## **TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 JULY 2025**

---

The trustees present their annual report and financial statements for the year ended 31 July 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

### **Objectives and activities**

The Charitable Company's objectives are stated as follows, as per a resolution dated 17th November 2008:

The relief of persons of all ages in the area of West Lancashire with learning disabilities or long term disabling conditions, and of their families and carers through the provision of independent supported living with a view to improving the quality of life and independence of those persons.

To advance the education of the public, particularly those affected directly or indirectly by the needs surrounding those with learning disabilities or long term disabling conditions, through the provision of information and advice regarding support and funding available, particularly relating to the government independent living fund and availability of PA/Care provision, with a view to improving the quality of life and independence of those persons.

The Charity are promoting the government led Big Society by designing a new model of Peer Support that will involve community led support. The Charity also have a presence on Facebook and engage in other social media to raise awareness.

The organisation has continued to support the user communities and empowered and enabled them to get their voices heard, so much so that we have found that people and third party sectors are approaching us upon recommendation.

Through their support and administration of the direct payments and individual budgets scheme locally, the Charity has helped improve the lives of over 153 individuals throughout the year, enabling them to live more independently and the trustees have been delighted to see the positive effect this has had on these people's lives. This includes the management of peoples benefits and managing cash balances due to individuals.

The Charity is very successful in promoting nationally, self directed support to enable people to self manage their care package.

The work of the Charity has been presented to other Counties, with others keen to learn from our model, its delivery and cost benefits.

Having updated our Fund Management Service to a web based service we have the opportunity to offer our fund management services to other areas of the Country.

The Charity have expanded their work on NHS Personal Health Budgets by providing a management service for people in Sefton, Liverpool and Lancashire with complex health needs. This helps patients get out of hospital as early as possible and have their treatment at home.

The Charity has become corporate appointees by DWP to support people with all disabilities who wish to live an independent life their own home/or supported living setting.

### **Volunteers**

The value of volunteers who contribute to the work of the Charity can never be underestimated. We rely heavily on volunteers for many aspects of our administrative work.

## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2025

### **Achievements and performance**

*Significant activities and achievements against objectives*

#### **Public benefit**

In meeting the objects of the charitable company the Trustees have had considered the Charity Commission guidance on public benefit and are satisfied that the activities undertaken during the year have provided significant benefit to the general public, particularly those who are involved with the local council's Direct Payment Scheme, as noted above.

#### **Financial review**

*Reserves policy*

The Trustees seek to maintain a level of reserves that will enable them to meet any liabilities incurred should the organisation need to cease - namely redundancy costs.

In addition to the above provision, in the day to day running of the organisation, it is necessary to maintain a level of reserves currently assessed at covering six month's unrestricted costs (£42,000 at current levels) for working capital. Actual reserves of £43,812 are currently above this level and Trustees will continue to review this on an ongoing basis.

The Charity continues to be run very efficiently with the minimum of overheads whilst further funding is secured. The trustees are well aware of their cost constraints and are mindful of the need to manage costs within their budget.

*Principal funding sources*

The charitable company's main funding was from payroll and administration fees received from Direct Payments.

*Investment policy*

The Trustees recognise the need to review on a regular basis the Charity's investments in accordance with its constitution and the need to build and maintain its reserves. When there are surplus funds, these are deposited in a high interest bank account to maximise the interest earned. This is regularly reviewed to ensure competitive rates are being applied.

*Major risks*

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

### **Structure, governance and management**

The charity is controlled by its governing document, a memorandum and articles of association, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr A Nixon

Mrs K J Clarke

*Recruitment and appointment of trustees*

New Trustees are appointed following discussion and agreement among the existing Trustees, taking account of their skills and experience matched with the needs of the Board at any given time.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF WEST LANCS PEER SUPPORT

---

I report to the trustees on my examination of the financial statements of West Lancs Peer Support (the charity) for the year ended 31 July 2025.

#### **Responsibilities and basis of report**

As the trustees of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 JULY 2025

---

#### 1 Accounting policies

##### Charity information

West Lancs Peer Support is a private company limited by guarantee incorporated in England and Wales. The registered office is Allied Business Centre, 1 Potter Place, Skelmersdale, Lancashire, WN8 9PH.

##### 1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Office furniture	25% on cost
Office equipment	25% on cost
Computers	33.33% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

#### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.
