

Our commitment across Tynedale is to see vibrant Christian communities which introduce people to life in the Kingdom of God and help people to live as followers of Jesus Christ.

Another year has been massively impacted by the coronavirus pandemic. We have sought to continue our work faithfully within the restrictions that have been imposed.

Many things have continued or resumed in hybrid form, using a mixture of remote and in-person means, including pastoral care, worship, fellowship and study. Some activities have been able to resume in some of our buildings, with Covid-security in place in keeping with Government and denominational requirements.

The financial giving of our members has largely been maintained throughout the pandemic and we are very grateful for that. Nevertheless our financial position has been impacted, mainly through lack of revenue from lettings, and we are using our Circuit's reserves. This, together with the general trend we had previously, has prompted us to review our mission and ministry, including the number of ordained ministers we have in the Circuit. The Circuit will soon have to make a decision in the light of its finances and will have to reduce the number of ordained ministers. This will inevitably have an impact on what the Circuit does, and churches will have to be less dependent on ordained ministers and Sunday services.

As we look to the future we have been considering what it means to serve God in this area and how we can do it most effectively and efficiently. We anticipate great community needs arising from the pandemic, including:

- Additional mental health issues, arising from loneliness, exhaustion, stress and bereavement
- Economic challenges from inflation, unemployment and debt
- Poorer public health, partly through people not accessing routine health care during the pandemic
- Spiritual searching in wider society is expected to continue and increase.

To help us to respond to these needs, to free ordained ministers from some of the burden of administration and management, we created the role of Enabling Services Manager. To keep the benefits of a greater online presence we appointed a Communications Co-ordinator. These posts equip and enable us to work differently and more effectively.

In all this, our priorities within our churches remain:

- Enhancing the quality of our worship services
- Developing small groups for learning together, pastoral support and prayer
- Building confidence in sharing our faith with others.

Taken together, these will 'equip God's people for works of ministry' (Ephesians 4:12), multiplying the impact we can make. The ordained ministerial team contains a wealth of experience and complementary talents and works well together. The same applies to our lay people. We are heavily dependent on the work of lay people at every level and it's safe to say that everything in the Circuit is a collaborative venture involving lay and ordained. As Superintendent I wish to thank all for faithfully playing their parts and giving of their prayers, time, money and enthusiasm, without which this wonderful work would not be possible.

Notes to the Accounts

1 Basis of accounting

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the District's financial position and activities. The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for smaller entities applicable in the UK (effective from 1 January 2015) – the Charities SORP (FRSSE) – in replacement for the SORP's 2005 version specified in its related 2008 Regulations and in accordance with the "true and fair override" provision contained therein.

2 Funds

The funds held constitute: General Funds held for any purpose of the Circuit which are Unrestricted; The Manse Fund is designated by Trustees as part of the General Fund; The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. The Circuit holds no Restricted or Endowment Funds. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

3 Public benefit entity

The Trustees of Tynedale Circuit confirm that they have regard to the Charity Commission's guidance on public benefit.

4 Accounting policies

Income Recognition

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability. Individual amounts categorised as Other income in the SOFA will be shown separately if they are considered material. No attempt is made to measure the value of services donated by volunteers.

Resources Expended

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms

VAT

Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers

Tangible fixed assets for use by the Circuit

These are capitalised if they can be used for more than one year, and individually cost at least £1,000. The freehold property is shown in the accounts at 2015 deemed values including land. No depreciation is provided on the building because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

Investment Properties

Investment properties are properties (usually closed chapels) deemed to not be held for the long-term purposes of the charity. This has been agreed on a case by case basis with the District Policy Committee and the value is shown net of all related selling fees and commissions including the Connexional levy calculated on a sliding scale based on the gross sale price.

Investments

The Circuit's investments are held by Trustees for Methodist Church Purposes as Custodian Trustee. Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA

Debtors and Prepayments

Debtors relate to the payment of the September stipend in August (£16,054), and a prepayment of Grant from the model trust fund (£9,000)

Creditors

Creditors include sundry expenses, grants payable in the coming year and specifically the 1st quarter assessment received in August.

Impact of Accounting changes

There has not been any restatement required to previous reported information because of the new SORP.

Going concern

Based on the monetary assets and human resources available at 31 August 2021, the trustees believe that the Circuit is a going concern.

Consolidation

The Circuit oversees the work of ministers and Churches within the Circuit but does not have control over those Churches, ministers, or lay workers except in extreme circumstances, none of which were applicable. For this reason, the financial statements of the Churches within the Circuit are not consolidated into these financial statements.

