**CHORLEY UNITED REFORMED CHURCH CHARITY
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

This report includes information required by Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015).

ADMINISTRATIVE INFORMATION

Chorley United Reformed Church Charity is a local church of the United Reformed Church in Great Britain, and is a member church of the North West Synod of the Church. It was registered on 31 March 2009 as Charity Number 1128897.

Chorley URC Church is situated at 34 Hollinshead Street, Chorley, Lancashire PR7 1EP.

The members of the Elders' Meeting are registered as the charity trustees. Those who served from 1 January 2022 until the date this report was approved are:

Mrs Rees Ballard
Mrs Yvonne Barkby
Mrs Rachel Brown
Mr Brian Darbyshire
Mrs Fiona Hodson
Mrs Bernadette Phillips
Mrs Stella Kerr
Dr Grahame Barkby (Charity Commission contact for the period)
Mrs Kathleen Longton
Mr Ian McKendrick
Mrs Yvonne Meadley; resigned May 2022
Mr James Mawdesley; from January 2022
Mrs Marcia Pendlebury; from January 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

The activities of Chorley United Reformed Church are overseen by the Elders' Meeting of the Church in accordance with the provisions of The Structure of the United Reformed Church determined by the General Assembly of the United Reformed Church, and supplemented by the rules of Chorley URC Church. The governing document of the registered charity is a statement adopted by the Church Meeting on 1 February, 2009, which was reviewed and revised during 2017 and currently under further review.

The Elders' Meeting is responsible for the financial administration of the Church, and the care and maintenance of Church premises. The North West Synod of the United Reformed Church (URC) is now responsible for the maintenance of the manse. The Church Meeting (of all members wishing to attend) gives general guidance on the life and work of the Church. The Elders assist the Minister in the pastoral care of the church.

The members of the Elders Meeting are the minister in pastoral charge, Rev. Martin Whiffen, who was inducted in September 2011, and members of Chorley URC Church nominated and elected as Elders by the members of Chorley URC Church at a Church Meeting. Elders serve for 4 years, retire by rotation and are eligible for re-election. There is no limit on the number of consecutive periods of service. The members of the Elders' Meeting are the trustees of the registered charity during their period of service as elders unless they opt out or are ineligible.

The Elders are assisted in the administration of the Church, its property and its investments by committees established for Finance and Fabric. In line with the URC Model Trust, the URC "North Western Province Trust Company" act as custodian trustees on behalf of Chorley URC.

The Charity Trustees delegate to the Finance Committee the following tasks while maintaining responsibility for such:

- Overall management of the finances of the church within the agreed authority, financial limits and budgets.
- Monitoring/managing income and expenditure and making budget recommendations
- Proactively managing the church's investments within the investment objectives, delegated authority and financial limits agreed with the Charity Trustees.

The Charity Trustees delegate to the Fabric Committee the following tasks while maintaining responsibility for such:

- Managing the maintenance, upkeep and improvement of all church buildings and fabric within the delegated authority and financial limits agreed with the Charity Trustees.
- Managing the lettings of all church buildings.

The Elders' Meeting have met monthly and, in addition, if circumstances required such, meeting either face to face or on Zoom as circumstances permitted. The Finance Committee, including its Investment sub-group, and the Fabric Committees have met quarterly and, in addition, if circumstances required such. We have been able to monitor the church's investments and seek advice from the charity's financial advisers. The quarterly church meetings resumed in 2022, but the Annual General Meeting was been put back to 2023.

OBJECTIVES AND ACTIVITIES

As a local congregation of the United Reformed Church, Chorley United Reformed Church seeks to advance the Christian religion through its activities and the facilities offered to the community by its premises, described more specifically in its mission statement as:-

- *To reach out, speak out and gather in for Christ*
- *To be a centre of excellence in worship and praise*
- *To maintain and continue to develop the needs of our children and youth*
- *The Church with a heart in the heart of Chorley*

The Elders' Meeting is aware of the Charity Commission's guidance on public benefit in "The Advancement of Religion for the Public Benefit" and has regard to it in the administration of the Church.

