Financial Review

Review of the charity's financial position at the end of the period	Income has remained steady. Where possible members are encouraged to make offerings by standing order. At the end of the financial year the charity has approximately 7 months of reserves which is above the set objective.
Statement explaining the policy for holding reserves stating why they are held	We aim to hold in reserve sufficient money in our general funds to cover 2 to 3 months expenditure. The reason for this is twofold: (i) Expenditure is held in reserve as working capital to cover normal running costs and to meet emergency calls on cash; and (ii) Certain costs, including our assessment, are paid in advance – money is therefore spent in advance of being raised. To cover this, the church needs further funds in reserve. At 31st August 2024 our restricted funds stood at £50,037 with £44,022 as general funds. At 31st August 2024 our general funds represented 7 months of expenditure. Our restricted funds of £50,037 are held for the employment of pastoral/mission workers and property expenditure
Amount of reserves held	£44,022
Reasons for holding zero reserves	
Details of fund materially in deficit	
Explanation of any uncertainties about the charity continuing as a going concern
