## CO-CHAIRS' REPORT FOR THE YEAR ENDING 31 MARCH 2023

---

We would like to thank Elfed, our Director of Services, the rest of our staff and our volunteer for their continuing hard work and dedication, and for continuing to adapt to new ways of working, whilst providing a professional and comprehensive service for our service users.

As is usual with all organisations we have welcomed new members of staff and we would like to thank those who have moved on and wish them well.

In 2022-2023 we continued to provide a community-based service for Conwy and Denbighshire which is funded by the Betsi Cadwaladr University Health Board.

We continue to provide an IMHA service for both formal and informal patients within inpatient units across the whole of North Wales. We also have advocates working in the IMHA service in Powys.

Our IMCA service also now extends across the whole of North Wales.

We also provide Young Peoples' advocacy across Denbighshire. The tender for this service will be out later in 2023.

We employ Relevant Person Representatives for IMCA which is still a fast-growing part of our organisation, but with changes in legislation, this will have an impact on our provision of this service in its present form.

All our advocates are formal advocates, in whichever part of the service they work.

We still continue to receive large numbers of referrals for the community service which are triaged by a dedicated staff member. This has greatly shortened the waiting list for this service.

Elfed has provided a written report in which he will expand on future developments and direction.

We continue to look for new trustees, which is an ongoing process.

As with all third sector organisations we have to continue to compete for and seek out funding opportunities for mental health advocacy projects.

Most of our current funding is secure at present and successful tendering for the IMHA and IMCA services has resulted in a significant expansion of activities from April 2022.

As co-chairs we would like to reiterate our thanks to all our staff, volunteer and fellow board members for all their continuing hard work, support and commitment shown over the last year which enables us to deliver a first class, professional service for our Service Users.

Anne Dennis and Jenny Gilmore  
Co-Chairs CADMHAS

## **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023**

---

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023.

### **REFERENCE AND ADMINISTRATIVE DETAILS**

Vanessa Hughes-Fowell  
Verity Brown – started 02.01.2023

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The charity is controlled by its governing document, its Memorandum and Articles of Association, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

### **Recruitment and appointment of new trustees**

Prospective trustees are recruited and identified by word of mouth or by prior knowledge having come into contact with them previously in the work arena or by promotion of the post. The prospective board member will be invited to a number of board meetings as an observer and if mutually agreed then the appointment will be voted on by the board.

### **Induction and training of new trustees**

New trustees are provided with copies of all policies, procedures, the governing documents and other relevant material. New trustees are offered mentoring by an experienced trustee. Specific training needs are identified. All trustees have ongoing training on their roles and responsibilities.

### **Organisational structure**

The trustees delegate responsibility for the day to day running of CADMHAS to the Director of Services.

### **Related parties**

Due to the nature of the charity's operations and the composition of the board of trustees it is inevitable that transactions will take place with organisations in which a member may have an interest. All transactions involving organisations in which a trustee may have an interest are conducted at arm's length. The charity has a Declaration of Interest policy. All trustees must declare an interest if a related party transaction occurs.

### **Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems have been established to mitigate those risks.

### **Public benefit**

As trustees we will give due consideration to the Charity Commission's requirements for reporting on the public benefit of our activities.

## **OBJECTIVES AND ACTIVITIES**

### **Background**

Work to establish the Conwy & Denbighshire Mental Health Advocacy Service (CADMHAS) began in 2006 with a number of interested and committed individuals working together to draft what was to be a successful service proposal. Recruitment of the staff of CADMHAS began in January 2007 with the first members of staff coming into post in the spring of that year. CADMHAS became operational as a service on June 1st 2007. Since then CADMHAS has continued to grow now employing over 40 members of staff and running several different projects including: in Conwy and Denbighshire Community Mental Health Advocacy; North Wales Independent Mental Health Advocacy and Independent Mental Capacity Advocacy; Relevant Person Representative and Litigation Friend Service; in Denbighshire only Young People's Advocacy; and in Powys Independent Mental Health Advocacy.

