### COMMITTEES

The PCC operates through a number of committees that report to the main PCC meeting from time to time. The PCC members, who are also Trustees for the purpose of charity law, are nominated and elected (other than those holding ex officio positions or who are co-opted) at the Annual Parochial Church Meetings. New members of the PCC are inducted into the workings of the Parochial Church Council through meetings with existing members of the PCC, the Churchwardens and the Incumbent. Information in relation to matters to be discussed at PCC meetings is circulated to members prior to each meeting. PCC members, who include the Clergy, Wardens and holders of other offices, are considered to be the Key Management Personnel as they are responsible for directing church affairs. All such personnel give of their time freely and receive no remuneration for their service on the PCC directly from St Mary's. Details of PCC members' expenses, other than reimbursements of costs incurred on behalf of the church, and related party transactions are disclosed in Notes 4 and 11 to the financial statements.

The pay of staff is reviewed annually and normally increased in line with the Diocese of Southwark salary and stipend increases. All staff are paid at or above the Living Wage Foundation minimum wage.

The following committees supported the work of the PCC during the past year:

#### **Standing Committee**

The Standing Committee exists to transact the business of the PCC between meetings and may form the agenda for meetings of the PCC. It consists of the incumbent, the Associate Vicars, the Churchwardens, two deputy churchwardens, the Treasurer and may include other co-opted members. The Standing Committee meets on an ad hoc basis as needs arise. There were 6 meetings of the Standing Committee in 2022.

#### **St Mary's Global**

This committee exists to promote our involvement in the church's mission across the world. The committee is active in encouraging support for our link Mission Partners (serving God around the world), financially, practically, and through prayer. The Committee seeks to ensure that the financial support for our Mission Partners and other mission organisations is appropriate for their needs within the resources available.

#### **Fabric and Facilities Committee**

This committee exists to oversee all repairs, maintenance and building works affecting the church, the church centre and PCC owned housing.

#### **Heath Church Committee**

This committee exists to oversee and plan the mission and ministry of the Heath Church Community under the responsibility of one of the Clergy team.

#### **Safeguarding Committee**

This group meets to make sure that the church is compliant with its safeguarding obligations and follows through on all incidents or issues that relate to safeguarding

#### **St Mary's Local**

This group was established in 2022 as a group to explore and develop the mission and social outreach of the church.

### OBJECTIVES AND ACTIVITIES

As a Parish Church within the Church of England's Diocese of Southwark, St Mary's Church (also known as Reigate Parish Church) exists for the benefit of its wider

community as well as for those who form part of our week-by-week worshipping community across a number of congregations.

**Our vision** is to see God changing lives, families, and churches again and again.

**Our mission** is to make whole life disciples of all ages, to create and support communities of people who worship God with their whole lives, and to model and reproduce this as widely as possible.

**Our strategy** is to draw people into intentional apprenticeship to Jesus through:

- reaching out to a world in need,
- drawing people into a new identity in Christ,
- developing a culture of discipleship,
- loving one another as family, and
- giving ourselves away for the sake of others.

The work of the church is wide-ranging, and members of our wider parish community have continued to benefit from the mission and ministry of the church and its members, in a variety of settings and across all age groups.

When reviewing these and other activities, the PCC has had due regard to Charity Commission guidance on public benefit.

The church could not operate without the generous contributions of its staff and its host of volunteers, and we are enormously grateful and indebted to all who contribute in so many ways to the life and health of St Mary's Parish Church with the Heath Church.

### ACHIEVEMENTS AND PERFORMANCE

With our vision to see God change lives, and our mission to make disciples continuing to set our direction as a church family, 2022 was a year of steady **awakening**, and progress after the testing years of the pandemic. The 'covid-years' have undoubtedly impacted us a church, disrupting attendance, belonging, outreach and connection. While our 'reach' as a church remains quite wide, the depth of our relationships and the strength of our engagement has become thinner than we would want it to be. We acknowledge that, for a number of reasons - some known, and others hidden - the number **gathering for worship** each week has declined. Some people have left the church or drifted away, and this is a sadness. However, over the course of this year we have also noticed a steady renewal and growth on Sundays with new people joining us, getting involved and bringing new energy.