Notes to the Accounts

6 Cost of superintendent, ministers, and trustees

The superintendent of the Circuit, the other ministers and the remaining members of the Circuit Leadership Team are considered to be key management personnel. The superintendent chairs meetings of the CLT and Circuit Meetings. The members of the Circuit Meeting are the trustees of the Circuit. The stipends, employer's NIC, and employer's pension contributions and other expenses of the ministers of the Circuit are paid by the Circuit.

| | 2020-21 | 2019-20 |
|---|----------------|----------------|
| Stipends of Ministers including Employers N & Pension | 176,107 | 192,299 |
| No. of full time ministers | 5 | 5 |

| Apprenticeship levy | 814 | 675 |
| Administrator | 3,932 | 3,815 |
| | 180,853 | 196,789 |

Payments to Trustees

It is generally not Circuit policy to reimburse non-ministerial members of the CLT, Circuit Meeting and others involved in the administration of Circuit affairs for expenditure properly incurred in carrying out their duties. Apart from the 7 ministers, and Circuit Administrator no member of the Circuit Meeting or CLT was in receipt of any payment for work undertaken on behalf of the Circuit, although certain travelling and administration costs were reimbursed in relation to specific projects. The Circuit Administrator is a trustee and received payments totalling £3,932 in respect of work undertaken.

7 Manse and other property costs

The Circuit is required to provide and maintain accommodation for each Minister and her/his family. This is a benefit to the Circuit. Ministers are generally expected to occupy their Manses. The Circuit bears the cost of repairs, maintenance, building insurance, Council Tax and water charges.

The trustees have established a designated fund to meet the expenses of maintaining the Circuit's six Manses and the circuit office. (2020: 6)

From time to time the Circuit may hold residential property (formerly Manses) which is surplus to its normal staffing requirements. Where this is the case and it is anticipated that the property is unlikely to be used as a manse within a period of two years, the property is classified as investment property (whether let out or not) and any lets are at market rates unless there is a compelling reason not to do so in furtherance of the Circuit's charitable objectives. At 31 August 2021, the Circuit held two residential investment properties (Haltwhistle & Wylam).

Further the Circuit may from time to time hold further investment properties being churches where worship no longer takes place. With the consent of the trustees and the District, the Circuit is responsible for preparing the property for sale most often as a commercial transaction. The trustees will receive the proceeds of the sale once concluded and after the application of the Connexional Property Levy. At 31 August 2021, the Circuit held two investment properties in West Wylam and Mickley (2020: 2).

10 Grants and Donations

A grant from the Model Trust Fund of £40,000 to the General Fund towards the Circuit's expenditure for the year to 31 August 2021 was agreed at the Circuit meeting on 10 December 2020 and another grant was made to the Church at Prudhoe (£9,000).

11 Manse and other property

The freehold residential property (manses) is shown in the accounts at deemed historical cost representing each property's gross carrying value as at 1 September 2015, being that property's insurance reinstatement value resulting from a professional valuation undertaken in 2011-12 and subsequently adjusted up to and including 31 August 2014. No depreciation is provided because the trustees consider the current residual value of the property in its present condition to be not less than its historical cost and, in the absence of any evidence of impairment, any depreciation provision for the property would be immaterial.

From time to time the Circuit is required to assume responsibility for Church premises following closure and cessation of worship. This results in the Circuit becoming Managing Trustees for the property. At that time the property is recognised as an asset at its anticipated net sale price as determined by a professional valuation and after taking into consideration the levy to be charged by the Connexion. Any expenditure on such assets is capitalised.

Trustees have not made any separate valuation of the land associated with its property.

The Circuit has made use of the deemed cost option on transitioning to FRS 102 SORP 2015 as outlined above.

TMCP is the legal owner and Custodian Trustee of all Methodist Model Trust property, including Legacies, Endowments, and Accumulated Funds. Trust property is held for and on behalf of local Managing Trustees who are responsible for the day to day management of trust property. TMCP ensure that, through providing guidance and acting under their direction, the Managing Trustees comply with charity law and Methodist law and policy as determined by the Methodist Conference.

In addition, the Circuit has a deposit accounts at CFB, a common deposit fund. Interest is earned on the CFB account and credited monthly; the sums deposited can be withdrawn without notice and without loss of interest. These sums are viewed as being liquid.

18 Volunteer contributions

Every entity (Connexion, District, Circuit, Church) within the Methodist Church in GB is heavily reliant on volunteers who contribute their skills, time and money in the furtherance of the work of the Church. Principally this contribution is by serving on committees of the Circuit that deal with mission, manses, finance, policy, grants, training, development. We are grateful to all of them for their help and commitment.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under Section 145 of the Charities Act
- to follow the procedures laid down in the general Directions given by the Charity Commission (under Section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention (other than that disclosed below*):

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
