Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

UHST raises funds to support education in humanist schools in Uganda. Our funds go to schools that belong to the Uganda Humanist Schools Association: Isaac Newton High Schools at Kateera, Masaka, Mustard Seed High School, Busota, Kamuli, Katumba Parents Humanist Primary School, Bundibugyo, Kanungu Humanist Primary School, Kasese Humanist Schools. We also provide scholarships to allow bright but needy children to attend Humanist schools.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As in previous years, Uganda Humanist Schools Trust places considerable emphasis on keeping supporters informed about the progress of the schools.

We normally visit the schools each year and write detailed reports for donors. Covid prevented the visit in 2020.

By having a trustee on the Management Board of each school we are able to play a full role as partners in key decisions concerning the development and management of the schools.

We have improved the tracing of funds. We receive the accounts of the school board and can see that funds that we provide are properly recorded. Furthermore, from 2017, we receive school bank statements, so we can see where money is received and each time it is transferred e.g. to builders for construction projects. UHST employs an accountant in Uganda to produce audited accounts for the 4 schools in which we have a Director.

Our focus throughout has been on allocating funds so as to have the maximum impact of the quality of learning and the welfare of students and staff.

As reading is such an important skill we have been running a very successful Reading for Pleasure Project in the schools.

We have also promoted a Humanist Ethos Project to increase awareness of Humanist values and their application to the day to day operation of the schools, where discipline is based upon guidance and empathy and not on coercion.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

In 2020 our main achievements were to:

1. provide 120 scholarships to enable bright but needy children to attend the Humanist secondary schools.
2. To provide supplementary funds to help the schools through Covid, which raised school costs and reduced their income as children had long periods out of school.
3. We continued to promote independent learning by providing money for books, science and other learning materials.
4. Our provision of re-useable sanitary pads continued to maintain high level of participation by girls.
5. At Isaac Newton School we completed the construction of a new multi-purpose Hall.
6. At Mustard Seed School we completed the construction of a new boys' dormitory.
7. We made progress building new primary schools on safer sites for the communities of Katumba and Kanungu.
8. We provided funds for books and learning materials at the two primary schools and provided financial support.
9. Both secondary schools have shown substantial improvements in educational outcomes. They stand 5th in the ranking of 35 schools in their Districts. Isaac Newton School is 40th out of 3,600 secondary schools in Uganda measured by "value added" between primary leaving and O-level.

Section E Financial review

Brief statement of the charity's policy on reserves

We have brought target reserves down to £20,000 by making regular monthly transfers to schools. Reserves rise when we need to have funds to complete building projects.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

UHST funds come from public appeal. We have built up a loyal group of supporters, many of whom send us regular annual or monthly amounts by standing order.