We are so grateful for all those who serve each week to make worship and community possible, giving up time to help on all kinds of teams. As attendance is still somewhat fragile and irregular, we have been praying for, and encouraging a renewed commitment to gathering for worship in the church, seeking a steady building of momentum. From the leadership there has been a strong call to churchwide prayer and over the course of the year a new pattern emerged of a **monthly prayer meeting** supported by the worship team. These are growing in significance as we seek God together for the next chapter our life together.

As a church we have always wanted to respond to the needs and challenges of those in need. In 2022, following the invasion of Ukraine, we responded to the influx of refugees into the UK with energy, creativity, and intentionality. Working in partnership with the Local Authority and other charities and agencies, we quickly became a gathering point for hosts and refugee families, both from within the church and the wider community. A small team co-ordinated this work and it has been wonderful to see the way God has used us in blessing and helping others in such challenging times.

We have learned so much from this experience and seeking to reflect even more deeply about **poverty alleviation and social action**, a small group in the church (St Mary's Local) was established. This group has been on a significant journey developing a set of principles

to shape our future mission and in the coming year they will share their learning and vision with the wider church for further shaping and discernment.

In response to the 'Living in Love and Faith' initiative of the wider Church of England, some teaching was offered on Sundays, as we continued to explore together how to live faithfully in a post-Christian culture, especially around the issue of sexuality. This issue is being discussed at every level of church life, including at the General Synod which will be gathering to discern next steps in the coming year. This issue touches our lives in powerful and important ways, and it will be important to open up opportunities for learning and sharing together as we move forward.

Perhaps some of the most significant changes in our church life in 2022 has been the shifts in the **staff team** with Ali Foulkes, Charles Merritt, Erin Gilmour, moving on and Kate Capper changing role. Josh Brown was appointed Head of Worship Culture and Mandy Childs was appointed Children's Minister (6-11's). Although we were unsuccessful in appointing a Head of Family Discipleship, we remain committed to seeing parents supported as the key disciplers of their children and young people and anticipate investing in this in the coming years. We are grateful for all that Ali, Charles and Erin brought us and we are delighted that Kate will continue to use her ministerial gifts in Spiritual Direction here. A new Head of Community Life role was agreed ready for an appointment in early 2023.

The summer of 2022 was busy with the launch of the first **Summer Satellites Festival**, held in Peterborough under Martin Saunders' leadership. It was joy to see so many from our church family support this and being on team, and the impact among our young people was significant.

Behind the scenes, from September, Richard and Nigel began more intentionally exploring the possibility of us **church planting** in the coming years and many discussions with the Diocese began to taken place. Very quickly God has opened doors and we have been invited to send a group of us, under Nigel's leadership, to graft into All Saint's Church in Merstham in September 2023 as part of a larger strategic development plan of the Diocese as a way of pioneering mission in the Merstham estate. The calling on us to join in God's mission in new ways has become very clear and it will be exciting to see where this leads.

At the APCM in April 2022 there were 544 names on the electoral roll (508 2021).

### FINANCIAL REVIEW OF THE YEAR

In our budget projections for 2022 we anticipated that, before charging depreciation, our General Fund expenditure would exceed income by £27,112, therefore creating a budget deficit. In the event, we were pleased to see the 2022 income exceeded expenditure, excluding depreciation, by £68,672. The reason for this stronger than budget financial performance was that while planned giving was in line with budget, one off donations exceeded budget by £29,387 and expenditure was below budget with a number of headings under budget. This surplus is added to the General fund Reserve, but Capital Expenditure of £6,699 is deducted leaving the General Fund Reserve at £262,554 at 31 December 2022.

#### *Income from donors – Note 2(a)*

Compared with 2021, our planned Giving increased by £28,384 or 6%. A Stewardship campaign took place at the start of the year, the results of which were very positive. We again received a number of very generous single donations. In total these one-off donations totalled £54,387. The number of contactless donation machines in church and the centre has increased to 4. While the income from these is still only a small part of general giving, they also allow us to gather 'tap' payments for other church activities and one-off appeals. Almost 300 regular donations from standing orders etc are currently being received, many from couples. Our high level of tax efficient giving has been maintained with £103,346 being received by the General Fund as a result of Gift Aid tax refunds. We are enormously grateful

to God for this provision and blessing and to everyone in the church family who has contributed so generously.

