EDP (EDUCATIONAL DEVELOPMENT PROJECTS) TRUST

TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 30 SEPTEMBER 2022

The trustees present their annual report and financial statements for EDP (Educational Development Projects) Trust for the year ended 30 September 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Memorandum and Articles of Association, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Objectives and Activities

The objects of the charity are to advance any purposes which are charitable under the laws of England and Wales from time to time and in particular (but without limitation) to advance education and relieve poverty for the public benefit.

In shaping the objectives for the year and planning the charity's activities, the trustees referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Achievements and Performance

Since 2009 the charity has focused on raising funds for Awutu-Winton SHS, a senior secondary school in Ghana, 50 km west of Accra. We started with an empty block of land, which has now been transformed into an impressive leafy campus with a large assembly hall, an impressive library, two science laboratories plus a domestic science building and 12 general classrooms. Through a joint venture signed with the Ghana Education Service most of our teachers are provided for free, but EDP directs operations and monitors standards closely, and continues to raise money for new facilities, general maintenance and auxiliary staff.

The school, which charges no fees, aims to offer a holistic education and provide first-class amenities to promising youngsters from very impoverished backgrounds. With a student population of 500 and class sizes of less than 40 – way below the average in Ghana – students receive more individual attention. In this way we can increase their confidence, broaden their horizons, and ensure that they make the best use of the talents they possess.

Winton Educational Development Project Foundation (formerly known as Awutu Winton Senior High School) is a registered NGO in Ghana. Since 2013, it has produced and filed its own accounts in Ghana but it is answerable to the UK charity, which closely supervises its performance through the Board of Trustees in the UK and a small team of employees in Ghana.

Financial Review

Total income and endowment for the year has increased by 1.82% and total expenditure for the year has increased by 8.62%. At the year end the total unrestricted funds was £54,967 (2021 - £67,450).

Reserves Policy

The present level of funding is adequate to support the continuation of the charity for the medium term and the trustees consider the financial position of the charity to be satisfactory.

Principal Funding Sources

The principal funding source for the charity is currently by way of donations.

Statement of the Trustees' Responsibilities

The trustees (who, with the exception of Nicholas Robertson and Maxwell John Sayers, are also directors of EDP (Educational Development Projects) Trust for the purposes of company law) are responsible for preparing the Report of the Trustees and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP 2019 (FRS 102);
- Make judgements and estimates that are reasonable and prudent;

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES

OF EDP (EDUCATIONAL DEVELOPMENT PROJECTS) TRUST

I report to the charity trustees on my examination of the accounts of the company for the year ended 30 September 2022, which are set out on pages 5 to 13.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matter has come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

EDP (EDUCATIONAL DEVELOPMENT PROJECTS) TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1.0 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

1.1 General information and basis of preparation

EDP (Educational Development Projects) Trust is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The registered office is 135 Little Ann, Andover, Hampshire SP11 7NW

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The financial statements are prepared on a going concern basis under the historic cost convention. The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes. Designated funds are unrestricted funds earmarked by the trustees for particular purposes. Restricted funds are subject to restrictions on their expenditure imposed by the donor.

1.3 Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Interest income is recognised when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

EDP (EDUCATIONAL DEVELOPMENT PROJECTS) TRUST

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1.4 Expenditure recognition

Expenditure is recognised on an accrual basis where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following headings:

- Costs of raising funds comprise the costs incurred on activities that raise funds.
- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

1.5 Support costs allocation

Support costs are those functions that assist the work of the charity but do not directly represent charitable activities and include premises overheads, office, finance and governance costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

1.7 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.8 Provisions

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

1.9 Foreign currencies

Foreign currency transactions are initially recognised by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency at the balance sheet date are translated using the closing rate.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 30 SEPTEMBER 2022

2.0 Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
