### **Structure, Governance and Management**

The governing document is the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

The method of appointment of Parochial Church Council (PCC) members is set out in the Church Representation Rules. All Church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC.

The parish is managed by the PCC, which meets regularly to discuss and transact business of the Parish.

Following the unification of the parishes of St George's Beckenham and St Barnabas (Beckenham) one PCC has been appointed to manage the affairs of both charities. The financial affairs of the two organisations have been kept separate as the two organisations have established financial management and reporting systems in place and as such separate reports for the two charities have been prepared.

The PCC operates through a number of committees which have responsibility for the various activities of the Parish, and which report back to the PCC with recommendations for approval by the PCC.

The key committees which report to the PCC are as follows:

- Standing Committee: this is the only committee required by law. It has the power to transact the business of the PCC between meetings, subject to any directions given by the Council. It oversees the general financial and administrative issues which face the parish by monitoring the income and expenditure of the parish, and by budgeting.
- Risk Management Committee: this was formed part way through 2017 and it is designed to manage the risks relating to people using the church premises.
- Finance Committee: This was created on 23 October 2019 its brief is to oversee the Financial Management of the Benefice of St George and St Barnabas and to report to the Standing Committee and/or PCC on matters affecting the financial health of the Benefice.
- "Arts at St George's" Committee: This oversees the organisation and administration of the events under the banner of "Arts at St George's" which includes St George's Festival for Beckenham (formerly the Arts Festival).
- Hall Review Committee: This was created in September 2019 oversees all matters relating the Church Halls in the Benefice.
- The Fabric Committee: This committee monitors, plans and deals with building maintenance across the benefice.
- Building Committee – created in 2021 to work on proposals to develop the church building particularly improve toilet facilities, storage and additional meeting room space.
- Contested Heritage Committee – to address the issues of contested heritage within our church and wider issues of under-representation and using the Church of England guidance seek ways to redress imbalances

### **Objectives and Activities**

St George and St Barnabas Parochial Church Council (PCC) has the responsibility of cooperating with the Rector, Rev Canon Jeremy Blunden, in promoting in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelistic, social, and ecumenical. It also has maintenance responsibilities for the Parish Churches and related Church Halls.

The incumbent and the PCC have considered the Commission's guidance on public benefit and in particular the specific guidance on charities for the advancement of religion and they try to enable ordinary people to live out their faith as part of our parish community.

The responsibilities were extended to the parish of St Barnabas from Sunday 11<sup>th</sup> March 2018 when the two parishes became a benefice.

## **Electoral Roll**

The new Electoral Roll for the Benefice was published on Sunday 31 March 2019 and further revised in April 2022. The Third Revision of the Electoral Roll was completed on Tuesday 19<sup>th</sup> April 2022 and stands at 238 of which 103 are resident in the benefice.

## **Rector's Report**

This Report summarises our work in prayer, worship, mission, outreach and evangelism for the year ending December 2021. During the year the Church continued to operate in the midst of the ongoing, global pandemic, which present significant challenges to all aspects of church life and operation. St George's Church was open for public worship during Advent and Christmas 2020 but required to close from 10 January 2021 through 28 March 2021 (Palm Sunday). During lockdown we continued with our worship online and in the times when we were able to hold face to face services, we again worked tirelessly to ensure that the church was safe and accessible whilst remaining a place of welcome and inclusion for all people. The church was open for Holy Week and a joyful and uplifting Easter Day. Over the following weeks as people returned to church, we gradually moved from online to face to face worship. We maintained contact with members of the church via regular online, postal and phone contact, throughout the year and this continued when the church doors were opened. Junior Church, led by June Mackenzie, has been running throughout the year offering online activity, home-learning and face to face meetings when possible. The work has been creative and flexible, and I am very grateful to June and all involved.

As the church opened, we were able to marry a number of couples who had postponed their weddings due to lockdown-restrictions on numbers of guests. It was a great pleasure to welcome back our local schools for their Harvest, Remembrance and Christmas services, and we were able to host the Act of Remembrance at the war memorial in Beckenham. During Advent we welcomed the Dean of Southwark, Andrew Nunn, as guest preacher and it was a particular blessing to have the church open for a full programme of Christmas services. During the course of the year, we offered study courses during Lent and Advent both online and face to face.

I am grateful to all who have been involved in the preparation of and taking part in our worship through the year: Clergy and Ministers, servers, readers, intercessors, sides people and the flower-team. There has been much additional work required in preparing the church to maintain the safety of worshippers and I offer my particular thanks to Joan Conway and Mary Davies. My thanks also to James Hardy and the bellringers who begin our worshipping each week in calling our community to prayer.

The choir have experienced a challenging year with the various restrictions placed upon singing through the pandemic as well as being without a Director of Music for most of the year. We were pleased to welcome Charlie Warren as our new Director of Music in October. I am grateful to all those who helped with the organising and running of the choir during the year, in particular, Nick Startup, Jon Mills, Dave Bullen and Ian and Janey Maxwell.

