Dance Blast

Report of the Trustees for the Year Ended 31 March 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives

To advance education for the public benefit by the promotion and teaching of the arts, in particular but not exclusively the art of dance.

To provide and assist in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age or economic or social circumstances or for the public at large with the object of improving their conditions of life.

OBJECTIVES AND ACTIVITIES

Activities

In planning our activities for the year we kept in mind the Charity Commission guidance on public benefit at our trustee meetings.

The main objectives and activities for the year continued to focus on providing opportunities in the community for people of all ages and abilities to experience and participate in arts activities, predominately dance activities. The strategies employed to assist the charity to meet these objectives included the following:

Regular Classes:

Dance Blast provided the following range of regular activities at The Dance Centre in Abergavenny and in outreach sessions in Chepstow and Monmouth for all ages and abilities.

11 weekly open access dance classes for children from 3yrs to 18. Creative and Street Dance.

3 weekly dance classes for disabled young people aged 5 plus and 13 plus.

6 weekly Aerial classes for young people 8 yrs plus

9 weekly Dance and Fitness classes for Adult: Street Dance, Zumba, Dance Fit, Floorwork, Yoga & Ballroom.

1 Aerial class for adults

A weekly Tea Dance for older disabled adults and those living with Dementia

4 weekly dance classes for disabled adults

An average of 300 participants per week took part in these open access weekly sessions

In addition to these regular classes our dancers enjoyed additional workshops provided and funded by Northern School of Contemporary Dance & Richard Chappell Dance Company

Holiday classes:

Dance Blast provided 2 weeks of Holiday activities in Dance and Aerial Circus in the Summer of 2022

Accessibility & Inclusion:

Disability Access: We continue to provide dance and aerial circus sessions in our programme that are particularly suitable for disabled participants with additional support in the room.

We endeavour to provide adequate support for any participants with additional needs to join in our open access classes. In particular by using adult volunteers and our more experienced youth dancers in supporting roles.

We continue to offer a Zoom option on 3 of our danceability classes for participants who are unable to come into the studio.

Older participants: Dance Blast provides fitness classes particularly suitable for active older adults as well as a weekly class for older disabled adults and people living with Dementia. We work in partnership with 4 individual care homes in the area who transport dancers to The Dance Centre for classes. During 2022/23 Dance Blast provided a Floorwork class particularly aimed at older people as a fun activity to promote fitness but also to help prevent future falls amongst participants.

Boys Dance: In the Autumn of 2022, recognising how difficult it can be for a young man to join a class of predominately young women dancers, Dance Blast reintroduced a 'Boys only' dance class to our timetable. This class is led by male dancers to inspire boys to dance.

OBJECTIVES AND ACTIVITIES

Performance Companies:

MYDC: As with other organisations in our field, we have yet to recover fully from the effects COVID has had on our participant numbers. In 2022/2023 Monmouthshire Youth Dance Company consisted of one class of 12 young people aged between 10 and 13 yrs. Due to the young age of our dancers, MYDC has no dancers training with National Dance Company of Wales Associates this year. MYDC supports and nurtures young, talented dancers in the Monmouthshire area. It provides opportunities for young dancers with an interest in contemporary dance to develop key dance and performance skills through weekly sessions, master classes and performance possibilities. MYDC continues to work with Kim Noble as their regular choreographer.

MCDC: MCDC is well established now as the sister company to MYDC. MCDC meets regularly at our Abergavenny base with 12 regular participants. Our 3 Chepstow based members join us in Abergavenny for special projects when the cost of transport is available. Sarah Rogers, Artistic Director, Ransack Dance company joined us as our MCDC choreographer in the Autumn of 2022.

MYCC: In the Autumn of 2022, Dance Blast launched Monmouthshire Youth Circus Company. A performance company for our most experienced young aerialists aged 11 plus to build their confidence and learn the skills required to create good quality contemporary circus. This new company performed their first piece 'Otter' using Aerial skills, movement and text at the Dance Centre in February 2023 for a sharing of the 3 companies' current work.

Circus City: Members of MYCC were fortunate to take part in the Circus City residential youth weekend in Swansea, January 2023. This involved staying on site in a circus setting with other youth circus groups from across Wales, while enjoying a range of circus workshops from circus professionals in a variety of disciplines. The company performed excerpts of 'Otter' in a full-sized circus tent.

Re-Ignite project: Dance Blast was fortunate to receive further funding from the Arts Council of Wales for a yearlong project. We returned to CultVR in June 2023 for a performance by MYDC and MCDC. Both companies enjoyed working together to create 'Crash Landing' with Gary & Pel Dance Theatre company, a combination of Dance Theatre and film. In addition to this MYDC performed 'All Aboard' choreographed by the company with Kim Nobel and commissioned Faye Stoesser to choreograph 'Timekeeper'. MCDC commissioned Elle Lewis to choreograph 'Clearings'. This was the first time MCDC has worked with a dance practitioner who identifies as a disabled artist.

As in previous years, the participants in this project were directly involved in the selection process for the commissioned artists from shortlisting to audition and final selection.

This grant also included funds to launch and develop our new circus company MYCC.

Other performance opportunities:

All Dance and Aerial Classes across the timetable were given the opportunity to perform to family and friends in informal, Christmas showings at The Dance Centre and in outreach venues.

As was the case last year, The Borough Theatre was unavailable for Dance Blast's Summer Showcase. Investigations were made into other Theatres further afield. These were either not suitably accessible for our disabled dancers or not cost effective. As a result, several performances of mixed Aerial and Dance were shown at The Dance Centre over the last two weeks of the Summer term.

Future is Us project:

OBJECTIVES AND ACTIVITIES

Dance Blast worked in partnership with The Borough Theatre and Melville Centre for the Arts to deliver 'The Future is Us-A seat at The Table' project funded by The UK Government Community Renewal Fund. This project was devised to enable the young people of Abergavenny to have their say using a variety of artforms, including dance. It culminated in an outdoor performance in Linda Vista gardens.

Abergavenny Arts festival:

MYDC performed 'Timekeeper' at The Melville Centre for the Arts for Abergavenny Arts festival.

Events

Dance Blast used the ACW Night Out Scheme to host The Little Prince by Protein Theatre Company in March 2023.

FINANCIAL REVIEW

Principal funding sources

As expected, Dance Blast received a further cut in funding for our main funder Monmouthshire County Council.

We again received project funding from Arts Council of Wales for our youth and disability programmes, through the Re-ignite project.

2 new weekly hires of the building have increased our regular annual income by £2000 pa

Further smaller grants were secured from Tesco, Waitrose and Magic grants to support our disability programme and holiday projects.

Dance Blast received funding for the UK Government Community Renewal fund for its role in The Future is Us Project.

Adding these additional funds to our income from regular participants and hires, Dance Blast is therefore in a sustainable position for the coming year.

Reserves policy

Dance Blast had no formal reserve policy in the year 2022-2023. However, a new reserve policy was agreed in July 2023 committing to build and maintain a reserve amounting to 3 months of core costs.

The project was timetabled to start in April 2023 and will involve both MYDC & MYCC performing alongside students from Circomedia and professional artists. It will be co-directed by Kim Noble and Elle Kate.

Danceability development: To continue to develop the organisation's Disability Dance programme. Including working in partnership with 'Sparkle' to provide dance for disabled young people in their youth club

Older People: To continue Dance Blast's provision for older people and develop outreach to local care homes to engage those older people who are unable to travel.

To raise funds for and deliver a youth and disability development commissioning project that includes our new youth circus company for the first time.

To secure a stable funding base.

To seek performances opportunities for MCDC and MYDC.