The Elders' Meeting believes that, the Church provides benefit to the public by:

- *providing resources and facilities for public worship, pastoral care and spiritual, moral and intellectual development, both for the congregation and for anyone else who wishes to benefit from what the Church offers;*
- *promoting Christian values and service by members of the congregation to the community, for the benefit of individuals and society as a whole.*

Our Community Engagement Project and any activity arising from that are based on the following additional mission statement which supplements the above:-

To provide or facilitate the provision of services and activities that respond to and meet identified local community needs and that are delivered within premises that are fit for purpose, whilst maintaining an appropriate and contemporary place of Christian worship.

This project is on-going and further details of activity and progress during the year are outlined later in the report under the appropriate headings.

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

Worship and Prayer

The church has been blessed with some very talented and dedicated people who give selflessly of their time and expertise to ensure that the quality of worship and pastoral care continue. We have continued to offer our usual range of services during 2022 and the ceiling collapse in the revamped worship area of the church premises has been rectified. Our weekly online service remains freely available on You Tube, still being recorded on DVD's for house-

bound church members and, for those who don't have access to You Tube, delivered by hand if necessary.

We celebrated 5 baptisms and held 7 funerals in our church during 2022, but no weddings.

Mission and evangelism

Mission has progressed during 2022. As well as the weekly on-line services on You Tube continuing to which we continue to receive positive responses and resuming Café Church with its puppet ministry, our community worker continues to be busy during 2022 with The Meeting Place and The Repair Café, as expressions of our faith, demonstrating God's love for the community. The contract with Lancashire CC to run The Refugee/Asylum Seekers Centre ceased in December 2022, but the help that we provided by for the community through that facility has continued in other ways. All the community activities we provide are now known as The Hollinshead Centre and to assist in the co-ordination of those activities a Centre Manager was appointed at the end of 2022 with the assistance of a grant from Awards for All. This post is in addition to the Meeting Place Co-ordinator, appointed in 2021.

"Dreaming our Dreams" 2012 A vision for the next 5 years - and beyond

The targets we set out in that document under the headings of Worship, Mission/Evangelism, Caring/Service (both for the local community in liaison with outside agencies and for our own church family), and Learning are unchanged and will continue to be taken forward by the church as circumstances allow.

Church and manse buildings and fabric

To facilitate our objectives and activities it is important that we maintain the fabric of all the church premises, despite the events of the last 2-3 years. The North West Synod of the URC is now responsible for the maintenance of the manse.

This is the role of the Fabric Committee with their ongoing programme of preventative maintenance and improvements to the fabric and property, keeping within budgetary guidelines. However, in view of the proposed church development, only essential maintenance was carried out in 2021 and 2022. Both the gas and electric supply contracts continue to be monitored to ensure value for money.

The charity trustees are mindful that we should use our monies and assets wisely and effectively and not squander monies. They consider that the responsible use of our resources is still to develop on our present site to provide more flexible and versatile premises that are attractive, more efficient and ecologically and disabled friendly for the benefit of the community, while still providing premises that would be recognisable as a place of worship. This decision is unchanged from 2019. The Church Development Group continues to take this forward, but progress was limited by the impact of the Covid 19 pandemic and then a failed bid to the government's Levelling Up Fund by Chorley BC of which we were part. Alternative options are now being pursued.

Community care

The use of our school buildings, including the upgraded kitchen, by a varied number of organisations and community groups continues.

The possibility of potential partner local charities and organisations who have previously expressed an interest in working with us in the future will need to be clarified as we pursue further revamping of our premises.

In revisiting the needs of the local community by repeating the CEP during 2017, that report confirmed that very little had changed and most of those needs remained. In 2020 our researchers confirmed that this would still be the case, in fact even more so now, and so the need for the aforementioned community activities is even greater:

- The monthly Repair Café provides a free service for those on low incomes run with qualified registered trades people (volunteers), working on domestic appliances and within health and safety guidelines
- The Meeting Place provides a drop-in facility for the vulnerable and isolated in the community, 2 days a week with a part-time co-ordinator in post.
- The Refugee/Asylum Seekers Centre ran until the end of 2022 (see above).

The Meeting Place runs with the support of and in collaboration with the NHS and Chorley BC, including partnerships with their community and social prescribing teams, and other voluntary organisations such as Citizens Advice, as did The Refugee/Asylum Seekers Centre.

In addition, during 2022, The Meeting Place has attracted funding for what it provides for the community from Chorley BC's Household Support Fund.