### **Mission Statement**

To be the leading voice for adults and young people with mental health issues across Wales.

### **Aims**

CADMHAS will strive:

To be a supportive and independent voice for all service users.

To provide a high quality, instructed advocacy service, safeguarding the individual's rights and choices.

To ensure that all people experiencing mental health issues have access to a free and confidential advocacy service and, wherever possible, the service is to be provided in the language and location of their choice.

To be a place where talented individuals want to work and achieve their career goals in advocacy.

### **Objectives**

To speak up alongside mental health service users enabling empowerment and independence.

To support service users in challenging discrimination and unfair treatment.

To be an organisation continually informed by service user input.

To recruit talented individuals and encourage and support them in their training and professional development.

To have continual and regular review of the organisation's policies and procedures.

To ensure robust financial management systems are in place in order to maintain the viability of the organisation.

### **Values**

CADMHAS will maintain its structural and operational independence from any other direct service provider but will work collaboratively with those who support its aims.

The organisation applies the following core values in all of its undertakings:

Quality – We relentlessly strive to do our best for our service users, colleagues and ourselves.

Integrity – We are transparent, honest and act with integrity at all times.

Autonomy – the right to self-government.

### **Acknowledgements**

CADMHAS has over 300 organisations listed on its database with whom we are in contact during the year for support and services in connection with our work. The list is too long to include

here but we would like to thank them all for their continuing support. We would like to draw attention to the list below and thank them especially for their funding, support and services during the past year:

Ad Hoc Accountancy Services  
Betsi Cadwaladr University Health Board  
Citizens Advice Denbighshire  
Conwy Voluntary Services Council  
Denbighshire Local Authority  
Gwynedd Local Authority  
Ynys Mon Local Authority

Flintshire Local Authority  
Wrexham Local Authority  
3<sup>rd</sup> Avenue Creative Solutions  
Denbighshire Voluntary Services Council  
Lloyds Bank Foundation  
Powys Teaching Health Board  
Wales Council for Voluntary Action

## **DELIVERING PUBLIC BENEFIT**

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's objectives and aims and in planning the charity's future activities. All the charity's activities focus on the provision of advocacy and are undertaken to further CADMHAS's charitable purposes for the public benefit.

## **ACHIEVEMENTS AND PERFORMANCE**

### **Charitable activities**

April 2022 saw a significant change to our organisation following the successful applications for the North Wales Independent Mental Health Advocacy and Independent Mental Capacity Advocacy. Where previously we had provided these services in Conwy and Denbighshire, from April 1<sup>st</sup> we provided the service for the whole of North Wales. We were fortunate enough to be able to TUPE over some excellent and experienced advocates from the teams that previously provided the service in Gwynedd and Ynys Mon in the west and in Wrexham and Flintshire in the east. We also carried out a recruitment drive during the year and were joined by several new advocates who joined our apprenticeship scheme.

As has previously been highlighted in our charity's activity report, training is an important element in supporting our team. When an advocate joins us, they have to go through a rigorous induction that gives them the relevant background to our organisation but also helps to install the ethos of our organisation - that of giving the people we support a voice, empowering them to have a say in issues that are affecting them and providing possible options for dealing with their issues.

Once our new trainee advocates complete the induction and complete their probation period, they are then enrolled on to our apprenticeship scheme. The course they attend is a City & Guilds Level 4 Independent Advocacy Practice. As part of the course, they will:

- attend a one day per month tutorial with Gower College.
- have a monthly one-to-one session with their tutor.

- attend a mandatory monthly peer group meeting where they will share experiences and learning practices with their fellow apprentices.
- through the 18-month period of their training, be able to take off one day paid leave to complete assignments.
- be mentored by an experienced advocate and learn first-hand how to practice as an advocate by carrying a case load of clients.