During the summer Rochester Diocese said a fond farewell to Bishop James Langstaff, at the beginning of July, on his retirement as Diocesan Bishop. We said farewell to Fr Edward Pritchett on 15 August as his time as Curate came to an end. He was appointed Rector of St Wilfrid's Church and the Presentation Church, Haywards Heath and installed by the Bishop of Chichester on 1 October. We were joined by our new Curate, Mthr Beverley Ejimofe, in April and she was priested at Rochester Cathedral on 25 September. Rev Stephen Niechcial preached at Mthr Beverley's first Mass on 26 September.

The Churchwardens, Nigel Sykes, Sarah Philipps and Bob Norfolk-Thompson, Parish Safeguarding Officer Roger Capon, Treasurers, Jeremy Byers and Adrian Lambourne, members of the PCC, members of Standing Committee and Finance Committee, all staff members and our army of wonderful volunteers, have worked tirelessly throughout the year to enable the safe-running of the church and halls, sometimes through very challenging circumstances. I offer my grateful thanks to all concerned.

## ***Prayer for a New Beginning***

*Gracious God,  
as we reflect on the joys  
and sadness of the year past,  
we give thanks that you have journeyed with us.  
We ask your blessing as we walk into your future  
in faith, in hope and in the love of your Son,  
Jesus Christ our Lord.  
Amen.*

## **PCC Secretary's Report**

The PCC met via Zoom, email and in person several times since the May 2021 APCM. Our thanks go to the PCC members for their continued commitment to the Benefice.

**Ministry to Children and Young People** – We are grateful to June Mackenzie and all of the Leaders and Helpers for their continued ministry to our young people in the past year. June has continued to provide online resources to families as well as having Junior Church meetings in church.

**Pastoral Ministry** - The work of the Pastoral Team is largely unseen, but it supports many church members and responds to various requests from the community or visitors to the church. The Team is led and co-ordinated by June Mackenzie and Revd Dr Maggie Wilkinson. During the last year (Covid 19 restrictions) members of the Team telephoned more vulnerable church members, who were isolating, for conversation and prayer. Members of the Team also supported those who asked for help by shopping and running errands. The church has seen an increased need from those in the community who needed a quiet place to pray or reflect. Staff members have assisted those in need. Contact has been made with our Nursing Homes in the benefice and Schools have returned to the church for services and events.

**Communication** – St George's Church has continued to use social media in the last year through our church website, Twitter, Facebook and Instagram. We are very grateful to Lizzie Hardy and David Yiu who have provided so much support.

**Choir and Music Provision** – On Easter Sunday 2021 members of the choir sang in church for the first time since December 2020. Led by Nick Startup with Jon Mills as organist, 6 Members of the choir sang at the 9.30am service until 25 July when congregational singing returned to St Georges. In October 2021 we appointed Charlie Warren as Organist and Director of Music.

**Learning and Growing in Faith** – The Lent and Advent study groups met in church and also via Zoom in 2021. Joan Conway provided a number of online reflections during the year, and these were also sent to home worship members of the congregation who do not have access to social media.

**Work of the PCC** - During the course of the 2021 much of the business of the PCC has focussed on ongoing matters relating to the benefice: reopening the church for our congregation, the return of Schools and Charities to using the church, the continued impact of COVID 19 on the church and church finance. We are grateful to our Churchwardens Sarah Phillips, Nigel Sykes and Bob Norfolk Thompson, to Jeremy Byers, the Treasurer, Adrian Lambourne, Treasurer for St Barnabas, Angela Susilovic and Roger Capon, Safeguarding Officers, Nick Startup, the Planned Giving secretary, Ken Maliphant and Richard Fielder for their Financial and Insurance Reviews, James Hardy for the ongoing work on the Fabric to Lizzie Hardy and David Yiu for their social media support and content, the Pastoral Team, the Refreshments Team and the Flower Team and to members of the PCC for their commitment and dedication in serving the benefice.

**Work of our committees** - Special thanks are due for the detailed work of the Finance Committee in reviewing the church finances and finding ways to make our resources work for us in the current climate. We are also grateful to Chris Porter in dealing with the long-running St Bride's project, and to Jeremy Byers, Paul Turner and Adrian Lambourne for their work with the church finances.

We continue working together with our sisters and brothers from St Barnabas Church in serving God and community in the Benefice of St George and St Barnabas.

## **Financial Review**

The financial statements show that the charity had total incoming resources for the last financial year of £204,956 (2020: £219,524) and total resources expended of £197,809 (2020: £269,343) leaving a net surplus of income over expenditure of £7,174 (2020: Deficit 50,089).

The results for this current financial are surprisingly good given the budgets prepared during the pandemic had suggested we would be facing a sizeable deficit similar to that recorded in 2020. The fact that this result has been testament to the hard work of all those engaged in the work of the church in the last year.

The results for the year do however hide some underlying issues. Planned giving levels have dropped in the year which may be a reaction to Covid lockdowns but also reflects an identified ongoing issue of with an ageing demographic within the church's planned giving scheme.

The parish benefited from the financial support of Church Fields Charity in the sum of £31,021 in the year which funded a considerable element of the church's maintenance costs and as a listed building we were also able to recover some Value Added Tax for work undertaken on the structure totalling £3,694.

The parish received government support from the Job Retention Scheme ("Furlough" scheme) during the early part of the year in the sum of £3,050. We hope that the need for such a scheme will not recur.

