Report to the Trustees on the activities of the charity:

The Trustees present the independently examined receipts and payments accounts of the charity on pages 3 and 4 in accordance with the adopted accounting policies, for year ending 31st August 2021.

The main sources of income to the fund are after-school clubs and fund raising events. These included things such as pizza and DVD nights, school disco's, mufti days.

The school fund is also used to collect income directly from parents (avoiding the use of cash and cheques) for areas and activities which fall within the school budget. Breakfast Club, Activity Hub, Nursery Lunch Club and trips are all services that fall under the community part of the school budget. This income (breakfast club, activity hub, nursery lunch club and trips) is recorded within the School Voluntary Fund but has a corresponding payment in the payments section of the accounts, therefore have a Nil effect on the overall balance of the fund. Money is transferred via cheque and is paid across to Buckinghamshire Council (school budget) throughout the year. At 31st August 2021 £14,339.40 was due to Buckinghamshire Council in respect of school budget share activities. This is shown within the statement of Assets and Liabilities and forms part of the Creditors figure within this statement.

Payments made from the fund include payment to the Drama therapist, expenditure in relation to fund raising events i.e. Entertainer for the school disco's, pizza for the pizza and DVD evenings. The independent examiner of the accounts will be paid £200 from the 2021/22 accounts.

The Trustees feel that the objects of the charity have been met and that the educational public benefit criteria have also been met.