As well as being successful in obtaining the IMHA and IMCA service for North Wales, we again retained the IMHA service for Powys and continued to provide the Community Mental Health Advocacy service in Conwy and Denbighshire, the Young People's Advocacy in Denbighshire as well as the Relevant Person Representative and Litigation Friend Services in Denbighshire and Conwy.

The grant funding we gratefully received from Lloyds Foundation came to an end in the summer of 2022, but the experience we gained from this project is invaluable and it clearly demonstrated that there is a gap in service for people who are placed in a psychiatric unit and have issues maintaining their accommodation or dealing with financial issues whilst in the unit. Hopefully the experience can be used in developing similar services in the future when the community projects are retendered.

Covid brought in a change in working practices where all staff had to work from home during the lock down periods. Like all organisations CADMHAS is no different in having to adjust to the new way of working. A strategic but also financial decision was made not, in light of our expansion, to open new offices across the new region where we would be delivering our services, but rather to continue with one main office for staff to hold face-to-face group meetings or to hot desk on occasions; their day to day administrative work would continue to be carried out from a home base. The levels of referrals we received due to the increase in the geographical area and population size took some time for us to adjust to, but our team demonstrated that they were up to the task through a strong combined effort.

Below is the level of referrals we received during the year with previous year comparison:

IMCA North Wales = 551 (Conwy and Denbighshire 2021-22 = 293)

IMHA North Wales = 1097 (Conwy and Denbighshire 2021-22 = 364)

IMHA (Powys) = 218 (2021-22 = 186)

Community (Conwy and Denbighshire) = 222 (2021-22 = 245)

Younger People Advocacy Service (Denbighshire) = 24 (2021-22 = 23)

RPR Service = 212

Litigation Friends = 9

Specialised Community Project (for patients based in mental health units in Conwy and Denbighshire) = 63 (2021-22 = 83) This project came to an end in August 2022.

The feedback from the people we support and professionals continues to demonstrate the valuable work our team carries out with people across all our projects as demonstrated in the example of comments below:

- Advocate A was lovely and very supportive.
- CADMHAS advocacy service is good.
- I am very pleased with the support I had from my advocate. Wouldn't of (sic) managed without.
- Lovely team. Very helpful.
- Advocate B was so calm and softly spoken. She was so easy to speak to. I found her very helpful.
- I would like to say how lovely Hilary is. She very helpful as is Janene who first helped but still in not at all good state of mind or physically. Hilary did her best, only it was council whom not replying to Hilary, bless her.
- Advocate C was amazing. She was easy to talk to and understood me (I find it hard to put my words together). I have problems getting my point across. I have found myself in deep doo doo (sic) because people can't comprehend what I am trying to say. This normally happens when people don't listen and cut across my conversation. I tend to get flustered and anxious. Advocate C listened.
- Advocate C was absolutely awesome in both advising me and listening to me. We worked together to resolve issues that I am now benefiting from.
- She has done all she could but still in same position. I feel that she helped but medical professionals ignored.
- Advocate D is an amazing advocate and I would love to work with her again. Very attentive, kind and caring.
- Advocate E has been an amazing help and support.
- Am satisfied with the service provided by the IMCAs and the reports they complete. This is a valuable service in the DoLS process.
- It was a pleasure working with Advocate F who understood P's needs and challenged appropriately and with sensitivity in what was a complex and challenging case for SSD. Having an IMCA involved was beneficial to demonstrate that P's views, wishes and feelings were documented and represented as there is potential for challenge on this in the future by family members. It was beneficial for me to work alongside an IMCA whose views supported my assessment and gave weight to important decisions affecting the rest of P's life. The outcome was very positive for P who has moved to appropriate accommodation that better meets her needs.
- Very good IMCA report and great help in the process. The IMCA did her job very professionally and greatly supported P. We agreed a new placement for him which will allow him to increase his independence.

