the transition smoothly.

Whilst our staff team is always subject to some fluctuation due to funding, the majority of it has now remained constant for a number of years.

We have made good progress with key initiatives aligned with the strategic and operational plans and continue to have a positive impact on those who use our services.

Our tenancy team, funded by Supporting People, continues to provide a key role to our service users and consequently will still receive funding in 2025/26.

We still have the National Lottery funding to continue our very successful 'My Whole Life' project up to April 2027.

We continue to provide training for Public Health Wales and continue to deliver training to private organisations.

Our contract to provide counselling for ABUHB is secured up to April 2026 and we continue to provide placements student counsellors as part of this service.

During the year over 700 people within Caerphilly received support from Caerphilly Borough Mind, but we are aware that there are more people who need help. We continue to drive our mission to support everyone in Caerphilly Country Borough who experiences a mental health issue.

Thanks to the team for another strong performance this year, further advancing and stabilising our organisation for the future. We look forward to the Quality Review that is due within the next 12 months to further help us develop and thrive.

FINANCIAL REVIEW

Principal funding sources

During this period, the organisation's principal source of funding has been through a variety of grants. These include; Caerphilly County Borough Council, WCVA, Local and National Mind, Aneurin Bevan University Health Board, Moondance Foundation and the Big Lottery.

All expenditure has supported the organisations key objectives.

Reserves policy

Due to the precarious nature of funding for not for profit organizations, the Trustees have established a formailised reserve policy. For 24/25 this has been set as £195,376. Actual free reserves are short of this target being £166,722. Every effort will be made to to secure additional funding in the upcoming year to again increase the levels further.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Caerphilly Borough Mind is a company limited by guarantee with no share capital. The organisation is governed by our Memorandum and Articles of Association (as amended on 2nd February 2016).

Recruitment and appointment of new trustees

New Trustees are invited to attend Trustee meetings and are guided through their role by their fellow Trustees. There are also opportunities to attend Mind Cymru events with Trustees from other Local Mind Associations (LMAs).

Organisational structure

Caerphilly Borough Mind is governed by a Board of Trustees who are also the directors of Caerphilly Borough Mind. The board sets the strategic direction of the organisation and guides the Director of Operations (who is also the Company Secretary) to manage the day to day running of the charity. The board works through the Director of Operations to see that all the necessary rules, procedures and personnel are in place to ensure they can successfully implement the strategic plan. The Trustees aim to meet 12 times each year on the second Monday of every month.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
CAERPHILLY BOROUGH MIND

Independent examiner's report to the trustees of Caerphilly Borough Mind ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CAERPHILLY BOROUGH MIND**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 31 MARCH 2025**1. ACCOUNTING POLICIES****Organizational status**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The organisation is a company, registered in England & Wales, limited by guarantee and a registered charity. The directors are the trustees and they form a board of trustees which sets the strategic direction of the charity and monitors the performance of the organisation against its goals. The aims and objectives and rules for governance are set out in the charitable company's Memorandum and Articles of Association.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The following specific policies are applied:

Voluntary income received by way of grants, gifts or donation is included in full on receipt unless it is subject to a condition when it is treated as deferred income.

Deferred income: Income or grants received in advance are held as deferred income and carried forward to future accounting periods to be released when the defined purposes of the work or project have been completed, approved or certified.

Gifts in Kind are included in the income and expenditure account where they are applied in carrying out charitable activities, where the company would otherwise have to purchase the donated facility and the benefit is both quantifiable and material. the quantifiable benefit is shown as both incoming and expended resources within the appropriate funds. Where the gift is an asset it is treated as income and taken to stock or fixed assets as appropriate. The value of services provided by volunteers is not quantified.

Investment income is included when receivable.

Trading income is recognised when earned.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Expenditure includes any VAT which cannot be fully recovered.

Costs of generating funds include the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

CAERPHILLY BOROUGH MIND**NOTES TO THE FINANCIAL STATEMENTS - continued**
FOR THE YEAR ENDED 31 MARCH 2025**1. ACCOUNTING POLICIES - continued****Expenditure**

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes the costs that can be attributed directly to those activities and those costs of an indirect nature necessary to support them.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Fixtures and fittings	- 20% on cost
Computer equipment	- 33% on cost

Tangible fixed assets are included in the balance sheet at historic cost less accumulated depreciation. Grant receipts which fund fixed asset acquisitions are taken to restricted funds and the appropriate depreciation charge is made against those funds over the expected useful life of the asset.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Going concern

Given the nature of the organisation, there are always concerns over future funding. However, the organisation is constantly pursuing alternative sources of funds and are confident that these funds will be identified and secured.

Given this, the financial statements have been prepared on a going concern basis.

Leased assets

Fixed assets acquired under finance leases are included in the balance sheet at historic cost less accumulated depreciation. The present value of future rentals is shown as a liability. Interest payable in each period is charged as an expended resource in proportion to the amount outstanding under the lease. Operating lease rentals are charged as expended resources as incurred.

Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price.

Ex-Gratia Termination Payment

Termination benefits are payable when employment is terminated by the Charity before the normal retirement date, or whenever an employee accepts voluntary redundancy in exchange for these benefits. The Charity recognises termination benefits when it is demonstrably committed to either

(i) terminating the employment of current employees according to a detailed formal plan without possibility of withdrawal or (ii) providing termination benefits as a result of an offer made to encourage voluntary redundancy.

Funds Released to Partner Organisations

Where the organisation is a "fund holder", funds are only released to partner organisations when it has been agreed that all project delivery aims have been achieved.

Funds**Restricted funds**

Restricted funds represent balances held to fund future projects where the resources have been received and are required by the donors to fund a specific project.

Transfers between funds

Transfers between funds arise where unrestricted funds have been used to fund shortfalls in restricted projects. The free reserves are available to provide funds to cashflow projects funded on a retrospective basis and are available with the approval of the trustees to fund any expenditure on projects or expenses which fall within the organisations general aims and objectives. They are accumulated in accordance with the reserve policy as stated in the Trustee Report.

During the year, the trustees decided that previously held designated unrestricted funds were no longer needed to be identified separately and so a transfer was made to release those funds back to General Reserves.

Designated funds

Designated funds represent the amounts set aside to write down the remaining net book value of fixed assets held against unrestricted funds.

Activities undertaken within each major restricted fund

The restricted funds of the charity have been applied during the year or are held for future expenditure in the following area:

Supporting People

The CCBC Supporting People Programme has the primary aim to deliver housing related support to people with low level mental health issues.
