

Willow Tree PTFA

Annual Report - Willow Tree PTFA September 2022 to August 2023

Chair of Trustees: Lizzie Hughes

Treasurer: Emma Harrison

Secretary: Jennifer Rhodes

Trustees: Helena Worsnop, Kyla Smith-Story, Alison Hoskins, Helen Davey

Willow Tree PTFA brings staff and families together with a common goal: to make our children's time at primary school as rewarding as possible, to run fun and exciting events and to raise money for the school to buy things that normally we would not be able to afford.

As teachers, parents, carers and friends of children at the school we are all automatically members of the PTFA. The PTFA is run by a committee that is elected each year at the AGM. The AGM meeting is the only formal meeting of the year of the PTFA and is one that deals with the formalities of committee elections, financial audits, reviews and plans for the future. A copy of the Constitution is available on request.

The Fundraising Year

The 2022-23 year has been focused on continuing the Playground fundraising launched in early 2022. We are absolutely delighted to have raised just under £31,500 over the last 12 months (our financial year is Sept 22 to Aug 23).

This has been the first 'normal' school year since the pandemic and we've been able to reintroduce some of the old favourites as well as doing new and exciting things:

Old faves include Willow Treat, Goody bags, Monster Bash, Summer Fair. We've also run Dare to be Different and the Small Change Challenge again which have proved to be popular. Our first ever Rainbow Warrior Run was a fantastic success with hundreds of children and their families taking part in our assault course and raising over £1,900. We also ran our first Glow Disco at Easter which proved really popular with our KS2 children.

As usual, we provided a number of activities/items FOC including the popular Summer Parties for all years, Year 6 Leavers' Party and autograph books, the Christmas Panto (with sweets) and Reception PE bags.

The uniform, coat and fancy dress sales continue to benefit the whole school by providing low cost clothing, reusing pre-loved items and raising hundreds for the PTFA. A massive thank you to Rachel Aston (and her family) for organising this important part of our work. She is delighted that we will have a new place to store the uniform as her garage couldn't take much more stock (more to follow!)

Throughout the year we have been mindful of making all our activities accessible and inclusive to all. As a school which includes a significant number of low income families, we have to take into consideration the limitations of people's circumstances, particularly given the cost of living crisis which is affecting everyone, and plan our fundraising activities accordingly.

As well as an exciting programme of in school activities we have spent the year looking at different ways to attract funding outside of the school. Highlights have included securing £14,000 through Trusts & Foundations, attracting sponsorship from local businesses for the Rainbow Run and receiving match funding from parents.

Playground update

Autumn 2022 finally saw the instalment of the Foundation Stage playground and we were able to invite supporters along to a launch event in January 2023. In the spring we were excited to be able to fund the first phase of the Jepson playground installation - the teepees, tree bench and wooden climbing frame. Thanks to the 2022-23 fundraising we started the new school year this September with just £4,000 left to raise to complete the Jepson playground installation which includes an outdoor classroom, trim trail, new playground markings and a new rainbow fence. We're really hopeful that we will have raised this by the end of the calendar year.

PTFA support

I would like to take a moment to thank the fantastic group of supportive people who help make the Willow Tree PTFA so successful. Massive thanks to the amazing team of Trustees who give an incredible amount of time and dedication to making all our activities run efficiently. There's been times this year when we've had to remind each other 'family first' (although we know PTFA comes a close second!) Special thanks to Emma who continues to do a fantastic job as Treasurer, particularly monitoring the bank account when 300 families are clamouring for Monster Bash tickets! Thanks to Helena who's personal circumstances means she spends her week days at Bookers, Hancocks, Lidl or Aldi searching for bargains. And to Jen (Secretary), Kyla and Alison for their massive contribution to the PTFA especially when it comes to buying and storing sweets!

Huge thanks must go to the PTFA extended family - our team of regular supporters as well as anyone who has helped at least once this year. It's often a thankless task running PTFA events and yet these fantastic supporters always turn up with a smile on their faces and a desire to make the event as fun and memorable as possible for our children.

Thank Helen Davey for her support over the last few years and to Rob Mold for embracing all of the PTFA's ideas in the first few weeks in his new role as Head. Thank you to all the fabulous teachers who give up their time to help with our activities, special mention to Tom Perkins and Emma Astin for galvanising support from the staff team. Thank you to the wonderful team in the office for their help fending off queries about PTFA events, taking money and allowing us to steal all the Blutak. Thank you to Mark and Colin and the team of cleaners who are all so willing and flexible to accommodate our after hours events.

The coming year and fundraising goals

We're really excited for the 23-24 year with lots of exciting opportunities for Willow Tree children. We are holding our first ever Christmas Movie Night next month and already have dates confirmed for the Easter disco, Rainbow Run and Summer Fair in 2024.

Once fully installed, we will plan an official launch event for the Jepson playground, inviting all our supporters to celebrate this fantastic new facility for our school.