All the community activities that we provide are now known as The Hollinshead Centre.

The Community Project Fund, now known as The Hollinshead Centre Fund, set up within the charity accounts, deals with the funding and expenditure of those activities and the accounts correlate expenditure with grants received. Those monies include grants from Chorley BC, Lancashire CC, Duchy of Lancaster, the North West Synod of the URC, National Lottery (Awards for All) and other organisations.

The Future

The worship space of our present premises continues to be a much more versatile and flexible space used by the community during the week.

We are now looking to revamp the present community buildings, seeking advice from the architects as to the possibilities and hopefully providing facilities equating to those that would have been provided by the previously proposed new build community centre. This would take account of the community facility provided by the revamped worship space and may lead to a new build.

Discussions on the future are on-going, taking appropriate professional advice and with the support of the North West Synod of the URC.

FINANCIAL REVIEW

Overview

The financial management structure under the overall management of the Charity Trustees/Elders with Finance and Fabric Committees continues to function well. This eases the day to day burden on the Charity Trustees/Elders for financial, property and investment matters and given them more time for pastoral activities and developing our vision for the future.

We believe that we have managed the church's financial activities in the last year well. Though we have an ageing church membership overall, the congregation and membership have been maintained. Church members and friends have responded in their giving to ensure that the charity's expenses were met.

To ensure that monies for church development are set aside from other income and expenditure, the Church Development Fund Account remains. The income to this fund from church members and regular worshippers reflects the confidence they have in the way forward. Equally to ensure that monies for the above community work are set aside from other income and expenditure, the Community Project Fund, now The Hollinshead Centre Fund, operates.

With the help of the NW Synod as above, we have still been able to meet all our expenses, but, as Notes 8 and 9 to the Financial Statements show, but our giving to varying charities and deserving causes continues, though reduced, totalling £2,224. In addition, there were some direct donations from fundraising activities that did not pass through the accounts.

Our investments took a hit in the last 2 years, but, working closely with our financial advisers, a recovery has been maintained.

In view of possible church developments as described earlier and the financial implications, the concerns that the Minster and Elders have around regular giving continue to be addressed with the membership and congregation and the TRIO material produced by the URC, which is based on proportionate giving, is available to us.

The church's contribution to the URC's Ministry and Mission Fund through the North West Synod of the URC was still the major item of expenditure for 2022 and will be for 2023. As the sum is calculated in arrears, there are fewer church members to raise that money, but any capital and capital assets for church development and donations/income for such and community projects are now ring-fenced and excluded from its calculation.

Expenditure for 2022 includes some expenses for the community worker, but the major expenses will be met centrally by the URC.

The full financial implications of church development on our present site cannot at this point be fully addressed, though the development team will be working on estimated costings as the project proceeds. If we find that the costings for any further community development are beyond what the charity can resource and put the charity's finances and activities in jeopardy, then the charity trustees will review the scope of that development and proceeding further, hopefully without losing key facilities for the community as far as possible. Major decisions will go to the church meeting in accord with our constitution for ratification before any action can be taken.

Ideally, the Charity Trustees would wish to have in hand an amount equal to at least 6 months regular expenditure for "business as usual". The cash balances at 31 December 2022, excluding the Church Development Fund, the Community Project Fund, other designated monies for church development, any restricted funds and Fabric Committee accounts, represent approximately 4 months of known estimated budgeted expenditure for "business as usual" during 2023. Both treasurers consider that we still have sufficient funds to cover the church's fixed expenses for 2023.

The bank and cash balances at 31 December 2022 were as follows.

General funds: £44,227 compared with £65,478 in 2021. This is a decrease compared with previous years and reflects the impact of an ageing congregation and the associated reduced direct and indirect giving, and increased ministerial expenses.

All designated funds, excluding capital assets and investments: £44,144 compared with £91,669 in 2021 and reflects expenditure on church development.

All restricted funds: £34,658 compared with £6,774 in 2021; this reflects donations and grants for the community activities of the Hollinshead Centre.

Total balance all funds, excluding capital assets and investments: £123,390 compared with £163,951 in 2021.

The income and expenditure of Church Development Fund Account includes both designated and restricted funds and the cash balance of that fund at 31st December 2022 stands at £40,545 compared with £93,458 in 2021. This figure reflects the costs of the ceiling/roof repair in the sanctuary completed in 2022 and excludes associated capital assets in accounting resulting from previous church development.