### *Income from church activities – Note 2(b)*

Income from the Church Centre bookings at £45,190, returned to pre-pandemic figure. Lettings of the Church at £11,656. These figures are double the 2021 income.

This heading also includes rental of church residential properties, where the rentals of £18,600 were received. Net income from fees for weddings, funerals, etc was £7,882.

### *Expenditure – Grants – Note 3*

Payments to Mission Partners amounted to £27,867, a reduction from 2021 as two partnerships came to the end of their agreed 3-year support term. The giving, of £55,919 to various missional and evangelistic organisations including Tearfund, IJM, Open Doors, Sparkfish and the DEC Ukraine Appeal replaced the individual support. Full details of all donations, totalling £83,786 (2021 £70,201) are shown at Note 14 to the accounts. The PCC keeps under regular review the amounts given to mission partners and other donations.

### *Expenditure – Other – Note 3*

In September 2021 the PCC agreed to increase the Diocesan share for 2022 by 2% or £4,820 to £245,820. For 2023, the PCC have agreed a further increase of 3% to £253,194 which exceeds the cost, including overheads, of our own two full time clergy posts. Also included under the heading Diocesan Share, for 2022, was £20,084 in respect of the part-time services of one additional clergy.

Staff costs have increased slightly from £146,632 to £154,539. The principal reason for this is the employment of a part-time Finance Assistant. With the plans in place for 2023 these are expected to increase further.

### *Balance Sheet*

Capital expenditure of £6,696 (2021: £28,384) was incurred in 2022. This included audio visual assets and kitchen and other church equipment.

As in previous years we have used a property valuation website to provide an internal valuation of our 4 residential properties, for Balance Sheet purposes. The value of these properties has increased in 2022 by 4.7% to £1,845,200

### *2023*

We have decided to budget for expenditure, before depreciation, to exceed income by £4,755 as we expect many expense headings, particularly staff costs, to increase. We cannot at present foresee these costs being totally matched by increases in income. We do however start the year with a high level of reserves (see below) and it seems wise this year to use in part these reserves

### *Peggy Caffyn-Tees Legacy*

The total sum received in 2013/14 was £359,696. Of this amount, £121,589, was restricted for the Heath Church, with a remaining balance of £2080 (2021: £2080). The other two thirds, initially £238,107, is held on trust by the PCC for an indefinite period with the income only to be used to maintain Peggy's family graves, and for fabric work on the Church. This sum has been fully invested in 4 CCLA funds with a loss of £53,482 in 2022, bringing the value invested to £319,253 (2021: £372,735). The loss reflects the general downturn in the investment market during 2022. A review of investments will be undertaken in 2023. Income in 2022 from the sum invested amounted to £11,526 (2021: £11,018). During 2022 £3,859 was spent (2021: £1,830). The balance carried forward and available for use in future years now stands at £49,701.

## **RISK MANAGEMENT**

The PCC has considered the major risks to which the church is exposed including safeguarding children and vulnerable adults (in which regard the PCC follows the Diocese

---

of Southwark Safeguarding procedures in full and has two experienced safeguarding officers to assist it), disability discrimination, data protection, health and safety and fire protection. The Risk Register is reviewed annually by the PCC.

The PCC considers the principal financial risk facing the Church is that expenditure is not matched by income. This risk is managed by the preparation of regular financial statements, now utilising the new Xero accounting system and an annual budget which is regularly reviewed and updated.

### FUNDRAISING

The Church's fundraising activities comprised a giving campaign which included teaching on Christian giving and invited a response. The majority of the Church's income is derived from standing orders and one-off donations from Church members. Additional contactless giving terminals were purchased for use on Sundays and midweek. The hiring of the Church and Church Centre also provides a good source of income. The Church does not employ outside fundraisers. The Church complies with the principles of the Charities Governance Code.

### FUTURE PLANS

If 2022 was a year of steady awakening, we anticipate (and pray) that 2023 will be a year of continued **consolidation** (as new staff are appointed and take up their roles) and **sending** (as we prepare to send a team to graft into Merstham).

We are mindful of the need to plan well for Richard to take a **sabbatical**, and for Nigel to lead and galvanise the church in anticipation for a **church planting initiative** in September, and for the **new staff** appointments to be carried out well.