It is also pleasing to see that donations received at recitals increased in the year to £7,613 (2020: £4,500) and that Hall and Church letting income increased to £25,993 (2020: 20,574) although these are not back at pre-pandemic levels which were in the region of £53,000.

The Arts at St George's income is higher than expected with the receipt of funds from the St George's Players of £7,812 – these funds were previously held outside the church accounts.

Turning to expenditure, the overall level of expenditure was lower than had been budgeted and reflects the lower level of church activity at the start of the year, imposed by lockdowns. Areas in which costs reduced include those surrounding clergy costs with our curate Revd. Pritchett moving to his first parish in September 2021. Music costs were considerably lower than expected as the position of Director of Music was vacant for over 6 months and other general running costs being reduced with the church opening being restricted for part of the year.

Clearly, in 2022 these costs may well increase, the position of director of music has been filled, so music costs will increase and of course, we face increased utility costs which is a national and international issue. The utility cost increases may be deferred as we are in fixed term contracts, but initial renegotiation of hall electricity contracts shows unit costs have more than doubled.

Overall, the result is a pleasing one, but with ongoing inflationary pressures in the economy it is not difficult to see that the need for the work of the church will increase, whilst the opportunities to increase income may well be limited.

## **Post Balance Sheet Events**

### **Pastoral Scheme**

The ongoing issues arising from the Pastoral Scheme which united St George's and St Barnabas in a joint benefice are being worked through.

Following the legal advice received in 2021 about the Diocesan Scheme which merged the parishes of St George's Beckenham and St Barnabas Beckenham in February 2018 the trustees have taken steps to merge the two existing charities into a new joint charity.

The trustees have formed and registered a new charity under the name "The Parochial Church Council of the Ecclesiastical Parish of St George and St Barnabas Beckenham" Charity Number 1197407 in December 2021 and it is expected that this new charity will take on the management of the two previous charities and their net assets (St George's Beckenham Charity No 1129429 and St Barnabas Church Beckenham Charity No 1169952) from 1<sup>st</sup> January 2022.

The merger is ongoing but has slowed with difficulties in establishing new banking arrangements for the new charity. Once this has been achieved transfer of assets and liabilities of the two separate charities should move into the new charity.

**Investment Review**

The charity has two major groups of investment assets.

St George's church hall represents £964,749 of the total investment portfolio of £1,458,276. The church hall provides a range of meeting room facilities, for a variety of parish and community organisations. It is the policy of the PCC to maintain this facility in good order to ensure that it continues to provide high quality facilities and generates income to finance the maintenance of the property. Given the impact of Covid 19 it is likely to generate less income than had previously been the norm, but a review of rental rates is being undertaken to ensure that this asset continues to generate income commensurate with the quality of the facility.

The remaining asset portfolio is invested with the Diocese and the Central Board of Finance in a range of investments designed to generate income and capital growth. The rebalancing of the portfolio previously identified as being necessary, was completed in 2021. Moving from investments that accumulate income to those which generate dividends should assist the parish with its cashflow and allow it to meet, in part, the increasing costs of the charity.

**Reserves Policy**

It is the policy of the PCC to maintain sufficient unrestricted funds supported by current assets to equate to three to six months unrestricted expenditure.

Unrestricted reserves were £1,830,167 at 31st December 2021. Of these reserves £334,075 has been designated for specific purposes and £964,749 represents the value of the church hall, leaving a balance of other reserves of £531,343.

These levels of reserves are sufficient to meet this requirement and sufficient to support the work of the church in the next two years.

**PAROCHIAL CHURCH COUNCIL OF ST. GEORGE'S, BECKENHAM**

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31st December 2021**

1

**ACCOUNTING POLICIES**

The financial statements have been prepared under the Charities Act 2011 and in accordance with the Church Accounting Regulations 2006 governing the individual accounts of Parochial Church Councils and with those regulations "true and fair" provisions. The financial statements have also been prepared in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their account in accordance with the "Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and with the associated requirements of the "Financial Reporting Standard 102" (FRS 102).

This organisation is a public benefit entity as defined by Financial Reporting Standard 102.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

**Going Concern**

The Trustees consider that there are no material uncertainties regarding this charity's ability to continue as a going concern. Lockdown measures arising from the COVID 19 pandemic reduced income streams, but with the reopening of the UK economy, income streams are increasing although donation income streams reported have reduced in the year. Despite this the Trustees believe that the charity has sufficient liquidity in its net assets of £1.85m to ensure that the charity can meet its obligations in the next 12 months and beyond. The Trustees continue to work improve the charities financial position and aim to achieve a financially sustainable position.

**Assets**

**Consecrated and benefice property**

Consecrated and benefice property of any kind is excluded from the statutory definition of "charity" by Section 10(2) (a) and (c) of the Charities Act 2011 and such assets are not capitalised in these financial statements.

**Moveable Church Furnishings**

Moveable church furnishings are capitalised at cost and depreciated over their useful economic life other than where insufficient information is available. In this case the item is not capitalised, but all items are listed in the Church's inventory.

**Tangible fixed assets for use by the charity**

These are capitalised if they can be used for more than one year. They are valued at cost.