## **FINANCIAL REVIEW**

### **Results**

The Statement of Financial Activities for 2022-23 shows that a surplus arose on unrestricted funds of £30,773 during the year. At the end of the year the total net assets of the charity were £288,460. £138,157 of these related to restricted funds and £150,303 to unrestricted funds, with £47,600 of the latter designated to provide for potential liabilities should the charity be

required to wind up in full or in part. The trustees will be looking to set aside a further proportion of unrestricted funds to meet potential redundancy costs in the future.

### **Reserves policy**

The charity recognises and accepts its responsibilities as a charity, limited company and employer to protect the financial viability and continuation of the organisation. In accordance with good practice (eg. Charity Commission and NCVO recommendations) it is agreed that monies are allocated towards a reserve. The purpose of maintaining adequate reserves are:

- to ensure cash flow (eg. cover delays in revenue funding).
- to cover unforeseen circumstances.
- to provide the opportunity to attract/identify alternative funding should existing funds be subject to cutbacks.
- to ensure that should funding cease, the organisation would be able to fulfil all of its financial and legal obligations when wound up.

The board will review the level of the reserves annually. Unless and until otherwise agreed, the organisation will endeavour to maintain a minimum reserve equivalent to the current three months running costs of the organisation, and endeavour to increase this amount to the equivalent of six months running costs.

### **Going concern**

Although conditions continue to be challenging for the charity, as for many Third Sector organisations, the board have reviewed the current position and future plans. In light of this information they have concluded that the going concern basis of accounting continues to be appropriate and continue to adopt this in preparing the financial statements.

### **Principal funding sources**

Principal funding sources for CADMHAS include the following:

Welsh Assembly Government via BCUHB (and initially via Unllais until June 2021) as lead agent for the North Wales Independent Mental Health Advocacy (IMHA) Service and the North Wales Independent Mental Capacity Advocacy (IMCA) Service - for the provision of the statutory IMHA and IMCA services. Following the fact that Unllais ceasing trading, the funding via BCUHB was transferred directly to CADMHAS until the tender process for the services could be completed in March 2022.

Welsh Assembly Government via Powys Teaching Health Board for the Powys Independent Mental Health Advocacy (IMHA) Service.

BCUHB for the Conwy and Denbighshire Community Mental Health Advocacy Service for the provision of advocacy for those who require mental health support in the community.

Denbighshire County Council via Denbighshire Young People's Project as lead agent to provide advocacy for those receiving support from the Families First Project.

Lloyds Bank Foundation to provide support for service users based in mental health units in Conwy and Denbighshire.

Funding for the Relevant Person Representative and Litigation Friend Services is done on a case by case basis by the responsible funding authority in England and Wales.

## **FUTURE DEVELOPMENTS**

At CADMHAS we recognise that face-to-face meetings with the people we support is a vital and important element of the work we provide, but since Covid we have also realized that the people we support want various ways to contact us and have the opportunity to use different methods of communication. We will continue to work with the people we support in making the service accessible through different channels and our Communication Officer will continue to develop our website into becoming a more interactive site.

We have continued over the last eighteen months to strengthen our management team. It is not only important for us to have a strong team that can support the advocates in their work but also to encourage progression through training and achievement. We now have in place two Senior Advocates supported by five Deputy Senior Advocates as well as an Office Manager.

Training remains a key element in developing a team that is knowledgeable and benefits the people we support. We have taken a number of new advocates onto our apprenticeship scheme and even though it is a rigorous training schedule and does test the capacity of the new recruits to learn not only through academic studies but also in case work, the advocates we have recruited have stepped up to the challenge and are progressing well. As well as the new advocate upskilling through the apprentice scheme the management team have been on a Level 4 Diploma in Management course. The two Senior Advocates have completed the course and two Deputy Senior Advocates have started the qualification with the remaining Deputy Senior Advocate starting the same qualification within the next 12 months.

We will be looking at new and different methods of working in the future. The Duty role is one that hopefully will be expanded as more and more authorities appear to want a frontline advocacy provision but also a way of signposting and supporting people in the right direction of support and then providing low level advocacy to make sure they have a voice in that process.

