How the charity is constituted:	Catherington Nursery is a Company limited by guarantee, with 2 directors and 4 part time employees

Catherington Nursery has all the statutory required policies in place, this includes *Safeguarding children, Equality of Opportunity, Promoting Health and Hygiene, Employment, Health & Safety, Administration, Childcare Practice, Partnerships, Record Keeping*. These policies are kept at the Nursery and are reviewed and updated annually.

Objectives and Activities:

Catherington Nursery aims to:

- provide high quality care and education for children primarily below statutory school age.
- work in partnership with parents to help children to learn and develop.
- add to the life and wellbeing of its local community; and
- offer children and their parents a service that promotes equality and values diversity.

We ensure all parents have the right to be:

- valued and respected
- kept informed
- consulted
- involved; and
- included at all levels.

We aim to ensure that each child:

- is in a safe and stimulating environment
- is given generous care and attention, because of our ratio of qualified staff to children, as well as volunteer parent helpers
- has the chance to join with other children and adults to live, play, work and learn together
- is helped to take forward his/her learning and development by being helped to build on what he/she already knows and can do
- has a personal key person who makes sure each child makes satisfying progress
- is in a nursery that sees parents as partners in helping each child to learn and develop; and
- is in a nursery in which parents help to shape the service it offers.

At Catherington Nursery we maintain the ratio of adults to children that is set through the National Standards for Day Care. We also have volunteer parent helpers where possible to complement these ratios. This helps us to:

- give time and attention to each child
- talk with the children about their interests and activities
- help children to experience and benefit from the activities we provide
- allow the children to explore and be adventurous in safety.

Children start to learn about the world around them from the moment they are born. The care and education offered by Catherington Nursery helps children to continue to do this by providing all the children with interesting activities that are appropriate for their age and stage of development.

CATHERINGTON NURSERY

TRUSTEES' REPORT (INCORPORATING THE DIRECTORS' REPORT) FOR THE YEAR ENDED 31ST AUGUST 2025

For each area, the level of progress that children are expected to have attained by the end of the Early Years Foundation Stage is defined by the Early Learning Goals. These goals state what it is expected that children will know, and be able to do, by the end of the reception year of their education.

The *Early Years Outcomes* (DfE 2021) guidance sets out the likely stages of progress a child makes along their progress towards the Early Learning Goals. Catherington Nursery has regard to these when we assess children and plan for their learning. Our programme supports children to develop the knowledge, skills and understanding.

The guidance divides children's learning and development into seven areas:

EYFS divide these into three prime areas and four specific areas.

The three prime areas are the most crucial for a child's healthy development.

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development

The four specific areas detail the important skills a child will need to develop.

- Literacy
- Mathematics
- Understanding the World
- Expressing Arts & Design

Summary of main achievements of the charity for the year 2024-2025:

With continued support from our local authority, we identified our practice and have identified to plan activities with the children, based upon their interests, and what makes each child themselves.

Our environment, indoors and outdoors, is continually reflected upon, and enhanced with new resources. Which will ensure that our OFSTED remains at least - Good.

Staff have continued to enhance their knowledge and continuous professional development training. We fund all our courses independently.

Financial review:

We try to hold a reserve of approximately £10,000 to meet any unforeseen expenditure. Our main source of funds is received through Early Years government funding. We also receive fees from children that are not eligible for funding (funding is given to children in the term after their 2nd & 3rd birthday).

Once all running costs/expenditure have been paid, all remaining funds are used to provide the children with equipment and resources.

I report to the charity trustees on my examination of the accounts of the company for the year ended 31st August 2025 which are set out on pages 4 to 8.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Catherington Nursery is a charity limited by guarantee and incorporated in England and Wales. The registered office is Catherington Village Hall, Catherington Lane, Waterlooville, Hampshire, PO8 0TD.

Catherington Nursery meets the definition of a public benefit entity under section 34 of FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value, unless otherwise stated in the relevant accounting policy.

The principal objectives of the charity are detailed in the Trustees Report.

1.2 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (from October 2019) - Charities SORP (FRS102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

1.3 Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from investments is included in the year in which it is receivable.

1.4 Expenditure

Resources expended are recognised in the period in which they are incurred. Resources expended are allocated to the particular activity where the cost relates directly to that activity.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.5 Tangible Fixed Assets and Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures and Fittings	- 20% Reducing balance
-----------------------	------------------------

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

The charity's financial assets and liabilities consist of cash and cash equivalents, short term investments, trade debtors, trade creditors and accrued expenses. The fair value of these items approximates their carrying value due to their short term value. Unless otherwise noted, the charity is not exposed to significant interest, foreign exchange or credit risks arising from these instruments.

Term deposits of less than one year are classified as investments within current assets.

1.7 Deferred Income

Income is deferred where the charity is not yet entitled to the use of the resources. When the pre-conditions for use are met then the income is recognised.