At the time of writing, it will be clear that by the end of the year a completely new ministry team will be in place with Ben Forbes as Head of Community Life, a new Youth Minister joining the team to replace Martin, a new Associate Minister to replace Nigel as Head of Discipleship, and a new Children's Minister (0-5) to replace Gen Griffiths. With Richard returning from Sabbatical in July 2023, the immediate task will be to bed this new team in and to build confidence among them.

In line with our strategic priorities, we want to:

Reach out to a world in need:

- Embed and implement a new strategy for social engagement in our community
- Grow confident disciples able to share their faith by preaching and teaching on mission

Draw people into a new identity in Christ:

- Welcome and induct new members into church life following Alpha
- Further develop our 'newcomer's flow'

Develop a culture of discipleship:

- Teach on Genesis 1-3 as a way of engaging with issues of identity, meaning, purpose, sexuality, failure and redemption
- Develop our monthly prayer meetings and encourage participation in our annual 24/7 prayer week in the lead up to Easter
- Strengthen our small groups - increasing leadership, engagement, transformation, and participation
- Encourage families and individuals to participate in summer festivals of New Wine and Satellites
- Appoint a new Head of Discipleship, Youth Minister, and Children's Minister

Love one another as family:

- Appoint a Head of Community life to help us deepen belonging, develop pastoral care, energise and support small groups, and enable us to grow as an emotionally healthy church

# Parochial Church Council of St Mary's Church Reigate

## ANNUAL REPORT FOR 2022

---

- Build on the success of last year's Christmas Event with a summer fun-day and another Christmas Event in November 2023
- Celebrate our volunteers with a party

Give ourselves away for the sake of others:

- Gather and send out a group of people from within the church as part of a 'church planting team' under Nigel's leadership.
- Further embed and develop our partnerships with others in mission overseas and strengthen our communication and engagement within the church family
- Develop our relationships with other Churches and networks as we seek to grow resilient disciples in our secular age

### RESERVES POLICY

It is PCC policy to hold in unrestricted reserves the equivalent of at least one month's budgeted expenditure. It is also our policy to hold sums in reserve for building works arising from the Quinquennial inspection of the Church and for refurbishment of the Church Centre.

The closing balance of £262,554 on Unrestricted General Reserve on 31st December 2022 represents approximately 4 months budgeted expenditure in the year 2023. This sum will provide a very helpful buffer if, as is possible, the church is affected by the cost of living crisis and a subsequent reduction in giving is experienced.

	At 31 December 2022
Total reserves	4,598,508
Unrestricted reserves	4,192,428
*restricted reserves	406,080
**designated reserves	71,530
Total funds less restricted and designated funds	4,120,898

\*funds not available for general purposes of the charity

\*\*funds that are designated or otherwise committed (at 31 December 2022)

Included within the unrestricted reserve total is £3,858,344 which is associated with property assets. These funds can only be realised by disposing of tangible fixed assets.

### INVESTMENT POLICY

The charity (through its Trustees) has the power to invest in such stocks, shares, investments and property as deemed fit. The charity has made such investments, principally in relation to the Peggy Caffyn-Tees legacy (see page 7), to generate income and has made no social investments'

## STATEMENT OF TRUSTEES' RESPONSIBILITIES

---

The Trustees (the PCC) are responsible for preparing the trustees report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Church Accounting Regulations 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PAROCHIAL CHURCH COUNCIL OF ST MARY'S CHURCH REIGATE

---

### Opinion

We have audited the financial statements of the Parochial Church Council of St Mary's Church, Reigate (the "PCC") for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the PCC's affairs as at 31 December 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the PCC in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the PCC members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the PCC's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the PCC members with respect to going concern are described in the relevant sections of this report.

### Other information

The other information comprises the information included in the annual report, including the PCC members' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially

---

misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the PCC and its environment obtained in the course of the audit, we have not identified material misstatements in the PCC members' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of PCC members' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of the PCC members**

As explained more fully in the PCC members' responsibilities statement, the PCC members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the PCC members are responsible for assessing the PCC's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the PCC members either intend to liquidate the PCC or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 145 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material

# Parochial Church Council of St Mary's Church Reigate

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PAROCHIAL CHURCH COUNCIL OF ST MARY'S CHURCH REIGATE

---

misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity, we identified that the principal risks of non-compliance with laws and regulations related to employment, financial reporting legislation and health and safety regulations and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making enquiries of management, considering the internal controls in place and discussion amongst the engagement team.

