we have had not the best start of the year we have to rehome some of our rescued animals to other sanctuaries due to the loss of land as the owner had passed away they were rehomed to sanctuaries which the same values as ours. We have taken in many wild birds which were all have been released back into the wild. We have also lost some of our older sheep which is a sad loss. we have also further improved the animal housing fencing and continued to care for the animals in our care. we have had many volunteers offering there help over the year from an hour a week to being with us for the a day evey week

The sanctuary has just 10 regular volunteers.

The main source of funding is our charity shop in Rubery, Birmingham, manned totally by volunteers to fund the work of the sanctuary. We are enormously proud of them giving up their time to help the animals. Unlike the other local charity shops which are run by paid managers.

We also would like to thank the hands on volunteers who help with the daily care of the sheep,pigs,goats horses and donkeys and assorted poultry at the sanctuary.

**we have had a very positive year this time after the effects of covid we have rescued many animals this year including pigletts, sheep, chickens and wildbirds which many have been released back into the wild. we have also had a very large legacy which was left to the charity which means we can improve the animal housing and replace fenicng and continue to care for the animals in our care and many more that will come into our care. we have had many volunteers offering there help over the year from an hour a week to being with us for the a day ever week**

**The sanctuary has just 7 regular volunteers.**

**The main source of funding is our charity shop in Rubery,Birmingham,manned totally by volunteers to fund the work of the sanctuary.We are enormously proud of them giving up their time to help the animals.Unlike the other local charity shops which are run by paid managers.**

**We also would like to thank the hands on volunteers who help with the daily care of the sheep,pigs,goats horses and donkeys and assorted poultry at the sanctuary.**

The trustees meet four times a year at the sanctuary where the rescued sheep, pigs, horses, donkeys, goats and numerous poultry. Pet birds and injured wild birds.

Our role is to rescue and provide veterinary attention and a permanent home.

We also help school children and students who want to seek a careers in animal welfare and also give advice on animal health.

We also ensure that our policies are carried out and we make sure that the work of our charity is a valuable help for our animals.

We have taken in many animals and birds over the year from sheep goats and chickens many of them have been unwanted pets. As always we take in lots of wild birds which have been too young to leave the nest or have been injured which to our relief many of them have been released back into the wild.

This year has been very hard due to covid restrictions with not being able to fund raise the way we normally would we have been able to keep rescuing many animals and birds over the past year but some building repairs have been held up which will start early next year

The sanctuary has 8 regular volunteers and we have many volunteers that come as often as they can and we have work experience placements through out the year
