OBJECTIVES

The objective of the organisation is to provide schooling for children in national curriculum subjects.

Asset cover for funds

The assets of the trust meet the charity's obligations on a fund by fund basis.

Reserves Policy

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets. It is the policy of the charity to maintain free reserves at a level considered adequate to provide sufficient funds for approximately two months unrestricted expenditure to cover cost of the activities for charitable objectives and management and administration costs.

Risk Management

The Trustees have reviewed the affairs of the charity and do not consider that there are major strategic, business and operational risks which the charity faces.

Statement of trustees' responsibilities

The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On accounts for the year ended	1 April 2022 to 31 March 2023	**Charity no (if any)**	1128594

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓

		Yes	No	N/a
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓		
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓		
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.		✓	
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	✓		
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	✓		

2.4 ASSETS

			Yes	No	N/a
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least	£100			
	They are valued at cost.		✓		
	The depreciation rates and methods used are disclosed in note 9.2.				
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5				✓
	They are valued at cost.				✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.				✓
	They are valued at cost.				✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.				✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments				✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.				✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.				✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.				✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.				✓

Current asset investments

The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.

The Trustees have reviewed the affairs of the charity and do not consider that there are major strategic, business and operational risks which the charity faces.

Statement of trustees' responsibilities

The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On accounts for the year ended	1 April 2021 to 31 March 2022	**Charity no (if any)**	1128594
Set out on pages	1-44		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓

		Yes	No	N/a
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓		
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓		
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.		✓	
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	✓		
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	✓		

2.4 ASSETS

			Yes	No	N/a

The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.				✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments				✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.				✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.				✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.				✓

Trustees Report 2

TRUSTEES

Mr C Jassal
Miss B Demise

OBJECTIVES
The objective of the organisation is to provide schooling for children in national curriculum subjects.

Asset cover for funds
The assets of the trust meet the charity's obligations on a fund by fund basis.

Reserves Policy
The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets. It is the policy of the charity to maintain free reserves at a level considered adequate to provide sufficient funds for approximately two months unrestricted expenditure to cover cost of the activities for charitable objectives and management and administration costs.

Risk Management
The Trustees have reviewed the affairs of the charity and do not consider that there are major strategic, business and operational risks which the charity faces.

Statement of trustees' responsibilities
The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report to the trustees/ members of	Charity Name Cherry Hill School Trust Ltd		
On accounts for the year ended	1 April 2020 to 31 March 2021	**Charity no (if any)**	1128594
Set out on pages	1-44		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2021.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓

Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓

		Yes	No	N/a
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	✓	✓	✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	✓	✓	✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓	✓	✓
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓	✓	✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓	✓	✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	✓	✓	✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	✓	✓	✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓	✓	✓
Deferred income	No material item of deferred income has been included in the accounts.	✓	✓	✓
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓	✓	✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	✓	✓	✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	✓	✓	✓

The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.		✓	✓	✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments		✓	✓	✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.		✓	✓	✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.		✓	✓	✓