We determined that the principal risks were related to management bias in accounting estimates, valuation of property, presentation of separately disclosed items and management override of controls.

In response to the risks identified we designed procedures which included, but were not limited to challenging significant accounting estimates such as valuation of property, agreeing financial statement disclosures to underlying supporting documentation, identifying and testing journal entries, reviewing PCC meeting minutes and evaluating the charity's internal controls.

There are inherent limitations in the audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [[www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities)]. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the PCC members, as a body, in accordance Part 4 of the charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the PCC members' those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the PCC and the PCC members as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2022

---

### 1. Accounting Policies

The Parochial Church Council is a corporate body (PCC Powers Measure 1956, Church Representation Rules 2006) and is a charity registered with the Charity Commission (number 1129140). Its principal place of operations is: St Mary's Parish Office, St Mary's Church Centre, Chart Lane, Reigate, Surrey RH2 7RN.

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### Basis of preparation

The financial statements have been prepared in accordance with the Church Accounting Regulations 2006 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102).

The financial statements have been prepared under the historical cost convention subject to the revaluation of residential properties and investments. The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

The financial statements are presented in pounds sterling rounded to the nearest £1.

The PCC meets the definition of a public benefit entity under FRS102.

#### Going concern

The trustees consider that there are no material uncertainties about the Church's ability to continue as a going concern.

#### Funds

**General funds** represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

**Restricted funds** are those monies received by the PCC which have been given for a particular purpose.

**Endowment funds** are funds, the capital of which must be maintained; use of the income arising from investment of the endowment varies according to individual trust purposes.

#### Income

##### Donations and legacies

Donations and legacies (including collections and income tax recoverable under Gift Aid) are accounted for once the charity has entitlement to the income, it is probable the income will be received and the amount of income receivable can be reliably measured.

##### Other income

Rental income from the letting of church premises is recognised when the rental is receivable.

##### Income from investments

Dividends are accounted for when receivable, interest is accrued.

##### Gains and losses on investments

Realised gains or losses are recognised when investments are sold. Unrealised gains or losses are accounted for on revaluation of investments at 31 December.

##### Grants

Grants relating to revenue expenditure are recognised in income in the periods in which the related costs are incurred.

## NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2022

---

### 1. Accounting policies (continued)

#### **Expenditure**

Expenditure is accrued as soon as a liability is incurred. Support and governance costs are included in expenditure on church activities.

#### **Church activities**

Most mission grants are payable monthly and are accounted for in the month in respect of which they are payable. Other mission grants are accounted for when a decision to make payment has been taken.

The Diocesan parish share is accounted for when payable.

#### **Fixed Assets**

##### ***Land and buildings and church and church centre fittings***

Consecrated and benefice property is excluded from the accounts by s10 (2) (a) of the Charities Act 2011. Residential properties used by the PCC in undertaking its activities (i.e. staff housing) have been included in tangible fixed assets at their estimated market value. The Church Centre has been included at its cost at the year end. No depreciation has been provided on land and buildings as the PCC has adopted a policy of maintaining properties to a standard that prolongs their lives and enhances their residual values. No value is placed on moveable church furnishings held by the churchwardens on a special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property. All maintenance expenditure incurred during the year on consecrated or benefice buildings and on church and church centre fittings continues to be written off as expenditure in the Statement of Financial Activities (SOFA). Fixtures and equipment costing more than £500 are capitalised and depreciated over their useful life which varies from 4 years to 40 years depending on the asset.

#### **Investments**

Investments are valued at market value at 31 December. The Statement of Financial Activities includes the net gains and losses on revaluations and disposals throughout the year and are shown as a component of net income.

#### **Current Assets**

Gift Aid recoverable and other debtors are included at the amount due. Prepayments are valued at the amount prepaid. Cash at bank and in hand includes cash and sums placed on deposit available on demand.

#### **Creditors and provisions**

Creditors and provisions are recognised where the Church has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

#### **Financial instruments**

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### **Critical accounting estimates and judgements**

In the application of the church's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