**Depreciation**

Depreciation is calculated to write off the capitalised cost of fixed assets less their currently anticipated residual fair value over their estimate useful lives as follows:

Land	Nil
Furniture and moveable equipment	5 to 10 years
Fixtures and equipment	10 years

**Investments**

Investments quoted on a recognised stock exchange or whose value derives from them are valued at market value.

Other investment assets, which includes investment property, are included at the Parochial Church Council's best estimate of market value.

Gains or losses arising on revaluation of investments are shown on the Statement of Financial Activities as "Gains and Losses on Investments".

**Short term deposits and Cash at Bank and on Hand**

Short term deposits represents funds held in accounts which are not immediately accessible but can be drawn upon within less than three months. These include deposits which are held with Central Board of Finance Diocese of Rochester (which includes the Church Repair Fund), CCLA deposit accounts and balances held in National Savings Accounts.

Cash at bank and on hand represents funds held to meet ongoing charity expenditure. These represent current account and deposit accounts held with clearing banks and cash balances.

**Funds**

**Unrestricted funds**

These represent the remaining income funds of the charity that are available for spending on the general purposes of the charity, including amounts designated by the PCC for spending on future projects.

**Restricted Funds**

These are income funds that must be spent on restricted purposes and details of the funds held and restrictions provided are shown in the notes to the accounts.

**Endowment funds**

These are restricted funds that must be retained as trust capital either permanently or subject to a discretionary power to spend capital as income, and where the use of any income or other benefit derived from the capital may be restricted or unrestricted. Details of all their restrictions are shown in the notes to the accounts.

**Income and Endowments**

Income is recognised in the Statement of Financial Activities when a transaction or other event results in an increase in the charity's assets or a reduction in the charities liabilities. Generally income is only recognised when the charity has entitlement to economic benefit, it is probable that the benefits will flow to the charity and that the monetary value can be measured reliably.

Planned giving, collections and donations are recognised when received. Tax refunds are recognised when the incoming resource to which they relate is received.

Grants and legacies are accounted for when the PCC is legally entitled to the amounts due.

Dividends are accounted for when receivable, and interest is accounted for as it accrues over time. All other income is recognized when it is receivable.

All income and endowments are accounted for gross.

The charity values and relies upon the support of its congregation and parishioners for voluntary support throughout the financial year in assisting with the work of the church. As the value of this support cannot be reliably measured it is not included as income within these accounts.

**Expenditure**

Expenditure is recognised in the Statement of Financial Activities when a transaction or other event results in an decrease in the charity's assets or a increase in the charities liabilities. Generally expenditure is only recognised when the charity has a present legal or constructive obligation as a result of a past event, it is probable that a transfer of economic benefits will be required in settlement and that the monetary value can be measured reliably.

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the PCC.

The diocesan parish gift is accounted for as and when it is paid.

All other expenditure is generally recognized when it is incurred and is accounted for gross.

**Cashflow Statement**

A statement of cashflows is not prepared as the Parochial Church Council considers that the charity is "small" as defined by FRS102 and so is not required.

The final purpose for the designated funds arising from the release of the restrictive covenant has yet to be agreed and the designation is designed to ensure that the original source of the capital is preserved.

**11 POST BALANCE SHEET EVENTS**

During the year ended 31st December 2014 the PCC completed negotiations relating to a lease on a property in Beckenham High Street. The lease was signed early in 2015 for a lease premium of £235,000 and funds were transferred to the Rochester Diocesan Board of Finance for safekeeping. Correspondence took place with the diocese throughout 2015 and 2016 as to how the funds are to be applied. During the year ended 31st December 2017 a scheme of arrangement has been ratified by the Charity Commission.

The Parish has continued to pursue the matter of the release of the funds with the Charity Commission. In 2019 the Rochester Diocesan Board of Finance agreed to provide a grant of £122,000 to the parish and this is shown in the Statement of Financial Activity and as a designated fund. Initial discussions suggest that these funds will be utilised to improve Toilet Facilities within the church. The Parish received the "grant" on a basis which would not prejudice its claim for the balance of funds arising on the lease renewal. The matter is ongoing.

**12 CONNECTED CHARITIES**

**(a) The Church Fields Charity**

The Church Fields Charity, a separate charity, has the objects of applying its income, after meeting its own costs, for the "repair and maintenance of the fabric of the parish church of the Ecclesiastical Parish of St George's Beckenham" and for "furthering the religious and other charitable work of the Church of England in the said ecclesiastical parish."

In the current financial year the parish have received financial support totalling £31,021 (2020: 29,462) which represents funding to assist with the payment of church insurance, repairs and maintenance of the church building. This support is now recorded as a "restricted fund".

**(b) Wotherspoon Trust Fund**

Dr. John Wotherspoon died in June 1961 leaving £5,000 in trust to the Rector and Churchwardens of St. George's Church, the capital to be invested and income arising to be applied for the benefit of assistant clergy at St George's. On 24th February 1970 the Diocesan Board of Finance became Custodian Trustees and the trust capital is now held in their name, with the investment certificates retained at Rochester. The trust income (including accumulated funds) remains at the disposal of the Rector and Churchwardens. Each year a state of accounts is drawn up to establish the trust income and the value of the assets. The value of assets held as at 31st December 2021 (which do not form part of these accounts) is £ 52,599 (2020: £45,482).