Investments at 31 December 2022 totalled £51,018 compared with £83,269 in 2021. These figures reflect expenditure on church development, stock market activity and the active management of the charity's investments by our financial advisers to ensure the best return on our investments and the release of funds for church development.

Further comments are made under "Major risks to the charity".

Designated Funds

The Charity currently operates 5 designated Funds with the encouragement of the Church Meeting. These have been described in Note 15 of the Financial Statement as:-

Fabric Committee Fund

Sick and Needy; renamed the Support Fund during 2022

Tiddlers

Ladies Fellowship Donation Fund

Designated Funds within the Church Development Fund Account

The Ceiling/roof Fund was closed during 2022 and the monies transferred to the above Church Development Fund.

The purpose and movement within funds during the year is shown in Note 15 of the Financial Statement.

Restricted Funds

The Church Fund includes 10 restricted funds for 2022, where the monies can only be used for the specific purpose for which they were entrusted to the church. These monies were not at the disposal of the Charity Trustees/Elders/Church Meeting for any other purpose. They are described in Note 16 of the Financial Statement along with the movement in the funds during the year and include the Restricted Funds within the Church Development Fund Account, the Hollinshead Centre Fund, the Hollinshead Centre Appeal Account that was opened in March 2020 and monies for charities to be passed on.

Payments to employees and Charity Trustees

The charity has employs a Meeting Place Co-ordinator and a Centre Manager for the activities of the Hollinshead Centre.

Our cleaner is self-employed.

The church organist retired at the end of 2021 and volunteers play the organ for us in his place.

It should be noted that the majority of the work of the charity is carried out by willing volunteers and it is only when the work is too difficult or specialist that we employ outside contractors.

Major risks to the charity

There are probably 6 continuing major risks to the charity:

- A continuing fall in the number of people worshipping at the church in recent years directly related to an increasingly ageing congregation/membership. Approximately 90%+ of our Voluntary Income is direct giving by members and adherents, in which recovery under Gift Aid is significant. This particularly emphasises the need for our Minister and Elders to monitor the progress and funding of our activities and ensure that the charity continues to fulfill its objectives.
- Risks to investments. The Finance Committee continues to seek professional advice to review and re-balance its investment portfolio as required to safeguard and diversify its capital investment and reduce the level of risk while still seeking a significant level of capital growth and income from investments. Though the market value of our investments was affected by events in recent years, we have still met a target income from investments of 4%. Risks to our investments will constantly be kept under review. This capital will be a significant contribution to the costs of church development.
- Increasing costs for developments arising from "Dreaming our Dreams". Some are relatively minor and easily met while others are major, such as the church development, for which we will seek grants and other sources of outside funding as we move forward in liaison with professional fundraisers and national and local outside agencies, statutory and non-statutory. With professional advice, we still hope to be able to overcome the obstacles to successful applications for grants that we had previously identified. The positive response from church members and regular worshippers, the support of the North West Synod of the URC and its head office and the feedback from our professional advisers, positive so far, are all encouraging signs.
- Our work in the Open Kitchen, the Repair Café and The Meeting Place highlights issues around safeguarding for vulnerable demographic groups. Our policies and procedures continue to be reviewed and updated along with the provision of regular training. These activities have been supported financially by Chorley BC, Lancashire CC, the Duchy of Lancaster, the North West Synod of the URC, the National Lottery (Awards for All) and other organisations.
- It had been identified that our present premises are sitting on top of an old coal seam and mine workings originating a few miles away. There is the risk of subsidence that is very likely to account for some of the structural problems that are now apparent in our present premises. As we pursue church development on our present site, we are seeking professional advice on what can be realistically achieved on our present site, particularly in light of the above risk, and overcoming such, which is very likely. The ceiling/roof repairs following the ceiling collapse in the revamped worship space

mentioned in last year's annual report were completed in 2022. Initiatives in 2022 for realising further development of the site unfortunately came to nothing, but North West Synod of the URC is anxious that we can remedy the situation and still pursue further revamping of the premises.