Beyond the Playground Appeal we are working with Mr Mold to identify new and exciting uses for PTFA funds throughout 2024. We are always welcome to suggestions from families and staff members and will ensure that the money will benefit all areas of the school. We are VERY excited to have access to 'Apple' classroom that is no longer used for teaching. This will enable us to store and access our equipment and games so much more easily.

We will continue to make sure that our fundraising events and activities, both in and outside of school time are inclusive and accessible to all.

We look forward to another incredible year for Willow Tree PTFA in 2023-24. As always, we need the continued support of parents and carers, not only to buy tickets, attend events, match fund and donate prizes but to help run events and give their time and energy to making our children's time at Willow Tree as rewarding as possible.

Lizzie Hughes

Chair of Willow Tree PTFA

November 2023

TREASURERS REPORT 2022-2023

OVERVIEW

We started the year with the target of raising almost £30,000 enough to fund the final 2 stage of the playground equipment installations.

See from accounts balance sheet from the last year we took almost £46.5k before expenses and purchases.

Our actual running costs for the events for the year was £11.5k which gives us a profit for the the year of £31,483.36. This is the largest profit that the PTFA have ever made! Has

meant that we are able to fund Phase 2 of the playground and are only just short of having the full balance for Phase 3 which we hope to be able to fund after Christmas.

INCOME

Lizzie has excelled herself in grant and donation work this year and this boost of £14k to the balance sheet has made a huge impact.

Our biggest earner in the last year was by far the summer fair and raffle which made £4,251.13 profit and was a great day!

Our other big earners were:

Our new events – Rainbow Warrior Run £1,932.28, Glow Disco £485.22 and Christmas Teatowel Fundraiser bringing in just over £500 in commission.

Old favourites – Monster Bash £805.50, Christmas Raffle £1170, Goody Bags £969.48 & Dare to be Different £381.75

Small Change Challenge made a comeback and saw fierce class competition to raise £1,171.54. It was that well supported that the decision was made to offer not just a top prize but top 3 prizes and to buy each class a book of their choice too.

We once again provided refreshments during **Sports Day** which despite being cut short due to the weather also made a record profit of £600.

Willow Treat was also back in full force each week bringing in over £1,300 profit. Worth a note on WT profit that it is not a true reflection on each weeks sales as the stock is also used at the various events during the year and profits apportioned to these.

Second hand uniform, coat and fancy dress sales were also incredible last year with Rachel taking almost £1,100. Huge thank you has to go to her for the dedication and commitment she puts into running this so smoothly! Not only raising money for school but seeing uniform and clothing back in circulation and providing an affordable option to all families at the school. Further recycling of clothing saw **Bags2School** making £242.20 over the 3 collections in the year.

Match funding was also successful again with £700 coming in through this. Down to the support of only 2 parents, once again we need to emphasise the importance of this to all our parents as an easy money maker. This was topped up with £345 from Gift Aid. Once again another avenue we need to ensure we push with a sponsored event this year to boost that figure.

The **smaller fun events and competitions** such as Dress Teacher as Turkey, Freaky veg carving and bake sales have done well and as usual topped the account up.

There has also been fund raising going on in the **background** in terms of commissions and such. These are vitally important and keep a steady flow of money coming into the account. Amazon Smile raised just over £300 over the year unfortunately as many of you know this has

stopped running now. Lizzie has been instead setting us up with Easy Fundraising to take its place so we will launch this soon in time to catch all the christmas purchases! Support for Local Lotto has also dropped and needs looking at being promoted again – still brought in just over £200 but is definitely dropping each year.

We also need to look at more **commissions** as currently just have a couple of label companies which bring in a minimal amount. School House photography last year was a notable contributor and is definitely worth being considered again in the future.

WHAT DID WE FUND

Our biggest expenditure for the year was of course the playground equipment. The balance of Phase 1 was paid this year alongside Phase 2 in full.

Our funding this year has been:

Playground payments - £28,277.50 (Phase 1 balance £14,963.50 & Phase 2 total £13,314)

Summer parties £818.92

Year 6 leavers celebrations £400 (party, autograph books & inflatable) each year will get this Panto - £90

Usually fund new starters pe bags but bought in bulk the previous year so lots of stock left. We also agreed to fund a mural which is being created by the children and will be displayed in the school reception area. £1,500 has been allocated to this.

We also took the decision in light of society going more cashless and in the hope of being able to take more at events to purchase 2 sum up machines enabling us to take card payments at events.

Total funded to school - £29,587.10

The bank account at the end of the year was very healthy with around £18,205.32 in it ready for this years fundraising activities to commence and the payment of the final stage of playground.

2023/24

Fundraising target - £22,000 (Approx £19k needed for playground) Then whatever Mr Mold and the teachers have their hearts set on.

To date just over £1,500 in profit from events and have a fair stock of sweets/drinks ahead of upcoming Willow Treats. Going forward from a financial view I'm looking to get PTA debit cards linked to our bank account which will pay cashback for purchases made. I am also keen to establish another method to run our event sales going forward which is less time consuming and labour intensive than our current method.