**13 2020 GAINS AND LOSSES ON INVESTMENTS**

## **Independent Examiner's Report to the Trustees of the Ecclesiastical Parish of St Georges church Beckenham**

This report on the financial statements of the PCC for the year ended 31st December 2021, which are set out on pages 1 to 15, is in respect of an examination carried out in accordance with the Church Accounting Regulations 2006 ("the Regulations") and s.145 of the Charities Act 2011 ("the Act").

### **Respective responsibilities of PCC members (Trustees) and examiner**

As the members of the PCC you are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. Where the charity's gross income exceeded £250,000 I am qualified to undertake the examination by being a qualified Fellow of the Association of Charity Independent Examiners.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

My examination was carried out in accordance with general Directions given by the Charity Commission and the Church Guidance 2006 issued by the Finance Division of the Archbishops' Council. An examination includes a review of the accounting records kept by the PCC and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
- have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

### **Structure, Governance and Management**

The governing document is the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

The method of appointment of Parochial Church Council (PCC) members is set out in the Church Representation Rules. All Church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC.

The parish is managed by the PCC, which meets regularly to discuss and transact business of the Parish.

Following the unification of the parishes of St George's Beckenham and St Barnabas (Beckenham) one PCC has been appointed to manage the affairs of both charities. The financial affairs of the two organisations have been kept separate as the two organisations have established financial management and reporting systems in place and as such separate reports for the two charities have been prepared.

The PCC operates through a number of committees which have responsibility for the various activities of the Parish, and which report back to the PCC with recommendations for approval by the PCC.

The key committees which report to the PCC are as follows:

- Standing Committee: this is the only committee required by law. It has the power to transact the business of the PCC between meetings, subject to any directions given by the Council. It oversees the general financial and administrative issues which face the parish by monitoring the income and expenditure of the parish, and by budgeting.
- Risk Management Committee: this was formed part way through 2017 and it is designed to manage the risks relating to people using the church premises.
- Finance Committee: This was created on 23 October 2019 its brief is to oversee the Financial Management of the Benefice of St George and St Barnabas and to report to the Standing Committee and/or PCC on matters affecting the financial health of the Benefice.
- "Arts at St George's" Committee: This oversees the organisation and administration of the events under the banner of "Arts at St George's" which includes St George's Festival for Beckenham (formerly the Arts Festival).
- Hall Review Committee: This was created in September 2019 oversees all matters relating the Church Halls in the Benefice.
- The Fabric Committee: This committee monitors, plans and deals with building maintenance across the benefice.
- Stewardship/Fundraising Committee: This was established in 2018 to oversee St George's income, giving and fundraising.

### **Objectives and Activities**

St George and St Barnabas Parochial Church Council (PCC) has the responsibility of cooperating with the Rector, Rev Canon Jeremy Blunden, in promoting in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelistic, social, and ecumenical. It also has maintenance responsibilities for the Parish Churches and related Church Halls.

The incumbent and the PCC have considered the Commission's guidance on public benefit and in particular the specific guidance on charities for the advancement of religion and we try to enable ordinary people to live out their faith as part of our parish community.

The responsibilities were extended to the parish of St Barnabas from Sunday 11<sup>th</sup> March 2018 when the two parishes became a benefice.

### **Electoral Roll**

The new Electoral Roll for the Benefice was published on Sunday 31 March 2019 and further revised in March 2020. The Second Revision of the Electoral Roll was completed on Sunday 4 April 2021 and stands at **257** of which 111 are resident in the benefice.

### **Rector's Report**

This Report summarises our work in prayer, worship, mission, outreach, and evangelism for the year ending December 2020. As for the Annual Report 2019, this Report is prepared, at the time of writing, in extraordinary circumstances for the Church in the midst of the coronavirus pandemic. The Church is emerging from a sustained period of national-lockdown and church closure as we continue to work, by God's grace, to prayerfully serve our community in new and emerging ways.

The closure of St George's Church and church hall meant that many of the year's planned events and services had to be postponed or cancelled. However, we are no strangers to faith, and we have remained thankful and hopeful throughout this challenging year. All that we achieve in serving God and sharing in God's work is a reflection of God's gracious inspiration and the creativity and vitality of our staff and volunteers. Once more during the year, many people have given their time, energy, and creativity so generously and graciously to develop our work in all aspects of our church life.

The Pastoral Team continues to support members of the church whether the church is open or closed. The Team is led by June Mackenzie and Rev Maggie Wilkinson and worked in supporting church members who were isolating and alone. Rev Maggie also arranged coffee-mornings via Zoom. In addition to the Pastoral Team, all members of the staff team and large numbers of church members have worked constantly and tirelessly in supporting members of the church and community.

The church was open for worship from January to March, July to November, and for Advent and Christmas (but closed again at the beginning of January 2021). During the times when the churches were open, we worked very hard in making the church safe and accessible whilst still being a place of welcome and inclusion where people in all their diversity may encounter the transforming presence of God in Jesus Christ.