- Any church development still has the potential for risk as follows.
 1. Financial risk of funds being committed to any redevelopment and that fails and funds cannot be recovered, though professional support/advice and sourcing outside funding should minimise this risk.
 2. Building work, when completed, being found to be not fit for purpose. By having repeatedly researched the needs of the local community and ensuring that our plans meet those requirements as well as our own and with further advice from architects and surveyors, this risk will be minimised.
 3. The risks of any proposed church development to the charity's finances in future years. As well as our own accountant, the legal and financial advisers of the North West Synod of the URC will also be ensuring that the charity does not take any unnecessary or undue risks.
 4. Following local elections, the council may change its planning strategy. However, we understand from council officers that this remains very unlikely. Financial support from the council for redevelopment was provisionally suggested some years ago, but no financial support for that, as opposed to grants for our community activities, is as yet forthcoming and an application to the government's Levelling Up Fund, which included plans for redevelopment of our premises, failed.

As previously stated, if we find that the costings are beyond what the charity can resource and put the charity's finances and activities in jeopardy, then the charity trustees will continue to review the scope of any church development and think again about proceeding any further. The development group are aware of these issues and continue to take professional advice.

The Charity Trustees are aware of the financial implications of the above issues. All church members and the wider congregation will be continually kept informed of the charity's finances, particularly in light of developments arising from "Dreaming our Dreams" and any proposed church development.

This report, with the approval of the Church Meeting, was compiled by Dr. Grahame Barkby (Charity Commission contact for the period) and approved by the Charity Trustee's/Elders' Meeting on 14th June 2023 and is signed on its behalf by Mrs K Longton, Charity Trustee.

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITIES FOR THE YEAR ENDED 31 DECEMBER 2022

1 ACCOUNTING POLICIES

1a Accounting Convention

The financial statements have been prepared under the historical cost convention except for the valuation of investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law.

The financial statements have been prepared in accordance with the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)" and the United Reformed Church Guidance. The Charity is a Public Benefit Entity as defined by FRS 102. The accruals basis of accounting has been adopted and the principle accounting policies set out below are applied consistently.

1b Going Concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts. There are no material uncertainties about the Charity's ability to continue.

1c Fund Accounting

Unrestricted funds are available for use at the discretion of the church in furtherance of its charitable objectives.

Designation is an administrative act by which trustees may earmark unrestricted funds for a particular project or use, without restricting or committing the funds legally. The designation may be cancelled by the trustees if they later decide that the charity should not proceed or continue with the use or project for which the funds were designated.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor, or contained in the terms of a grant.

Endowment funds are funds the capital of which must be maintained; normally only income arising from investment of the endowment may be used, either as restricted or unrestricted funds depending on the purpose and terms on which the endowment was established.

Totals for page 1 have included any rounding up/down for the benefit of the SORP accounts

1d Tangible Fixed Assets

Freehold property: The Trustees of the church and manse buildings are the United Reformed Church (North West Province) Trust Ltd who hold them upon trust on behalf of Chorley URC for purposes connected with Chorley URC. Expenditure incurred on the church and manse is written off in the year it is incurred.

Investment assets: These are stated at market values on the balance sheet date.

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1e Incoming Resources

All voluntary giving is included in the financial statements for the period in which it is received. Donations under Gift Aid plus the associated tax recovery are recognised as income when the donation is received.

Legacies are accounted for when their receipt is certain and can be properly quantified.

All other income is generally recognised when it is receivable.

1f Resources Expended

The URC Ministry & Mission Fund contribution is paid regularly and is included in the financial statements for the year to which it relates.

Resources expended are recognised in the period to which they are incurred and include attributable VAT which cannot be recovered. They are allocated to the particular activity to which they relate.

Governance costs represent direct expenditure on the governance of the church, including the production and independent scrutiny of these financial statements.

As most of the management and activity of the church is carried out by volunteers, this intangible cost is not included in the financial statements as this voluntary contribution to the life of the church is incalculable.

1g Taxation

As part of the United Reformed Church with an income in excess of £100,000, we registered with the Charity Commission on February 2009. Our registration number is 1128897. As such it is potentially exempt from taxation in respect of income and capital gains received to the extent that such income or gains are applied to exclusively charitable purposes. No provision for taxation has been made in these financial statements.

