Trustees Report for the year ended 31 March 2023

The trustees of the charity, present their annual report and independently examined financial statements for the year ended 31 March 2023

Structure, Governance and Management

The Charity is registered as a charity with the Charity Commission. The registration no. is 1129304

Although membership of the organisation is geared primarily to the local Somali Community, it is in no way limited to such persons only. The Charity serves to assist the members of all the communities within its reach and it adheres to the Equality policy. During the year the trustees elected to remove the term "Somali" from the name of the Charity to reflect this.

The Trustees have the power to make rules governing the affairs of the charity. The members, in general meeting, may alter or appeal such rules

In order to effectively govern, a committee of five trustees serve also as managers and coordinators to oversee the overall operation. In addition, the committee appoints additional coordinators, teachers and volunteers to fulfil the charity's objectives

Appointment of Managers and Trustees

The Trustees, are appointed in general meeting and are collectively known as the Committee. Every year at a AGM, each offer themselves for re-election. The Trustees who served during the year, together with any changes up to the date of approving this report are listed on page 3.

Trustee recruitment, induction and training

The organisation has a process for the recruitment and induction of the members to the Committee and is led by the needs and skill requirements of the organisation.

Organisation

The day to day operations of the Charity are the responsibility of the Centre Manager, to whom the Trustees delegate authority for operational matters including finance, employment and development. Our Trustee is not independent.

Risk Management

Periodic reviews are made to ensure that the charity continues to identify and mitigate any major risk that may arise. The major financial risks facing the charity arise in connection with uncertainty about the continuing financial capacity of some of the regular funders to continue to support the work

Our Mission & Objectives

The mission of the Charity is to promote the wellbeing of the Local Somali community and also the local community without distinction of race, colour, ethnicity, gender or views held such as political, religious or other.

The key charitable objectives of the charity are:

- Providing welfare advice, information, and support services to all the Somali community
- Facilitating vocational training
- Assisting in the advancement of the educational attainment of young people
- Promoting and facilitating positive youth activities
- Promoting community cohesion by celebrating cultural diversity and encouraging racial harmony
- Fostering a positive outlook by engaging young people, women and the elderly in productive activities.
- Outreach work with elderly Somali people.

Ensuring our work delivers our aims and objectives

We currently have an active hands on management committee who meet regularly(during the year to review, guide and direct the work of the organization. This governance structure seeks to ensure that the services and the activities carried out by the charity are in keeping with its objectives and satisfies the needs of the community to deliver its overall mission.

In particular, the trustees refer to the guidance contained in the Charity Commission's general guidance on public benefit when considering how planned activities will contribute to the Charity objectives and aims.

REVIEW OF PROGRESS AND ACHIEVEMENTS

This year the organisation enjoyed the continued support of the Manchester City Council,and,OldTrafford,The Workers Education Association,Places for People and other giving organisations.. Since June 2016 we have occupied offices in address,80 Demesne Road,Manchester and we continue to express our appreciation to our landlords ,the YMCA who helped us since our move here..

GOLDEN CENTRE OF OPPORTUNITIES

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

The key beneficiaries of our work continue to be the communities in the catchment that we serve. Predominantly, our users come from the local Somali and other local communities; however, the Equal Opportunities Policy that we abide by ensures that no deserving individual is discriminated against. Our focus has been on all age groups, and both men and women. Our service users come from all over the Manchester area.

The Advice, Information and Guidance service is primarily taken up by the people for whom English is not their first language and who lack the knowledge or the confidence of dealing with authorities on their own. Besides the welfare rights issues the service also provides welfare benefit advice, a work club, basic IT classes, ESOL Classes, and a Home work club..

Similarly, the various ad-hoc projects are all designed to benefit the respective sections of the community. The centre being at the heart of the community allows the user groups and the local community to meet, discuss, consult and run cohesion activities.

FINANCIAL REVIEW

A determined focus on balancing the books, and tight control on costs is needed each year. Each year this helps the organization to break-even and report either a modest revenue/expenditure loss or surplus. The current year reports a small surplus of £1496 (£3129-2022).. All funds and Activities are currently unrestricted so it has not been necessary to report on restricted activities separately...

There is still no large abundance of reserves (unrestricted funds not designated) which could be used to cover running costs in the event of unforeseen curtailment of income in the coming year and so the charity hopes to enjoy the continued support that has been given. Net assets are valued at £2421616 (£22720-2022).

FUTURE PLANS

As last year, if funding cuts to Local authorities were ever to lead to a cut in donations to the charity they could seriously jeopardize the charity's ability to sustain its current services and activities so new providers of a donation are always appreciated.

The accounts comply with statutory requirements, the provisions of the governing document and the Statement of Recommended Practice for Charities issued March 2005.