At times when the churches have been closed for worship our services have been presented online, allowing church members to worship together, from their homes. I am grateful to all those who have taken part in and assisted with our online services, in what is a very challenging project. June Mackenzie and the Junior Church team have remained in contact with our young members and their families, providing information and worksheets on a weekly basis. We have also presented online Lent and Advent study courses, led by Fr Edward, and Joan Conway has provided online reflections throughout the year. The reflections and weekly church news and information is also sent to those church members who are not online.

We serve together and minister together in running our churches and so I offer my thanks to our Churchwardens Nigel Sykes, Sarah Phillips and Bob Norfolk-Thompson and all officers and members of Standing Committee, Finance Committee, and the PCC, who have carried out extensive and significant work in a challenging environment. My thanks to our Clergy and Ministers, Director of Music and Choir, all members of staff and our army of volunteers, without whom we would not be able to operate our churches, our church-halls and serve our community in the way that we do.

Why do we do all this? To share in God's work of reaching out in Christ's love, to the world.

May God bless you.

### **PCC Secretary's Report**

The PCC met via Zoom or email several times since the October 2020 APCM. Our thanks go to the PCC members for their continued commitment to the Benefice.

During the course of the last five months much of the business of the PCC has focussed on ongoing matters relating to the benefice and the impact of COVID 19 on the church.

During the last year (Covid 19 restrictions) members of the Team telephoned more vulnerable church members who were isolating for conversation and prayer. Members of the Pastoral Team also supported those who asked for help by shopping and running errands. The church has seen an increased need from those in the community who needed a quiet place to pray or reflect. Staff members have assisted those in need.

St George's Church has continued to use social media in the last year through our church website, Twitter, Facebook, and Instagram. We are very grateful to Lizzie Hardy and David Yiu who have provided so much support.

Much of the work of God in this place has been facilitated by the endeavours of members of the committees and the congregation in general. This is recorded in the Rectors Report.

We continue working together with our sisters and brothers from St Barnabas Church in serving God and community in the Benefice of St George and St Barnabas.

### **Financial Review**

The financial statements show that the charity had total incoming resources for the last financial year of £219,254 (2019: £479,39) and total resources expended of £269,343 (2019: £287,859) leaving a net deficit of expenditure over income of £50,089 (2019: Surplus £191,180).

The results for this current financial reflect the anticipated impact of Covid 19 which saw the closure of churches in March 2020 and all the subsequent ensuing openings and lockdown that have gone on into 2021. As noted in the 2019 report the results for 2019 were distorted by the receipt of a grant from the Rochester Diocesan Board of Finance of £122,000 in the year. This grant has proved useful to maintain the cashflow of the parish during 2020 despite the restrictions imposed.

With the National Lockdown the parish saw an inevitable reduction in income from all events and sources which relied on generating income from any event involving the close association of people. Consequently, Hall and Church letting income has reduced by £32,912 and the income generated by "Arts at St George's" has reduced by 59,254.

It is pleasing that the financial statements show that the donations received from the congregation and visitors have held up well despite all the problems that Covid 19 created and as Treasurer I would like to thank all donors for their support in 2020. If you have had to change the way you have made your gift - thank you for persevering and getting your donations to us.

In addition, the charity has taken advantage of the Job Retention Scheme offered by the government (known colloquially as "Furlough") so that we have been able to continue without having to resorting to redundancies.

During the year the charity has benefited from the ongoing support from Church Fields Charity, with donations receivable in the year £29,462 compared to those of £67,756 last year.

During the year the lockdown has allowed some improvements with the Hall and the Church. The Hall has had its hot and cold-water systems improved with the removal of cold storage tanks and updating of the hot water systems at the same time. The Church's fire alarm system has been updated. Whilst some of this work was planned, the issues with the cold-water system came to light as part of the Covid 19 lockdown with water stagnating in tanks.

The parish also increased its Parish Gift to the Diocese of Rochester to cover the reduction in the gift made in 2019.

As ever the expenditure within the charity continues to be monitored and controlled. It is the general policy of the charity to maintain its assets in good order to allow the ongoing work of the charity to continue.

Unfortunately, most of the expenditure is fixed by nature and so despite being locked down for a good part of 2020 the majority of the charity's expenditure continued at pre-lockdown levels.

As a result, a net deficit, before taking into account adjustments for revaluations, of £50,089 may be considered a good result.

Unfortunately, we are not sure of when the impact of Covid 19 will recede financially. Hall letting income and Arts events may grow as the economy reopens in 2021, but financially the impact could continue well into 2022. As such it is anticipated that deficits may of similar levels may be reported in 2021 and 2022.

## **Post Balance Sheet Events**

### **Covid 19**

Since the year end England entered a third national lockdown from 6<sup>th</sup> January 2021 which closed churches to Sunday public worship. The national roadmap allowed churches to reopen for limited services at the end of March to permit some Holy Week services. Sunday services recommenced on Palm Sunday and continue at the date of this report with social distancing and limits on the number of people allowed to meet outside the church.

Current indications are that with the roll out of the national vaccination program, the next stages of “unlocking” will take effect on 17<sup>th</sup> May and 21<sup>st</sup> June as planned in the Reopening Roadmap, but at this stage we have not received any guidance on when hall letting, and concerts may recommence. Consequently, the financial impact of Covid 19 is anticipated to continue into 2021 and budgets have been prepared on this basis.