2 FURTHER NOTES

2a The following church related accounts were closed during 2022 and the balances transferred to the Church Development Fund;
Social Committee building society account
Hollies for You Shop bank account

2b The church-related Open Kitchen bank account is now included in these accounts, monies being entered under "General" funds. Opened in 2013, it has not been included in these accounts previously as it has previously been managed jointly with Chorley Help the Homeless

7 MINISTRY & MISSION FUND

The church contributes to the central URC costs of training and providing ministers (including the centralised payment of stipends, pension contributions and other benefits for ministers), running the denomination, and the wider mission of the national church. This annual budget amounts to some £23million, 80% of which relates to minister costs, and 87% is provided through the Ministry & Mission Fund contributions from churches.

15 DESIGNATED FUNDS

The church currently operates 5 Designated Funds with the encouragement of the Church Meeting:

Fabric Committee Designated Fund	Previous funds for the maintenance and repair of the church, church buildings and manse premises were merged to form this fund; it receives income from investments and property rentals. The maintenance and repair is supervised by the Fabric Committee working with the Elders.
Sick and Needy; renamed the Support Fund in 2022	Fund to assist people in the church and the local community with problems and financial difficulties. This is administered discreetly by the Minister in conjunction with the Church Secretaries and Treasurer.
Tiddlers	Special collection from congregation to fund work with children in need throughout the world. Includes sponsoring the education of a specific child. Controlled by the Elders in conjunction with the Church Meeting
Ladies Fellowship Donations Fund	Funds set aside by the Ladies Fellowship to donate according to the wishes of the members.
Church Development Designated Fund	These funds are monies donated by church members and regular attendees towards the costs of new premises for the church's development. Donations by others are held as restricted funds set out under note 15.
Ceiling/roof Repair Fund: set up in 2021, closed in 2022	These are monies are funds set aside at the end of 2021 to fund the costs of the anticipated ceiling/roof repairs of the sanctuary

16 RESTRICTED FUNDS

The church accounts include 10 Restricted Funds, where the monies can only be used for the specific purpose for which they were entrusted to the church. Some of these funds were then closed, having fulfilled their purpose. These monies are not at the disposal of the Church Meeting for any other purpose, and represent:

Leprosy Mission	Fund for monies specifically raised for Leprosy Mission particularly from a bookstall after Sunday am service.
Water Aid	Fund set up primarily for project "Jars of change for jars of water" carried out in Lent.
Commitment for Life	Fund to support the national URC projects under the "Commitment for Life" umbrella.
Ladies Fellowship Bring and Buy Charity	Ladies Fellowship sponsored charity from their annual bring and buy sale.
Natural Disasters Fund	Monies specifically donated for funding any current disaster emergency appeals, either through Christain Aid or the Disasters Emergency Committee.
Flower Fund	Monies donated to the church for the expressed purpose of providing flower arrangements for the church
Church Development Restricted Fund	These funds are monies donated by others outside the church towards the costs of new premises for the church's development
Hollinshead Centre Appeal Account	This sets apart outside donations given by others raised through the appeal by our professional fund-raising team for funding the Hollinshead Centre as opposed to any other church development
Community Project Fund: set up in 2021 Renamed Hollinshead Centre Fund in 2022	These are monies are funds set aside to fund community projects initiated by our community worker such as the Repair Café and The Meeting Place The community activities are now collectively known as The Hollinshead Centre
Open Kitchen	Monies donated and grants for providing hot meals for the homeless in Chorley on one day each week

FINANCIAL STATEMENTS YEAR ENDED 31 DECEMBER 2022

TRUSTEES' AND TREASURERS' STATEMENT

We, with the Charity Trustees, acknowledge responsibility for the preparation of the accounts and we have therefore prepared the financial statements on pages 1 to 12 for the year ended 31 December 2022.

We do not consider that an audit is required for this year.

We have made reasonable enquiries of the Trustees/Elders and other relevant organisations.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
CHORLEY UNITED REFORMED CHURCH

I report to the trustees on my examination of the accounts of Chorley United Reformed Church (the Charity) for the year ended 31 December 2022, which are set out on pages 1 to 13.

Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
CHORLEY UNITED REFORMED CHURCH

I report to the trustees on my examination of the accounts of Chorley United Reformed Church (the Charity) for the year ended 31 December 2022, which are set out on pages 1 to 13.

Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
