UPHOLLAND & TAWD VALE LIONS CLUB
REPORT OF THE TRUSTEES

Objectives of the Charity:

The Charity is governed by its constitution; this is the standard constitution used by other UK Lions Clubs chartered by and under the jurisdiction of Lions Clubs International.

The purposes of the Club shall be:- Our key objective is to serve those in the community in need of help and support, mainly in West Lancashire but also the wider local community, through the collection and distribution of donated goods, utilising the funds raised through our charitable activities as approved by the Charity Trustees. The Trustees named on page one form part of a larger group of Officials who are responsible for the day-to-day operations and management of the Charity on behalf of and working with our volunteer members. New trustees can be appointed by a resolution of existing trustees. Trustees may be removed for good cause with approval of the majority of Club Members. Training and induction of new Trustees is provided by existing Trustees and with referral to Charity Commission Guidelines.

Details of Activities and Achievements for the year:

Our main area of activity is to reuse, refurbish and recycle donated goods such as home furniture, toys and clothing amongst others, to those in need of help and support. We utilise funds raised through our charity shop 'The Lions Den' to support this. The impact of Covid 19 has seen a significant increase on demands for out services and we have taken on the role of a food distribution hub which sees some twenty-two foodbanks/school food hubs drawing from our warehouse, this equates to over 1,500 families per week receiving food and/or essential household supplies. The aim of these activities is to make a significant contribution to improving the environment through recycling and reusing in all aspects of waste management.

Tawd Vale Lions Club has over 27 years of success both in terms of the help and support to those in need in the community but also in monitoring and maintaining a stable financial position. These actions ensure that our wholly voluntary members will be able to continue with our services throughout the current financial year and into the foreseeable future. Under the Lions Clubs International 'We Serve' motto our focus continues to be to serve the Skelmersdale/Upholland area of West Lancashire, we also work outside our zone as referrals now arrive from a much larger geographic area. We have in the last year given direct support to, in excess of 150 families, through provision of domestic appliances, furniture, emergency packages (consisting of towels, soap, toothpaste, dishes, cutlery, and basic food items), homeless emergency shelters etc. Many of the items have been donated by the local community, collected by our team of volunteers, and redistributed from our storage unit based in Skelmersdale. Where appropriate and when deemed necessary we purchase and supply new items when responding to third party referrals from Social Services, Women's Refuge, Schools, Police and Fire Services. We have seen an increase in referrals through school bursars acting as third party referrals due to the close links they have with pupils and families this means speedy response to families in crisis with effective solutions being put in place. We are also supplying food to support breakfast and after school clubs and for families to ensure children get a hot meal particularly when schools are shut for holidays

The Food Hub accepts donations from leading local manufacturers and we are entrusted to deliver all items for use by those most in need, in the period covered by this report we have distributed or had collected by groups we support some 75 pallets of mixed product which equates to approximately 200 families a week receiving direct support. This element of our work is now a key part of what we do

In addition to the above, we also provide limited financial support to other local groups; eg. Scouts, Sports, Special Needs and Disability Groups and schools with particular support targeted at youth related projects. We have in this year provided playground equipment, musical instruments, football team kits and coats and special educational

In the wider community we have continued to support national and international projects through Lions Clubs International including – Turkish Earth Quake, Syrian Refugee Camp, Aid to Ukraine via the UK based support organisations. We have supplied specialist medical equipment and gym equipment to support recovery of injured personnel in Ukraine

Our main source of income continues to be that raised via our '**Lion's Den**' Charity Shop in the Concourse Shopping Centre, Skelmersdale. The Shop is run and supported by our wholly voluntary members and is supported by West Lancashire Borough Council through charity rates relief and by our landlords in respect of rent and services provided. The wide range of goods sold through the shop are donated by both individuals and local companies, larger items of household goods are available through our warehouse which is open one day a week or by appointment. Nearly all of our customers, many of whom return on a regular basis are local residents on limited incomes meaning our low-priced items are affordable but which allows the Charity to support its aims whilst meeting the needs of local families, improving directly, the quality of their lives.