In this challenging financial climate, we will continue to look at how we can better utilize our resources, minimize costs ensuring as much of our finance as possible goes into frontline services.

## **RESPONSIBILITIES OF THE TRUSTEES**

The trustees (who are also directors for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the charity and of its income and expenditure for the financial year. In doing so, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;

- state whether applicable accounting standards and statements of recommended practice have been followed; and
- prepare the accounts on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the trustees have taken advantage of the small companies' exemptions provided by section 415A of the Companies Act 2006.

Approved by order of the board

A handwritten signature in dark ink, appearing to read 'H E Williams', followed by a long horizontal line.

H E Williams  
Company Secretary  
16 October 2023

**Report of the Independent Auditors to the Members of  
Conwy and Denbighshire Mental Health Advocacy Service (CADMHAS) Limited**

**Opinion**

We have audited the financial statements of Conwy and Denbighshire Mental Health Advocacy Service (CADMHAS) Limited (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatement in the financial statements may not be detected, even though the audit is properly planned in accordance with ISA (UK).

We obtained an understanding of the legal and regulatory frameworks applicable to the charity and the industry in which it operates through our general commercial and sector experience and discussions with management. We determined that the following laws and regulations were most significant: The Companies Act 2006, FRS 102 the 'Financial Reporting Standards applicable in the UK and Republic of Ireland' and relevant UK tax legislation. In addition, we concluded that there are certain laws and regulations that may have an effect on the determination of the amounts and disclosures within the financial statements such as Health and Safety laws and regulations.

We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur. Audit procedures performed by the engagement team included:

- Discussions with management, including consideration of known or suspected instances of non-compliance with laws and regulations or fraud;
- Obtain an understanding of the internal controls that management have in place to prevent and detect fraud;
- Challenging assumptions and judgements made by management in its significant accounting estimates;
- Reviewing the financial statement disclosures and assessing the appropriateness of the accounting policies used;
- Identifying and testing journal entries, in particular manual or unusual entries;
- Obtaining third party confirmations of all the company's banking arrangements;
- Performing analytical procedures to identify any unusual or unexpected relationships;
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting.

The assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's knowledge of the industry in which the client operates and understanding of, and practical experience with, audit engagements of a similar nature and complexity through appropriate training and participation.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment.

Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

#### **Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Conwy and Denbighshire Mental Health  
Advocacy Service (CADMHAS) Limited**

**Notes to the Accounts  
for the year ended 31 March 2023**

**1 Accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. They have been applied consistently during the period.

**a Basis of preparation**

The financial statements have been prepared in accordance with the Companies Act 2006 and the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102 (effective January 2019)', and the Financial Reporting Standard 102 (effective January 2019) and on the going concern basis. Assets and liabilities are initially recognised at historical cost value unless otherwise stated in the relevant accounting policy.

The figures in the accounts are rounded to the nearest £ and the presentational currency is sterling.

The charity meets the definition of a public benefit entity under FRS 102.

**b Fund accounting**

- Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
- Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
- Designated funds are unrestricted funds earmarked by the board of trustees for particular purposes.

**c Income recognition**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably. The following specific policies are applied to particular categories of income:

- Donations are included in full in the Statement of Financial Activities when receivable.
- Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by the Board of Trustees has not been included.
- Investment income is included when receivable.
- Income from grants or contracts, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

**d Expenditure recognition**

Expenditure is recognised on an accruals basis when a liability is incurred. Expenditure includes any VAT which cannot be recovered, and this is included as part of the expenditure to which it relates.

**Conwy and Denbighshire Mental Health  
Advocacy Service (CADMHAS) Limited**

**Notes to the Accounts  
for the year ended 31 March 2023 (continued)**

**d Expenditure recognition (continued)**

- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both the direct costs and support costs relating to such activities.
- Staff costs and overhead expenses are allocated to activities directly when identifiable; central office and other support costs borne centrally are allocated to activities on a basis consistent with the use of resources.

