Activities

Objects: THE PROVISION OR ASSISTANCE IN THE PROVISION OF TRAINING AND SWIMMING FACILITIES FOR THE BENEFIT OF THE PUBLIC OF SRI LANKA, IN PARTICULAR WOMEN AND YOUNG GIRLS, IN ACCORDANCE WITH THEIR CULTURAL NEEDS.

Activities: Crises in Sri Lanka leave the Project locally in a state of suspension. However, through our presentations at the UN WHO/ILS World Conferences on Drowning Prevention, most recently in Egypt Nov 2025, we continue to pioneer advancing Float-and-Breathe as the single most important skill for non-swimmers to learn first, which is being taken up globally by RNLI, RLSS and International Life Saving.