### **Pastoral Scheme**

Since the year end the Finance Committee have reviewed the impact of the Pastoral Scheme which united St George’s and St Barnabas in a joint benefice.

The PCC has always understood that although the two original PCCs would cease to exist from the point of merger, but the two charities could continue to exist and function as two separate charities afterwards. Legal advice received early in 2021 suggested that this might not be correct and that the two charities might have to merge under the terms of the scheme. Following a discussion with the Diocese, in March 2021 we received confirmation from the Diocesan Secretary that the effect of the Pastoral Scheme was to merge the charities.

The Church Wardens have advised the Charity Commission of the merger and are currently awaiting guidance on how it should be given effect. In the meantime, the income and expenditure and assets and liabilities of each charity are shown in separate financial statements. The financial statements of St Barnabas Church Beckenham are available on request and are submitted to the Charity Commission under its charity number 1169952.

Since the preparation of this report, the trustees have formed and registered a new charity under the name “The Parochial Church Council of the Ecclesiastical Parish of St George and St Barnabas Beckenham” Charity Number 1197407 in December 2021 and it is expected that this new charity will take on the management of the two previous charities and their net assets (St George’s Beckenham Charity No 1129429 and St Barnabas Church Beckenham Charity No 1169952) from 1<sup>st</sup> January 2022.

### **Investment Policy**

The charity has two major groups of investment assets.

St George’s church hall represents £922,711 of the total investment portfolio of £1,364,004. The church hall provides a range of meeting room facilities, for a variety of parish and community organisations. It is the policy of the PCC to maintain this facility in good order to ensure that it continues to provide high quality facilities and generates income to finance the maintenance of the property. Given the impact of Covid 19 it is likely to generate less income costs over the next two years at least than has been the norm.

The remaining asset portfolio is invested with the Diocese and the Central Board of Finance in a range of investments designed to generate income and capital growth. As part of a review undertaken in 2020 it was identified that the investment portfolio was in need of rebalancing. Part of the investment portfolio held in accumulation units (where the

income is reinvested back into the investment) will be sold and the proceeds reinvested in investments designed to provide both capital growth and dividend income. This rebalancing was partially complete at 31<sup>st</sup> December 2020 and the process continues in the current year. These investments are designed to protect the capital and allow the parish to enjoy income that can be used to meet the increasing costs of the charity.

### **Reserves Policy**

It is the policy of the PCC to maintain sufficient unrestricted funds supported by current assets to equate to three to six months unrestricted expenditure.

Unrestricted reserves were £1,708,448 at 31st December 2020. Of these reserves £334,075 has been designated for specific purposes and £922,711 represents the value of the church hall, leaving a balance of other reserves of £451,662.

These levels of reserves are sufficient to meet this requirement but are likely to be utilised in part to support the work of the church in the next two years.

Approved by the Parochial Church Council and signed on its behalf by

## **Independent Examiner's Report to the Trustees of the Ecclesiastical Parish of St Georges church Beckenham**

This report on the financial statements of the PCC for the year ended 31st December 2020, which are set out on pages 1 to 15, is in respect of an examination carried out in accordance with the Church Accounting Regulations 2006 ("the Regulations") and s.145 of the Charities Act 2011 ("the Act").

### **Respective responsibilities of PCC members (Trustees) and examiner**

As the members of the PCC you are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. Where the charity's gross income exceeded £250,000 I am qualified to undertake the examination by being a qualified Fellow of the Association of Charity Independent Examiners.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

My examination was carried out in accordance with general Directions given by the Charity Commission and the Church Guidance 2006 issued by the Finance Division of the Archbishops' Council. An examination includes a review of the accounting records kept by the PCC and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**PAROCHIAL CHURCH COUNCIL OF ST. GEORGE'S, BECKENHAM**

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31st December 2019**

**1 ACCOUNTING POLICIES**

The financial statements have been prepared under the Charities Act 2011 and in accordance with the Church Accounting Regulations 2006 governing the individual accounts of Parochial Church Councils and with those regulations "true and fair" provisions. The financial statements have also been prepared in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their account in accordance with the "Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and with the associated requirements of the "Financial Reporting Standard 102" (FRS 102).

This organisation is a public benefit entity as defined by Financial Reporting Standard 102.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

**Going Concern**

The Trustees consider that there are no material uncertainties regarding this charity's ability to continue as a going concern. Whilst lockdown measures arising from the COVID 19 pandemic has reduced income streams, the Trustees believe that the charity has sufficient liquidity in its net assets of £1.7m to ensure that the charity can meet its obligations in the next 12 months and beyond. The Trustees continue to work improve the charities financial position and aim to achieve a financially sustainable position.

**Assets**

**Consecrated and benefice property**

Consecrated and benefice property of any kind is excluded from the statutory definition of "charity" by Section 10(2) (a) and (c) of the Charities Act 2011 and such assets are not capitalised in these financial statements.

**Moveable Church Furnishings**

Moveable church furnishings are capitalised at cost and depreciated over their useful economic life other than where insufficient information is available. In this case the item is not capitalised, but all items are listed in the Church's inventory.