**e Operating leases**

Rentals payable under operating leases, where substantially all the risks and rewards of ownership remain with the lessor, are charged to the Statement of Financial Activities in the year they fall due.

**f Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation. Items costing £1,000 or more are capitalised at cost.

Depreciation is provided at the following annual rate in order to write off each asset over its estimated useful life.

<i>Asset Category</i>	<i>Annual rate</i>
Fittings and equipment	25% straight line

**g Fixed asset investments**

Investments are initially recognised at their transaction value and subsequently measured at their market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

**h Pensions**

The charity contributes to defined contribution pension schemes on behalf of some employees. The assets of these schemes are entirely separate to those of the charity. Contributions payable to the scheme are charged to the Statement of Financial Activities in the period to which they relate.

**i Company status**

The charity is a company limited by guarantee. In the event of the company being wound up, the liability in respect of the guarantee is limited to £5 per member of the company.

**j Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. As such, the trustees continue to adopt the going concern basis in preparing the financial statements.

**Conwy and Denbighshire Mental Health  
Advocacy Service (CADMHAS) Limited**

**Notes to the Accounts

**Conwy and Denbighshire Mental Health  
Advocacy Service (CADMHAS) Limited**  
**Notes to the Accounts**  
**for the year ended 31 March 2023 (continued)**

**6 Net income/(expenditure) for the year**

This is stated after charging/(crediting):

	<b>2023</b>	<b>2022</b>
	<b>£</b>	<b>£</b>
Auditor's remuneration (audit only)	2,520	-
Depreciation	4,173	5,629
Amortisation of grant	(1,943)	(1,943)
	<u>2,520</u>	<u>3,686</u>

**7 Trustees' remuneration, expenses and related party transactions**

There was no trustees' remuneration during the year (2022 - £nil).

Trustees' expenses totalled £153 (2022 - £47).

Due to the nature of the charity's operations and the composition of the board of trustees it is possible that transactions will take place with organisations in which a trustee may have an interest. All transactions involving organisations in which a trustee may have an interest are conducted at arm's length.

The charity has a policy that all trustees must declare an interest if a related party transaction occurs.

**8 Staff costs**

Staff costs during the year were as follows:

	<b>2023</b>	<b>2022</b>
	<b>£</b>	<b>£</b>
Wages and salaries	670,915	377,373
Social security costs	57,466	24,265
Pension costs	25,225	15,130
Travel costs	37,978	7,010
	<u>791,584</u>	<u>423,778</u>

The average number of employees during the period was as follows:

	<b>2023</b>	<b>2022</b>
	<b>No.</b>	<b>No.</b>
Management & administration	4	2
Advocates	28	18
	<u>32</u>	<u>20</u>

No employees received emoluments exceeding £60,000 per annum.

**Conwy and Denbighshire Mental Health  
Advocacy Service (CADMHAS) Limited**

**Notes to the Accounts**  
**for the year ended 31 March 2023 (continued)**

**9 Fixed assets: tangible assets**

	<b>Fittings &amp; equipment £</b>
<b>Cost</b>

**\*Designated fund**

The designated unrestricted reserve is to provide for potential liabilities arising should funding be withdrawn and CADMHAS be required to be wound up. Amounts have been set aside to meet possible redundancy costs arising in the future and significant expenditure relating to the charity's infrastructure and business premises.

**Conwy and Denbighshire Mental Health  
Advocacy Service (CADMHAS) Limited**

**Notes to the Accounts  
for the year ended 31 March 2023 (continued)**

**15 Analysis of net assets between funds**

Fund balances at 31 March 2023 are represented by:

	<b>Restricted funds £</b>	<b>Unrestricted funds £</b>	<b>Total £</b>
Tangible fixed assets	-	4,861	4,861
Fixed asset investments	-	55,438	55,438
Net current assets	138,157	91,946	230,103
Deferred income	-	(1,942)	(1,942)
	<hr/>	<hr/>	<hr/>
