TRUSTEES' RESPONSIBILITIES

The Trustees (who are also directors of The Tappenden Charity for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources, including the income and expenditure, of the Charitable Company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF THE TAPPENDEN CHARITY
(A Charitable Company Limited by Guarantee)**

I report to the Trustees (who are also Directors for the purpose of company law) on my examination of the financial statements of The Tappenden Charity ('the charitable company') for the year ended 31st July 2021 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made solely to the charity's Trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the Trustees of a charitable company you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the Act and are eligible for independent examination, I report in respect of my examination of the charitable company's financial statements carried out under section 145 of the Charities Act 2011 ('the 2011 Act') and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE TAPPENDEN CHARITY
(A Charitable Company Limited by Guarantee)
(Company Number: 05892698)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st JULY 2021

1. ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The financial statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Charity constitutes a public entity as defined by FRS102.

The Trustees have a reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future. In making this assessment the Trustees have considered the impact of the current coronavirus outbreak ("COVID-19") on the Charity, its beneficiary's, its clients, and third-party suppliers.

While there is uncertainty about the impact that COVID-19 will have on the global economy the Trustees do not believe it impacts the use of the going concern basis of preparation nor does it cast significant doubt about the Charity's ability to continue as a going concern for a period of twelve months from the date of the financial statements being authorised for issue.

The Trustees consider the Charity to be sufficiently robust that its operations will not be significantly affected and that it will be able to generate and maintain sufficient levels of cash in order to meet its overhead commitments for at least the period under review. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. The nature of estimation means that actual outcomes could differ from those estimates. The following judgements have had a significant effect on amounts recognised in the financial statements:

The Trustees make judgements in estimating the fair value of its investment properties held at the balance sheet, with changes in fair value being recognised in profit or loss.

The Charity has entered into commercial property leases as a lessor on its investment property portfolio. The classification of such leases as operating or finance leases requires the Charity to determine, based on an evaluation of the terms and conditions of the arrangements, whether it retains the risks and rewards of ownership of these assets and accordingly whether the lease requires an asset and liability to be recognised in the statements of financial position.

Investment income, including rent from commercial and residential properties, is recognised on a receivable basis.