**Tangible fixed assets for use by the charity**

These are capitalised if they can be used for more than one year. They are valued at cost.

**Depreciation**

Depreciation is calculated to write off the capitalised cost of fixed assets less their currently anticipated residual fair value over their estimate useful lives as follows:

Land	Nil
Furniture and moveable equipment	5 to 10 years
Fixtures and equipment	10 years

**Investments**

Investments quoted on a recognised stock exchange or whose value derives from them are valued at market value.

Other investment assets, which includes investment property, are included at the Parochial Church Council's best estimate of market value.

Gains or losses arising on revaluation of investments are shown on the Statement of Financial Activities as "Gains and Losses on Investments".

**Short term deposits and Cash at Bank and on Hand**

Short term deposits represents funds held in accounts which are not immediately accessible but can be drawn upon within less than three months. These include deposits which are held with Central Board of Finance Diocese of Rochester (which includes the Church Repair Fund), CCLA deposit accounts and balances held in National Savings Accounts.

Cash at bank and on hand represents funds held to meet ongoing charity expenditure. These represent current account and deposit accounts held with clearing banks and cash balances.

**Funds**

**Unrestricted funds**

These represent the remaining income funds of the charity that are available for spending on the general purposes of the charity, including amounts designated by the PCC for spending on future projects

**Restricted Funds**

These are income funds that must be spent on restricted purposes and details of the funds held and restrictions provided are shown in the notes to the accounts.

**Endowment funds**

These are restricted funds that must be retained as trust capital either permanently or subject to a discretionary power to spend capital as income, and where the

**Income and Endowments**

Income is recognised in the Statement of Financial Activities when a transaction or other event results in an increase in the charity's assets or a reduction in the charities liabilities. Generally income is only recognised when the charity has entitlement to economic benefit, it is probable that the benefits will flow to the charity and that the monetary value can be measured reliably.

Planned giving, collections and donations are recognised when received. Tax refunds are recognised when the incoming resource to which they relate is received.

Grants and legacies are accounted for when the PCC is legally entitled to the amounts due.

Dividends are accounted for when receivable, and interest is accounted for as it accrues over time. All other income is recognized when it is receivable.

All income and endowments are accounted for gross.

The charity values and relies upon the support of its congregation and parishioners for voluntary support throughout the financial year in assisting with the work of the church. As the value of

**Expenditure**

Expenditure is recognised in the Statement of Financial Activities when a transaction or other event results in an decrease in the charity's assets or a increase in the charities liabilities. Generally expenditure is only recognised when the charity has a present legal or constructive obligation as a result of a past event, it is probable that a transfer of economic benefits will be required in settlement and that the monetary value can be measured reliably.

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the PCC.

The diocesan parish gift is accounted for as and when it is paid.

All other expenditure is generally recognized when it is incurred and is accounted for gross.

**Cashflow Statement**

A statement of cashflows is not prepared as the Parochial Church Council considers that the charity is "small" as defined by FRS102 and so is not required.

**11 POST BALANCE SHEET EVENTS**

During the year ended 31st December 2014 the PCC completed negotiations relating to a lease on a property in Beckenham High Street. The lease was signed early in 2015 for a lease premium of £235,000 and funds were transferred to the Rochester Diocesan Board of Finance for safekeeping. Correspondence took place with the diocese throughout 2015 and 2016 as to how the funds are to be applied. During the year ended 31st December 2017 a scheme of arrangement has been ratified by the Charity Commission. The issue is still ongoing with the Rochester Diocesan Society and Board of Finance.

The Parish has continued to pursue the matter of the release of the funds with the Charity Commission. In 2019 the Rochester Diocesan Board of Finance agreed to provide a grant of £122,000 to the parish and this is shown in the Statement of Financial Activity and as a designated fund. Initial discussions suggest that these funds will be utilised to improve Toilet Facilities within the church. The Parish received the "grant" on a basis which would not prejudice its claim for the balance of funds arising on the lease renewal.

**12 CONNECTED CHARITIES**

**(a) The Church Fields Charity**

The Church Fields Charity, a separate charity, has the objects of applying its income, after meeting its own costs, for the "repair and maintenance of the fabric of the parish church of the Ecclesiastical Parish of St George's Beckenham" and for "furthering the religious and other charitable work of the Church of England in the said ecclesiastical parish.

In the current financial year the parish have received financial support totalling £27,410 which represents funding to assist with the payment of church insurance, repairs and maintenance of the church building. This support is now recorded as a "restricted fund"

**(b) Wotherspoon Trust Fund**

Dr. John Wotherspoon died in June 1961 leaving £5,000 in trust to the Rector and Churchwardens of St. George's Church, the capital to be invested and income arising to be applied for the benefit of assistant clergy at St George's. On 24th February 1970 the Diocesan Board of Finance became Custodian Trustees and the trust capital is now held in their name, with the investment certificates retained at Rochester. The trust income (including accumulated funds) remains at the disposal of the Rector and Churchwardens. Each year a state of accounts is drawn up to establish the trust income and the value of the assets, The value of assets held as at 31st December 2020 (which do not form part of these accounts) is £45,482 (2019: £41,750).
